

PIPELINE CROSSING LICENSE AGREEMENT

THIS AGREEMENT, made as of **January 4, 2023**, the “Effective Date”, by and between **North Central Mississippi Regional Railroad Authority (NCMRRA)**, whose mailing address is **P. O. Box 704, Water Valley, MS 38965**, hereinafter called “**Railroad**”, and **City of Southaven**, whose mailing address is **8710 Northwest Drive, Southaven, MS 38672**, hereinafter called “**Licensee**”,

WITNESSETH:

WHEREAS, Licensee desires to construct, use and maintain a **twelve inch pipeline** solely for the conveyance of potable water, hereinafter called “**Pipeline**”, under and across the tracks and property owned or controlled by Railroad near **Southaven, Desoto County, Mississippi**, crossing Railroad’s trackage at **Milepost 403.33**, including necessary steel casing pipe, hereinafter called the “**Crossing**”, as shown on the application, plan and profile, **Exhibit A**, attached hereto and made a part hereof.

NOW, THEREFORE, in consideration of the mutual covenants, terms and agreements herein contained, the parties hereto agree and covenant as follows:

1. LICENSE:

- 1.1 Railroad, insofar as it has the legal right, power and authority to do so, and its present title permits, and subject to:
 - (A) Railroad’s present and future right to occupy, posses and use its property within the area of the Crossing for any and all purposes;
 - (B) all encumbrances, conditions, covenants and easements applicable to Railroad’s title to or rights in the subject property; and
 - (C) compliance by Licensee with the terms and conditions herein contained;

does hereby grant to Licensee the nonexclusive **License** to construct, maintain, repair, operate or use said Pipeline at the Crossing above for the term herein stated, and to remove same upon termination.

- 1.2 The term **Pipeline**, as used herein, shall include only the pipes, connectors, fixtures, appliances and ancillary facilities devoted exclusively to the usage above within the Crossing, and as shown on attached Application Form.
- 1.3 No additional pipelines or facilities shall be placed, allowed or maintained by Licensee in, upon or along the Crossing except upon separate prior written consent of Railroad.

2. LICENSE FEE, CONTRACT PREPARATION FEE, TERM:

- 2.1 LICENSEE shall submit a one-time Application, Engineering Review and Contractor Right of Entry Fee of **Five Thousand Five Hundred U.S. Dollars (\$5,500)**.
- 2.2 Licensee shall pay to Railroad an Annual License Fee of **Six Hundred U.S. Dollars (\$600)**, payable upon execution of this Agreement by Licensee and then on or before the anniversary of the Effective Date. Such fee shall be subject to periodic review and adjustment by Railroad.
- 2.3 In addition to the above fees, Licensee will also pay a one-time contract preparation and administration fee of **One Thousand Two Hundred Fifty U.S. Dollars (\$1,250)**.

- 2.4 Licensee assumes sole responsibility for, and shall pay directly (or reimburse Railroad), any additional annual taxes and/or periodic assessments levied against Railroad or Railroad's property solely on account of said Pipeline.
- 2.5 Effective Date of this Agreement shall be the date first written above and shall continue in effect for a ten year period and following that from year to year until terminated by ninety (90) days written notice from either party to the other. License shall be revocable in the event of Licensee's default, as herein provided, and shall also terminate upon (a) Licensee's cessation of use of the Pipeline or Crossing for the purposes above, (b) removal of the Pipeline, and/or (c) subsequent mutual consent.

3. CONSTRUCTION, MAINTENANCE AND REPAIRS:

- 3.1 Licensee shall construct, maintain, relocate, repair, renew, alter, and/or remove said Pipeline, in a prudent, workmanlike manner, using quality materials and complying with any applicable standards or regulations of Railroad, A.R.E.M.A. Specifications, Licensee's particular industry, and/or any governmental or regulatory body having jurisdiction over the Crossing.
- 3.2 If any third party or persons other than Licensee's employees will be constructing the Pipeline, or performing work of any charter on Railroad's property or in Railroad's "zone-of-influence", said third party will be required to enter into a Contractor Right-of-Entry (ROE) Agreement to conduct the work.
- 3.3 Location and construction of Pipeline shall be made strictly in accordance with designs and specifications furnished to and approved by Railroad and of materials and sizes appropriate for the purposes above recited.
- 3.4 All Licensee's work and exercise of rights hereunder shall be undertaken at times satisfactory to Railroad and in a manner so as to eliminate or minimize any impact on or interference with the safe use and operation of Railroad's tracks and appurtenances thereto.
- 3.5 In the installation and/or maintenance of said Pipeline, Licensee shall not use explosives of any type or perform any blasting without the separate express written consent of Railroad. As a condition to such consent, a representative will be assigned by Railroad to monitor blasting, and Licensee shall reimburse Railroad for the entire cost and/or expense of furnishing said monitor.
- 3.6 Any repairs or maintenance to Pipeline which are reasonably necessary to protect or facilitate Railroad's use of its property shall be made by Licensee promptly, but in no event later than ten (10) days after Licensee has notice for the need of such repair or maintenance, whether or not such repair or maintenance results from acts of Licensee, weather events or otherwise.
- 3.7 Railroad, in order to protect or safeguard its property, rail operations, equipment or employees from imminent damage or injury, may request immediate repairs or renewal to the Pipeline, and if the same is not performed, may make or contract to make such repairs or renewals, at the sole risk, cost and expense of Licensee.
- 3.8 Neither the failure of Railroad to object to any work done, material used, or method of construction or maintenance of said Crossing, nor any approval given by Railroad, shall be construed as an admission of liability or responsibility by Railroad, or as waiver by Railroad of any of the obligations, liability and/or responsibility of Licensee under this Agreement.
- 3.9 Licensee hereby agrees to reimburse Railroad any loss, cost or expense including losses resulting from train delays and inability to meet train schedules caused by any failure of

Licensee to make reasonable or required repairs or maintenance, or from improper or incomplete repairs or maintenance.

4. PERMITS, LICENSES:

- 4.1 Before any work is performed, or before use of the Crossing for the contracted purpose, Licensee, at its sole cost and expense, shall obtain all necessary permits (including but not limited to zoning, building, construction, health, safety or environmental matters), letters or certificates of approval. Licensee expressly agrees and warrants that it shall conform and limit its activities to the terms of such permits, approvals and authorizations, and shall comply with all applicable ordinances, rules, regulations, requirements and laws of any governmental authority (State, Federal or Local) having jurisdiction over Licensee's activities, including the location, contact, excavation and protection regulations of the Occupational Safety and Health Act (OSHA) (29 CFR 1926.651(b), et al.), and State "One Call" – "Call Before You Dig" requirements.
- 4.2 Licensee assumes sole responsibility for failure to obtain such permits or approvals, for any violations thereof, or for costs or expenses of compliance or remedy.

5. MARKING AND SUPPORT:

- 5.1 With respect to any subsurface installation upon Railroad's property, Licensee, at its sole cost and expense, shall:
- (A) support tracks and roadbed of Railroad, in a manner satisfactory to Railroad;
 - (B) backfill with satisfactory material and thoroughly tamp all trenches to prevent settling of surface of land and roadbed of Railroad; and
 - (C) either remove any surplus earth or material to be placed and distributed at locations and in such manner Railroad may approve.
- 5.2 After construction of Pipeline, Licensee shall:
- (A) restore said tracks, roadbed and other disturbed property of Railroad, to a condition reasonably comparable to the condition that existed on the date on which construction of the Pipeline commenced; and
 - (B) erect, maintain and periodically verify the accuracy of aboveground markers, in a form approved by Railroad, indicating the location, depth and ownership of any underground Pipeline or related facilities.

6. TRACK CHANGES:

- 6.1 In the event that Railroad's rail operations and/or track maintenance result in any changes in grade or alignment of or additions to Railroad's tracks or other facilities, or in the event future use by Railroad of Railroad's right-of-way and property necessitate any change of location, height or depth in Pipeline, Licensee, at its sole cost and expense and within thirty (30) days receipt of the necessary governmental approvals, shall make changes in Pipeline to accommodate Railroad's tracks or operations.
- 6.2 If Licensee fails to do so, Railroad may make such changes, at Licensee's cost.

7. PIPE CHANGES:

- 7.1 Licensee shall periodically monitor and verify the depth of Pipeline within the Crossing in relation to Railroad's tracks and facilities, and shall relocate Pipeline or change Crossing, at Licensee's expense, should such relocation or change be necessary to comply with the minimum clearance requirements of this Agreement.
- 7.2 If Licensee undertakes to revise, renew, relocate or change in any manner whatsoever all or any part of Pipeline, or is required by any public agency or court order to do, plans therefor shall be submitted to Railroad for approval before any such change is made. Once approved, Licensee, or their contractor, will be required to enter into a Right-of-Entry Agreement (ROE Agreement) to conduct said changes. After the work has been completed, the terms and conditions of this Agreement shall apply thereto.

8. INTERFERENCE WITH RAIL FACILITIES:

- 8.1 Although the Pipeline herein permitted may not presently interfere with Railroad's railroad operations or facilities, in the event that the operation, existence or maintenance of said Pipeline, in the sole judgment of Railroad, causes: (a) interference (physical, magnetic or otherwise) with Railroad's communication, signal or wires, power lines, train control system, or other facilities; or (b) interference in any manner with the operation, maintenance or use by Railroad of its right-of-way, tracks, structures, pole lines, devices, other property, or any appurtenances thereto; then, and in either event, Licensee, upon receipt of written notice from Railroad of any such interference, and at Licensee's sole risk, cost and expense, shall promptly make such changes in its Pipeline as may be reasonably required in the judgment of Railroad to eliminate all such interference. Upon Licensee's failure to remedy or change, Railroad may do so or contract to do so, at Licensee's sole cost.
- 8.2 Without assuming any duty hereunder to inspect Pipeline, Railroad hereby reserves the right to inspect same and to require Licensee to undertake reasonable repairs, maintenance or adjustments to Pipeline, which Licensee hereby agrees to make promptly, at Licensee's sole cost and expense.

9. RISK, LIABILITY, INDEMNITY:

With respect to the liabilities of the parties, it is hereby agreed that:

- 9.1 To the extent allowed by Mississippi law Licensee hereby assumes, and shall at all times hereafter release, indemnify, defend and save Railroad harmless from and against any and all liability, loss, claim, suit, damage, charge or expense which Railroad may suffer, sustain, incur or in any way be subjected to, on account of death of or injury to any person whomsoever (including officers, agents, employees or invitees of Railroad), and for damage to or loss of or destruction of any property whatsoever, arising out of, resulting from, or in any way connected with the presence, existence, operations, or use, of Pipeline or the restoration of premises of Railroad to their prior order or condition after removal, EXCEPT to the extent proven to have been caused by the fault, or negligence of Railroad.
- 9.2 Use of Railroad's right-of-way involves certain risks of loss or damage as a result of Railroad's rail operations. Notwithstanding Section 9.1, as between Railroad and Licensee, Licensee expressly assumes all risk of loss and damage to Licensee's Property and Pipeline on the Crossing, including loss of or any interference with use or service thereof, regardless of cause, including electrical field creation, fire or derailment resulting from Railroad's rail operations. For this Section, the term "**Licensee's Property**" shall include property of third parties situated or placed upon Railroad's right-of-way by Licensee or by such third parties at request of or for benefit of Licensee.

- 9.3 Notwithstanding Article 9.1, Licensee also expressly assumes all risk of loss which in any way may result from Licensee's failure to maintain either required clearances for any overhead Pipeline or the required depth and encasement for any underground Pipeline.
- 9.4 If a claim or action is made or brought against either party, for which the other party may be responsible hereunder in whole or in part, such other party shall be notified and permitted to assume in the handling or defense of such claim or action.

10. INSURANCE:

- 10.1 Prior to installation or occupation of the Pipeline pursuant to this Agreement, Licensee shall procure Public Liability or Commercial General Liability Insurance, and shall also maintain during continuance of this Agreement, at its sole cost and expense, a policy of Public Liability or Commercial General Liability Insurance covering liability under this License. Coverage of **One Million U.S. Dollars (\$1,000,000)** Combined Single Limit per occurrence for bodily injury and property damage, and an aggregate of **Three Million U.S. Dollars (\$3,000,000)** required as a minimum to protect Licensee's assumed obligations hereunder. If said policy does not automatically cover Licensee's contractual liability under this Agreement, a specific endorsement adding such coverage shall be purchased by Licensee. Failure to do so shall be at Licensee's sole risk.
- 10.2 If said CGL policy is written on a "claim made" basis instead of a "per occurrence" basis, Licensee shall arrange for adequate time for reporting losses. If said CGL policy does not automatically cover Licensee's contractual liability during periods of survey, installation, maintenance and continued occupation, a specific endorsement adding such coverage shall be purchased by Licensee. Failure to do so shall be at Licensee's sole risk.
- 10.3 Throughout any period of construction performed within fifty (50) feet of railroad operations, the insurance industry dictates that Railroad Protective Liability Insurance (RPL) should be purchased to protect the railroad. No work of any character shall be started on the property of Railroad without an RPL insurance policy having been received in the name of and approved by Railroad as to the limits, form, and substance. Limits are **Two Million U.S. Dollars (\$2,000,000)** for bodily injury and property damage per occurrence, and an aggregate of **Six Million U.S. Dollars (\$6,000,000)**. The policy will remain in force during the construction and must be provided prior to Railroad executing the covering agreement. If you are a member of AEGIS (Associated Electric & Gas Insurance Services Limited), this may be submitted for Railroad's review and acceptance.
- 10.4 Securing such insurance shall not limit Licensee's liability hereunder, but shall be additional security therefor.
- 10.5 Railroad may at any time request evidence of insurance purchased by Licensee to comply with this Agreement. Failure of Licensee to comply with Railroad's demand shall be considered a default, subject to Article 13.

11. GRADE CROSSINGS, FLAGGING:

- 11.1 Nothing herein contained shall be construed to permit Licensee or Licensee's contractor to move any vehicles or equipment over tracks of Railroad, except at public road crossings, without separate prior written approval of Railroad.
- 11.2 If Railroad deems it advisable, during the progress of any construction, maintenance, repair, renewal, alteration, change or removal of said Pipeline, to place watchmen, flagmen,

inspectors or supervisors for protection of property or operations of Railroad or others on Railroad's property at the Crossing, and to keep persons, equipment and materials away from Railroad's tracks, Railroad shall have the right to do so at the sole cost and expense of Licensee, but Railroad shall not be liable for failure to do so.

- 11.3 Prior to entering the Railroad's property to conduct any activity, Licensee shall give notice as provided in Section 15 to Railroad's General Manager and the necessity of flagging shall be determined. If Railroad employees provide such flagging, it shall be at the present rate of **Nine Hundred U.S. Dollars (\$900)** per day with an eight-hour maximum. The flagging rate shall be subject to revision based on future rates that are in effect at the time flagging is performed.
- 11.4 Subject to Railroad's consent and to Railroad's Railroad Operating Rules and existing labor agreements, Licensee may provide such flagmen, watchmen, inspectors or supervisors during all times of construction, at Licensee's sole risk, and expense; and in such event, Railroad shall not be liable for the failure or neglect of such watchmen, flagmen, inspectors or supervisors.

12. RAILROAD'S COSTS, INVOICES:

- 12.1 Any reasonable additional or alternative costs or expenses incurred by Railroad to accommodate Licensee's continued use of Railroad's property as a result of track changes or pipe changes shall also be paid by Licensee.
- 12.2 Railroad's expense for wages and materials for any work performed at expense of Licensee, pursuant to any stipulation of this Agreement, shall be paid by Licensee within forty-five (45) days after receipt of Railroad's bill therefor.
- 12.3 Such expense shall include, but not be limited to, cost of railroad labor and supervision under "force account" rules, plus current applicable overhead percentages, the actual cost of materials, plus insurance, freight and handling charges on all materials used. Equipment rentals shall be in accordance with Railroad's applicable fixed rates.
- 12.4 All annual or monthly invoices, undisputed bills or portions of bills not paid within said thirty (30) days after an invoice has been issued, shall be subject to a late fee penalty of twenty percent (20%) per month such invoice remains unpaid, unless limited by local law, and then at the highest rate so permitted. Unless Licensee shall have furnished detailed objections to such bills within forty-five (45) days, bills shall be presumed undisputed.

13. DEFAULT, BREACH, WAIVER:

- 13.1 The proper and complete performance of each covenant of this Agreement shall be deemed of the essence thereof, and in the event Licensee fails or refuses to fully and completely perform any of said covenants or to remedy any breach within thirty (30) days after receiving a written notice from Railroad to do so (or within twenty-four (24) hours in the event of notice of a railroad emergency), Railroad shall have the option of immediately terminating this Agreement, and revoking the privileges and powers hereby conferred upon Licensee, regardless of license fees having been paid in advance for any annual or other period. Upon such termination, Licensee shall make removal in accordance with Article 14.
- 13.2 No waiver by either party at any time of its rights as to any covenants or condition herein contained shall be construed as a permanent waiver of such covenant or condition, or any subsequent breach thereof, unless such covenant or breach is permanently waived in writing by said party.

14. TERMINATION, REMOVAL:

- 14.1 All rights which Licensee may have hereunder shall cease and end upon the date of (a) termination, (b) revocation, and/or (c) upon Licensee's removal of Pipeline from the Crossing. However, termination or revocation of this Agreement shall not affect any claims and liabilities which may have arisen or accrued hereunder, and which at the time of termination or revocation have not been satisfied; neither party, however, waiving any third party defenses or actions.
- 14.2 Within thirty (30) days after termination or revocation, Licensee, at its sole risk and expense, shall (a) (i) remove Pipeline from the property of Railroad or (ii) abandon the Pipeline in place, in which case the same shall be cut, capped and flushed in accordance with applicable law, unless the parties hereto agree otherwise, (b) restore property of Railroad to its pre-existing condition in a manner reasonably satisfactory to Railroad, and (c) reimburse Railroad all reasonable loss, cost or expense of Railroad resulting from such removal.

15. NOTICE:

- 15.1 Licensee shall give Railroad at least five (5) days written notice before doing any work of any character hereunder on Railroad's property, except that in cases of emergency shorter notice may be given to Railroad. All other notices and communications concerning this Agreement shall be addressed to Licensee at the address above, and to Railroad at the address and telephone numbers as follows:

North Central Mississippi Regional Railroad Authority (NCMRRA)
P. O. Box 704
Water Valley, MS 38965
Attn: Mr. Larry Hart, President

With a copy to: IMGRail, Inc.
Attn: Jarrett Mankin
1629 Race Track Rd. Suite 206
St. John's, FL 32259

- 15.2 In addition to the five (5) days written notice, prior to entering the Railroad's property, Licensee will provide daily notification to Mr. Trevor Costilow, General Manager at:

Office Phone: (662) 226-8364
Cell Phone: (662) 699-9525
Email: trevor.costilow@grenadarailroad.com

Such notification must be acknowledged and permission received from the Railroad in each instance that Licensee will occupy Railroad's property for any reason or cause.

- 15.3 All notices under this Section shall be in writing and sent via USPS or FedEx (or a similar, trusted courier service) with a registered and/ or certified receipt and a written record maintained by Licensee of delivery, phone and/ or email notices exchanged between Licensee and Railroad. All notices shall be effective upon actual receipt.

16. ASSIGNMENT:

- 16.1 The rights herein conferred are the privilege of Licensee only, and Licensee shall obtain Railroad's prior written consent to any assignment of Licensee's interest herein.

- 16.2 Subject to Article 16.1 and 16.3, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors or assigns, or heirs, legal representatives and assigns, as the case may be.
- 16.3 Licensee shall give Railroad written notice of any legal succession (by merger, amalgamation, consolidation, reorganization, etc.) or other change of legal existence or status of Licensee, with a copy of all documents attesting to such change or legal succession, within thirty (30) days thereof. Any change of legal existence, including a name change of Licensee, will be acknowledged and an assignment required of this Agreement or a new Agreement prepared to provide for the continuation of this License and permit.
- 16.4 Railroad expressly reserves the right to assign this Agreement, in whole or in part, to any grantee or vendee of Railroad's underlying property interests in the Crossing, upon notice thereof to Licensee.
- 16.5 In the event of any unauthorized sale, transfer, assignment, sublease or encumbrance of this Agreement, or any of the rights and privileges hereunder, Railroad, at its option, may revoke this Agreement at any time within six (6) months after such sale, transfer, etc., by giving Licensee or any such assignee written notice of such revocation. At such time, Licensee shall reimburse Railroad for any loss, cost or expense Railroad may incur as a result of Licensee's failure to obtain said written consent.
- 16.6 In the event of sale or other conveyance by Railroad of its right-of-way, across, under or over, which the Crossings is constructed, Railroad's conveyance shall be made subject to the right of Licensee to continue to occupy the Crossing on the specific right-of-way, and to operate, maintain, repair, renew thereon and to remove therefrom the facilities of Licensee, subject to all other terms of this Agreement.

17. TITLE, LIENS, ENCUMBRANCES:

- 17.1 Licensee shall not at any time own or claim any right, title or interest in or to Railroad's property occupied by Licensee's Pipeline, nor shall the exercise of this Agreement for any length of time give rise to any right, title or interest in Licensee to said property other than the license herein created.
- 17.2 Nothing herein shall be deemed to act as any warranty, guarantee, or representation of the quality of title of the rail right-of-way corridor occupied or used under this Agreement.
- 17.3 Nothing in this Agreement shall be deemed to give, and Railroad hereby expressly waives, any claim of ownership in and to any part of Licensee's Pipeline.
- 17.4 Licensee shall not create or permit any mortgage, pledge, security, interest, lien or encumbrances, including without limitation, tax liens and liens or encumbrances with respect to work performed or equipment furnished in connection with the construction, installation, repair, maintenance or operation of Licensee's Pipeline in or on any portion of the Crossing (collectively, "Liens or Encumbrances"), to be established or remain against the Crossing or any portion thereof or any other Railroad property.
- 17.5 In the event that any property of Railroad becomes subject to such Liens or Encumbrances, Licensee agrees to pay, discharge or remove the same promptly upon Licensee's receipt of notice that such Liens or Encumbrances has been filed or docketed against the Crossing or any other property of Railroad; however, Licensee reserves the right to challenge, at its sole expense, the validity and/or enforceability of any such Liens or Encumbrances.

18. GENERAL PROVISIONS:

- 18.1 This Agreement, and the attached specifications and drawing, Exhibit A, contain the entire understanding between the parties hereto.
- 18.2 Neither this Agreement, any provision hereof, nor any agreement or provision included herein by reference, shall operate or be construed as being for the benefit of any third person.
- 18.3 The form or any language of this Agreement shall not be interpreted or construed in favor of or against either party hereto as the drafter thereof.
- 18.4 This Agreement is executed under current interpretation of any and all applicable Federal, State, County, Municipal or other local statute, ordinance or law. Each and every separate division (paragraph, clause, item, term, condition, covenant or agreement) hereof shall have independent and severable status from each other separate division for the determination of legality, so that if any separate division is determined to be void, such determination shall have no effect upon the validity or enforceability of each other separate division, or any other combination thereof.
- 18.5 This Agreement shall be construed and governed by the laws of the state in which the Pipeline is located.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement in duplicate (each of which shall constitute an original) as of the date and year first above written.

**RESOLUTION OF THE MAYOR AND CITY OF SOUTHAVEN, MISSISSIPPI
GOVERNING AUTHORITIES ADOPTING A UNIFORM GUIDANCE POLICY FOR
ADMINISTRATION OF FUNDS RECEIVED FROM THE U.S. DEPARTMENT OF
TREASURY UNDER THE AMERICAN RESCUE PLAN ACT**

WHEREAS, on March 11, 2021, the President of the United States signed into law the American Rescue Plan Act to provide continued relief from the impact of the COVID-19 pandemic (“COVID-19”); and

WHEREAS, the American Rescue Plan Act, through the Coronavirus State Fiscal Recovery Fund and the Coronavirus Local Fiscal Recovery Fund (together, “ARPA”), allotted approximately \$350 billion to assist state, local, tribal and territory governments in responding to COVID-19; and

WHEREAS, Sections 602(b) and 603(b) of the Social Security Act, as amended by Section 9901 of ARPA, Pub. L. No. 117-2 (March 11, 2021), authorized the U.S. Department of Treasury (“Treasury”) to make payments to certain recipients under ARPA; and

WHEREAS, the City of Southaven, Mississippi (“City”) was allocated \$7,604,974.00; and

WHEREAS, Treasury has established an interim final rule, a final rule effective April 1, 2022, FAQ’s and related guidance, as amended from time to time (“Guidance”), setting forth specific requirements for utilizing the funds, including the eligible uses thereof, received under ARPA; and

WHEREAS, in accordance with the Guidance, the Mayor and Board of Aldermen (“Governing Body”) of the City will administer the City’s funds received under ARPA for the eligible uses and purposes prescribed in the Guidance, including the Uniform Grant Guidance requirements set forth in 2 C.F.R. Part 200 (“Uniform Grant Guidance”), as applicable, and for necessary expenditures in response to the impact of COVID-19 and in efforts to contain and mitigate the same; and

WHEREAS, the City will purchase goods, commodities and services using ARPA funding subject to the requirements of the Uniform Grant Guidance; and

WHEREAS, the City has previously adopted a City Purchase Policy (“Policy”) that sets forth the City’s policies on procurement and related policies under state law; and

WHEREAS, to confirm compliance with ARPA and the Guidance, the City desires to supplement the Policy to implement additional procurement and/or related Uniform Grant Guidance policies applicable to ARPA and, as a result, has drafted its Uniform Guidance Policy for American Rescue Plan Fiscal Recovery Funds for the City of Southaven, Mississippi, attached hereto as **Exhibit A**.

NOW, THEREFORE, BE IT RESOLVED by the Governing Body of the City as follows:

1. That the City desires to utilize the funds received under ARPA in accordance with the Guidance for the betterment of its citizens in responding to the public health emergency caused by COVID-19 and to continue to fight and mitigate the same for the months and years ahead.
2. That, therefore in accordance with the Guidance, this resolution, and in efforts to properly utilize the ARPA funds received and to compliment and supplement the Policy, the City

EXHIBIT A
UNIFORM GUIDANCE POLICY

**Uniform Guidance Policy for American Rescue Plan Fiscal Recovery Funds
For the City of Southaven, Mississippi**

I. Background and Purpose

The purpose of this Policy is to establish written guidelines consistent with the applicable requirements of the Coronavirus State and Local Fiscal Recovery Funds of the American Rescue Plan Act (“ARPA”) and the Uniform Guidance for the City that meet or exceed the procurement requirements for purchases of goods (apparatus, supplies, materials, and equipment), services, and construction or repair projects when federal funds are being used in whole or in part to pay for the cost of the contract.

The City has previously adopted a Purchase Policy that sets forth specific procurement and related requirements under state and federal law. This Uniform Guidance Policy is to supplement the City Purchase Policy only for ARPA expenditures and shall apply in addition to the requirements of the City Purchase Policy where not inconsistent. To the extent that this Uniform Guidance Policy and City Purchase Policy are in conflict or inconsistent (with the exception of the base procurement threshold of \$5,000 set forth in Section V.A. hereto which shall apply), the more stringent provisions shall apply.

II. Definitions

- A. City** means the City of Southaven, Mississippi.
- B. Federal Grantees** means a non-federal agency that has received a federal grant either directly from the Federal Government or as a pass-through grantee with grant funds coming through the State, other local government, or any other properly authorized entity.
- C. Governing Body** means the Mayor and City Board of Alderman.
- D. Policy** means this Uniform Guidance Policy for American Rescue Plan Fiscal Recovery Funds for the City of Southaven, Mississippi.
- E. Professional Services** means services rendered by certain attorneys, accountants, architects, engineers and land surveyors, physicians, appraisers, and real estate brokers who possess a special skill and are not officers or employees of the City.
- F. Uniform Guidance** means the Office of Management and Budget’s (“OMB”) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, as set forth in 2 C.F.R. Part 200.

III. Policy

- A. Application of Policy.** This Policy, in addition to the applicable provisions of the City Purchase Policy where not inconsistent, applies to all contracts for purchases, services, and construction or repair work funded with federal financial assistance (direct or reimbursed) from ARPA. The requirements of this Policy also apply to any subrecipient of the funds. It is the policy of the City to provide all vendors with a fair, equitable, and competitive opportunity to sell equipment, machinery, supplies, commodities, materials, and services to the City.
- B. Compliance with Federal Law.** All procurement activities involving the expenditure of federal funds under ARPA must be conducted in compliance with the Procurement Standards of the Uniform Guidance codified in 2 C.F.R. §§ 200.317 - 200.326 unless otherwise directed in writing by the federal agency or state pass-through agency that awarded the funds. The City will follow all applicable local, state, and federal procurement requirements when expending federal funds. Should the City have more stringent requirements, the most restrictive requirement shall apply so long as it is consistent with state and federal law.
- C. Contract Award.** All contracts shall be awarded only to the lowest responsive responsible bidder possessing the ability to perform successfully under the terms and conditions of the contract.
- D. No Evasion.** No contract may be divided to bring the cost under bid thresholds or to evade any requirements under this Policy or state and federal law.
- E. Contract Requirements.** All contracts paid for in whole or in part with ARPA funds shall be in writing. The written contract must include or incorporate by reference the provisions required under 2 C.F.R. § 200.326 and as provided for under 2 C.F.R. Part 200, Appendix II, unless excepted by ARPA and its related guidance.
- F. Contractors' Conflict of Interest.** Designers, suppliers, and contractors that assist in the development or drafting of specifications, requirements, statements of work, invitation for bids or requests for proposals shall be excluded from competing for such requirements.
- G. Approval and Modification.** The administrative procedures contained in this Policy are administrative and may be changed as necessary at the staff level to comply with state and federal law.
- H. Compliance with this Policy.** In accordance with the City Purchase Policy, the City shall maintain oversight to ensure that contractors and vendors perform in accordance with the terms, conditions, and specifications of contracts or purchase orders. Violations of this Policy may result in disciplinary action, up to and including termination.

IV. General Procurement Standards and Procedures:

The City shall procure all contracts and purchases utilizing ARPA funds in accordance with the requirements of this Section of the Policy.

- A. Necessity.** Purchases must be necessary to perform the scope of work and must avoid acquisition of unnecessary or duplicative items. Strategic sourcing should be considered with other departments and/or agencies who have similar needs to consolidate procurements and services to obtain better pricing.
- B. Clear Specifications.** All solicitations must incorporate a clear and accurate description of the technical requirements for the materials, products, or services to be procured, and shall include all other requirements which bidders must fulfill and all other factors to be used in evaluating bids or proposals. Technical requirements must not contain features that restrict competition.
- C. Notice of Federal Funding.** All bid solicitations must acknowledge the use of federal ARPA funding for the contract. In addition, all prospective bidders or offerors must acknowledge that funding is contingent upon compliance with all terms and conditions of the funding award.
- D. Compliance by Contractors.** All solicitations shall inform prospective contractors that they must comply with all applicable federal laws, regulations, executive orders, and terms and conditions of the funding award.
- E. Fixed Price.** Solicitations must state that bidders shall submit bids on a fixed price basis and that the contract shall be awarded on this basis unless otherwise provided for in this Policy. Cost plus percentage of cost contracts are prohibited. Time and materials contracts are prohibited in most circumstances. Time and materials contracts will not be used unless no other form of contract is suitable and the contract includes a "not to exceed" amount.
- F. Use of Brand Names.** When possible, performance or functional specifications are preferred to allow for more competition leaving the determination of how to reach the required result to the contractor. Brand names may be used only when it is impractical or uneconomical to write a clear and accurate description of the requirement(s). When a brand name is listed, it is used as reference only and "or equal" must be included in the description.
- G. Lease versus Purchase.** Under certain circumstances, it may be necessary to perform an analysis of lease versus purchase alternatives to determine the most economical approach.
- H. Dividing Contract for Minority and Woman-Owned ("M/WBE") Business Enterprise Participation.** If economically feasible, procurements may be divided into smaller components to allow maximum participation of small and minority

businesses and women business enterprises. The procurement cannot be divided to bring the cost under bid thresholds or to evade any requirements under this Policy.

- I. **Documentation.** Documentation must be maintained by the City detailing the history of all procurements. The documentation should include the procurement method used, contract type, basis for contractor selection, price, sources solicited, public notices, cost analysis, bid documents, addenda, amendments, contractor's responsiveness, notice of award, copies of notices to unsuccessful bidders or offerors, record of protests or disputes, bond documents, notice to proceed, purchase order, and contract. All documentation relating to the award of any contract must be made available to the granting agency upon request.
- J. **Cost Estimate.** For all procurements costing \$250,000 or more, the City shall develop an estimate of the cost of the procurement prior to soliciting bids. Cost estimates may be developed by reviewing prior contract costs, online review of similar products or services, or other means by which a good faith cost estimate may be obtained. Cost estimates for construction and repair contracts may be developed by the project designer.
- K. **Debarment.** No contract shall be awarded to a contractor included on the federally debarred bidder's list.
- L. **Contractor Oversight.** The City must maintain oversight of federally funded contracts to ensure that contractor is performing in accordance with the contract terms, conditions, and specifications.
- M. **Open Competition.** Solicitations shall be prepared in a way to be fair and provide open competition. The procurement process shall not restrict competition by imposing unreasonable requirements on bidders, including but not limited to unnecessary supplier experience, excessive or unnecessary bonding, specifying a brand name without allowing for "or equal" products, or other unnecessary requirements that have the effect of restricting competition.
- N. **Geographic Preference.** No contract shall be awarded on the basis of a geographic preference.

V. **Specific Procurement Procedures**

The City shall solicit bids in accordance with the requirements under this Section of the Policy based on the type and cost of the contract or purchase and all such awards shall be made by the Governing Body. These procedures must be utilized unless the specific circumstances satisfy one or more of the requirements for noncompetitive procurement as stated in 2 C.F.R. § 200.320(c).

- A. **Contracts/Purchases costing up to \$5,000** shall be procured using the Uniform Guidance "micro-purchase" procedure (2 C.F.R. § 200.320(a)(1)) and state bidding procedures (Miss Code Ann. § 31-7-13) as follows:

1. The contract may be awarded without soliciting pricing or bids if the price of the goods or services is considered to be fair and reasonable.
2. To the extent practicable, purchases must be distributed among qualified suppliers.

B. Contracts/Purchases costing more than \$5,000 up to \$75,000 shall be procured using the Uniform Guidance “small purchase” procedure (2 C.F.R. § 200.320(a)(2)) and state bidding procedures (Miss Code Ann. § 31-7-13) as follows:

1. Obtain competitive written bids from two (2) of qualified sources.
2. Take affirmative steps to solicit price quotes from M/WBE vendors and suppliers as required under 2 C.F.R. § 200.321.
3. Cost or price analysis is not required prior to soliciting bids.
4. Award the contract on a fixed-price basis (a not-to-exceed basis is permissible for service contracts where obtaining a fixed price is not feasible).
5. Award the contract to the lowest and best competitive written bid.

C. Contracts/Purchases (not including professional services) costing more than \$75,000 up to \$250,000 shall be procured using the Uniform Guidance “small purchase” procedure (2 C.F.R. § 200.320(a)(2)) and state bidding procedures (Miss Code Ann. § 31-7-13) as follows:

1. Obtain competitive written bids after advertising for competitive bids one each week for two (2) consecutive weeks in a regular newspaper published in the City with bid opening being not less than seven (7) days after last published notice and not less than fifteen (15) days for construction projects, all in accordance with the specific requirements of Miss. Code Ann. § 31-7-13(c).
2. Take affirmative steps to solicit price quotes from M/WBE vendors and suppliers as required under 2 C.F.R. § 200.321.
3. Cost or price analysis is not required prior to soliciting bids.
4. Award the contract on a fixed-price basis (a not-to-exceed basis is permissible for service contracts where obtaining a fixed price is not feasible).
5. Award the contract to the lowest and best competitive written bid.

D. Contracts/Purchases costing more than \$250,000 shall be procured using a combination of the most restrictive requirements of the Uniform Guidance “sealed bid” procedure (2 C.F.R. § 200.320(b)) and state bidding procedures (Miss Code Ann. § 31-7-13) as follows:

1. Cost or price analysis is required prior to soliciting bids.
2. Complete specifications or purchase description must be made available to all bidders.
3. Obtain competitive written bids after advertising for competitive bids one each week for two (2) consecutive weeks in a regular newspaper published

in the City with bid opening being not less than seven (7) days after last published notice and not less than fifteen (15) days for construction projects, all in accordance with the specific requirements of Miss. Code Ann. § 31-7-13(c).

4. Take affirmative steps to solicit price quotes from M/WBE vendors and suppliers as required under 2 C.F.R. § 200.321.
5. Open bids at the public bid opening on the date, time, and at the location noticed in the public advertisement. All bids must be submitted sealed. A minimum of 2 bids must be received in order to open all bids.
6. Award the contract to the lowest and best competitive written bid on a fixed-price basis. Any and all bids may be rejected only for "sound documented reasons."

E. Contracts for professional services, if ARPA funds are being used for the professional service, costing more than \$50,000 up to \$250,000 shall be procured using the Uniform Guidance "small purchase" procedure (2 C.F.R. § 200.320(a)(2)) as follows:

1. Obtain two or more informal price or rate quotations from at least two qualified sources.
2. Take affirmative steps to solicit price rates or quotes from M/WBE vendors and suppliers as required under 2 C.F.R. § 200.321.
3. Award the contract on a fixed-price basis or a not-to-exceed basis when obtaining a fixed price is not feasible.

F. Contracts for professional services, if ARPA funds are being used for the professional service, costing more than \$250,000 shall be procured using the Uniform Guidance "competitive proposal" procedure (2 C.F.R. § 200.320(d)) when the "sealed bid" procedure is not appropriate for the particular type of service being sought. The procedures are as follows:

1. A Request for Proposals ("RFP") must be publicly advertised. Formal advertisement in a newspaper is not required so long as the method of advertisement will solicit proposals from an "adequate number" of qualified firms.
2. Take affirmative steps to solicit price quotes from M/WBE vendors and suppliers as provided under 2 C.F.R. § 200.321.
3. Identify evaluation criteria and relative importance of each criteria (criteria weight) in the RFP.
4. Consider all responses to the publicized RFP to the maximum extent practical.
5. Must have a written method for conducting technical evaluations of proposals and selecting the winning firm.
6. Award the contract to the responsible firm with most advantageous proposal taking into account price and other factors identified in the RFP.
7. For architecture and engineering ("A/E") professional services only, the City may award the contract to the most qualified firm based on

qualifications without considering price as a selection factor in accordance with 2 C.F.R. § 200.321(b)(2)(iv). When contracting for A/E services only, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract. 2 C.F.R. § 200.319(c).

8. Award the contract on a fixed-price or cost-reimbursement basis.

G. Minimum Bonding Requirements. For construction or facility improvement contracts or subcontracts exceeding \$250,000, the requirements for bonding shall, at a minimum, be as follows:

1. A bid guarantee from each bidder is equivalent to five percent of the bid price.
2. A performance bond on the part of the contractor is for 100% of the contract price.
3. A payment bond on the part of the contractor is for 100% of the contract price.
4. All bonds required in this section are obtained from companies holding certificates of authority as acceptable sureties pursuant to the surety requirements for companies doing business with the United States (31 C.F.R. Part 223).

H. Records. The City shall maintain records for a period of at least five (5) years sufficient to detail history of each procurement transaction. These records must include, but are not limited to:

1. A description and supporting documentation showing rationale for procurement method (e.g., cost estimates);
2. Written price or rate quotations (such as catalog price, online price, email or written quote), if applicable;
3. Copies of advertisements, requests for proposals, bid sheets or bid proposal packets;
4. Reasons for vendor selection or rejection, including Board minutes, rejection letters and award letter; and
5. The basis for the contract price.

VI. Exceptions

Non-competitive contracts are allowed *only* under the following conditions and in the written determination of the Governing Body of the City:

- A. Sole Source.** A contract/purchase may be awarded without competitive bidding when the item is available from only one source. The City must document the justification for and lack of available competition for the item. A sole source contract must be approved by the Governing Body.

- B. Public Exigency.** A contract/purchase may be awarded without competitive bidding when there is a public exigency. A public exigency exists when there is an imminent or actual threat to public health, safety, and welfare, and the need for the item will not permit the delay resulting from a competitive bidding.
- C. Inadequate Competition.** A contract/purchase may be awarded without competitive bidding when competition is determined to be inadequate after attempts to solicit bids from a number of sources as required under this Policy does not result in a qualified winning bidder.
- D. Federal Contract.** A contract/purchase may be awarded without competitive bidding when the purchase is made from a federal contract available on the U.S. General Services Administration schedules of contracts.
- E. Awarding Agency Approval.** A contract/purchase may be awarded without competitive bidding with the express written authorization of the federal agency or state pass-through agency that awarded the federal funds so long as awarding the contract without competition is consistent with state law.

VII. Activities Allowed/Unallowed

The requirements for activities allowed or unallowed under any Federal grant award are contained in the ARPA program legislation, as administered by the U.S. Department of Treasury. The requirements for allowable costs/cost principles are outlined in 2 C.F.R. Part 200, subpart E, §§ 200.400 - 200.475. The City will apply these principles to assure the effective administration of ARPA funds in a manner consistent with the program objectives and terms and conditions of the award.

In order to ensure compliance with these requirements, the City has implemented the following policies and procedures:

- A.** All grant expenditures will be in compliance with the Uniform Guidance. The provisions of the grant award agreement will also be considered in determining allowability. Grant funds will only be used for expenditures that are considered reasonable and necessary as defined by 2 C.F.R. § 200.404 "Reasonable Costs" for the administration of the program and in compliance with ARPA and its related guidance.
- B.** Grant expenditures will be approved by the City's Mayor Admin Department initially through the budget and procurement processes as applicable. All bills or invoices must be received and approved by the City's Accounting Department before ultimate approval is given by the Governing Body. This will be evidenced by approval noted on the invoice or maintained within the accounts payable software. Accounts payable disbursements will not be processed for payment until necessary approval has been obtained.

- C. Payroll costs, if applicable as determined by the Governing Body in accordance with ARPA and its related guidance, will be documented in accordance with the Uniform Guidance with timesheets, and any other payroll records being approved at the Department level prior to payroll disbursements being processed.
- D. The City will be permitted to charge indirect costs to federal grants, in accordance with 2 C.F.R. § 200.414. The Uniform Guidance outlines the types of indirect costs that are allowable including administrative costs, salaries and expenses, and certain audit costs. These costs will be charged on a systematic and rational basis.
- E. For grants that are not expenditure reimbursement based, such as grants that reimburse on a “per unit basis” i.e. number of meals served, number of miles driven, etc., the City department participating in such a grant is still required to document costs related to the grant. In addition, program related data should be maintained at the City department level to support the number of units provided to support the amount of the grant reimbursement.

VIII. Equipment and Real Property Management

Any purchase of equipment or real property with ARPA funds shall be consistent with the Uniform Guidance at 2 C.F.R. Part 200, Subpart D. Equipment and real property must be used for the originally intended purpose as long as needed for that purpose. Consistent with 2 C.F.R. §§ 200.311 & 200.313, equipment and real property acquired with ARPA funds shall vest in the City. Acquisition and maintenance of equipment or real property will also comply with relevant laws and regulations. Should the City dispose of any equipment or real property acquired with ARPA funds on or before December 31, 2024, the proceeds of such disposition shall be subject to the eligibility requirements of ARPA.

IX. Period of Performance

The City will develop and implement internal controls for costs incurred throughout the period of performance. All funds will be used for costs incurred or obligated during the period that begins on March 3, 2021, and ends on December 31, 2024. The financial obligations incurred by December 31, 2024 must be expended by December 31, 2026. All funds not used must be returned to the Treasury.

X. Reporting

The City will timely complete the financial, performance, and compliance reporting required for metropolitan cities with a population below 250,000 residents which received more than \$5 million in ARPA funds and every applicable quarter thereafter. Expenditures will be reported on a cash or accrual basis, with the methodology disclosed and consistently applied. The City will report in accordance with the definition of expenditures in 2 C.F.R. § 200.1. The City shall maintain accounting records for completing and reporting accurate, compliant financial data in accordance with appropriate accounting standards and principles. Edi McIlwain, or her

designee, will serve as the Account Administrator, the Point of Contact for Reporting, and the Authorized Representative for submitting required reports of the Department of the Treasury.

XI. Subrecipient Monitoring

Subrecipients that are pass-through entities as defined under 2 C.F.R. §200.1 are required to manage and monitor their subrecipients to ensure compliance with ARPA awards pursuant to 2 C.F.R. § 200.331 regarding requirements for pass-through entities. In accordance with this requirement, the City will clearly identify to its subrecipients: (1) that the award is a subaward of ARPA funds; (2) any and all compliance requirements for the use of ARPA funds; and (3) any and all reporting requirements for ARPA funds. The City will evaluate each subrecipient's risk of noncompliance based on factors such as prior experience in managing federal funds, previous audits, personnel and policies or procedures for award execution and oversight. Ongoing monitoring of subrecipients will reflect its assessed risk and include monitoring, identification of deficiencies, and follow-up to assure appropriate remediation. The City will maintain records of all award agreements and document subrecipients' compliance obligations.

XII. Single Audit Requirements

The City and any subrecipients that expend more than \$750,000 in federal awards during their fiscal year will be subject to an audit under the Single Audit Act and its implementing regulation under 2 C.F.R. Part 200, Subpart F.

XIII. Civil Rights Compliance

The City is required to meet legal requirements relating to nondiscrimination and nondiscriminatory use of Federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from the Treasury do not deny benefits or services, or otherwise discriminate on the basis of race, color, national origin (including limited English proficiency), disability, age, or sex (including sexual orientation and gender identity), in accordance with the following authorities: Title VI of the Civil Rights Act of 1964 (Title VI) Public Law 88-352, 42 U.S.C. 2000d-1 et seq., and the Department's implementing regulations, 31 CFR part 22; Section 504 of the Rehabilitation Act of 1973 (Section 504), Public Law 93-112, as amended by Public Law 93-516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq., and the Department's implementing regulations, 31 CFR part 28; Age Discrimination Act of 1975, Public Law 94-135, 42 U.S.C. 6101 et seq., and the Department implementing regulations at 31 CFR part 23.

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE MISSISSIPPI TRANSPORTATION COMMISSION
AND**

City of Southaven, MISSISSIPPI
(List the Municipal, County, or State Agency)

This Memorandum of Understanding ("Agreement") is made and entered into by and between the Mississippi Transportation Commission ("COMMISSION"), a body corporate of the State of Mississippi, acting by and through the duly-authorized Executive Director of the Mississippi Department of Transportation ("MDOT"), and the (City of Southaven) ("Local Agency"), effective as of the date of latest execution below.

WITNESSTH:

WHEREAS, the COMMISSION, through MDOT, is charged with the construction and maintenance of the State Highway System; and

WHEREAS, pursuant to Section 65-1-8 of the Miss. Code Ann. (1972), the COMMISSION is further charged with making proper and reasonable rules and regulations for the removal of any form of obstruction from the public rights-of-way, and reserves the authority to remove any and all unauthorized obstructions from said rights-of-way; and

WHEREAS, the Local Agency is a duly-elected or appointed governmental organization for the above-named jurisdiction and is responsible for the placement and maintenance of **Automatic License Plate Readers (ALPR)** or other permanently mounted law enforcement devices including but not limited to those provided through the Department of Homeland Security; and

WHEREAS, the Local Agency is desirous of placing a ALPR on MDOT rights-of-way and agrees to assume all responsibility for the safety of its employees and/or agents working within said rights-of-way; and

WHEREAS, the COMMISSION is a body corporate under the laws of the State of Mississippi, and is authorized to enter into this Agreement under the provisions of Section 65-1-8 of the Miss. Code Ann. (1972), and the Local Agency and the COMMISSION desire to set forth more fully the understandings of the parties by which this will be accomplished.

NOW, THEREFORE, for and in consideration of the stated premises and of the mutual promises contained herein, the Local Agency and COMMISSION do agree as follows:

I. DUTIES AND RESPONSIBILITIES

A. THE LOCAL AGENCY:

1. Provide MDOT through the District Office with all required permit documents that include but are not limited to the following:
 - a. Provide MDOT with half-scale plans signed by a licensed professional Engineer in the State of Mississippi depicting all aspects of the ALPR hardware proposed for installation including a separate electrical power source and separate cabinet installation;
 - b. Provide MDOT with a Traffic Control Plan as well as administer the placement of all temporary traffic control devices in accordance with Part 6 of the Manual On Uniform Traffic Control Devices (MUTCD) that are necessary for the work within the right of way necessary for the installation, repair, or removal of the ALPR;
2. Notify the MDOT designee in writing within a minimum of one (1) week prior to installation or removal of an ALPR in order to coordinate MDOT's inspection of the work;

B. THE COMMISSION:

1. Upon notification from the Local Agency of an intended installation of an ALPR, MDOT District personnel, upon consultation with the appropriate MDOT support Divisions, will advise the Local Agency designee as to any safety or operational or roadway infrastructure concerns that may result in required actions to be taken by the Local Agency to mitigate these concerns or the denial of the ALPR at the requested location if the identified concerns cannot be mitigated;
2. Inspect as directed, installation, repair, and removal activities for the ALPR;
3. Verify proper placement of all traffic control devices as soon as practical; and
4. Designate an MDOT employee as the point of contact to receive notifications of installation, repair, or removal activities by the Local Agency.

II. NOTICE AND DESIGNATED AGENTS

The COMMISSION executes its orders and directives through MDOT. All notices and correspondence with the COMMISSION shall be directed to the designated agent shown below. Similarly, all notices and correspondence with the Local Agency shall be directed to the agent shown below. All notices and correspondence shall be considered delivered upon receipt at the locations or telephone numbers listed below. All modifications to this Agreement must be submitted in writing through the designated

agents and signed by the parties before they can take effect. Oral agreements cannot serve to modify this Agreement. The designated agents for the parties are:

III. GENERAL PROVISIONS

1. The relationship of the Local Agency to the COMMISSION is that of an independent contractor, and the Local Agency covenants and agrees that it and its employees will neither hold themselves out as, or claim to be, officers or employees of the COMMISSION or MDOT by reason hereof. The Local Agency and its employees and officials will not, by reason hereof, make any claim, demand, or application for any right or privilege applicable to an officer or employee of the COMMISSION or MDOT, including but not limited to workers' compensation coverage, unemployment insurance benefits, social security coverage, or any form of tax withholding.
2. All contracts and subcontracts shall include a provision for compliance with the Mississippi Employment Protection Act, codified at Section 71-11-3 of the Mississippi Code of 1972, as amended, and any rules or regulations promulgated by the Commission, the Department of Employment Security, the State Tax Commission, the Secretary of State, or the Department of Human Services in accordance with the Mississippi Administrative Procedures Law (Section 25-43-1, *et seq.*, Mississippi Code of 1972, as amended) regarding compliance with the Act. Under this Act, the Local Agency and every contractor or subcontractor employed by the Local Agency shall register with and participate in a federal work authorization program operated by the United States Department of Homeland Security to electronically verify information of newly hired employees pursuant to the Immigration Reform and Control Act of 1986, Pub.L.99-603, 100 Stat. 3359, as amended.
3. The COMMISSION shall not be a party to any contract or subcontract entered into by the Local Agency, other than this Agreement.

4. The ALPR shall remain the sole and exclusive property of the Local Agency. No provision of this Agreement is intended, nor shall it be construed, to grant any right, title, or interest to the ALPR to the COMMISSION or MDOT or any person or entity not a signatory hereto except as described in this Agreement.

IV. AMENDMENTS

This Agreement may be amended in writing as mutually agreed upon by the parties.

V. SEVERABILITY

Should any provision of this Agreement be found to be unconstitutional, or otherwise be contrary to the laws of the State of Mississippi or United States of America, to the extent that it is reasonably possible to do so, the remainder of this Agreement shall remain in full force and effect.

VI. TERMINATION OF AGREEMENT

This Agreement may be immediately terminated upon the written notification by the Executive Director of MDOT to the Local Agency authorized designee.

VII. LIABILITY

The COMMISSION in executing this Agreement shall not be held responsible for any damage, which may be caused or inadvertently done to the ALPR regardless of the source or cause of any such damage. The Local Agency agrees to assume and accepts all responsibility for the safety of the traveling public during installation, removal, and maintenance of the ALPR and/or any and all traffic control devices described under this Agreement.

The Local Agency does hereby covenant and agree to indemnify and hold harmless the COMMISSION and MDOT from and against any claims, actions, suits, causes, or demands, including court costs and reasonable attorney's fees, proximately resulting from acts or omissions of the Local Agency, or any servants, agents or employees of the Local Agency in the installation, repair, or removal of the ALPR as well as any and all traffic control devices described in the Agreement.

VIII. AUTHORITY TO CONTRACT

The undersigned hereby execute this Memorandum of Understanding and assure that the authority to execute this Agreement has been granted by the appropriate governing bodies.

AGREEMENT BETWEEN WILDCATS CHEER AND THE CITY OF SOUTHAVEN

This Agreement is made and entered into this 19 day of January, 2023, by and between The City of Southaven, "City" and Wildcats Cheer "Wildcats."

WITNESSETH:

WHEREAS, the City is hosting its annual Southaven Springfest during the dates of April 18-22, 2023; and

WHEREAS, the City desires to utilize the services of Wildcats to assist with providing vending services for the dates of April 21 and 22, 2023; and

WHEREAS, Wildcats will provide individuals to assist with providing the vending services and such individuals will possess the required training and meet all other requirements to perform the services provided; and

WHEREAS, as part of hosting Springfest, the City has procured all required permits from the applicable Mississippi agencies to allow for the sale of beer at Springfest; and

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

1. Wildcats shall provide two (2) individuals to assist the City with vending services as directed by the City and/or the City's representative during the City Springfest, excluding one (1) extra individual to serve Friday at the City Hospitality event which the City shall pay that individual Sixty Dollars and 00/100 (\$60.00) for 4 hours service.
2. As consideration for Wildcats performing such service, the City shall pay Wildcat in the amount of Three Hundred Fifty Dollars and 00/100 (\$350.00) per individual plus any tips that Wildcats may receive as part of its vending service.
3. This Agreement represents the final agreement of the parties. No amendment or modification of this Agreement shall be valid or binding upon either party unless made in writing and signed by the party against whom it is to be enforced.
4. Neither party hereto shall be deemed an agent, partner, joint-venturer nor related entity of the other by reason of this Agreement and as such neither party may enter into contracts and agreements which bind the other party except as set forth herein.
5. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original.

REMAINDER OF PAGE LEFT BLANK

IN WITNESS WHEREOF, the parties hereto have caused this Agreement between WILDCATS CHEER and CITY OF SOUTHAVEN to be executed by their authorized representatives as of the date first hereinabove written.

RE: Surplus Property Request

Mayor and Board,

The items listed below have reached the end of useful life for the police department. Parts, technical support, and software updates are no longer available for these items, making them obsolete. We request to have these items declared surplus so that we can dispose of them in accordance to state law and remove them from the fixed asset inventory.

REQUEST FOR PROPOSALS

The City of Southaven, Mississippi ("City") is requesting PROPOSALS for the collection of municipal residential refuse. This service will consist of collecting refuse from the City and delivering to the County landfill, transfer station, waste-to-energy plant, landfill, rubbish pit or other area as designated by the City. **The current contract expires on April 30, 2023; May 1, 2023 shall be the start date for this new contract.**

I. BACKGROUND

The City, with a population of over 50,000, has curbside collection of refuse (garbage and rubbish) currently under separate contracts. **This Request for Proposals (RFP) is for total refuse collection with an option to provide only rubbish or garbage collection under separate contracts if deemed in the best interest of the City. However, it is the City's desire to combine these services into this single refuse collection contract, if it is deemed the best option. The City will also consider the option of the contractor of the assuming and providing subscription-based, single-stream, curbside recycling collection. The City will also consider the option of the contractor of assuming and providing full curbside garbage service for certain residents (primarily qualifying elderly and those of any age with physical limitations) and small businesses (currently 311 customers on this list serviced weekly over a four (4) day period) as listed by City – this service, if approved, for residents shall go to the existing cart(s) on the property and bring it(them) to truck at the curb to be emptied and then returned empty to the same location on property. All final contract decisions shall be made in the best interest of the City based on the information provided by Proposers.**

Collection is spread over the five weekdays for items as defined herein. Collection route areas are currently set for each day and are expected to be followed with revisions from time-to-time as needed and as approved by the City. The City shall provide daily route area information as appropriate.

The City and its advisors have, to the best of their knowledge, represented information and data that are current and applicable to this contract. The City is providing the information contained herein as a courtesy to the Proposers. The City and its advisors neither guarantee nor warranty that the information contained in these documents is accurate and complete. The City and its advisors are not and will not be liable for omissions or errors contained in this Request For Proposals. It is the Proposer's responsibility to use this information and verify the same during the proposal, negotiation, and contract implementation periods through its own due diligence.

II. PURPOSE AND SCOPE

The City requests proposals from Proposers for providing services to collect municipal refuse, as described herein, to all residential addresses within the City limits, both current and future residents, and within any altered limits that may exist in the future. (Cost per home adjusted annually for future residents-also to be adjusted for reducing total numbers if necessary).

III. PROPOSAL REQUIREMENTS (SCOPE OF THE RFP & CONTRACT)

All PROPOSALS should include the following:

1. An annual cost to the City for the length of this contract the 1st year (based on 19,458 households and 2,659 recycle customers), then an annual per household cost for each year thereafter.
2. A description of the proposed collection procedure including operating equipment, personnel, hours and days of operation and any other information to demonstrate ability to handle the requirements of the RFP. Hours shall be 6:00 a.m. until on Monday through Friday for regularly scheduled routes each week throughout the City as provided and agreed upon. Holiday schedules and other variations shall be agreed upon by both parties and promoted to the public by both parties as agreed upon. Daily routes shall be provided by the City and confirmed by the Proposer prior to submitting a proposal. Ultimately, the successful Proposer shall develop their own specific route schedule to accomplish the extent of daily routes provided and these shall be approved by the City. Revisions to routes shall be considered as deemed necessary from time to time and the City shall approve any such revisions prior to their implementation including the promotion of such revisions as approved.
3. Name, title, address and phone number of person(s) to contact regarding the proposal. Also, provide this information for person(s) to contact during contract period after award for matters involving performance and billing. Owner shall be informed anytime contact personnel are changed.

The successful Proposer shall maintain an office or such other facility through which it can be contacted. This office shall be equipped with sufficient phone services and shall have responsible persons as required to address the business of the City from 8:00 a.m. to 5:00 p.m. Monday through Friday. There shall be one primary contact with the City that shall be accessible to the City at all hours of the day. The City's primary contact for the successful Proposer shall be the office of the Public Works Director.

All complaints shall be handled by the City and forwarded to the successful Proposer as appropriate to be addressed in a timely manner with courteous and prompt attention. In the case of missed collection or other improper performance of regular duties, the successful Proposer shall arrange for the mistake to be corrected within a maximum of twenty-four (24) hours after the complaint is received. All complaints shall require follow up back to the City within twenty-four (24) hours from first notice regarding the status of the complaint.

4. Provide a description of the Contractor/Proposer - including history, ownership (including principals and officers), financial statement, and minimum five (5)-years' experience WITH REFERENCES; also, listing available and operable

equipment to be utilized for this proposal/contract, redundant "back-up" equipment available in the event of needed repairs, etc., number of personnel employed for this proposal/contract (number of contracted third party personnel to be hired if applicable) AND technology used to confirm proper collection. **ALSO, PROVIDE CONTINGENCY PLANS FOR AVAILABLE EQUIPMENT AND PERSONNEL IN THE EVENT OF AN EMERGENCY REQUIRING ADDITIONAL SERVICES ABOVE AND BEYOND THE NORMAL SCOPE OF SERVICE SUCH AS A STORM EVENT OR OTHER EMERGENCY.**

5. Each proposal must be accompanied by a certified check, cashier's check, or bid bond on approved form in the amount of 5% of the annual total of the proposal for the first year of service - payable to the City of Southaven as guarantee that if the proposal is accepted and an award is made, the Proposer will enter into a formal Contract Agreement with the City within thirty (30) days of written notice of the award. The failure or refusal of the successful Proposer to enter into a Contract Agreement within said time will result in the forfeiture of the bid bond or check to the City as liquidated damages. Bid bonds or checks shall be returned to all Proposers within three (3) days of the execution of said Contract Agreement.
6. Addenda – all changes, revisions, acknowledgement of omissions or any other alterations to these documents shall be issued prior to 48 hours before the deadline for submission and shall become a part of these documents and be given due consideration as appropriate to the extent that any such addendum affects the quotes ultimately submitted for this RFP as described herein. It is the responsibility of the Proposer to be aware of information issued in the form of addendum. Receipt of any and all addenda issued will be acknowledged in proposal submittals.
7. All proposals must be signed by a duly authorized agent of the Proposer. If the Proposer is a corporation, proof of authorization of agent to sign the proposal must be provided.

Proposals shall be delivered to the City to the attention of the City Clerk's Office at or before the time and date established in an Advertisement for Proposals. Proposals shall be completely filled out as indicated and shall be placed in a sealed opaque envelope with all relevant information indicated on the outside of the envelope including: project name, name of Proposer providing proposal, date and time proposals are due and address of the City – 8710 Northwest Drive / Southaven, MS 38671. Proposers are encouraged to deliver proposals in person prior to the deadline as the City shall not be responsible for any delayed, late or missed deliveries from any mail or delivery service.

8. **EQUIPMENT:** The contractor/proposer will furnish all equipment.

All refuse collected and hauled on behalf of the City shall be contained, tied down and/or enclosed so that leaking, spilling or blowing out is prevented.

9. **LABOR:** the contractor/proposer will furnish all labor crews. The Contractor/Proposer shall be responsible for all wages, taxes, workman's compensation, insurance, etc, as required for compliance with all current federal, state and local laws and regulations.
10. **DISPOSAL:** All refuse collected for disposal on behalf of the City shall be hauled to a Disposal Site as approved by the City. The charge for disposal shall not be included in the rate set forth herein for collection of each Residential Unit – the City's existing contract shall be utilized for disposal.
11. **GARBAGE CART CONTAINERS:** IF CONTRACTOR/PROPOSER SUPPLIES CARTS (WITHOUT CITY LOGO), THEY WILL BE SOLELY RESPONSIBLE TO SUPPLY EACH RESIDENTIAL UNIT AT LEAST ONE CART OR MULTIPLE CARTS FOR THE NUMBER OF CARTS AS IDENTIFIED BY THE CITY (DEPENDENT ON THE CITY'S ACCOUNT WITH THE RESIDENT AND THEIR PAYMENT FOR ANY ADDITIONAL CARTS). ANY DAMAGED CARTS (FAULT OF THE CONTRACTOR/PROPOSER) SHALL BE REPLACED BY THE CONTRACTOR/PROPOSER AT NO ADDITIONAL COST TO THE RESIDENTS OR THE CITY. CARTS PROVIDED BY THE CONTRACTOR/PROPOSER SHALL HAVE THE COMPANY NAME AND IDENTIFICATION INFORMATION AS APPROPRIATE.

The Cost to repair or replace for any Container or Component, which shall include, but not be limited to, broken lids and/or set of wheels, damaged by the Contractor in the course of performance pursuant to this Contract shall be borne by the Contractor. The City shall replace damaged Containers as it is made aware of them and the costs shall be paid back to the City by the Contractor, if damage is caused by Contractor, via a credit applied at the time of monthly billing and payment for services. The amount of the credit shall be a per container charges established by the City, which is \$50.00 per Container and \$15.00 per Component.

12. **BASIS AND METHOD OF PAYMENT:**

Rates: Fee rates as proposed herein and as accepted by the City shall be used to compensate the awarded Contractor for collection services as designated herein.

Rates may be adjusted as designated herein.

Rates provided in proposal shall include all costs related to equipment and personnel and any other item required to provide services for refuse collection as designated herein and no additional costs may be charged to the City unless agreed to by the City for the reasons indicated herein. Costs shall be described as a per household charge for collection of the cart provided. Rates shall not include disposal fees as these will be covered by the City's existing separate contracts.

The City shall be the sole collector of payments from the public used to ultimately compensate the awarded Contractor/Proposer for these services as indicated herein; and the City shall manage accounts regarding such payments (including delinquent accounts) by their discretion. The City shall advise the Contractor/Proposer as to any residence address that is to have services suspended due to delinquency or for other approved reasons; and the City shall advise the Contractor/Proposer as to when to resume services when such matters are addressed.

The Contractor/Proposer shall bill the City monthly for services rendered under this RFP – such billing to be delivered to the City within five (5) days of the end of the month of service.

13. CONTRACT/PROPOSAL:

Upon award, the Proposer shall work with the City to enter into an agreement to be considered and signed (in format as approved by the City); this agreement shall be based on the information provided herein.

THE CONTRACT/PROPOSAL FOR THIS WORK SHALL BE AS DESIGNATED AND INDICATED HEREIN AND BASED UPON THE INFORMATION PROVIDED HEREIN.

THIS CONTRACT/PROPOSAL SHALL NOT BE ASSIGNED OR TRANSFERRED WITHOUT THE EXPRESS WRITTEN CONSENT OF THE CITY. IF ASSIGNED, THE ASSIGNEE SHALL ASSUME THE LIABILITY OF THE CONTRACTOR/PROPOSER.

THIS CONTRACT/PROPOSAL IS TO BE AN EXCLUSIVE AGREEMENT BETWEEN THE CITY AND THE CONTRACTOR/PROPOSER. THE CONTRACTOR/PROPOSER SHALL BE THE SOLE PROVIDER OF REFUSE COLLECTION SERVICES AS AWARDED TO THEM AND APPROVED BY THE CITY. THE ONLY EXCEPTION TO THIS SHALL BE THE CITY'S NEED OR DESIRE TO PROVIDE ITS OWN SERVICES FOR ITS OWN PURPOSES AND EVENTS AS REQUIRED.

TITLE TO SOLID WASTE MATERIAL AND ALL REFUSE MATERIAL COLLECTED SHALL PASS TO THE CONTRACTOR/PROPOSER AT THE MOMENT IT IS PLACED IN THEIR COLLECTION VEHICLE, REMOVED BY THEM FROM A CART, OR REMOVED BY THEM FROM THE RESIDENTIAL UNIT – WHICHEVER OCCURS LAST.

14. MANDATORY PRE-PROPOSAL MEETING:

There will be a mandatory pre-proposal meeting for this project on February 3, 2023 at 10:00 am at Southaven City Hall Board Room located at:

City of Southaven
8710 Northwest Drive
Southaven, MS 38671

IV. INSURANCE

The successful Proposer shall procure and file with the City - upon award and confirmation of Contract Agreement - certificates of insurance insuring both the Contractor/Proposer and the City of Southaven. Throughout the Contract/Proposal period, the Contractor/Proposer shall maintain insurance coverage as follows: Employer's Liability, Workmen's Compensation, Public Liability and Property Damage, including contractual liability coverage. All coverages, insurers and amounts shall be as approved by the City. Proper and thorough Certificates of Insurance shall be issued with the City listed as "Additional Insured" prior to this contract/RFP being signed. Note: specific coverage information below (all other to be for legal minimums or any other governing law that applies):

1. General Liability covering bodily injury, wrongful death, and property damage as follows:

Comprehensive form \$2,000,000.00 single limit on account of each accident.

All insurance policies must be obtained through insurance companies licensed to do business within the State of Mississippi, must be maintained for the life of the Contract/RFP, must cover all operations under the contract/RFP whether performed by the Contractor/Proposer or any of his subcontractors and must provide thirty (30) days written notice to the City: (1) prior to cancellation; (2) prior to a material or substantial change in coverage; and (3) prior to any failure and/or refusal of said insurance company to renew.

The Contractor/Proposer shall provide a waiver of subrogation in favor of the City on General Liability and Worker's Compensation Insurance. To the extent permitted by law, all or any part of any required insurance coverages may be provided under a plan or plans of self-insurance. The coverages may be provided by the Contractor/Proposer's parent corporation.

V. PERFORMANCE BOND

The successful Proposer shall be required to furnish a performance bond from a surety company licensed to do business in the State of Mississippi or a letter of credit. The bond shall be issued in the amount of - the awarded proposal as calculated for the total annual scope of the first year of the awarded contract/RFP for either garbage or rubbish services as awarded OR for the combination of both if awarded by the City - in a form acceptable to the City. This bond shall be renewed for each year of the contract/RFP based on amounts adjusted as appropriate for changes

in unit numbers or pricing each year. Said bond shall indemnify the City against any loss or damage resulting from any failure of the Contractor/Proposer to perform as required by the terms of the contract.

Attorneys-in-fact who sign performance bonds or contract bonds must file with each bond a certified and effectively dated copy of their power of attorney.

The City's remedy for breach of contract as determined by the City or for failure to perform as indicated herein (in addition to terminating the contract) shall include the option to make demand under the terms of the Performance Bond. This provision shall not negate the City's right to indemnification.

VI. STORMS / DISASTERS (EXPECTATIONS OF THE CONTRACT)

In the event of an emergency, storm, flood, tornado or other natural disaster or act of God, the City shall grant the Contractor/Proposer reasonable variance from regular schedules and routes. If such events require the Contractor/Proposer to perform services beyond the scope of this contract/RFP, the Contractor/Proposer and the City shall negotiate the amounts to be paid for such services. **NOTE: IF THE NATURE AND/OR SEVERITY OF ANY SUCH STORM EVENT OR DISASTER WARRANTS IMMEDIATE ACTION NOT ALLOWING TIME FOR MORE DELIBERATE NEOTIATION OF FEES CHARGED TO THE CITY, THE CONTRACTOR/PROPOSER SHALL PROVIDE AN HOURLY RATE TO THE CITY THAT INCLUDES PERSONNEL AND EQUIPMENT COSTS REQUIRED PER PIECE OF EQUIPMENT. IF THESE RATES VARY PER TYPE OF EQUIPMENT, ALL RATES PERTAINING TO COLLECTION SHALL BE PROVIDED. IF THE CITY ACCEPTS THESE RATES IN WRITING, THE CONTRACTOR/PROPOSER MAY PROCEED. THE CONTRACTOR/PROPOSER SHALL PROVIDE THE CITY WITH UPDATES OF TOTAL COSTS WEEKLY OR AS APPROPRIATE FOR THE SCHEDULE OF THE EVENT COLLECTION IF IT IS LESS THAN ONE WEEK.**

VII. INDEMNITY

The Contractor/Proposer shall indemnify and save harmless the City, its officers, agents, servants, and employees from and against any and all suits, actions, legal proceedings, claims, demands, damages, costs, expenses and attorney's fees to the extent resulting from a willful or negligent act or omission of the Contractor/Proposer, its officers, agents, servants, and employees in the performance of the Contract.

The Contract/RFP and all disputes and/or legal issues between the Contractor/Proposer and the City shall be governed by the laws of the State of Mississippi. The appropriate jurisdiction for any disputes, which arise from this RFP or any other RFP which may be subsequently executed between the City and the Proposer, shall be either the applicable court in Desoto County or the United States District Court for the Northern District of Mississippi.

THE CONTRACTOR/PROPOSER SHALL CONDUCT OPERATIONS UNDER THIS CONTRACT/RFP IN COMPLIANCE WITH ALL APPLICABLE LAWS; PROVIDED,

THE CONTRACTOR/PROPOSER SHALL NOT DISCRIMINATE AGAINST ANY PERSON BECAUSE OF RACE, SEX, AGE, CREED, COLOR, RELIGION, NATIONAL ORIGIN OR ANY OTHER CODIFIED CATEGORY.

THE CONTRACTOR/PROPOSER SHALL OBTAIN ALL LICENSES AND PERMITS (OTHER THAN THE LICENSE AND PERMIT GRANTED BY THE CONTRACT/RFP) AND PROMPTLY PAY ALL FEES OR TAXES REQUIRED BY THE CITY.

VIII. CONTRACT TERM

The Contract may be for a term of up to six (6) years and may be extended by mutual consent of the parties in one-year increments up to four (4) additional years as long as rate adjustments remain consistent with the existing contract. The contract shall include a ninety (90) day termination clause which will allow the City to terminate for convenience and with or without cause.

This Contract shall not be assigned unless approved in writing by the City. The contract shall be the sole and exclusive contract for Refuse Collection services other than collection directly by the City itself with its own equipment.

IX. MODIFICATION TO RATES

The fees which may be charged by the Contractor/Proposer for the second and subsequent years of the term hereof shall be adjusted upward or downward to reflect changes in the cost of operations, as reflected by fluctuations in the Consumer Price Index for Urban Wage Earners and Clerical Workers (All Items) and the Consumer Price Index for Urban Wage Earners and Clerical Workers, Expenditures Category "Gasoline", both as published by the U. S. Department of Labor, Bureau of Labor Statistics. All to be for Southeastern Region. As of March 1, 2024, of the first year of the Contract and every twelve months thereafter (the "Rate Modification Date"), the fees shall be increased or decreased for the ensuing twelve-month contract period in a percentage amount equal to 100 percent of the net percentage change of the All Items Index plus 10 percent of the net percentage change of the Gasoline Index. All percentage changes are to be computed as the difference between the index values for the first full month prior to the commencement of the Contract.

In addition to the above, the Contractor/Proposer may petition the City for additional rate and price adjustments on the basis of unusual changes in its cost of operation, such as revised laws, ordinances or regulations; changes in location of disposal sites; an increase in the number of Residential Units due to City growth or annexation – or for other reasons as agreed to and approved by the City.

X. BASIS OF AWARD

Award of a Contract will be based on the following to ensure the most efficient collection for our citizens. **ULTIMATELY, THE AWARD SHALL BE MADE TO THE BEST PROPOSAL AS DEEMED IN THE BEST INTEREST OF THE CITY OF SOUTHAVEN.**

The best proposal submission will be determined by the following factors:

- A) The ability, capacity (equipment & personnel), and skill to perform the work in a timely manner for both normal services and during emergency circumstances;
- B) The experience of the Proposer and quality of work with references (as requested);
- C) Financial resources as well as costs to the City;
- D) Technology used to confirm proper collection.

XI. SUBCONTRACTS

No part of the Contract shall be sublet without the prior written approval of the City.

XII. SUBMITTAL REQUIREMENTS

Proposals must contain all information listed herein. Proposals may contain any additional information that will demonstrate the ability to perform the proposed contract. **Three (3) copies of the proposal must be submitted to the City Clerk by the date and time set forth below.**

XIII. WITHDRAWAL OF PROPOSAL

Any Proposer may withdraw their proposal, either personally, or by written request, at any time prior to the scheduled closing time for receipt of proposals. Proposal shall remain valid for a period of forty-five (45) days after submittal.

XIV. MISCELLANEOUS

The City reserves the right to reject any and all proposals and waive any irregularities or informality. Any variations to the requirements prescribed herein will be considered. However, the City is under no obligation to award a Contract based on variations and will do so only if in the best interest of the City. This RFP does not commit the City to the award of a contract nor to pay any costs incurred in the preparation and submission of a proposal in anticipation of a contract. The City reserves the right to request clarification of information submitted and to request additional information including references. The City reserves the right to negotiate all elements of work that comprise the selected proposal for the Contract. The City reserves the right, after opening the proposals, or at any other point during the selection process, to reject any or all proposals, modify or postpone the proposed project, evaluate any alternatives offered, or accept the proposal that, in the City's sole judgment, is in its best interest. The City reserves the right to terminate the ultimate Contract if the Contractor/Proposer fails to begin to perform the work described herein within the appropriate time after the City has given the Contractor/Proposer a written notice to proceed. Should it become necessary, the City shall negotiate with the Proposer whose proposal is determined to be most advantageous to the City. The City reserves the right to

negotiate with one Proposer or multiple Proposers at the same time for a contract(s). The City reserves the right to contract with multiple Proposers for various services. By submission of a proposal, all Proposers agree to this understanding as noted herein and release the City, as well as its agents, employees and designees, from all claims arising from multiple Proposers performing various services and/or resulting from responses to this RFP. All responses to this RFP shall be considered a public record. The current contract with the City contractor is on file with the City Clerk and may be reviewed for any information needed for the response to this proposal.

Proposals must be sealed and clearly marked on the outside as noted; for further information regarding this RFP, contact Robert Booth - Director of Public Works at 662-796-2489.

**RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN
OF THE CITY OF SOUTHAVEN, MISSISSIPPI
APPROVIING CHANGE ORDER FOR AMPHITHEATER EXPANSION**

WHEREAS, the City of Southaven ("City"), pursuant to Mississippi Code Section 31-7-13, previously solicited bids for the Amphitheater Expansion ("Project") whereby Murphy and Sons was the lowest and best bid; and

WHEREAS, it has been recommended by the City Parks Director to allow for certain changes to the contract as it relates to adjustments for fire code and use of the Project, as more fully set forth in Exhibit A; and

WHEREAS, based on the recommendation of the City Park Director, the City desires to proceed with the suggested changes as set forth above and in more detail in Exhibit A and pursuant to Mississippi Code 31-7-13(g) finds that the Change Order for the Project is necessary and better serves the purpose of the City and the change order will be done in a commercially reasonable manner and is not being done to circumvent the public purchasing statutes; and

NOW, THEREFORE, BE IT ORDERED by the Board of Aldermen of the City, to wit:

1. Pursuant to Mississippi Code 31-7-13(g), the Change for the Project is not a new undertaking or outside the original scope of the contract and is commercially reasonable and not being done to circumvent the public purchasing statutes, the City Board approves the Change Order in the amount of \$57,962.59.
2. The Mayor is authorized to sign the Change Order and he or his designee are authorized to take all actions to effectuate the intent of this Resolution.

Following a reading of the foregoing resolution, Aldermen Wheeler made the motion and Alderman Payne seconded the motion for its adoption. The Mayor put the question to a roll call vote and the result was as follows:

Alderman William Jerome	voted: YES
Alderman Kristian Kelly	voted: YES
Alderman Charlie Hoots	voted: YES
Alderman George Payne	voted: YES
Alderman Joel Gallagher	voted: YES
Alderman John Wheeler	voted: YES
Alderman Raymond Flores	voted: YES

Mississippi Sales Tax at the rate of 7% will be added to the proposed price, unless this proposal is an MPC Job and/or a Tax-Exempt Job, and/or is an Out of State Job. MPC and/or Tax-Exempt forms should be e-mailed or mailed to Cook Electrical Contractors upon acceptance of this proposal.

Any alteration or deviation from above specifications involving extra costs, will be executed only upon written orders, and will become an extra charge over and above the estimated price. All agreements are contingent upon strikes, accidents or delays beyond our control. We are not responsible for cutting utilities that can't be located. Owner to carry fire, tornado and other necessary insurance upon above work. Workman's Compensation and General Liability insurance on the above work is supplied by Cook Electrical Contractors, LLC.

With payment to be made as follows: Monthly Draws

Further, past due amounts, 30 days or over, are subject to finance charges of 1.5% per month (18% per annum), or the maximum amount allowed by law, if that amount is lower, from the date due until paid. Said finance charges will be charged to Customer's account and are payable in addition to any other cost and charges incurred. Applicant further agrees to pay all cost of collection, including but not limited to an attorney's fee of 33% of all sums due hereunder, or a reasonable attorney's fee based on an hourly rate, whichever is higher, if said sums are not paid according to applicable terms and it becomes necessary, in the sole discretion of Cook Electrical Contractors, LLC, to place the account with an attorney for collection. This agreement is binding on Customer's heirs, executors, administrators, successors, and/or assigns, and will inure to the benefit of Cook Electrical Contractors, LLC, its successors and assigns.

This proposal is respectfully submitted Jonathan Cook

NOTE: We may withdraw this proposal if not accepted within 30 days.

Acceptance of Proposal

The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

TERMS & CONDITIONS

SECTION ONE – SOFTWARE AND SERVICES

1.01. Services. Subject to this Terms & Conditions (**Terms**) and in each applicable quote (**Quote**, and together with these Terms, the **Agreement**), First Data Merchant Services LLC doing business as Bypass (**Bypass**) shall provide the services (**Services**) identified in the Quote signed by the Client identified on the Quote and indicated in the signature block below (**Client**) and deliver any deliverables set forth in the Quote (**Deliverables**). The parties may enter into additional Quotes from time-to-time, each of which will be subject to these Terms. All Quotes accepted by Bypass are controlled and governed by these Terms. If there is a conflict between these Terms and the Quote, these Terms shall take precedence. Each Quote must be executed by the Client.

1.02. Limited License. Subject to the terms and conditions of this Agreement, Bypass hereby grants to Client during the Term a limited, worldwide, revocable, non-exclusive, non-sublicensable, and non-transferable license, under intellectual property rights owned or licensed by Bypass, to use the point of sale software (**Software**) set forth on a Quote solely in connection with certain third party hardware provided by Bypass or its distributors (**Hardware**) (the Software and Hardware collectively, the **Payment System**) up to the maximum licensed capacity (the **License**). The Payment System does not include any third party integrations.

a. The License extends only to (1) Client's and its Affiliates' employees and contractors, but only to the extent that such employees and contractors use the Payment System in accordance with the terms of this Agreement and for the sole purpose of collecting payments and processing orders on behalf of Client, and for no other purpose whatsoever; and (2) Client's use of: (i) the Payment System solely to perform the functions specified herein, and in compliance therewith and (ii) the Software (in object code form) in connection with the Hardware at the Client locations specified on the applicable Quote (each a **Site**). Client is responsible for any breach of this Agreement by such users. **Affiliate** means with respect to an entity, any other entity that is controlled by, under common control with or controls such entity, where "control" means ownership of at least a majority interest of the voting interests in an entity.

b. While exercising the License, Client shall abide by the confidentiality requirements of Section 6 (Confidentiality), applicable documentation and Applicable Laws (defined in Section 1.04(a)).

1.03. Restrictions. Except as expressly provided to the contrary in this Agreement, Client and its Affiliates shall not, shall not attempt, and shall not cause or knowingly permit any non-party, to:

a. reproduce, disassemble, decompile, decrypt, extract, reverse engineer, prepare a derivative work based upon, distribute, or time-share the Payment System, or otherwise apply any procedure or process to the Payment System in order to ascertain, derive, and/or appropriate for any reason or purpose, the source code or source listings for the Payment System or any algorithm, process, procedure or other information contained in the Payment System; or

b. rent, lease, assign, sublicense, transfer, modify, alter, or time-share the Payment System, or permit the Payment System or Deliverables to be used for or in connection with any facility management or service bureau purposes, services or arrangement, or otherwise used for processing data or other information on behalf of any third party.

1.04. Compliance with Laws: Credit Card Data.

a. Each party shall comply with all applicable international, national, state, regional and local laws and regulations (**Applicable Laws**) in performing its duties under this Agreement. Each party is responsible for its own compliance with Applicable Laws.

b. Bypass transmits, through a PCI compliant gateway that meets or exceeds the current version of PCI DSS Cloud Computing Guidelines, all credit and debit transactions to Client's or its representatives' or Affiliates' specified merchant account. Bypass will use commercially reasonable efforts to achieve compliance with newer versions of such PCI guidelines

issued from time to time within a reasonable time period after their release.

c. Bypass shall not store any Client or Client customer credit card data on its resident cloud-based data sources.

d. Bypass shall maintain applicable PCI DSS requirements as a service provider to the extent that Bypass processes and transmits cardholder data on behalf of Client or to the extent that the Client could impact the security of the cardholder data environment.

SECTION TWO – SUPPORT SERVICES

2.01. Bypass Product Support Guidelines are available at <https://support.bypassmobile.com> or such URL as Bypass may designate. Bypass may modify the Bypass Product Support Guidelines from time to time, but any such modifications will not materially change the nature of, or materially diminish the features or functionality of, the Software provided to the Client under the Agreement. Bypass will publish the most current version of the Bypass Product Support Guidelines at <https://support.bypassmobile.com> or such URL as Bypass may designate.

2.02. Bypass will use commercially reasonable efforts to provide bug-fixes and corrections to the Software to correct malfunctions and defects following telephonic notification from Client, according to the Bypass Product Support Guidelines, if such malfunction or defect prevents the Software from performing substantially in accordance with applicable documentation. Any updates, bug-fixes or corrections will be deemed to be "Software" under this Agreement.

2.03. If included in a Quote, Bypass will provide on-site implementation and/or support services. Client may request additional on-site assistance or support at Bypass's then current daily rate. Any such on-site service must be pre-approved in writing under the standard Bypass quoting process.

SECTION THREE – RESPONSIBILITIES; ASSUMPTIONS

3.01. Payment System.

a. Availability. During the Term, Bypass shall provide the Software. The parties acknowledge that the Payment System relies upon computer network-based services that may be subject to outages and delays. Bypass shall use its commercially reasonable efforts to diligently and promptly remedy any and all material interruptions within the Payment System. This does not include remedy of connection or performance related issues caused by or related to any client owned or operated network configuration, hardware, or internet connection. If Client is unable to use the Payment System, Client will report disruption to the Bypass support center in a timely manner. Bypass does not warrant that Client's use of the Payment System will be error-free or uninterrupted.

b. Remedies. Bypass will use commercially reasonable efforts to maintain an availability percentage for the Software of 99.8% during a 12-month period, beginning on the first day of the Term. Calculation of availability excludes 1) downtime for scheduled maintenance, 2) failure of Client to maintain merchant account(s), 3) outages caused by a force majeure event or 4) times when the Payment System is in Offline Mode. Availability will be determined by Bypass in its reasonable discretion. For clarity, Bypass is not responsible for, and the availability commitment does not apply to unavailability for failure of the Payment System that arises from or relates to a failure of the Assumptions set forth in Section 3.03 (Assumptions), the Client obligations set forth in Section 3.04 (Client Obligations), failure or unavailability due solely to the Hardware or failure of third party elements of the overall payment infrastructure, e.g. internet connectivity, bank site availability, etc. (**Third-Party Interruptions**). If the Software does not achieve the above uptime percentage, Client will be entitled to pro-rated credit for the period of time the disruption occurred based on the then current Software Subscription Fees. Such credit will be issued against the next fee invoice. The fee credits set forth above represent Client's sole and exclusive remedy, and Bypass's sole liability, for any downtime Client may experience with respect to the Payment System.

3.02. Hardware Terms.

a. Hardware Delivery. Bypass will deliver the Hardware indicated in a Quote to the Site.

b. Hardware Title and Risk of Loss. All Hardware provided hereunder will be shipped FCA Bypass's designated shipping point (Incoterms 2010); provided that, for the avoidance of doubt, Bypass may select the third-party carrier. Title to Hardware passes to Client at the shipping point. Hardware will ship from the distributor to Client directly or from Bypass to Client.

3.03. Assumptions. The parties acknowledge and agree that Bypass' performance of the Services are contingent on the following assumptions (Assumptions), and that any changes to the Assumptions below may affect Bypass' ability to deliver the Services or to meet project timeline estimates: (a) Client and Bypass will mutually agree the project timeline and meeting dates within 30 days of the effective date on the applicable Quote; (b) Client will comply with such schedule and provide any information in accordance with the project schedule; (c) Client will cooperate with Bypass; and (d) the Services do not include the development of any specific custom code by Bypass.

3.04. Client Obligations.

a. Access. Client shall provide Bypass with full access physically within the Site and to Client's network necessary to permit Bypass to perform its obligations under this Agreement. This includes but is not limited to necessary network configuration information for payment system connectivity.

b. Permits. Client shall obtain and maintain all necessary permits and consents required for Bypass to lawfully perform the Services and access the Site and relevant technology systems.

c. Physical and Network Equipment Requirements. Where applicable, Client will provide one power outlet within 4 feet of the POS terminal and one ethernet port within 6 feet of the located device. Client is responsible for procuring any additional equipment needed to satisfy these requirements. Such equipment may include, but is not limited to, switches, perimeter devices, power strips, extension cords and/or ethernet cables.

d. Network. Client shall provide full and dedicated network and internet connectivity for use by the Payment System and for all Bypass hardware meeting at least minimum guidelines provided to Client by Bypass. All network infrastructure and configuration shall be completed by Client prior to commencement of any onsite implementation efforts by Bypass resources. In the event of infrastructure and/or configuration noncompliance, Client may be charged an additional fee.

e. Compliance with Export Controls. Client agrees not to export or re-export any Bypass Intellectual Property in violation of any applicable export control restrictions, laws or regulations. Unless all required permits and/or approvals have been obtained, Client shall not cause, approve or otherwise facilitate others such as agents, subsequent purchasers, customers or any other third parties to export or re-export any Bypass Intellectual Property.

f. Information. Client will provide to Bypass the information relevant to complete contracted venue configuration.

g. Merchant Account. Client will maintain a merchant account and, if applicable, a gateway account in good standing and is responsible for all fees associated with processing.

h. Effect of Client Failure or Delay. Bypass is not responsible or liable for any delay or failure of performance caused in whole or in part by Client's delay in performing, or failure to perform, any of its obligations under this Agreement (each a Client Failure). Client may be charged a fee as a result of a Client Failure, as more fully described in Section 4 (Fees; Payment Terms).

SECTION FOUR – FEES; PAYMENT TERMS

4.01. Fees. Client shall pay Bypass the fees associated with the License, Services and Hardware (the Software Subscription Fees, Services Fees, and Hardware Fees, respectively) set forth in the applicable Quote.

4.02. Invoice Schedule.

a. Hardware Fees and Services Fees. Unless otherwise stated in a Quote, Hardware Fees and Services Fees will be invoiced upon execution of the applicable Quote. Hardware will not be shipped to Client until such payment has been received by Bypass.

b. Software Subscription Fees. Unless otherwise stated in a Quote, the Software Subscription Fee for the first year of the Term will be invoiced 30 days prior to the date in which the first live transaction is expected to take place (Launch Date). Bypass will invoice Client annually thereafter, at least 30 days prior to the anniversary of the Launch Date. The Software Subscription Fee for the first year of the Term is set out in the Quote and may escalate by no more than 5% for each year after the first year of the Term.

4.03. Payment Terms. Invoices are due and payable within 30 days from issuance. Bypass may issue an invoice without a corresponding purchase order from Client. If payment is not made within 10 calendar days after its due date, and without limiting its other remedies in law or in equity, Bypass may charge Client a late fee on the unpaid balance of 1.5% per month, or if lower, the highest rate allowed under applicable law.

4.04. Taxes. Fees included in the Quote do not include any applicable taxes, duties and other similar charges. Such items, where applicable, will be included in on the invoice.

4.05. Services Fees for Client Failure. If Bypass requires additional onsite time to complete services due to Client Failure, such as failure to complete any network infrastructure, configuration, or connectivity prior to onsite arrival as directed by the Bypass implementations team, the parties will agree in writing the applicable Services Fees for such additional onsite time.

4.06. Installation Cancellation Policy. Bypass requires a 14-calendar day notice for any cancellations or changes to ensure no additional fees are incurred. If changes are made within less than 14 days before the scheduled install, a change fee will be billed to Client's account and rescheduling will be honored based on the technician's availability. If a reschedule or cancellation is required within less than 24 hours before the technician's scheduled arrival time, a new Quote must be signed for additional travel fees and service costs.

4.07. Suspension; Termination for Non-Payment. In addition to any other rights of Bypass, Bypass reserves the right to suspend or terminate this Agreement or Client's access to and use of the Payment System if Client's account becomes delinquent. If Client's use of the Payment System is suspended due to nonpayment, but not terminated, Client agrees to pay the applicable Software Subscription Fees for the balance of the full Term before the Payment System will be restored.

SECTION FIVE – TERM AND TERMINATION

5.01. Term.

a. Unless otherwise set forth in the applicable Quote, each subscription to access and use the Software (Subscription) will initially commence 30 days prior to the Launch Date and continue for the period set forth on the Quote (Initial Subscription Term). Subscriptions in place at the end of the Initial Subscription Term will automatically renew for successive one-year terms (each, a Subscription Renewal Term; together with the Initial Subscription Term, the Term), unless a party provides written notice to the other of its intent not to renew a Subscription at least 60 days prior to the end of the current Term.

b. If Client desires to add Licenses prior to the end of the then current Term, Bypass will pro-rate the fees charged for such Licenses for v.20210827

the number of months left in any such Term, and thereafter the Term for such Licenses will renew at the same time as the other Licenses for such Subscription. Any License added shall have a Term not less than one year plus the pro-rated Term.

5.02. **Material Breach.** The parties have the right to terminate the Agreement at any time if the other party breaches any of the material provisions of the Agreement and (if curable) fails to cure such breach within 30 days of its receipt of written notice thereof from the non-breaching party. Client's breach of Section 1.02 (Limited License) and 1.03 (Restrictions) will be deemed a material breach of this Agreement.

5.03. **Effect of Termination.** Upon any termination of the Agreement, Client will have no right to access or use the Payment System and must immediately permanently delete, or otherwise destroy the Software stored or otherwise in its possession, custody or control, and, if applicable, allow Bypass or its nominees to access the applicable hardware and systems to remove the Software. If Bypass terminates the Agreement pursuant to Section 5.02 (Material Breach), Bypass may accelerate Client's unpaid fee obligations under this Agreement so that all such obligations become immediately due and payable. These remedies are in addition to any other rights and remedies available to the parties.

SECTION SIX - CONFIDENTIALITY

6.01. **Confidential Information.** The parties acknowledge that in their performance of their duties hereunder either party may communicate to the other (or its designees) certain confidential and proprietary information (collectively, the Confidential Information) all of which are confidential and proprietary to, and trade secrets of, the disclosing party. For the avoidance of doubt, information concerning the Payment System and the know-how, technology, software, services, techniques, or business, strategic or marketing plans related thereto are Bypass's Confidential Information.

6.02. **Restrictions on Use and Disclosure.** As a condition to the receipt of the Confidential Information from the disclosing party, the receiving party shall (a) not disclose in any manner, directly or indirectly, to any third party any portion of the disclosing party's Confidential Information; (b) not use the disclosing party's Confidential Information in any fashion except to perform its duties hereunder or with the disclosing party's express prior written consent; (c) disclose the disclosing party's Confidential Information, in whole or in part, only to employees and agents who need to have access thereto for the receiving party's internal business purposes; (d) take reasonable steps to inform its employees and agents are informed of and obligated to comply with the confidentiality restrictions at least as stringent as those contained in this Agreement; and (e) exercise at least the same degree of care in safeguarding the Confidential Information as it would with its own confidential information, and in no event shall apply less than a reasonable standard of care to prevent disclosure.

6.03. **Transaction Information.** The Payment System is designed to submit payment, transaction and credit card information (Transaction Information) to Client's, its Affiliates and their respective contractors and customers to merchant banks and payment processors. Accordingly, notwithstanding anything to the contrary in this Section 6 or any separate nondisclosure agreement, Bypass may submit Transaction Information to merchant banks and payment processors in compliance with Section 1.04 (Compliance with Laws; Credit Card Data).

6.04. **Exclusions.** The term "Confidential Information" does not include information that: (a) is public knowledge at the time of disclosure by the disclosing party; (b) becomes public knowledge or known to the receiving party after disclosure by the disclosing party other than by breach of the receiving party's obligations under this section or by breach of a third party's confidentiality obligations; (c) was known by the receiving party prior to disclosure by the disclosing party other than by breach of a third party's confidentiality obligations; or (d) is independently developed by the receiving party.

SECTION SEVEN – INFRINGEMENT CLAIMS

7.01. Bypass shall, at its expense, defend Client against any third party claim or action specifically alleging the Software infringes a United States patent, copyright, trademark, or other proprietary right of such third party (Infringement Claim) and shall pay all amounts payable by Client that are specifically attributable to the Infringement Claim under any final, non-appealable judgment, verdict, or court order entered by a court of competent jurisdiction or monetary settlement agreed in writing by Bypass in respect of any Infringement Claim, provided that Client: (i) promptly notifies Bypass in writing of such Infringement Claim within 10 days of such Infringement Claim arising; (ii) promptly grants Bypass the sole right to control the defense and disposition of such Infringement Claim, where such control includes the right to choose legal counsel and negotiate any settlement that does not result in non-monetary obligations to Client other than termination of use of the Software under 7.02(B)(ii) below; and (iii) provides Bypass with reasonable and prompt cooperation and assistance in the defense and disposition of such Infringement Claim.

7.02. In resolution of an Infringement Claim, Bypass, at its sole option and expense, may: (i) either (A) procure for Client the right to continue to use the Software, or (B) provide a replacement or modification for the applicable Software so as to avoid infringement; or (ii) if neither option under (i) above is reasonably practical in Bypass's sole opinion, Bypass may, upon written notice to Client, stop providing the applicable Software and terminate the applicable Statement of Work (or part thereof) and Client's use of the Software, and references to such Software (and any fees in connection therewith) shall automatically be removed from this Agreement. Solely with respect to such termination and prepaid, one-time Software Subscription Fees for a terminated Software, Bypass shall pay to Client a pro rata refund of the prepaid, one-time Software Subscription Fees paid by Client for the infringing Software or portion thereof, depreciated on a five-year straight-line basis commencing on the effective date of the Quote for such Software.

7.03. Notwithstanding the foregoing, Bypass shall have no liability for any Infringement Claim (or any other claim or action) to the extent based upon or arising from: (i) use of any part of the Software in combination with materials or software not provided by Bypass (except as expressly specified in this Agreement); (ii) modifications to the Software made by Client or any third party; (iii) use of other than the current release or version of the Software if infringement would have been avoided by use of such current release; (iv) use of any part of the Software other than for its intended use and otherwise in accordance with the applicable documentation and the terms of this Agreement; (v) Deliverables created or provided based on Bypass's adherence to Client's specifications or instructions, or Bypass's use of any materials provided by Client in connection with the Software, to the extent the alleged infringement arose from such Client-provided specifications, instructions and/or materials; or (vi) any third party Products or materials provided by Bypass except to the extent the third party Products or materials are embedded in the Software.

7.04. THE OBLIGATIONS SET FORTH IN THIS SECTION 7 ARE BYPASS'S ENTIRE LIABILITY AND CLIENT'S SOLE AND EXCLUSIVE REMEDY FOR ANY INFRINGEMENT CLAIM AND CLIENT HEREBY EXPRESSLY WAIVES ANY OTHER LIABILITY ON THE PART OF BYPASS ARISING THEREFROM.

SECTION EIGHT - INDEMNIFICATION

8.01. **Client Indemnification.** Client agrees to indemnify, defend and hold harmless Bypass, its employees, officers, directors its employees, or agents (each a Bypass Indemnified Party), from and against all losses, liabilities, damages, and expenses (including reasonable attorney's fees) awarded in connection with any third-party claim, suit or proceeding (Claim) (or agreed upon in settlement thereof) resulting or arising out of (i) Client's failure to comply with the terms of this Agreement; (ii) Client's or its employees' or agents' negligent act or omission in connection with this Agreement, (iii) Client's misrepresentation under this Agreement; (iv) taxes, duties or similar fees (other than taxes on Bypass income) arising out of this Agreement or use of the Payment System (including processing transactions through the Payment System); or (v) personal injury, illness or

v.20210827

death of any individual arising at the Client site(s) except to the extent caused by the gross negligence or intentional misconduct of Bypass.

8.02. Indemnification Procedure. When Client is required to indemnify Bypass under this Section 8, Bypass will (i) provide the Client prompt written notice of any actual or threatened Claim; (ii) give Client authority to proceed as contemplated herein; (iii) give Client proper and full information and assistance to settle and defend any such claim, suit or proceeding; (iii) not enter into any settlement of such claim, suit or proceeding without the prior written approval of the Client; (iv) give sole control of any such defense, action or settlement negotiations to the Client.

SECTION NINE – WARRANTIES; DISCLAIMERS

9.01. Representation and Warranties. Each party represents and warrants to the other that it has the full power and authority to execute, deliver and perform this Agreement and grant the rights granted herein.

9.02. Pass-Through Warranties. To the extent Bypass is permitted to pass through to Client under Bypass's agreements with the applicable third parties, Bypass shall pass through to Client for Client's benefit, and Client shall have the benefit of, any third party warranties, service agreements and infringement indemnities (if any) available to end users of the third party Software and/or Hardware components that comprise part of the Payment System (Third Party Components); provided, however, that Client's sole remedy for breach of any such warranty, indemnification, service agreement, or other rights shall be against the third party offering such rights and not against Bypass. In the event a warranty of a Third Party Component is not assignable, Bypass will act on behalf of Client and use commercially reasonable efforts to secure for Client the benefits provided by the applicable warranty.

9.03. Disclaimers. EXCEPT AS SPECIFICALLY SET FORTH IN SECTION 9.02 (Pass-Through Warranties), THE PAYMENT SYSTEM AND THE SERVICES ARE PROVIDED "AS IS" WITHOUT ANY WARRANTY WHATSOEVER. BYPASS DISCLAIMS ALL WARRANTIES, EXPRESS, IMPLIED, OR STATUTORY, TO CLIENT AS TO ANY MATTER WHATSOEVER, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY BYPASS OR ITS EMPLOYEES OR REPRESENTATIVES CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF BYPASS'S OBLIGATIONS. BYPASS DOES NOT WARRANT THAT THE PAYMENT SYSTEM WILL BE ERROR-FREE OR OPERATE WITHOUT INTERRUPTIONS OR DOWNTIME.

SECTION TEN – LIMITATION OF LIABILITY

10.01. Damages exclusion. EXCEPT FOR CLIENT'S OR ITS AFFILIATES' OR THEIR RESPECTIVE CONTRACTORS' FAILURE TO COMPLY WITH SECTION 1.02 (LIMITED LICENSE) OR 1.03 (RESTRICTIONS) OR INFRINGEMENT OF BYPASS'S INTELLECTUAL PROPERTY, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY OR TO ANY OTHER THIRD PARTY FOR ANY CONSEQUENTIAL OR INDIRECT DAMAGES OR FOR EXEMPLARY OR PUNITIVE DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE SERVICES OR THE PAYMENT SYSTEM, WHETHER SUCH DAMAGES ARE FORESEEABLE OR UNFORESEEABLE, AND WHETHER BASED ON BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, MISREPRESENTATION, NEGLIGENCE, STRICT LIABILITY IN TORT, OR OTHER CAUSE OF ACTION (INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF DATA, GOODWILL, PROFITS, INVESTMENTS, USE OF MONEY, OR USE OF FACILITIES), EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

10.02. Limitation of Liability. THE AGGREGATE LIABILITY OF BYPASS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, REGARDLESS OF THE FORM OF ACTION OR THEORY OF RECOVERY, AND WHETHER BASED UPON BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, BREACH OF CONTRACT, MISREPRESENTATION, NEGLIGENCE, STRICT LIABILITY IN TORT, OR OTHER CAUSE OF ACTION, EVEN IF BYPASS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, SHALL BE LIMITED TO

AN AMOUNT EQUAL TO THE SOFTWARE SUBSCRIPTION FEES PAID BY CLIENT WITHIN THE 12 MONTHS PRECEDING SUCH CLAIM.

SECTION ELEVEN- INTELLECTUAL PROPERTY

11.01. Publicity; Trademarks. Bypass may use Client's name and logo for marketing, advertising and promotional materials, subject to any usage guidelines provided by Client. Client agrees to serve as a client reference. In addition, upon the execution of this Agreement, the parties will work together to issue 2 press releases and/or other public announcements regarding the relationship created by this Agreement: the first within the first 30 days to announce the execution of this Agreement, and the second which includes a case study highlighting the key benefits to Client within 6 months of the go live date, the input for the latter which is created leveraging 2 years of historical transactions made available to Bypass. Client hereby consents to such press releases. Except as expressly set forth herein, this Agreement grants no right or license to use Client's Trademarks to any extent except as licensed by a separate written agreement of the parties.

11.02. Ownership.

a. Other than the express licenses granted by this Agreement, neither party grants a right or license to the other party, expressly, by implication, estoppel, or otherwise, to the Intellectual Property (as defined below) of the other party.

b. As between the parties, Bypass retains all ownership rights, title, and interest in and to its own products and services (including the Software, Services, and Deliverables applicable documentation and all technology used to provide the Payment System and Services) and all rights to its Intellectual Property and in each case, all modifications, improvements, enhancements and derivative works of the same.

c. Neither party may remove or destroy any proprietary, confidentiality, trademark, service mark, or copyright markings or notices placed upon or contained in any materials or documentation received from the other party whether in connection with this Agreement or otherwise.

d. Intellectual Property means all of the following, and in each case all related intellectual property rights: (i) Trademarks and goodwill associated therewith; (ii) know-how, methodologies, interfaces, templates, techniques, utilities, tools, designs, concepts, patents, patentable inventions, computer programs, and software; (iii) databases; (iv) trade secrets and the right to limit the use or disclosure thereof; (v) copyrights in all works, including software programs; and (vi) domain names and other media identification associated with the party.

e. The parties agree that any feedback or suggestions given hereunder is voluntary. Bypass is entitled to reproduce, license or otherwise distribute any such feedback without any obligations or restrictions of any kind, including any Intellectual Property Rights.

11.03. Licensed Data. Client hereby grants to Bypass a worldwide, irrevocable, perpetual, royalty-free license to use data that Bypass collects from the Payment System and Services solely to the extent necessary to perform the Services, but excluding any personally identifiable information (Licensed Data). Bypass may catalog, index, digitize, store, archive, reproduce, format, translate, publish and transmit the Licensed Data solely to the extent necessary to perform the Services. In addition, Bypass may catalog, index, digitize, store, archive, reproduce, format, and translate the Licensed Data, in an anonymized format, solely for internal purposes of (i) improving the Software, and (ii) creating and commercializing additional products and services (including recommendation engines and/or benchmarking products). No publication or dissemination of the Licensed Data to a third party is permitted, except (a) as necessary for Bypass to perform the Services, and/or (b) to permit a third party to perform services for Bypass related to improving the Software or creating and commercializing additional products and services for Bypass.

SECTION TWELVE – OFFLINE MODE

v.20210827

12.01. **Definitions.** **Declined Transactions** means Transactions that are not approved by applicable third-party institutions, e.g. because a patron payment method is invalid or has been declined. **Offline Mode** means a mode of operation in which the Transactions may be, at certain times, queued for processing through applicable third-party systems at a later time. **Transactions** means the transactions processed by the Payment System.

12.02. **Offline Mode.** Offline Mode is designed to allow for continued service for Client's patrons and/or concessionaires during times in which one or more third party elements of the overall payment infrastructure (e.g. internet connectivity, bank site availability, etc.) are unavailable (**Third Party Interruptions**). Client acknowledges that a natural consequence of Offline Mode is that certain Transactions initiated while the Payment System is operating in Offline Mode may result in Declined Transactions. Client represents that it has determined that the net benefits of operating in Offline Mode outweigh the potential losses attributable to the Declined Transactions. Notwithstanding anything to the contrary in this Agreement (by way of covenant, warranty, representation, specification, indemnity or otherwise), Client acknowledges and agrees that in consideration of Bypass making the Offline Mode available as part of the Payment System and Services, Client (a) authorizes Bypass to charge (or re-charge), on a delayed basis, patron's cards on Client's (and/or its concessionaires') behalf with respect to any and all Transactions initiated while the Payment System is operated in Offline Mode, (b) accepts sole responsibility for any loss, damage, claim or liability associated with any Declined Transactions or use of the Offline Mode, and (c) shall indemnify and hold Bypass harmless from and against any such loss, damage, claim or liability (whether a direct Bypass loss, damage or liability, or a loss, damage or liability of, or related to, a claim made against Client or Bypass by any third party, including without limitation any patron or financial institution) arising out of or in connection therewith.

12.03. **Disclaimer.** BYPASS PROVIDES ACCESS TO THE OFFLINE MODE "AS IS" WITHOUT WARRANTIES OF ANY KIND, AND CLIENT'S USE THEREOF IS AT ITS OWN RISK. TO THE GREATEST EXTENT PERMITTED BY LAW, BYPASS EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED WITH RESPECT TO ANY OF THE FOREGOING. CLIENT EXPRESSLY ASSUMES THE RISK OF ITS USE OF THE OFFLINE MODE.

SECTION THIRTEEN - GENERAL PROVISIONS

13.01. **Independent Contractors.** The relationship of Bypass and Client is that of independent contractors. Neither party's employees, consultants, contractors, and agents are the employees, consultants, contractors, and agents of the other party and the parties nor are the parties partners or joint ventures and have no authority to bind each other by contract or otherwise to any obligation. The parties shall not make any representation or warranty, either expressly, implicitly, by appearance or otherwise, that is inconsistent with this provision.

13.02. **Severability.** If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable for any reason, the remaining provisions continue in full force and effect, but shall be construed in a manner so as to effectuate the intent of this Agreement as a whole, notwithstanding such stricken provision or provisions.

13.03. **Waiver.** No term or provision of this Agreement shall be deemed waived and no breach excused, unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. Any consent by any party to, or waiver of, a breach by the other party, whether express or implied, shall not constitute a consent to, waiver of, or excuse for any different or subsequent breach.

13.04. **Assignment.** Except as provided in this provision, neither party may assign this Agreement in whole or in part without the prior written consent of the non-assigning party, which consent shall not be unreasonably withheld. Either party may assign this Agreement in its sole discretion without the written consent of the other party to any successor in interest pursuant to a change of control transaction (by way of sale of all

or substantially all of such party's assets, merger, consolidation, sale of a controlling interest in voting stock or other similar transaction), provided the party to whom the Agreement is assigned assumes the obligations of the assigning party as set forth in this Agreement. Notwithstanding the foregoing and for purposes of clarity, Bypass may (a) assign this Agreement to an Affiliate without Client's consent and (b) subcontract to a third party all or a portion of the work or Services to be performed under this Agreement.

13.05. **Amendments.** This Agreement may not be amended except by an agreement in writing executed by the parties hereto.

13.06. **Notices.** All notices and other communications required or permitted under this Agreement shall be in writing and given by personal delivery, telecopy (confirmed by a mailed copy), overnight courier (e.g., UPS, etc.) or first class mail, postage prepaid, (and in the case of notice to First Data, email) sent to the addresses set forth below:

13.07. **Counterparts/Signatures.** This Agreement may be executed in a number of counterparts with the same effect as if all signatories had signed the same document. If so executed, the counterparts shall be deemed an original for all purposes and shall collectively constitute one agreement. The Agreement may be executed and delivered electronically and such electronic execution and delivery shall have the same force and effect as delivery of an original document with original signatures.

13.08. **Entire Agreement; Binding Effect; No Third Party Beneficiaries.** This Agreement, including all schedules, exhibits and attachments thereto, sets forth the entire agreement and understanding of the parties hereto in respect of the subject matter contained herein, and supersedes all prior agreements, promises, covenants, arrangements, communications, representations or warranties, whether oral or written, by any officer, partner, employee or representative of any party hereto. This Agreement is binding upon and inures only to the benefit of the parties hereto and their respective permitted successors and assigns. Nothing in this Agreement, express or implied, is intended to confer or be deemed to confer upon any persons or entities not parties to this Agreement, any rights or remedies under or by reason of this Agreement.

13.09. **Jurisdiction; Venue; Governing Law.** The parties mutually acknowledge and agree that this Agreement shall be construed and enforced in accordance with the laws of the State of New York, without regard to its conflicts of law rules. Each party hereby consents to exclusive jurisdiction and venue in the state and federal courts located in New York, New York for any dispute arising out of this Agreement.

13.10. **Attorney's Fees.** Should suit be brought to enforce or interpret any part of this Agreement, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs, including expert witness fees and fees on any appeal.

13.11. **Force Majeure.** With the exception of obligations to pay fees hereunder, neither party will be responsible for any failure to perform its obligations under this Agreement due to causes beyond its reasonable control, including but not limited to acts of God, war, riot, embargoes,

v.20210827

pandemics or epidemics, acts of civil or military authorities, fire, floods or accidents.

13.12. Survival. Upon the termination of this Agreement, Section 4 (Fees; Payment Terms) (as to amounts owed as of termination), Section 6

(Confidentiality), Section 8 (Indemnification), Section 10 (Limitation of Liability), Section 11.03 (Licensed Data), and Section 13 (General Provisions) shall survive and any other section which is expressed or by their nature survive termination.

2 What this Amendment Does

2.1 This Amendment amends the Terms and Conditions (the **Terms and Conditions**) between First Data Merchant Services LLC doing business as Bypass (**Bypass**) and the entity identified in *Section 1 (Client)* by:

- (1) Deleting Section 3.01(*Payment System*) b. (*Remedies*) and replacing it with the following:
 - b. Remedies. Bypass will use commercially reasonable efforts to maintain an availability percentage for the Software of 99.8% during a 12-month period, beginning on the first day of the Term. Calculation of availability excludes 1) downtime for scheduled maintenance, 2) failure of Client to maintain merchant account(s), 3) outages caused by a force majeure event or 4) times when the Payment System is in Offline Mode. Availability will be determined by Bypass in its reasonable discretion. For clarity, Bypass is not responsible for, and the availability commitment does not apply to unavailability for failure of the Payment System that arises from or relates to a failure of the Assumptions set forth in Section 3.03 (Assumptions), the Client obligations set forth in Section 3.04 (Client Obligations), failure or unavailability due solely to the Hardware or failure of third party elements of the overall payment infrastructure, e.g. internet connectivity, bank site availability, etc. (**Third-Party Interruptions**). If the Software does not achieve the above uptime percentage, Client will be entitled to pro-rated credit for the period of time the disruption occurred based on the then current Software Subscription Fees. Such credit will be issued against the next fee invoice. Unless otherwise prohibited by applicable law, the fee credits set forth above represent Client's sole and exclusive remedy, and Bypass's sole liability, for any downtime Client may experience with respect to the Payment System.
- (2) Deleting Section 4.02 (Invoice Schedule) a. (Hardware Fees and Services Fees) and replacing it with the following:
 - a. Hardware Fees and Services Fees. Unless otherwise stated in a Quote, Hardware Fees and Services Fees will be invoiced upon execution of the applicable Quote. Payment will be made upon delivery to Client.
- (3) Deleting Section 4.03 (Payment Terms) and replacing it with the following:
 - 4.03 Invoices are due and payable within 45 days from issuance. Bypass may issue an invoice without a corresponding purchase order from Client. If payment is not made within 10 calendar days after its due date, and without limiting its other remedies in law or in equity, Bypass may charge Client a late fee on the unpaid balance of 1.5% per month, or if lower, the highest rate allowed under applicable law.

- (4) Inserting the following language as the last sentence to Section 6.01 (Confidential Information):
 - 6.01 Confidential Information. "...The provisions herein-above notwithstanding, Bypass acknowledges that Client is a governmental entity of the State of Mississippi and accordingly is subject to the provisions of the Mississippi Public Records Act of 1983, MCA Section 25-61-1 et. Seq. (1972, as amended). Nothing in Section Six hereof modifies, alters or amends such provisions and Client's duties in relation thereto all of which are incorporated herein by reference."
- (5) Deleting Section 7.04 in its entirety from the Agreement and replacing it with the following:
 - 7.04 UNLESS OTHERWISE PROHIBITED BY APPLICABLE LAW, THE OBLIGATIONS SET FORTH IN SET FORTH IN THIS SECTION 7 ARE BYPASS'S ENTIRE LIABILITY AND CLIENT'S SOLE AND EXCLUSIVE REMEDY FOR ANY INFRINGEMENT CLAIM AND CLIENT HEREBY EXPRESSLY WAIVES ANY OTHER LIABILITY ON THE PART OF BYPASS ARISING THEREFROM.
- (6) Deleting the reference to Section 8 (Indemnification) from the Agreement and replacing it with Section 8 (Obligations).
- (7) Deleting Section 8.01 (Client Indemnification) from the Agreement and replacing it with the following language:
 - 8.01. Client Obligations. To the extent not prohibited by applicable law, Client is responsible for all losses, liabilities, damages, and expenses (including reasonable attorney's fees) resulting or arising out of (i) Client's failure to comply with the terms of this Agreement; (ii) Client's or its employees' or agents' negligent act or omission in connection with this Agreement, (iii) Client's misrepresentation under this Agreement; (iv) taxes, duties or similar fees (other than taxes on Bypass income) arising out of this Agreement or use of the Payment System (including processing transactions through the Payment System); or (v) personal injury, illness or death of any individual arising at the Client site(s) except to the extent caused by the gross negligence or intentional misconduct of Bypass.
- (8) Deleting Section 8.02 (*Indemnification Procedure*) from the Agreement in its entirety.
- (9) Deleting Section 9.02 (*Pass-Through Warranties*) in its entirety and replacing it with the following:
 - 9.02. Pass-Through Warranties. To the extent Bypass is permitted to pass through to Client under Bypass's agreements with the applicable third parties, Bypass shall pass through to Client for Client's benefit, and Client shall have the benefit of, any third party warranties, service agreements and infringement indemnities (if any) available to end users of the third party Software and/or Hardware components that comprise part of the Payment System (**Third Party Components**). In the event a warranty of a Third Party Component is not assignable, Bypass will act on behalf of Client and use commercially reasonable efforts to secure for Client the benefits provided by the applicable warranty.
- (10) Deleting Section 10 (Limitation of Liability), including Sections 10.01 (Damages exclusion) and 10.02 (Limitation of Liability), in its entirety from the Agreement.
- (11) Deleting Section 11.01 (Publicity; Trademarks) in its entirety and replacing it with the following:
 - 11.01. Publicity; Trademarks. Bypass may not use Client's name and/or logo for marketing, advertising and promotional materials, without the express written

permission of Client. Client, in its sole discretion, may agree to serve as a client reference. Except as expressly set forth herein, this Agreement grants no right or license to use Client's Trademarks to any extent except as licensed by a separate written agreement of the parties.

- (12) Deleting Section 12.02 (Offline Mode) in its entirety and replacing it with the following:

12.02 Offline Mode. Offline Mode is designed to allow for continued service for Client's patrons and/or concessionaires during times in which one or more third party elements of the overall payment infrastructure (e.g. internet connectivity, bank site availability, etc.) are unavailable (**Third Party Interruptions**). Client acknowledges that a natural consequence of Offline Mode is that certain Transactions initiated while the Payment System is operating in Offline Mode may result in Declined Transactions. Client represents that it has determined that the net benefits of operating in Offline Mode outweigh the potential losses attributable to the Declined Transactions. Client (a) acknowledges and agrees that in consideration of Bypass making the Offline Mode available as part of the Payment System and Services, Client authorizes Bypass to charge (or re-charge), on a delayed basis, patron's cards on Client's (and/or its concessionaires') behalf with respect to any and all Transactions initiated while the Payment System is operated in Offline Mode; (b) unless otherwise prohibited by applicable law, accepts sole responsibility for any loss, damage, claim or liability associated with any Declined Transactions or use of the Offline Mode; and (c) unless prohibited by applicable law, is responsible for any loss, damage, claim, or liability, arising or resulting in connection with any and all Transactions initiated by Client while the Payment System is operated in Offline Mode.

- (13) Deleting Section 12.03 (*Disclaimer*) from the Agreement in its entirety and replacing it with the following:

12.03 Disclaimer. BYPASS PROVIDES ACCESS TO THE OFFLINE MODE "AS IS" WITHOUT WARRANTIES OF ANY KIND, AND CLIENT'S USE THEREOF IS AT CLIENT'S OWN RISK. UNLESS OTHERWISE PROHIBITED BY APPLICABLE LAW, BYPASS EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED WITH RESPECT TO ANY TO THE FOREGOING, CLIENT EXPRESSLY ASSUMES THE RISK OF ITS USE OF THE OFFLINE MODE.

- (14) Deleting Section 13.09 (*Jurisdiction; Venue; Governing Law*) and replacing it with the following:

13.09 Jurisdiction; Venue; Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Mississippi (without regards to its choice of law provisions). Each party hereby consents to exclusive jurisdiction and venue in the state and federal courts located in Desoto County, Mississippi for any dispute arising out of this Agreement.

- (15) Deleting Section 13.10 (*Attorney's Fees*) in its entirety and replacing it with the following:

13.10 Attorney's Fees. To the extent permitted by law, should suit be brought to enforce or interpret any part of this Agreement, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs, including expert witness fees and fees on any appeal.

- (15) Deleting Section 13.12 (*Survival*) in its entirety and replacing it with the following:

13.12 Survival. Upon the termination of this Agreement, Section 4 (Fees; Payment Terms) (as to amounts owed as of termination), Section 6 (Confidentiality), Section 8 (Obligations), Section 10 (Limitation of Liability), Section 11.03 (Licensed Data), and Section 13 (General Provisions) shall survive and any other section which is expressed or by their nature survive termination.

(16) Inserting the following clause into the Agreement as Section 13.13 (Authorized Signatory Authority):

13.13 Authorized Signatory Authority. Bypass acknowledges that the individual executing this Agreement on behalf of Client is doing so only in his/her official capacity only, and to the extent that any provision contained in this Agreement exceeds his/her authority, Bypass agrees that it will not look to that individual in his/her capacity or otherwise seek to hold him/her individually liable for exceeding such authority.

(17) Inserting the following clause into the Agreement as Section 13.14 (Mississippi Governmental Entity):

13.14 Mississippi Governmental Entity. The Client is not bound to any provision of the contract which a Mississippi public entity cannot legally agree to or contract for. In executing the enclosed contract, the Client does not waive any rights it may have to object to, contest, or refuse to comply with any provision of the contract that is impermissible by operations of the laws of the State of Mississippi.

2.2 Nothing in this Amendment or the Terms and Conditions will abrogate the defense of sovereign or governmental immunity if otherwise available to Client.

3 Effective Date

This Amendment becomes effective as of the effective date of the Terms and Conditions.

RE: Setcom Liberator Wireless System

Dear Wendy Haire:

Setcom is the sole manufacturer of the Liberator Wireless Police Motorcycle Communications system. The Liberator has unique features that no other product on the market has.

As background, Setcom Corporation is a leading manufacturer of communications equipment and radio accessories for police motorcycle officers, firefighters, military personnel, and industrial users. Setcom invented the first Police Motorcycle ComKit back in 1970. While others have come and gone, Setcom has dominated the market for nearly 45 years with quality and innovation. With 1,000s of motor officers currently riding with Setcom equipment today, we are by far the leader for police motorcycle communications gear.

Setcom's Liberator wireless system for portable-only radios has had great success in the marketplace since its introduction. The system is currently being used by hundreds of departments across the United States. Major agencies include Orlando Police Department (FL), Orange County Sheriff (FL), Broward County Sheriff (FL), Palm Beach County Sheriff, Mobile Police Department (AL), Baton Rouge Police Department (LA) and Detroit Police Department (MI) among others. Some departments near your area include North Haven PD (CT), Harrisonburg PD (VA), North Huntingdon PD (PA), Chambersburg PD (PA), Cambridge PD (MA), Massachusetts Turnpike Authority (MA) and New Haven PD (CT).

Setcom is the only manufacturer in the market with a dedicated customer and technical service team that is available 55 hours per week to help customers with issues in the field. Setcom also has 48-hour turn around on all warranty repairs that come into its dedicated repair center.

Liberator Wireless System

The most recent advance in police motorcycle communications, Setcom's Liberator Wireless SuperMic, eliminates the cable between the officer and the motorcycle, providing maximum flexibility, freedom of movement, and reliable communications.

Currently, many of the features and functionality of the Liberator Wireless System are unique to Setcom. No other product on the market has these superior features. These include:

- **No Additional Battery Charging Is Required.** The wireless SuperMic system gets its power from the portable radio battery. The power draw of the SuperMic is less than 5% of the overall capacity of a typical police portable radio battery. This feature eliminates the requirement to set up an additional recharging procedure or the potential that a system is down for a day due to lack of battery

charging the night before. It also removes a potential failure point in the system. The wireless transceiver on the motorcycle is powered by the motorcycle battery.

- **Waterproof.** The Liberator Portable-only wireless system's handlebar transmitter enclosure is waterproof and has been certified to meet the IP-X8 standard which states that the enclosure can be immersed for at least 60 minutes at a depth of at least 1 meter and not show significant signs of leakage. In addition, the Liberator SuperMic is independently certified to meet the IP-X7 waterproof standard which is immersion for at least 30 minutes at a depth of at least 1 meter without significant leakage.
- **Conformal Coated PC Boards.** As a backup to the enclosures being waterproof, Setcom conformal coats the PC boards on this system. In the unlikely event of water incursion, the conformal coating provides a second layer of protection against water and other contaminants like salt and road grime causing the circuitry to malfunction.
- **No Sync'ing or Pairing Required.** Unlike Bluetooth products, Setcom's Liberator system uses the ISM 900 MHz spectrum and does not require sync'ing or pairing. This allows an officer to immediately be able to begin communicating as soon as he turns on his portable radio.
- **900 MHz Frequency.** The Liberator System uses frequencies between 912 to 918 MHz. The advantage of this frequency range is that it is a low use frequency band so chances of potential interference are low. This frequency also has lower power consumption requirements than other frequencies which results in longer battery life and higher reliability.
- **Quick Release Nexus Connectors.** The connector used between the helmet kit and Liberator SuperMic System is the industry standard Nexus TP-120 connector. This connector has quick release functionality.
- **Dedicated Factory Technical Service Team.** Setcom is the only manufacturer in the market with a dedicated customer and technical service team that is available 55 hours per week to help customers with issues in the field. All technical service calls are issued a tracking number and priority upon being reported. These service issues are monitored daily by senior management until they are resolved by Setcom's technical staff. Setcom also has 48-hour turn around on all warranty repairs that come into its dedicated repair center.

If you have any questions on the above unique features, please don't hesitate to contact me.

Regards,

Doug Sartin
