There shall be levied annually by the City, without limitation as to time, rate or amount, upon all of the taxable property within the geographical boundaries of the City adequate and sufficient to provide for the payment of the principal of, premium, if any, and interest on the City Bond as the same becomes due. Said tax shall be extended upon the tax rolls and collected in the same manner and at the same time as other taxes of the City are collected, and the rate of the tax which shall be so extended shall be sufficient in each year fully to produce the sums required as aforesaid, without limitation as to time, rate or amount; provided, however, that such tax levy for any year shall be abated *pro tanto* to the extent the City on or prior to September 1 of that year has transferred money to the 2024 Bond Fund, or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the City Bond due during the ensuing fiscal year of the City, in accordance with the provisions of this Bond Resolution. The avails of said tax are hereby irrevocably pledged for the payment of the principal of, premium, if any, and interest on the City Bond as the same shall mature and accrue. Should there be a failure in any year to comply with the requirements, such failure shall not impair the right of the holder of the City Bond in any subsequent year to have adequate taxes levied and collected to meet the obligations the City Bond, as to principal of, premium, if any, and interest.

SECTION 15. The City Bond shall not be valid or obligatory for any purpose unless and until such certificate of registration and authentication shall have been duly executed by the Transfer Agent, which executed certificate shall be conclusive evidence of registration, authentication and delivery under this Bond Resolution. The Transfer Agent's certificate of registration and authentication on the City Bond shall be deemed to have been duly executed if signed by an authorized officer of the Transfer Agent; provided, however, it shall not be necessary that the same officer sign said certificate on every City Bond that may be issued hereunder.

SECTION 21. The City may issue refunding bonds, in one or more series, with the consent of the Issuer pursuant to a supplement to this Bond Resolution or a separate resolution to provide funds for the refunding of all or a portion of the City Bond so long as: (a) no default has occurred and is continuing under this Bond Resolution or the Indenture; and (b) there shall have been filed with the City and the Trustee an opinion of Bond Counsel that the exclusion from gross income

SECTION 23. The City covenants to comply, if applicable, with each requirement of the Code and the regulations promulgated thereunder necessary to maintain the exclusion of interest on the Series 2024 Bonds from gross income for federal income tax purposes, and in furtherance thereof, to comply, if applicable, with a certificate of the City to be executed and delivered concurrently with the issuance of the City Bond and the Series 2024 Bonds, or such other covenants as may, from time to time, be required to be complied with in order to maintain the exclusion of interest on the Series 2024 Bonds from gross income for federal income tax purposes, if applicable. The City shall not use or permit the use of any of the proceeds of the City Bond or the Series 2024 Bonds, or any other funds of the City, directly or indirectly, to acquire any securities, obligations or other investment property, and shall not take or permit to be taken any other action or actions, which would cause any Series 2024 Bond to be an "arbitrage bond" as defined in Section 148 of the Code, if and as applicable. Notwithstanding any other provisions to the contrary, so long as necessary in order to maintain the exclusion of interest on the Series 2024 Bonds from gross income for federal income tax purposes under the Code, if applicable, the covenants contained in this Section 23 shall survive the payment of the City Bond and the Series 2024 Bonds and the interest thereon, including any payment or defeasance thereof.

SECTION 26. The Mayor or his designee or an Authorized Officer is hereby authorized to sign and file or cause to be filed a completed I.R.S. Form 8038-G "Information Return for Governmental Obligations" if required by Section 149(e) of the Code.

SECTION 27. The Mayor or his designee or an Authorized Officer is hereby authorized to execute a non-arbitrage certification in order to comply with Section 148 of the Code and the applicable regulations thereunder.

SECTION 28. In the event the City fails to comply with the provisions of the Continuing Disclosure Certificate, the beneficial owners of the Series 2024 Bonds may take such actions as may be necessary and appropriate, including mandamus or specific performance by court order, to cause the City to comply with its obligations set forth in the Continuing Disclosure Certificate and this Section.

SECTION 29. (a) The Issuer and the City, without the consent of the owners of any of the Series 2024 Bonds outstanding under the Indenture, may enter into supplements to this Bond Resolution which shall not be inconsistent with the terms and provisions hereof for any of the purposes heretofore specifically authorized in this Bond Resolution or the Indenture, and in addition thereto for the following purposes:

- (ii) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee, or to make any change which, in the opinion of Bond Counsel, does not materially and adversely affect the interest of the owner of the City Bond and does not require unanimous consent of the Bondholders pursuant to Section 12.01 of the Indenture;
- (iii) To subject to the Indenture additional Revenues (as such term is defined in the Indenture), properties or collateral;
- (iv) To modify, amend or supplement this Resolution in such manner as required to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, to permit qualification of the City Bond or the Series 2024 Bonds for sale as exempt securities or in exempt transactions under the Securities Act, the Exchange Act or the securities laws of any state or to avoid registration under the Investment Company Act of 1940, as amended, or any similar federal statute hereafter in effect, or to permit compliance with the Code;

- (v) To conform the text herein to any description or summary of this Resolution in any official statement or other offering document with respect to the City Bond or the Series 2024 Bonds to the extent that such description or summary was intended to be a verbatim recitation of a provision herein; and
- (vi) To evidence the appointment of a separate or co-trustee or the succession of a new Trustee under the Indenture or the succession of a new registrar and/or paying agent.
- (d) The provisions of this Bond Resolution may be amended in any particular with the written consent of the Issuer to the extent authorized by the Indenture; provided, however, that no such amendment may be adopted which decreases the percentage of owners of Series 2024 Bonds required to approve any amendment, or which permits a change in the date of payment of the principal of or interest on any Series 2024 Bonds or of any redemption price thereof or the rate of interest thereon.
- (e) If at any time the Issuer and the City shall request the Trustee to consent to a proposed amendment of this Bond Resolution for any of the purposes of this Section 29, the Trustee shall, upon being satisfactorily indemnified and/or secured with respect to expenses, cause notice of the proposed execution of such proposed amendment to be given in the manner required by the Indenture to redeem Series 2024 Bonds. Such notice shall briefly set forth the nature of the proposed amendment and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all holders of Series 2024 Bonds. If, within sixty (60) days or such longer period as shall be prescribed by the Issuer following such notice, the owners of not less than a majority in aggregate principal amount of the Series 2024 Bonds outstanding at the time of the execution of any such proposed amendment shall have consented to and approved the execution thereof as herein provided, no owner of any Series 2024 Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee, the City or the Issuer from executing or approving the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such proposed amendment permitted and provided in this Section, this Bond Resolution shall be modified and amended in accordance therewith.
- (f) Copies of any such supplement or amendment shall be filed with the Trustee and delivered to the Issuer and the City before such supplement or amendment may become effective.

NOTICE OF RESOLUTION OF INTENT

The Mayor and the Board of Aldermen (the "Governing Body") of the City of Southaven, Mississippi (the "City"), acting for and on behalf of the City, took up for consideration the matter of providing financing for certain capital improvements of the City, and after a discussion of the subject matter, the following resolution was presented for consideration:

RESOLUTION DECLARING THE INTENTION OF THE MAYOR AND THE BOARD OF ALDERMEN OF THE CITY OF SOUTHAVEN, MISSISSIPPI, TO ISSUE GENERAL OBLIGATION BONDS OF THE CITY AND/OR A GENERAL OBLIGATION BOND OF THE CITY FOR SALE TO THE MISSISSIPPI DEVELOPMENT BANK, ALL IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED TWELVE MILLION DOLLARS (\$12,000,000) FOR VARIOUS CAPITAL IMPROVEMENT PROJECTS WITHIN THE CITY AS PROVIDED HEREIN; DIRECTING THE PUBLICATION OF A NOTICE OF SUCH INTENTION; AND FOR RELATED PURPOSES.

WHEREAS, the Governing Body, acting for and on behalf of the City, hereby finds, determines, adjudicates and declares as follows:

The City is authorized by Sections 21-33-301 et seq., Mississippi Code of 1972, as amended and/or supplemented from time to time (the "City Bond Act") to issue general obligation bonds for the purposes set forth therein, including, but not limited to, any of, (i) constructing, improving or paving streets, sidewalks, driveways, parkways, walkways or public parking facilities, and purchasing land therefor; (ii) erecting, repairing, improving, adorning and equipping municipal buildings and purchasing buildings and land therefor; (iii) purchasing land for parks, cemeteries and public playgrounds, and improving, equipping and adorning the same, including the constructing, repairing and equipping of swimming pools and other recreational facilities; (iv) purchasing firefighting equipment and apparatus, and providing housing for same, and purchasing land therefor; (v) erecting or purchasing waterworks, gas, electric and other public utility plants or distribution systems or franchises, and repairing, improving and extending the same; (vi) establishing sanitary, storm, drainage or sewerage systems, and repairing, improving and extending the same; (vii) protecting a municipality, its streets and sidewalks from overflow, caving banks and other like dangers; (viii) constructing bridges and culverts; (ix) purchasing machinery and equipment, including motor vehicles weighing not less than twelve thousand (12,000) pounds, which have an expected useful life in excess of ten (10) years which expected useful life shall exceed the life of the bonds financing such purchase; and (x) for other authorized purposes under the City Bond Act, including funding capitalized interest, if applicable, and paying the costs of borrowing (collectively, the "Project").

The Governing Body, acting for and on behalf of the City, is also authorized under Sections 31-25-1 et seq., Mississippi Code of 1972, as amended and supplemented from time to time (the "Bank Act") and together with the City Bond Act, the "Act"), and other applicable laws of the State of Mississippi (the "State"), to issue a general obligation bond of the City to be sold to the Mississippi Development Bank (the "Bank") to finance the costs of the Project and to secure such general obligation bond with the full faith, credit and taxing power of the City.

The Project is in accordance with and in furtherance of the provisions of the Act and other applicable laws of the State.

The City is a "local governmental unit" under the Bank Act.

The Governing Body is authorized to provide financing for the costs of the Project (a) through the issuance of general obligation bonds of the City, in one or more tax-exempt or taxable series (the "Bonds") pursuant to the City Bond Act, and/or (b) through the issuance of a general obligation bond of the City, in one or more tax-exempt or taxable series, to be sold to the Bank (the "City Bond") pursuant to the Act, all in a total aggregate principal amount of not to exceed Twelve Million Dollars (\$12,000,000).

As of April 1, 2024, the assessed value of all taxable property within the City, according to the last completed assessment for taxation, is \$747,784,748, and the City has outstanding bonded indebtedness as subject to the fifteen percent (15%) debt limit prescribed by Section 2133303 of the City Bond Act, in the amount of \$34,235,500, and outstanding bonded and floating indebtedness as subject to the twenty percent (20%) debt limit prescribed by Section 2133303 of the City Bond Act (which amount includes the sum set forth above subject to the fifteen percent (15%) debt limit), in the amount of \$34,235,500.

The Bonds and/or the City Bond, when added to the outstanding bonded indebtedness of the City, including any indebtedness of the City issued subsequent to the adoption of this resolution but prior to the issuance of the Bonds and/or the City Bond will not result in bonded indebtedness, exclusive of indebtedness not subject to the aforesaid fifteen percent (15%) debt limit, of more than fifteen percent (15%) of the assessed value of all taxable property within the City, and will not result in indebtedness, both bonded and floating, exclusive of indebtedness not subject to the aforesaid twenty percent (20%) debt limit, in excess of twenty percent (20%) of the assessed value of all taxable property within the City, and will not exceed any constitutional or statutory limitation upon indebtedness which may be incurred by the City.

There has been no increase in said bonded and floating general obligation indebtedness of the City since April 1, 2024.

It is necessary for the health and well-being of the citizens of the City and it would be in the best interest of the City for the Governing Body to provide financing for the costs of the Project by borrowing money through the issuance of the Bonds and/or the City Bond, all in accordance with the Act and other applicable laws of the State.

The Governing Body is authorized and empowered by the Act and other applicable laws of the State to issue the Bonds and/or the City Bond for the purposes as hereinafter set forth and there are no other available funds on hand or available from regular sources of income for such purposes.

The City reasonably expects that it will incur expenditures prior to the issuance of the Bonds and/or the City Bond which it intends to reimburse itself with the proceeds of the Bonds and/or the City Bond upon the issuance thereof. This declaration of official intent to reimburse expenditures made prior to the issuance of the Bonds and/or the City Bond in anticipation of the issuance of the Bonds and/or the City Bond is made pursuant to Department of Treasury Regulations Section 1.150-2 (the "Reimbursement Regulations"). The Project for which such expenditures are made is the same as described herein. The maximum principal amount of debt expected to be issued for the Project is the amount herein set forth.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY, ACTING FOR AND ON BEHALF OF THE CITY, AS FOLLOWS:

The Governing Body, acting for and on behalf of the City, hereby declares its intention to issue and sell the Bonds and/or the City Bond, in one or more tax-exempt or taxable series, all in the total aggregate principal amount of not to exceed Twelve Million Dollars (\$12,000,000).

The Bonds and/or the City Bond are to be issued to raise money for the purpose of financing the Project in accordance with the City Act, the Bank Act and other applicable laws of the State.

The Bonds and/or the City Bond may be issued in one or more tax-exempt or taxable series and, if issued, will be general obligations of the City payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to time, rate, or amount upon all the taxable property within the geographical limits of the City; provided, however, that such tax levy for any year shall be abated pro tanto to the extent the City on or prior to September 1 of that year has transferred money to the bond fund of the Bonds and/or the City Bond, as applicable, or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the Bonds and/or the City Bond, as applicable, due during the ensuing fiscal year of the City. In accordance with the provisions of the bond resolution adopted by the Governing Body in connection with the issuance of the Bonds and/or the City Bond.

The Governing Body proposes to direct the issuance of all or any portion of the Bonds and/or the City Bond in the amount and for the purposes and secured as aforesaid at a meeting of the Governing Body to be held at its usual meeting in City Hall, located at 8710 Northwest Drive, Southaven, Mississippi, at the hour of 6:00 o'clock p.m. on May 21, 2024, or at some meeting or meetings subsequent thereto; provided, however, that if ten percent (10%) of the qualified electors of the City or fifteen hundred (1,500), whichever is less, shall file a written protest with the City Clerk of the City (the "City Clerk") in her office located in City Hall, against the issuance of the Bonds and/or the City Bond on or before 4:00 o'clock p.m. on May 21, 2024, then the Bonds and/or the City Bond shall not be issued unless approved at an election on the question thereof called and held as is provided by law; provided, further that if no protest is filed, then the Bonds and/or the City Bond may be issued and sold in one or more series without an election on the question of the issuance thereof at any time within a period of two (2) years after May 21, 2024.

This resolution shall be published once a week for at least three (3) consecutive weeks in the DeSoto Times-Tribune, a newspaper published in the City of Hernando, Mississippi and having general circulation in the City and qualified under the provisions of Section 13-3-31, Mississippi Code of 1972, as amended and supplemented from time to time. The first publication of this resolution shall be made not less than twenty-one (21) days prior to the date fixed herein, and the last publication shall be made not more than seven (7) days prior to such date.

The City Clerk of the Governing Body shall be and is hereby directed to procure from the publisher of the aforesaid newspaper the customary proof of the publication of this resolution and have the same before the Governing Body on the date and hour specified in Section 4 hereof.

The City reasonably expects that it will incur expenditures prior to the issuance of the Bonds and/or the City Bond which it intends to reimburse with the proceeds of the Bonds and/or the City Bond upon the issuance thereof. This declaration of official intent to reimburse expenditures made prior to the issuance of the Bonds and/or the City Bond in anticipation of the issuance of the Bonds and/or the City Bond is made pursuant to the Reimbursement Regulations. The Project for which such expenditures are made is the same as described herein. The maximum principal amount of debt expected to be issued for the Project is the amount herein set forth.

If any one or more of the provisions of this resolution shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any of the other provisions of this resolution, but this resolution shall be construed and enforced as if such illegal or invalid provision or provisions had not been contained herein.

This Bond and the interest payable hereon and thereon, is payable by the Issuer solely from the Revenues (as defined herein) and other funds of the Issuer pledged therefor under the Indenture, which Revenues and funds include the payments on the City Bond (as defined herein) purchased by the Issuer. The Issuer has no taxing power. This Bond, as to principal, premium, if any, and interest, constitutes neither a debt, liability or loan of the credit of the State or any political subdivision thereof under the constitution or statutes of the State nor a pledge of the faith and credit, the taxing power or moral obligation of the State or any political subdivision thereof; provided, however, that the City Bond (as hereinafter defined), which provides security for this Bond, is a general obligation of the City of Southaven, Mississippi (the "**City**"). Neither the State nor any agent, attorney, member or employee of the State or of the Issuer shall in any event be liable for the payment of the principal of, premium, if any, or interest on this Bond or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Issuer. No breach by the Issuer of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State or any agent, employee, attorney or member of the State or of the Issuer, or any charge upon their general credit or upon the taxing power of the State.

This Bond is one of an authorized issue of bonds by the Issuer known as Mississippi Development Bank Special Obligation Bonds, Series 2024 (City of Southaven, Mississippi Public Improvement General Obligation Bond Project) (the "**Series 2024 Bonds**") issued under and

secured by an Indenture of Trust, dated __, 2024 (“**Indenture**”), duly executed and delivered by the Issuer to the Trustee. This Bond is limited in aggregate principal amount to ____ Million Dollars (\$____,000,000). This Bond is issued pursuant to Sections 31-25-1 *et seq.*, Mississippi Code of 1972, as amended and supplemented from time to time (the “**Issuer Act**”), and Sections 21-33-301 *et seq.*, Mississippi Code of 1972, as amended and supplemented from time to time (the “**City Bond Act**” and together with the Issuer Act, the “**Act**”), to provide funds to purchase the City Bond and to pay the costs of issuing the Series 2024 Bonds and the City Bond. The City Bond is the City of Southaven, Mississippi Public Improvement General Obligation Bond, Series 2024, issued in the aggregate principal amount of \$____,000,000 (the “**City Bond**”). The City Bond is a general obligation of the City secured and described in that certain resolution, adopted by the Mayor and the Board of Aldermen of the City on May 21, 2024 (the “**City Bond Resolution**”). The proceeds received by the City from the sale of the City Bond to the Issuer will be used by the City for the purpose of providing projects authorized under the City Bond Act.

Capitalized terms used but not defined herein shall have the meanings ascribed thereto in the Indenture.

The City Bond Resolution, a certified copy of which is on file in the Principal Office of the Trustee, provides that the City is unconditionally obligated to make payments secured by the full faith, credit and taxing power of the City in an aggregate amount sufficient, with any other funds available therefor, for the payment in full of the principal of, premium, if any, and interest on all Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Issuer and the Trustee.

For purposes of funding the 2024 Bond Fund (as defined in the City Bond Resolution) of the City, the City Bond Resolution provides that the City will levy a direct, continuing and special tax upon all of the taxable property within the geographical limits of the City, adequate and sufficient, after allowance shall have been made for the expenses of collection and delinquencies in the payment of taxes, to produce sums required for the payment of the principal of, premium, if any, and interest on the City Bond. Said tax shall be extended upon the tax rolls and collected in the same manner and at the same time as other taxes of the City are collected, and the rate of the tax which shall be so extended shall be sufficient in each year fully to produce the sums required as aforesaid, without limitation as to time, rate or amount; provided, however, that such tax levy for any year shall be abated *pro tanto* to the extent the City on or prior to September 1 of that year has transferred money to the 2024 Bond Fund, as applicable, or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the City Bond due during the ensuing fiscal year of the City, in accordance with the provisions of the Bond Resolution. The avails of said tax are irrevocably pledged by the City under the City Bond Resolution for the payment of the principal of, premium, if any, and interest on the City Bond as the same shall respectively mature and accrue.

The Series 2024 Bonds are all equally and ratably secured by and entitled to the protection of the Indenture on a parity one with another and with any Refunding Bonds which may be issued pursuant to the terms of the Indenture. To secure payment of the principal of and interest on all Bonds and performance of all other covenants of the Issuer under the Indenture, the Issuer, pursuant to the Indenture, has assigned and pledged to the Trustee, and has granted to the Trustee

a security interest in, the Trust Estate (as defined in the Indenture), including City Bond Payments, all right, title and interest of the Issuer in and to all moneys and securities from time to time received and held by the Trustee under the Indenture and all income from the deposit, investment and reinvestment thereof except any moneys and securities held in the Rebate Fund established under the Indenture (all such money and funds and accounts referred to in the granting clauses of the Indenture are defined in the Indenture and are herein referred to as the “**Revenues**”). Reference is hereby made to the Indenture for a description of the rights, duties and obligations of the Issuer, the Trustee and the owners of the Bonds, the terms and conditions upon which the Bonds are issued and the terms and conditions upon which the Bonds will be paid at or prior to maturity, or will be deemed to be paid upon the making of provision for payment therefor. A copy of the Indenture is on file in the Principal Office of the Trustee.

THE SERIES 2024 BONDS ARE LIMITED AND SPECIAL OBLIGATIONS OF THE ISSUER AND DO NOT CONSTITUTE OR CREATE AN OBLIGATION, GENERAL OR SPECIAL, DEBT, LIABILITY OR MORAL OBLIGATION OF THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISIONS WHATSOEVER AND NEITHER THE FAITH OR CREDIT NOR THE TAXING POWER OF THE STATE, THE ISSUER OR OF ANY OTHER POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR THE INTEREST ON THE SERIES 2024 BONDS; PROVIDED, HOWEVER, THAT THE CITY BOND CONSTITUTES A PLEDGE OF THE FULL FAITH, CREDIT AND TAXING POWER OF THE CITY. THE SERIES 2024 BONDS ARE NOT A GENERAL OBLIGATION OF THE ISSUER BUT ARE A LIMITED AND SPECIAL REVENUE OBLIGATION OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE, INCLUDING, WITHOUT LIMITATION, THE AVAILS OF THE FULL FAITH, CREDIT AND TAXING POWER OF THE CITY DERIVED OR TO BE DERIVED FROM PAYMENTS MADE BY THE CITY IN RESPECT OF THE CITY BOND PURSUANT TO THE CITY BOND RESOLUTION AND FROM ANY MONEYS RECEIVED BY THE TRUSTEE UNDER THE INDENTURE. THE ISSUER HAS NO TAXING POWER.

This Bond is transferable by the Registered Owner hereof in person or by its attorney duly authorized in writing at the Principal Office of the Trustee, but only in the manner and subject to the limitations prescribed in the Indenture and upon surrender and cancellation of this Bond. This Bond may be transferred without cost to the Registered Owner except for any tax or governmental charge required to be paid with respect to the transfer. Upon such transfer, a new Bond of the same maturity for the same then outstanding principal amount will be issued to the transferee in exchange therefor. Nothing in the Indenture shall be construed as a limitation on the right of the Registered Owner or its assignees to sell or assign participation interest in this Bond.

The Issuer and the Trustee may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and the interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

The Series 2024 Bonds are issuable as fully registered bonds in denominations of \$5,000 and any integral multiple thereof. Subject to the limitations and upon payment of any taxes or governmental charges, the Series 2024 Bonds may be exchanged for a like aggregate principal amount of Series 2024 Bonds of the same maturity of authorized denominations.

No person other than a Bondholder, as shown in the Bond Register, shall receive a Series 2024 Bond certificate evidencing the obligation of the Bank to make payments of principal, premium, if any, and interest pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the Registered Owner at the close of business on the Record Date, the words "Cede & Co." in this Indenture shall refer to such new nominees of DTC; and upon receipt of such a notice the Trustee shall promptly deliver a copy of the same to each paying agent, if any

In the event any such Bond shall have matured or been called for redemption instead of issuing and authenticating a duplicate Bond, the Trustee may pay the same without surrender thereof, provided, however, that in the case of a lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee together with security and/or indemnity satisfactory to it. The Trustee may charge the owner of such Bond its reasonable fees and expenses in connection with replacing any Bond mutilated, lost, stolen or destroyed. Any Bond issued pursuant to this Section 3.05 shall be deemed part of the original series of the Bonds in respect of which it was issued and a contractual obligation of the Issuer replacing the obligation evidenced by such mutilated, lost, stolen or destroyed Bond.

SECTION 3.06. Registration, Transfer and Exchange of Bonds; Persons Treated as Owners. The Issuer shall cause records for the registration and for the transfer of the Bonds to be kept by the Trustee at its Principal Office, and the Trustee is hereby constituted and appointed the bond registrar of the Issuer for the Bonds. At reasonable times and under reasonable regulations established by the Trustee, said records may be inspected and prepared by the Issuer or by Registered Owners (or a designated representative thereof) of five percent (5%) or more in aggregate principal amount of the Bonds then Outstanding.

Upon surrender for transfer of any Bond at the Principal Office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the Registered Owner or such Registered Owner's attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same maturity for a like aggregate principal amount. The Bonds may be transferred or exchanged without cost to the Bondholders except for any tax or governmental charge required to be paid with respect to the transfer or exchange.

The Trustee shall not be required to (a) register, transfer or exchange any Bond during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bond, or (b) to register, transfer or exchange any Bond selected, called or being called for redemption in whole or in part after mailing notice of such call has been made.

The person in whose name a registered Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal, premium, if any, and interest thereon, shall be made only to or upon the order of the Registered Owner thereof or such Registered Owner's legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

All Bonds delivered upon any transfer or exchange shall be valid obligations of the Issuer, evidencing the same debt as the Bonds surrendered, shall be secured by this Indenture and shall be entitled to all of the security and benefits hereof to the same extent as the Bond surrendered.

SECTION 3.07. Destruction of Bonds. Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture or upon payment of the principal, premium, if any, or interest represented thereby or for replacement pursuant to Section 3.05 hereof, such Bond shall be canceled and destroyed by the Trustee and a counterpart of a certificate of destruction evidencing such destruction shall be furnished by the Trustee to the Issuer.

SECTION 3.08. Nonpresentment of Bonds. In the event any Bond shall not be presented for payment (if required in this Indenture) when the principal thereof comes due, either at maturity or at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay such Bond shall have been made available to the Trustee for the benefit of the owner thereof, all liability of the Issuer to the owner thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such funds for four (4) years, for the benefit of the owner of such Bond, without liability for interest thereon to such owner, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond.

Any money so deposited with and held by the Trustee not so applied to the payment of Bonds within four (4) years after the date on which the same shall become due shall be repaid by the Trustee to the Issuer and thereafter the Bondholders shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid, and the Issuer shall not be liable for any interest thereon to the Bondholders and shall not be regarded as a trustee of such money.

SECTION 3.09. Other Obligations Payable from Revenues. The Issuer shall grant no liens or encumbrances on or security interests in the Trust Estate (other than those created by this Indenture), and, except for the Bonds, shall issue no bonds or other evidences of indebtedness payable from the Trust Estate.

SECTION 3.10. Temporary Bonds. Until the definitive Bonds are ready for delivery, the Issuer may execute, in the same manner as is provided in Section 3.03, and, upon the request of the Issuer, the Trustee shall authenticate and deliver, one or more temporary Bonds, which shall be fully registered. Such temporary Bonds shall be subject to the same provisions, limitations and conditions as the definitive Bonds and shall be substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in the denomination of \$5,000 or any integral multiples thereof authorized by the Bank, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The Issuer at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds, shall deliver in exchange therefor definitive Bonds of the same aggregate principal amount and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Indenture.

If the Issuer shall authorize the issuance of temporary Bonds in more than one denomination, the owner of any temporary Bond or Bonds may, at such owner's option, surrender the same to the Trustee in exchange for another temporary Bond or Bonds of like aggregate principal amount and maturity of any other authorized denomination or denominations, and thereupon the Issuer shall execute and the Trustee, in exchange for the temporary Bond or Bonds so surrendered and upon payment of the taxes and charges provided for in Section 3.06, shall authenticate and deliver a temporary Bond or Bonds of like aggregate principal amount and

maturity in such other authorized denomination or denominations as shall be requested by such owner. All temporary Bonds surrendered in exchange for either another temporary Bond or Bonds or a definitive Bond or Bonds shall be forthwith canceled by the Trustee.

SECTION 3.11. Limitations on Obligations of the Issuer. The Series 2024 Bonds, together with interest thereon, shall be limited obligations of the Issuer but payable solely from Revenues and shall be a valid claim of the respective owners thereof only against the Funds and Accounts, other than the Rebate Fund and any Accounts created thereunder, established hereunder and the City Bond acquired by the Trustee, all of which are hereby assigned and pledged hereunder for the equal and ratable payment of the Series 2024 Bonds and shall be used for no other purpose than the payment of the Series 2024 Bonds, except as may be otherwise expressly authorized in this Indenture. The Series 2024 Bonds do not constitute a debt or liability or moral obligation of the State or of any political subdivision thereof under the constitution of the State or a pledge of the faith and credit or taxing power of the State or any political subdivision thereof, but shall be payable solely from the Revenues and funds pledged therefor in accordance with this Indenture including, without limitation, the avails of the full faith, credit and taxing power of the City derived or to be derived from City Bond Payments made in respect of the City Bond pursuant to the City Bond Resolution. The issuance of the Series 2024 Bonds under the provisions of the Act does not directly, indirectly or contingently, obligate the State or any political subdivision thereof to levy any form of taxation for the payment thereof or to make any appropriation for their payment and such Series 2024 Bonds and the interest payable thereon do not now and shall never constitute a debt of the State or any political subdivision thereof within the meaning of the constitution of the State or the statutes of the State and do not now and shall never constitute a charge against the credit or taxing power of the State or any political subdivision thereof; provided, however, that the City Bond is a general obligation of the City. Neither the State nor any agent, attorney, member or employee of the State or of the Issuer, shall in any event be liable for the payment of the principal of, and premium, if any, or interest on the Series 2024 Bonds or damages, if any, for the nonperformance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Issuer. No breach by the Issuer of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State or any of the State's or the Issuer's agents, members, attorneys, and employees or any charge upon the general credit of the State or a charge against the taxing power of the State or any political subdivision thereof.

SECTION 3.12. Immunity of Officers and Directors. No recourse shall be had for the payment of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained against any past, present or future officer, member, director, agent or employee of the Issuer or any officer, member, director, trustee, agent or employee of any successor entities thereto, as such, either directly or through the Issuer or any successor entities, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, members, directors, trustees, agents, or employees as such, is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and issuance of such Bonds.

Such certificate may only be amended from time to time upon the receipt by the Trustee of an Opinion of Bond Counsel to the effect that compliance by the Issuer with the certificate will not adversely affect the exclusion of interest on the Series 2024 Bonds from gross income of the Registered Owner thereof for federal income tax purposes.

(f) an Opinion of Counsel for the City in form satisfactory to the Issuer stating that such City is a Local Governmental Unit within the meaning of the Act;

(g) a signed City Bond Purchase Agreement from the City; and

(h) an executed Arbitrage Rebate Agreement.

Upon receipt of the documents enumerated above, the Trustee shall pay such amount directly to the entity entitled thereto as named in the requisition described in Section 7.02(a) above.

SECTION 7.04. Report. Within sixty (60) days after the delivery of the Series 2024 Bonds, the Trustee shall file a written report with the Issuer, if requested, and the City covering all receipts and all disbursements made pursuant to the provisions of this Article VII in respect of the net proceeds of the Series 2024 Bonds deposited in the Purchase Account. Said report shall be supplemented at least once every sixty (60) days by the Trustee until all of the net proceeds of the Series 2024 Bonds deposited in the Purchase Account shall have been expended.

ARTICLE VIII.

INVESTMENT OF MONEYS

SECTION 8.01. General Provisions.

(a) Any moneys held as part of any Fund or Account created under or pursuant to Article VI hereof including the Rebate Fund shall be invested or reinvested by the Trustee as continuously as reasonably possible in such Investment Securities as may be directed in writing by the Issuer. All such investments shall at all times be a part of the Fund or Account in which the moneys used to acquire such investments had been deposited and, except as provided in Article VI, all income and profits on such investments, other than from moneys on deposit in the Rebate Fund or any Account created thereunder, shall be deposited as received in the General Account. The Trustee may make any and all such investments through its bond department or through the bond department of any financial institution that is an affiliate of the Trustee and may trade with itself or any of its affiliates in doing so. Moneys in separate Funds and Accounts may not be commingled for the purpose of investment or deposit. Any investment losses shall be charged to the Fund or Account in which moneys used to purchase such investment had been deposited. For so long as the Trustee is in compliance with the provisions of this Section 8.01, the Trustee shall not be liable for any investment losses. Moneys in any Fund or Account shall be invested in Investment Securities with a maturity date or a redemption date that shall coincide as nearly as practicable with times at which moneys in such Funds or Accounts will be required for the purposes thereof. The Trustee shall sell and reduce to cash a sufficient amount of such investments in the respective Fund or Account whenever the cash balance therein is insufficient to pay the amounts contemplated to be paid therefrom at the time those amounts are to be paid. All investment income from the assets held in any Fund or Account, except for the Rebate Fund and any Accounts created thereunder, will be added to the General Account.

(b) The Issuer (i) certifies to the Registered Owner of the Bonds from time to time Outstanding that moneys on deposit in any Fund or Account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, are not intended to be used in a manner which will cause the interest on the Bonds to lose the exclusion from gross income for federal income tax purposes and (ii) covenants with the owners of the Bonds from time to time Outstanding that, so long as any of the Bonds remain Outstanding, moneys on deposit in any Fund or Account established in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, will not be used in any manner which will cause the interest on the Bonds to become subject to federal income taxation.

SECTION 8.02. Valuation of Investments. For the purpose of determining the amount in any Fund or Account, all Investment Securities credited to such Fund or Account shall be valued at the lesser of (a) the average of the bid and asked prices most recently published prior to the date of determination for those Investment Securities, the bid and asked prices of which are published on a regular basis in *The Wall Street Journal*, or, if not there, in *The New York Times*; or (b) the average bid price as of the date of determination by any two nationally recognized government securities dealers selected by the Trustee for those Investment Securities the bid and asked prices

of which are not published on a regular basis as set forth in subsection (a) above; or (c) par value (plus, prior to the first payment of interest following purchase, the amount of any accrued interest paid as part of the purchase price) for Investment Securities which are certificates of deposit and bankers acceptances; or (d) for all other Investment Securities the lesser of cost or market value (exclusive of accrued interest paid as part of the purchase price after the first payment of interest following purchase); provided, however, that any repurchase agreements shall be valued, respectively, at the unpaid repurchase price or principal balance collectible pursuant thereto.

SECTION 8.03. Arbitrage Restrictions; Series 2024 Bonds to Remain Tax Exempt.

(a) The Issuer shall provide the Trustee with the Arbitrage Rebate Agreement which shall govern the investment of the Funds and Accounts and the application of Section 6.09 hereof.

(b) Without limiting subsection (b) of Section 8.01 hereof, the Issuer further covenants and agrees that it will not take any action or fail to take any action with respect to the investment of the proceeds of the Series 2024 Bonds, or with respect to the investment or application of any payments under the City Bond or any other agreement or instrument entered into in connection therewith or with the issuance of the Series 2024 Bonds, including but not limited to the obligation, if any, to rebate certain funds to the United States of America, which would result in constituting the Series 2024 Bonds arbitrage bonds within the meaning of such term as used in Section 148 of the Code. The Issuer further agrees that it will not act in any other manner that would adversely affect the exclusion from gross income tax for federal income tax purposes of the interest on the Series 2024 Bonds.

ARTICLE IX.

DISCHARGE OF INDENTURE

SECTION 9.01. Discharge of Indenture.

(a) Except as provided in this Article IX, if payment or provision for payment is made to the Trustee, of the principal of, premium, if any, and interest due and to become due on the Bonds at the times and in the manner stipulated therein, and there is paid or caused to be paid to the Trustee all sums of money due and to become due according to the provisions hereof, and all other amounts due hereunder have been paid in full, then these presents and the Trust Estate and rights hereby granted shall cease, terminate and be void, whereupon the Trustee shall cancel and discharge the lien of this Indenture, and execute and deliver to the Issuer such instruments in writing as shall be requisite to cancel and discharge the lien hereof, and release, assign and deliver unto the Issuer any and all estate, right, title and interest in and to any and all rights assigned or pledged to the Trustee hereby or otherwise subject to the lien of this Indenture, except moneys or securities held by the Trustee for the payment of the principal of, premium, if any, and interest on the Bonds.

(b) Any Bond shall be deemed to be paid within the meaning of this Indenture when (i) payment of the principal of (and premium, if any, on) such Bond and interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided herein or otherwise), either (A) shall have been made or caused to have been made in accordance with the terms thereof, or (B) shall have been provided for by irrevocably depositing with the Trustee or other financial institution (which must meet the requirements of Section 11.07 hereof) which provides services as escrow agent for the Issuer (for purposes of this Article, an “**Escrow Agent**”), in trust and exclusively for such payment, (1) moneys sufficient to make such payment or (2) Governmental Obligations maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payment, or (3) a combination of such moneys and Governmental Obligations, and (ii) all necessary and proper fees and expenses of the Trustee pertaining to the Bonds, including the amount, if any, required to be rebated to the United States of America in accordance with the Arbitrage Rebate Agreement and Section 6.09 hereof, with respect to which such deposit is made shall have been paid or deposited with the Trustee.

(c) Notwithstanding the foregoing, in the case of Bonds which by their terms may be optionally redeemed prior to their stated maturity, no deposit under the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until the Issuer shall have given the Trustee, in form satisfactory to the Trustee, irrevocable instructions: (i) stating the date when the principal of each such Bond is to be paid, whether at maturity or on a redemption date (which shall be any redemption date permitted by this Indenture); (ii) to timely call for redemption pursuant to this Indenture any Bond to be redeemed prior to maturity pursuant to clause (i) of this paragraph; and (iii) to timely mail, in the manner prescribed by Article IV hereof, a notice to the owners of such Bonds satisfying the requirements thereof.

(d) Any monies so deposited with the Trustee or the Escrow Agent as provided in this Article may at the direction of the Issuer also be invested and reinvested in Governmental Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Governmental Obligations in the possession of the Trustee pursuant to this Article which is not required for the payment of the Bonds and interest thereon with respect to which such monies shall have been so deposited, shall be deposited in the General Account, as and when and collected for use and application as are other monies deposited in such General Account.

(e) With respect to the Series 2024 Bonds, no such deposit under this Article shall be made or accepted hereunder and no use shall be made of any such deposit unless the Trustee shall have received an Opinion of Bond Counsel to the effect that such deposit and use would not cause the Series 2024 Bonds to be treated as arbitrage bonds within the meaning of Section 148 of the Code or adversely affect for federal income tax purposes the excludability from gross income of the interest on the Series 2024 Bonds. Moreover, no such deposit shall be deemed a payment of Bonds unless the Trustee shall have received a verification from an accountant or firm of accountants appointed by the Issuer and acceptable to the Trustee verifying the sufficiency of the deposit to pay the principal of, premium, if any, and interest on the Bonds to the due date, whether such due date be by reason of maturity or upon redemption. Provided, however, such verification from an accountant or firm of accountants appointed by the Issuer and acceptable to the Trustee will not be required if the deposit made with the Trustee represents sufficient funds in the form of cash for the payment of principal of, premium, if any, and interest on the Bonds to be paid prior to their due date by reason of maturity or upon redemption within ninety (90) days of the delivery date of the Bonds. If requested by the Trustee, the Issuer will provide proof in a form acceptable to the Trustee of the sufficiency of the cash funds deposited as stated in the preceding sentence.

(f) Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Article, all moneys or Governmental Obligations set aside and held in trust pursuant to the provisions of this Article for the payment of Bonds (including interest thereon but excluding any amounts, if any, set aside for rebate to the United States of America in accordance with the Arbitrage Rebate Agreement and Section 6.09 hereof) shall be applied to and used solely for the payment of the particular Bonds (including interest thereon) with respect to which such moneys or obligations have been so set aside in trust.

(g) Upon the deposit with the Trustee or Escrow Agent, in trust, at or before maturity, of money or Governmental Obligations in the necessary amount to pay or redeem all Outstanding Bonds as aforesaid (whether upon or prior to their maturity or the redemption date of such Bonds), provided that if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as herein provided, or provisions satisfactory to the Trustee shall have been made for the giving of such notice, and compliance with the other payment requirements hereof, this Indenture may be discharged in accordance with the provisions hereof but the limited liability of the Issuer in respect of such Bonds shall continue provided that the owners thereof shall thereafter be entitled to payment only out of the moneys or Governmental Obligations deposited with the Trustee or Escrow Agent as aforesaid.

ARTICLE X.

- (h) The Issuer is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt, or makes an assignment for the benefit of creditors, or a liquidator or trustee of the Issuer or any of its property is appointed by court order or takes possession of such property and such order remains in effect or such possession continues for more than sixty (60) days; or

SECTION 10.02. Remedies; Rights of Bondholders. Upon the occurrence of an Event of Default, the Trustee shall in its discretion, except for Events of Default under Section 10.01(a), (b), (i) and (j), notify the owners of all Bonds then Outstanding of such Event of Default by registered or certified mail, and will have the following rights and remedies:

(a) The Trustee may pursue any available remedy at law or in equity or by statute to enforce the payment of the principal of and interest on the Bonds then Outstanding, including enforcement of any rights of the Issuer or the Trustee under the City Bond, including, but not limited to, acceleration thereof.

(b) The Trustee may by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the holders of the Bonds and may take such action with respect to the City Bond as the Trustee deems necessary or appropriate and in the best interest of the Bondholders, subject to the terms of the City Bond.

(c) Upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Bondholders under this Indenture, the Trustee will be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the Revenues, issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

(d) The Trustee may declare the principal of and accrued interest on all Bonds to be due and payable immediately in accordance with this Indenture and the Act, by notice to the Issuer and the City.

Upon the occurrence of an Event of Default, (i) if requested so to do by the holders of twenty-five percent (25%) or more in aggregate principal amount of all Bonds then Outstanding, and (ii) if secured and/or indemnified as provided in Section 11.01(k) hereof, the Trustee shall be obligated to exercise such one or more of the rights, remedies and powers conferred by this Section as the Trustee, being advised by Counsel, shall deem most expedient in the interests of the Bondholders.

No right or remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any Event of Default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

SECTION 10.03. Rights of Bondholders to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the Registered Owners of a majority in aggregate principal amount of Bonds then Outstanding shall have the right, at any time during the continuance of an Event of Default, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture including Section 11.01(k) hereof.

SECTION 10.04. Appointment of Receivers. Upon the occurrence of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Bondholders under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate and of the Revenues, issues, earnings, income, products and profits thereof, pending such proceedings with such powers as the court making such appointment shall confer.

SECTION 10.05. Application of Moneys. All moneys received by the Trustee pursuant to any right or remedy given or action taken under the provisions of this Article (including moneys received by virtue of action taken under provisions of the City Bond) shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee and any other moneys owed to the Trustee hereunder, be deposited in the General Account and all moneys in such Accounts shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST – To the payment of any amount owed to the United States of America under the Arbitrage Rebate Agreement;

SECOND - To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, including interest on any past due principal of any Bond at the rate borne by such Bond, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to such payment ratably, according to the amounts due on such installments, to the persons entitled thereto, without any discrimination or privilege;

THIRD - To the payment to the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due either at maturity or pursuant to a call for redemption (other than Bonds called for redemption for the payment of which other moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full the principal of Bonds due on any particular date, together with such interest, then to such payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege; and

FOURTH - To be held for the payment to the persons entitled thereto as the same shall become due of the principal of and interest on the Bonds which may then become due either at maturity or upon call for redemption prior to maturity, and, if the amount available shall not be sufficient to pay in full the principal of and interest on Bonds due on any particular date, such payment shall be made ratably according to the amount of principal and interest due on such date to the persons entitled thereto without any discrimination or privilege.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard for the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment of principal to the owner of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Whenever all principal of and interest on all Bonds have been paid under the provisions of this Section and all expenses and charges of the Trustee have been paid and all other amounts due hereunder have been paid in full, any balance remaining in the General Account shall be paid as provided in Article VI hereof.

SECTION 10.06. Remedies Vested in the Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding related thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds, and any recovery of judgment shall be for the equal and ratable benefit of the owners of all the Outstanding Bonds.

SECTION 10.07. Rights and Remedies of Bondholders. No owner of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder, unless (a) a Default has occurred, (b) such Default shall have become an Event of Default and the Registered Owners of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the remedies hereinbefore granted or to institute such action, suit or proceeding in its own name, (c) such Registered Owners of Bonds have offered to the Trustee security and/or indemnity as provided in Section 11.01(k) hereof, and (d) the Trustee has refused or for sixty (60) days after receipt of such request and offer of security and/or indemnification has failed to exercise the remedies hereinbefore granted or to institute such action, suit or proceeding in its own name, and such request and offer of security and/or indemnity are hereby declared in every case at the option of Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more owners of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his, her or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the owners of all Bonds then Outstanding. However, nothing contained in this Indenture shall affect or impair the right of any Bondholder to enforce the payment of the principal of, premium, if any, and interest on any Bond at and after the maturity thereof, or the limited obligation of the Issuer to pay the principal of, premium, if any, and interest on each of the Bonds issued hereunder to the respective owners thereof at the time and place, from the source and in the manner expressed in the Bonds.

SECTION 10.08. Termination of Proceedings. In case the Trustee or any owner of any Bonds shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and with regard to the property herein subject to this Indenture, and all rights, remedies and powers of the Trustee and the owners of Bonds shall continue as if no such proceedings had been taken.

SECTION 10.09. Waivers of Events of Default. The Trustee may at its discretion waive any Event of Default hereunder and its consequences, and shall do so upon the written request of the Registered Owners of (a) more than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of all the Bonds then Outstanding in respect of which an Event of Default in the

payment of principal or interest exists, or (b) more than fifty percent (50%) in aggregate principal amount of all Bonds then Outstanding in the case of any other Event of Default; provided, however, that there shall not be waived (x) any Event of Default in the payment of the principal of any Outstanding Bond at the date of maturity specified therein or (y) any Event of Default in the payment when due of the interest on any Outstanding Bond unless prior to such waiver all of the interest or all payments of principal when due, as the case may be, with interest on overdue principal at the rate borne by such Bond, and all expenses of the Trustee in connection with such Event of Default shall have been paid or provided for. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or recession shall extend to any subsequent or other Event of Default or impair any rights consequent thereon.

SECTION 10.10. Notice of Defaults under Section 10.01(d) or (e); Opportunity of the Issuer to Cure Such Defaults.

(a) Anything herein to the contrary notwithstanding, no Default under Section 10.01(d) or (e) hereof shall constitute an Event of Default until actual notice of such Default by registered or certified mail shall be given to the Issuer by the Trustee or the Registered Owners of not less than twenty-five percent (25%) in aggregate principal amount of all Bonds then Outstanding and the Issuer shall have had sixty (60) days after receipt of such notice to correct the Default or cause the Default to be corrected, and shall not have corrected the Default or caused the Default to be corrected within the applicable period; provided, however, if the Default be such that it is correctable but cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the Issuer within the applicable period and diligently pursued until the Default is corrected. If a Default is cured under this Section 10.10, then it will not constitute an Event of Default.

(b) With regard to any alleged Default concerning which notice is given to the Issuer under the provisions of this Section, the Issuer hereby grants to the Trustee full authority for the account of the Issuer to perform any covenant or obligation, the failure of performance which is alleged in said notice to constitute an Event of Default, in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do and perform any such things and acts and with power of substitution.

ARTICLE XI.

TRUSTEE

SECTION 11.01. Acceptance of the Trusts. The Trustee hereby accepts the trusts and duties imposed upon it by this Indenture, and agrees to perform said trusts and duties with the same degree of care and skill in their exercise, as a prudent corporate trustee would exercise or use under the circumstances in the conduct of its own affairs, but only upon and subject to the following express terms and conditions:

(a) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise the rights and powers vested in it by this Indenture in accordance with the standard specified above.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same if appointed in accordance with the standard specified above, and shall be entitled to advice of Counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney or firm of attorneys (who may be the attorney or firm of attorneys for the Issuer), approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital herein or in the Bonds, other than the Certificate of Authentication required by Section 3.04 hereof, or for the validity of the execution by the Issuer of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not the Trustee and Bonds owned by the Trustee shall be deemed Outstanding unless canceled pursuant to the provisions hereof.

(e) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document reasonably believed to be genuine and correct and to have been signed or sent by the proper person or persons. The Trustee shall not withhold unreasonably its consent, approval or action to any reasonable request of the Issuer. Any action taken by the Trustee pursuant to this Indenture upon the request of the Issuer or consent of any person who at the time of making such request or giving such consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled in good faith to rely upon a certificate signed by an Authorized Officer as sufficient evidence of the facts therein contained and prior to the occurrence of an Event of Default of which the Trustee has become aware shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of an Authorized Officer of the Issuer to the effect that a resolution in the form therein set forth has been adopted by the Issuer as conclusive evidence that such resolution has been duly adopted and is in full force and effect.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and it shall not be answerable for such other than for its gross negligence or willful default.

(h) At any and all reasonable times the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right to inspect any and all of the books, papers and records of the Issuer pertaining to the Revenues and receipts pledged to the payment of the Bonds, and to take such memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(j) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action, deemed desirable by the Trustee for the purpose of establishing the right of the Issuer to the authentication of any Bond, the withdrawal of any cash or the taking of any other action by the Trustee.

(k) Before taking any action referred to in Section 10.02, 10.03 or 10.07 hereof, the Trustee may require that a satisfactory indemnity bond and/or other security be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful default.

(l) All moneys received by the Trustee shall, until used, applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law and this Indenture. The Trustee shall not be under any liability for interest on any moneys received hereunder except such as may be agreed upon in writing.

(m) The Trustee for all purposes of this Indenture shall be deemed to be aware of any Event of Default in the payment of principal, premium, if any, or interest on any of the Bonds.

SECTION 11.02. Fees, Charges and Expenses of the Trustee. The Trustee shall be entitled to prompt payment and reimbursement upon demand for reasonable fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as paying agent and registrar for the Bonds but only as hereinabove provided. Upon any Event of Default, but only upon an Event of Default, the Trustee shall have a first lien with right of payment prior to payment on account of principal of or interest on any Bond upon the Trust Estate for the foregoing fees, charges and expenses incurred by it, respectively.

SECTION 11.03. Intervention by the Trustee. In any judicial proceeding to which the Issuer is a party and which in the opinion of the Trustee and its Counsel has a substantial bearing on the interests of the owners of the Bonds, the Trustee may intervene on behalf of the Bondholders, and shall do so if requested in writing by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of Bonds then Outstanding upon receiving security and/or indemnification satisfactory to the Trustee.

SECTION 11.04. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party ("**Reorganization**"), ipso facto shall be and become successor Trustee hereunder, if legally qualified to serve as such, and vested with all of the title to the Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding; provided that within thirty (30) days of the effective date of such Reorganization, the Issuer may object to such corporation or association becoming successor Trustee by filing written notice of such objection with the Trustee and by mailing such notice to each Bondholder whereupon a successor or temporary Trustee shall be appointed in accordance with Section 11.07 hereof.

SECTION 11.05. Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby by giving thirty (30) days' written notice by registered or certified mail to the Issuer, the City and the owner of each Bond as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall only take effect upon the appointment of a successor Trustee in accordance with Section 11.07 and acceptance of such appointment by the successor Trustee. Notwithstanding any other provision of this Indenture, no removal, resignation or termination of the Trustee shall take effect until a successor acceptable to the Issuer and the City shall be appointed. Provided, however, in the event that a successor Trustee is not so appointed within said thirty (30) day period or the Issuer and City cannot agree on a suitable successor Trustee, the Trustee may, but shall not be required to, petition a court of competent jurisdiction to appoint a successor Trustee.

SECTION 11.06. Removal of the Trustee. The Trustee may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by (a) the City, or (b) the Registered Owners of a majority in aggregate

principal amount of all Bonds then Outstanding or their attorneys-in-fact duly authorized. Notice of the removal of the Trustee shall be given in the same manner as provided in Section 11.05 hereof with respect to the resignation of the Trustee. So long as no Event of Default or an event which, with the passage of time would become an Event of Default, shall have occurred and be continuing, the Trustee may be removed at any time for cause by resolution or other official written action taken by the Issuer or the City with such written action to be filed with the Trustee and written notification of such action to be sent to the owner of each Bond as shown by the Bond Register.

SECTION 11.07. Appointment of Successor Trustee by the Bondholders; Temporary Trustee. In case the Trustee shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of all Bonds then Outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys-in-fact duly authorized, a copy of which shall be delivered personally or sent by registered mail to the Issuer and the City. Nevertheless, in case of such vacancy, the Issuer by resolution may appoint a temporary Trustee to fill such vacancy. Within ninety (90) days of such appointment, the Bondholders may appoint a successor Trustee; any such successor Trustee so appointed by the Issuer shall become the successor Trustee if no appointment is made by the Bondholders within such period, but in the event an appointment is made by the Bondholders, the temporary Trustee shall immediately and without further act be superseded by any Trustee so appointed by such Bondholders. Notice of the appointment of a successor Trustee shall be given in the same manner as provided by Section 11.05 hereof with respect to the resignation of a Trustee. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank having its principal place of business in the United States of America duly authorized to exercise trust powers and having a reported capital and surplus of not less than \$75,000,000, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

SECTION 11.08. Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the City an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessors; but such predecessor shall, nevertheless, on the written request of the Issuer or the City, after the payment of all fees, charges and expenses which may be due and owing to such predecessor pursuant to the provisions of Section 11.02 hereof, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities, moneys and other property or documents held by it as Trustee hereunder to its successor hereunder. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other

instruments provided for in this Article, shall be filed or recorded by the successor Trustee in each recording office where this Indenture shall have been filed or recorded.

SECTION 11.09. Indemnification. The Issuer, will, to the fullest extent permitted by law, protect, indemnify and save the Trustee and its respective officers, board members, agents, and employees, harmless from and against all liabilities, losses, damages, costs, expenses (including attorneys' fees and expenses of the Trustee), taxes, causes of action, suits, claims, demands and judgments of any nature arising from:

(a) violation of any agreement, provision or condition of this Indenture, the City Bond, the Bonds or the City Bond Resolution except a violation by the Trustee resulting from its gross negligence or willful misconduct;

(b) any statement or information relating to the expenditure of the proceeds of the Bonds contained in the "Tax Certificate" or similar document furnished by the City to the Issuer which, at the time made, is misleading, untrue or incorrect in any material respect; and

(c) any untrue statement or alleged untrue statement of a material fact contained in any offering material relating to the sale or remarketing of the Bonds (as from time to time amended or supplemented) or arising out of or based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or failure to properly register or otherwise qualify the sale of the Bonds or failure to comply with any licensing or other law or regulation which would affect the manner whereby or to whom the Bonds could be sold.

Promptly after receipt by the Trustee of notice of the commencement of any action with respect to which security and/or indemnity may be sought against the Issuer under this Section, the Trustee will notify the Issuer in writing of the commencement thereof, and, subject to the provisions hereinafter stated, the Issuer shall assume the defense of such action (including the employment of Counsel or such other person as the case may be, and the payment of expenses). Insofar as such action shall relate to any alleged liability with respect to which security and/or indemnity may be sought against the Issuer, the Trustee shall have the right to employ separate Counsel in any such action and to participate in the defense thereof, but the fees and expenses of such Counsel shall not be at the expense of the Issuer unless the employment of such Counsel has been specifically authorized by the Issuer. The Issuer shall not be liable to indemnify any person for any settlement of any such action effected without its consent.

The provisions of this Section 11.09 shall survive the payment and discharge of the City Bond and the Bonds.

SECTION 11.10. Successor Trustee as Trustee of Funds, Paying Agent and Registrar. In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or been removed shall cease to be Trustee of the funds provided hereunder and registrar and paying agent for principal of, premium, if any, and interest on the Bonds, and the successor Trustee shall become such Trustee, registrar and paying agent.

ARTICLE XII.

SUPPLEMENTAL INDENTURES

SECTION 12.01. Supplemental Indentures not Requiring Consent of Bondholders.

The Issuer and the Trustee may, without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Indenture for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture;
- (b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee, or to make any change which, in the opinion of Bond Counsel, does not materially and adversely affect the interest of the owners of Outstanding Bonds and does not require unanimous consent of the Bondholders pursuant to Section 12.02 hereof;
- (c) To subject to this Indenture additional Revenues, properties or collateral;
- (d) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as required to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, to permit qualification of the Bonds for sale as exempt securities or in exempt transactions under the Securities Act, the Exchange Act or the securities laws of any state or to avoid registration under the Investment Company Act of 1940, as amended, or any similar federal statute hereafter in effect, or to permit compliance with the Code;
- (e) To evidence the appointment of a separate or co-trustee or the succession of a new Trustee hereunder or the succession of a new registrar and/or paying agent;
- (f) To conform the text herein to any description or summary of this Indenture in any official statement or other offering document with respect to the Bonds or the City Bond to the extent that such description or summary was intended to be a verbatim recitation of a provision herein; and
- (g) In connection with the issuance of Refunding Bonds.

Notwithstanding the foregoing, consent of the Registered Owner of the Series 2024 Bonds shall be required in connection with any of the foregoing supplements except those described under subsection (f), which consent shall not be unreasonably withheld.

SECTION 12.02. Supplemental Indentures Requiring Consent of Bondholders.

Exclusive of Supplemental Indentures provided for by Section 12.01 hereof and subject to the terms and provisions contained in this Section, and not otherwise, the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding which are affected (exclusive of Bonds held by the Issuer), shall have the right, from time to time, anything contained

in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Trustee for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any Supplemental Indenture; provided, however, that nothing in this Section contained shall permit, or be construed as permitting, without the consent of the owners of all then Outstanding Bonds, (a) an extension of the maturity of the principal of or the interest or redemption date on any Bond issued hereunder, or (b) a reduction in the principal amount of any Bond or change in the rate of interest, or (c) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (d) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture, or (e) the creation of any lien securing any Bonds other than a lien ratably securing all of the Bonds at any time Outstanding hereunder, or (f) any modification of the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of the Trustee without the written consent of the Trustee.

If at any time the Issuer shall request the Trustee to enter into any such Supplemental Indenture for any of the purposes set forth in this Section, the Trustee shall, upon being satisfactorily secured and/or indemnified with respect to expenses, cause notice of the proposed execution of such Supplemental Indenture to be mailed by registered or certified mail to each owner of a Bond at the address shown on the registration records maintained by the Trustee. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by all Bondholders. If, within sixty (60) days, or such longer period as shall be prescribed by the Issuer, following the mailing of such notice, the owners of not less than fifty-one percent (51%) in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture (exclusive of Bonds held by the Issuer) shall have consented to and approved the execution of such Supplemental Indenture as provided in Section 13.01 hereof, no owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such Supplemental Indenture as in this Section permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

ARTICLE XIII.

The final Official Statement as it may be amended or supplemented, with the written consent of the Issuer and the Underwriter, is hereinafter called the "Official Statement."

The Issuer and the City hereby authorize the use of the Preliminary Official Statement, the Official Statement and the information therein contained by the Underwriter in connection with the public offering and the sale of the Series 2024 Bonds. As required by Rule 15c2-12 promulgated by the Securities and Exchange Commission under Section 15 of the Securities Exchange Act of 1934, as amended ("**Rule 15c2-12**"), the Underwriter shall deliver the Official Statement to the Municipal Securities Rulemaking Board (the "**MSRB**"). The Issuer and the City hereby approve of and ratify the use by the Underwriter on or before the date hereof of the Preliminary Official Statement in connection with the prospective offering of the Series 2024 Bonds prior to the date hereof. The Issuer and the City have duly authorized, approved and

delivered the Preliminary Official Statement to the Underwriter; the Issuer and the City have previously deemed the Preliminary Official Statement final, except for the omission of the following information: offering, prices, interest rates, selling compensation, aggregate principal amount of the Series 2024 Bonds, principal amount per maturity, delivery date, ratings and other terms of the Series 2024 Bonds depending on such matters permitted to be omitted in accordance with Paragraph (b)(1) of Rule 15c2-12; and the Issuer has duly authorized, approved and will execute the Official Statement on or prior to the Closing and shall deliver the same in final printed form subject to the provisions of Paragraph 9 hereof to permit the Underwriter to comply with Paragraph 9(b)(4) of Rule 15c2-12 and the rules of the MSRB, within seven (7) business days from the date hereof. The Issuer and the City have delivered a "deemed final" certificate to the Underwriter, dated the date hereof, to evidence compliance with Rule 15c2-12 to the date hereof (the "**Deemed Final Certificate**"), in substantially the form attached hereto as **Exhibit C**.

3. Establishment of Issue Price

(a) The Underwriter agrees to assist the Issuer in establishing the issue price of the Series 2024 Bonds and shall execute and deliver to the Issuer at the Closing (as hereinafter defined) an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as **Exhibit D**, acceptable to Butler Snow LLP, Ridgeland, Mississippi ("**Bond Counsel**"), with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter and the Issuer, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2024 Bonds. All actions to be taken by the Issuer under this section to establish the issue price of the Series 2024 Bonds may be taken on behalf of the Issuer by Government Consultants, Inc., Madison, Mississippi, its independent registered municipal advisor (the "**Municipal Advisor**") and any notice or report to be provided to the Issuer may be provided to the Municipal Advisor.

(b) Except as otherwise set forth in Schedule A attached to **Exhibit D** hereto, the Issuer will treat the first price at which 10% of each maturity of the Series 2024 Bonds (the "**10% test**") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Agreement, the Underwriter shall report to the Issuer the price or prices at which it has sold to the public each maturity of Series 2024 Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2024 Bonds, the Underwriter agrees to promptly report to the Issuer the prices at which it sells the unsold Series 2024 Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing has occurred, until the 10% test has been satisfied as to the Series 2024 Bonds of that maturity or until all Series 2024 Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Series 2024 Bonds to the public on or before the date of this Agreement at the offering price or prices (the "**initial offering price**"), or at the corresponding yield or yields, set forth in Schedule A attached to **Exhibit D** hereto, except as otherwise set forth therein. **Exhibit D** also sets forth, as of the date of this Agreement, the maturities, if any, of the Series 2024 Bonds for which the

10% test has not been satisfied and for which the Issuer and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Issuer to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "**hold-the-offering-price rule**"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2024 Bonds, the Underwriter will neither offer nor sell unsold Series 2024 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Representative shall promptly advise the Issuer when the Underwriters have sold 10% of that maturity of the Securities to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

The Issuer acknowledges that, in making the representation set forth in this subsection, the Representative will rely on (i) the agreement of each Underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Securities to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule and that no Underwriter shall be liable for the failure of any other Underwriter or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Series 2024 Bonds.

(d) The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Series 2024 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Series 2024 Bonds of each maturity allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the Series 2024 Bonds of that maturity or all Series 2024 Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter. The Issuer acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each dealer who is a member of the selling group to

comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a retail distribution agreement was employed in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The Issuer further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Series 2024 Bonds.

(e) The Underwriter acknowledges that sales of any Series 2024 Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2024 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2024 Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2024 Bonds to the public),

(iii) a purchaser of any of the Series 2024 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Agreement by all parties.

(f) It will be a condition of the Issuer's obligation to sell and deliver the Series 2024 Bonds to the Underwriter, and the obligation of the Underwriter to purchase and accept delivery of the Series 2024 Bonds, that the entire aggregate principal amount of the Series 2024 Bonds must be sold and delivered by the Issuer and accepted and paid for by the Underwriter on the Closing.

4. Representations and Warranties of the Issuer. The Issuer represents and warrants to, and agrees with the Underwriter that:

(a) The Issuer is a public body corporate and politic of the State of Mississippi (the "**State**"). The Board of Directors of the Issuer (the "**Board**") is duly organized and existing under the Constitution and laws of the State with the powers and authority, among others, set forth in Sections 31-25-1 *et seq.*, Mississippi Code of 1972, as amended and supplemented from time to time (the "**Issuer Act**"), and is authorized to issue the Series 2024 Bonds and otherwise to act on behalf of the Issuer in connection with the sale and issuance of the Series 2024 Bonds.

(b) The Board, on behalf of the Issuer, has full legal right, power and authority to enter into or accept this Bond Purchase Agreement, the City Bond Purchase Agreement and the Indenture, to adopt the Issuer Resolution, to accept and assign the City Bond and to sell, issue and deliver the Series 2024 Bonds to the Underwriter as provided herein and to carry out and consummate all other transactions contemplated by this Bond Purchase Agreement, the Series 2024 Bonds, the City Bond Purchase Agreement, the Indenture, the Issuer Resolution and the Official Statement.

(c) By official action of the Board prior to or concurrently with the acceptance hereof, the Board has duly adopted the Issuer Resolution, has duly authorized and approved the execution and delivery of or acceptance of, and the performance by the Issuer of the obligations of the Issuer contained in the Issuer Resolution, the Indenture, the City Bond Purchase Agreement, the Series 2024 Bonds, and this Bond Purchase Agreement and the consummation by it of all other transactions contemplated by the Official Statement and this Bond Purchase Agreement.

(d) Neither the Issuer nor the Board is in breach of or default under any applicable law or administrative regulation of the State or the United States of America or any applicable judgment or decree or any agreement or other instrument to which either the Issuer or the Board is a party or is otherwise subject, which breach or default would in any way materially adversely affect the official existence or powers of the Issuer or the Board, the Issuer Resolution, the Indenture, the City Bond Purchase Agreement or the issuance of the Series 2024 Bonds, and no event has occurred and is continuing, which with the passage of time or the giving of notice, or both, would constitute such a breach of or default under any such instrument; and the execution and delivery of or acceptance of this Bond Purchase Agreement, the Indenture, the City Bond Purchase Agreement, and the Series 2024 Bonds and the adoption of the Issuer Resolution and compliance with the provisions of each thereof will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, agreement or other instrument to which either the Issuer or the Board is a party or is otherwise subject.

(e) At the time of the Issuer's acceptance hereof, the Preliminary Official Statement as it pertains to the Issuer does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(f) No summons or complaint or any other notice or document has been served upon or delivered to the Issuer or the Board or any of their officers or employees relating to any litigation, and there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, public board or body, pending or, to the best knowledge of the Issuer or the Board, threatened against the Issuer or the Board, affecting the existence of the Issuer or the Board, the titles of their officers to their respective offices or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2024 Bonds or in any way contesting or affecting the validity or enforceability of the Series 2024 Bonds or the tax exempt status of the Series 2024 Bonds, the Issuer Resolution, the Indenture, the City Bond Purchase Agreement, the acceptance and assignment of the City Bond or this Bond Purchase Agreement or contesting in any way the completeness or accuracy of the Preliminary Official Statement, or contesting the powers of the Issuer or the Board or any authority for the issuance of the Series 2024 Bonds, the adoption of the Issuer Resolution, the acceptance and assignment of the City Bond or the execution or acceptance of this Bond Purchase Agreement, the Indenture, the City Bond Purchase Agreement, or the Issuer's performance thereunder, nor is there any controversy or litigation pending or, to the best knowledge of the Issuer or the Board, threatened, nor, to the best of the knowledge of the Issuer and the Board, is there any basis therefore, wherein an unfavorable decision, ruling or finding would materially adversely affect the tax exempt status of the interest on the Series 2024 Bonds or the validity or enforceability of the Series 2024 Bonds, the Issuer Resolution, the Indenture, the City Bond Purchase Agreement, the City Bond, or this Bond Purchase Agreement.

(g) Except as otherwise provided herein, (i) the Issuer Resolution, the Indenture, the City Bond Purchase Agreement, and the Series 2024 Bonds conform to the description thereof contained in the Preliminary Official Statement, and (ii) the Series 2024 Bonds, this Bond Purchase Agreement, the City Bond Purchase Agreement, the Issuer Resolution, and the Indenture will constitute valid, legally binding, and enforceable obligations of the Issuer.

(h) The proceeds from the sale of the Series 2024 Bonds will be used or applied as is provided in the Bond Resolutions, the Indenture, and the Preliminary Official Statement.

(i) If required by law to do so in the future, the Issuer will undertake, pursuant to a continuing disclosure agreement with the City and the Trustee, to provide notices of certain events in connection with the Series 2024 Bonds.

(j) To the best of the Issuer's knowledge, the Preliminary Official Statement does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in connection with the Issuer or the Series 2024 Bonds, in the light of the circumstances under which they were made, not misleading, and as of the Closing, the Official Statement will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in connection with the Issuer or the Series 2024 Bonds, in the light of the circumstances under which they were made, not misleading.

5. Representations and Warranties of the City. The City represents and warrants to, and agrees with the Underwriter that:

(a) The City is a public body corporate and a political subdivision of the State and a "local governmental unit" within the meaning of the Issuer Act. The Governing Body is duly organized and existing under the Constitution and laws of the State and is authorized, pursuant to the provisions of Sections 21-33-301 *et seq.*, Mississippi Code of 1972, as amended and supplemented from time to time, (the "**City Act**" and together with the Issuer Act, the "**Act**"), to issue the City Bond under the terms and provisions of the City Bond Resolution, under which the City's obligations on the City Bond arise, and otherwise to act on behalf of the City in connection with the execution of the City Bond Purchase Agreement and the execution and delivery of the City Bond.

(b) The Governing Body, on behalf of the City, shall have full legal right, power and authority to enter into or accept this Bond Purchase Agreement, the Continuing Disclosure Certificate (as hereinafter defined) and the City Bond Purchase Agreement, to execute, issue and deliver the City Bond to the Issuer as provided in the City Bond Resolution and the City Bond Purchase Agreement and to carry out and consummate all other transactions contemplated by this Bond Purchase Agreement, the City Bond Purchase Agreement, the City Bond, the City Bond Resolution, the Continuing Disclosure Certificate and the Official Statement.

(c) By official action of the Governing Body prior to or concurrently with the acceptance hereof, the Governing Body has duly adopted the City Bond Resolution and has duly approved the execution and delivery by the Mayor of the City (the "**Mayor**") or his designee and/or the City Clerk (the "**Clerk**") of this Bond Purchase Agreement, the City Bond Purchase Agreement, the Continuing Disclosure Certificate, and the City Bond, has duly authorized and approved the execution and delivery of or acceptance of, and the performance by the City of the obligations of the City contained in, the City Bond, the City Bond Purchase Agreement, the Continuing Disclosure Certificate, and this Bond Purchase Agreement and the consummation by it of all other transactions contemplated by the Preliminary Official Statement and this Bond Purchase Agreement.

(d) Neither the City nor the Governing Body is in breach of or default under any applicable law or administrative regulation of the State or the United States of America or any applicable judgment or decree or any agreement or other instrument to which either the City or the Governing Body is a party or is otherwise subject, which breach or default would in any way materially adversely affect the official existence or powers of the City or the Governing Body, the City Bond Resolution or the issuance of the City Bond and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a breach of or default under any such instrument; and the execution and delivery of or acceptance of this Bond Purchase Agreement, the City Bond, the Continuing Disclosure Certificate, the adoption of the City Bond Resolution, the execution and delivery of the City Bond Purchase Agreement, and compliance with the provisions of each thereof will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment,

decree, agreement or other instrument to which either the City or the Governing Body is a party or is otherwise subject.

(e) The Preliminary Official Statement does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in connection with the City, the City Bond Resolution, the City Bond Purchase Agreement, the Continuing Disclosure Certificate, and the City Bond, in the light of the circumstances under which they were made, not misleading, and as of the Closing, the Official Statement will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in connection with the City, the City Bond Resolution, the City Bond Purchase Agreement, the Continuing Disclosure Certificate, and the City Bond, in the light of the circumstances under which they were made, not misleading.

(f) The financial statements and the statistical and financial information of the City referred to or contained in the Preliminary Official Statement with respect to the Series 2024 Bonds are, and as to the Official Statement (including any and all supplements and amendments thereto) will, present fairly the financial position of the City as of the dates indicated therein and the results of operations for the periods specified therein, and the financial statements therein have been prepared in conformity with generally accepted accounting principles consistently applied in all material respects with respect to the periods involved.

(g) Between the date of this Bond Purchase Agreement and the Closing, neither the City nor the Governing Body on behalf of the City, will, without the prior written consent of the Underwriter, which consent will not be unreasonably withheld, issue any bonds, notes or other obligations for borrowed money.

(h) No summons or complaint or any other notice or document has been served upon or delivered to the City or the Governing Body or any of their officers or employees relating to any litigation, and there is no action, suit, proceeding, inquiry, or investigation, at law or in equity, before or by any court, public board or body, pending or, to the best knowledge of the City or the Governing Body, threatened against the City or the Governing Body, affecting the existence of the City or the Governing Body, the titles of their officers to their respective offices or seeking to prohibit, restrain or enjoin the issuance or delivery of the City Bond, or in any way contesting or affecting the validity or enforceability of the City Bond Resolution, the City Bond Purchase Agreement, the Continuing Disclosure Certificate, and the City Bond, the tax exempt status of the interest on the Series 2024 Bonds and the City Bond, or this Bond Purchase Agreement or contesting in any way the completeness or accuracy of the Preliminary Official Statement, or contesting the powers of the City or the Governing Body or any authority for the issuance of the City Bond, the adoption of the City Bond Resolution, the City Bond Purchase Agreement, the Continuing Disclosure Certificate, and this Bond Purchase Agreement, or the City's performance thereunder, nor is there any controversy or litigation pending, or to the best knowledge of the City or the Governing Body, threatened, nor, to the best of the knowledge of the City and the Governing Body, is there any basis therefore, wherein an unfavorable decision, ruling or finding would materially

adversely affect the tax exempt status of the Series 2024 Bonds and the City Bond, the validity or enforceability of the Series 2024 Bonds, the City Bond, the City Bond Resolution, City Bond Purchase Agreement, the Continuing Disclosure Certificate, or this Bond Purchase Agreement.

(i) The proceeds from the sale of the City Bond to the Issuer by the City as evidenced by the City Bond Purchase Agreement and the City Bond will be used or applied as provided in the City Bond Resolution, the City Bond Purchase Agreement, and the Preliminary Official Statement.

(j) The City will undertake, pursuant to the Continuing Disclosure Certificate, to provide annual reports and notices of certain events in connection with the Series 2024 Bonds for the benefit of the holders of the Series 2024 Series 2024 Bonds and to deliver, or cause to be delivered, to (a) the Municipal Securities Rulemaking Board (the "**MSRB**") through the MSRB's Electronic Municipal Market Assess system (EMMA), in the electronic format then prescribed by the Securities and Exchange Commission pursuant to Rule 15c2-12, and (b) any public or private repository or entity designated by the State as a State repository, if any, for the purposes of the Rule, the information described in the Continuing Disclosure Certificate, together with any identifying information or other information then required to accompany the applicable filing.

(k) Except as otherwise provided herein, (i) the City Bond Resolution, the City Bond Purchase Agreement, the Continuing Disclosure Certificate and the City Bond conform to the descriptions thereof contained in the Preliminary Official Statement, (ii) the City Bond, when issued and delivered in accordance with the City Bond Resolution and the City Bond Purchase Agreement, will be a validly issued and outstanding general obligation of the City secured by a pledge of its full faith, credit, and taxing power, all as more fully described in the Preliminary Official Statement and as to be more fully described in the Official Statement, and (iii) the City Bond Purchase Agreement, this Bond Purchase Agreement, the Continuing Disclosure Certificate, the City Bond Resolution, and the City Bond will constitute valid, legally binding and enforceable obligation of the City.

6. Further Representations and Warranties of the Issuer. The Issuer further represents and warrants to, and agrees with the Underwriter that:

(a) The Issuer will furnish such information, execute such instruments, and take such other reasonable action in cooperation with the Underwriter as the Underwriter may reasonably request to qualify the Series 2024 Bonds for offer and sale under the Blue Sky or other securities laws or regulations of such states and other jurisdictions of the United States of America as the Underwriter may designate; provided, however, that the Issuer shall not be required to consent to service of process in any state or place where such is not provided by the laws of such state.

(b) No consent, approval, authorization or order of or filing, registration or declaration with any court or government agency or body is required for the sale, issuance or delivery of the Series 2024 Bonds or the consummation of the other

transactions effected or contemplated herein or thereby, except such as may be required under the Blue Sky or other securities laws or regulations of any jurisdiction in connection with the offer and sale of the Series 2024 Bonds by the Underwriter, or if any such consent, approval or authorization is required, the Issuer will obtain it prior to the date of the Closing and will provide reasonable evidence to the Underwriter that the same has been obtained.

(c) Except as otherwise provided herein, (i) the Issuer Resolution, the Indenture, the City Bond Purchase Agreement, the City Bond, and the Series 2024 Bonds conform to the descriptions thereof contained in the Preliminary Official Statement, (ii) the Series 2024 Bonds, when validly issued, authenticated, and delivered in accordance with the Issuer Resolution and the Indenture and sold to the Underwriter as provided herein, will be validly issued and outstanding limited obligations of the Issuer entitled to the benefits and security of the Issuer Resolution and the Indenture, all as more fully described in the Preliminary Official Statement and as to be more fully described in the Official Statement, and will constitute valid, legally binding, and enforceable limited obligations of the Issuer, and (iii) the Issuer Resolution and the Indenture will constitute valid, legally binding and enforceable obligations of the Issuer.

(d) In order for the Underwriter to comply with Rule 15c2-12, the Issuer:

(i) Represents and warrants that, if, after the date of this Bond Purchase Agreement and until twenty-five (25) days after the "end of the underwriting period", as such term is defined in Rule 15c2-12, any event shall occur, and be known to the Issuer, as a result of which it is necessary to amend or supplement the Official Statement in order to make the statements therein, in light of the circumstances when the Official Statement is delivered to a purchaser, not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, it will notify the Underwriter (and for the purposes of this paragraph (i) of this subsection (d) to provide the Underwriter with such information as it may from time to time reasonably request), and it will forthwith prepare and furnish, at the expense of the City (in a form and manner reasonably acceptable to the Underwriter), a reasonable number of copies of either amendments or supplements to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not, in light of the circumstances when the Official Statement is delivered to a purchaser, be misleading or so that the Official Statement will comply with all applicable laws and regulations;

(ii) Represents and warrants that, at the time of the Issuer's acceptance hereof, and unless an event of the nature described in paragraph (i) of this subsection (d) occurs, at all times subsequent thereto during the period up to and including twenty-five (25) days subsequent to the end of the underwriting period, the Official Statement does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; and

(iii) Represents and warrants that, if the Official Statement is supplemented or amended pursuant to paragraph (i) of this subsection (d), at the time of each supplement

or amendment thereto and (unless an event of the nature described in paragraph (i) of this subsection (d) subsequently occurs) at all times subsequent thereto during the period up to and including twenty-five (25) days subsequent to the end of the underwriting period, the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; and

(iv) Unless otherwise notified in writing by the Underwriter by the date of Closing, the Issuer can assume that the "end of the underwriting period" for purposes of Rule 15c2-12 is the Closing. In the event such notice is so given in writing by the Underwriter, the Underwriter agrees to notify the Issuer in writing following the occurrence of the "end of the underwriting period" as defined in Rule 15c2-12. The "end of the underwriting period" as used in this Bond Purchase Agreement shall mean the date of Closing or such later date as to which notice is given by the Underwriter in accordance with the preceding sentence.

(e) The proceeds from the sale of the Series 2024 Bonds will be used or applied as is provided in the Issuer Resolution, the Indenture and the Preliminary Official Statement.

7. **Closing.** The Issuer will deliver the Series 2024 Bonds by delivery thereof to Cede & Co., as nominee of The Depository Trust Company ("**DTC**") as directed by the Underwriter against payment of the purchase price therefore by wire transfer of immediately available funds to the Trustee at or prior to 9:00 o'clock a.m., Central Standard Time, on _____, 2024, or such other place, time or date as shall be mutually agreed upon by the Issuer and the Underwriter. The Series 2024 Bonds will be delivered in fully registered form in such denominations and registered to such persons as the Underwriter shall request at least three (3) days prior to the date of the Closing. The Series 2024 Bonds may be in printed, engraved, typewritten or photocopied form and each such form shall constitute "definitive form." The legal documents required by this Bond Purchase Agreement and the Official Statement shall be delivered to the parties hereto at the offices of Bond Counsel in Ridgeland, Mississippi, on such date or such other date corresponding with the payment for and delivery of the Series 2024 Bonds, and contemporaneously with such payment and delivery.

8. **Closing Conditions.** The Underwriter has entered into this Bond Purchase Agreement in reliance upon the representations, warranties and agreements of the Issuer and the City contained herein and to be contained in the documents and instruments to be delivered at the Closing and upon the performance by the Issuer and the City of their obligations hereunder, both as of the date hereof and as of the date of Closing. Accordingly, the Underwriter's obligations under this Bond Purchase Agreement to purchase and pay for the Series 2024 Bonds shall be subject to the performance by the Issuer and the City of their obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following conditions:

(a) The representations and warranties of the Issuer and the City contained herein shall be true, complete and correct as of the date hereof, and on and as of the date of Closing with the same effect as if made on the date of Closing.

(b) At the time of the Closing, the Indenture and the Bond Resolutions shall be in full force and effect, and shall not have been amended, modified, or supplemented, and the Official Statement shall not have been amended, modified, or supplemented, except as may have been agreed to by the Underwriter.

(c) At the time of Closing, all official action of the Issuer and the City relating to this Bond Purchase Agreement, the Indenture, the Series 2024 Bonds, the Bond Resolutions, the City Bond Purchase Agreement, the City Bond, and the Preliminary Official Statement shall be in full force and effect and shall not have been amended, modified or supplemented, except as may have been agreed to by the Underwriter.

(d) The Issuer and the City shall not have, subsequent to the date hereof and prior to Closing, failed to pay principal or interest when due on any of their obligations for money borrowed wherein such failure, if any, would have a material adverse impact on their ability to perform in accordance with this Bond Purchase Agreement, the Indenture, the Series 2024 Bonds, the Bond Resolutions or the City Bond except as set forth in the Official Statement.

Interest on the Series 2024 Bonds is not a specific preference item for purposes of federal alternative minimum taxes. Risks to the Owners of the Series 2024 Bonds

There are certain risks involved in the ownership of the Series 2024 Bonds which should be considered by prospective purchasers. The ability of the Issuer to pay principal of, redemption premium, if any, and interest on the Series 2024 Bonds depends primarily upon the receipt by the Issuer of City Bond payments (the "**City Bond Payments**") from the City participating in the program (the "**Program**") which is obligated to make such payments to the Issuer, together with investment earnings on certain amounts in the Funds and Accounts defined in and established under the Indenture. There can be no representation or assurance that the City will realize sufficient Revenues to make the required City Bond Payments. See the caption, "SECURITY AND SOURCES OF PAYMENT." Failure of the Issuer and/or the City to comply with certain tax covenants may also adversely affect the exempt status of the interest on all of the Series 2024 Bonds. See the caption "RISKS TO THE OWNERS OF THE SERIES 2024 BONDS" in this Official Statement.

**SECURITY AND SOURCES OF
PAYMENT FOR THE SERIES 2024 BONDS**

General

The Series 2024 Bonds are payable only out of the Trust Estate. The Indenture creates a continuing pledge of and lien upon the Trust Estate to secure the full and final payment of the principal of, premium, if any, and interest on all of the Series 2024 Bonds. The Series 2024 Bonds do not constitute a debt, liability or loan of the credit of the State or any political subdivision thereof under the constitution of the State or a pledge of the full faith and credit and taxing power or moral obligation of the State or any political subdivision thereof; provided, however, that the City Bond is a general obligation of the City, as described herein. The Issuer has no taxing power. The sources of payment of, and security for, the Series 2024 Bonds are more fully described below.

Under the Indenture, the Series 2024 Bonds are secured by a pledge to the Trustee of the City Bond and all City Bond Payments, as described herein. In addition, the Indenture pledges to the payment of the Series 2024 Bonds all proceeds of the Trust Estate, including without limitation all cash and securities held in the Funds and Accounts created by the Indenture, except for the Rebate Fund, together with investment earnings thereon and proceeds thereof (except to the extent transferred to the Rebate Fund or from such Funds and Accounts under the Indenture), and all other funds, accounts and moneys to be pledged by the Issuer to the Trustee as security under the Indenture, to the extent of any such pledge.

The City and the City Bond

From the proceeds of the Series 2024 Bonds, the Issuer intends to purchase and, upon purchase, will pledge to the Trustee the City Bond of the City, as described in "APPENDIX C."

Provisions for Payment of the City Bond

The City Bond will be a general obligation of the City. The City Bond Resolution provides that the City is unconditionally obligated to make payments secured by the full faith and credit of the City in an aggregate amount sufficient, with any other funds available therefor, for the payment in full of the principal of, premium, if any, and interest on all Series 2024 Bonds issued and Outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Issuer and the Trustee.

In the City Bond Resolution, the City covenants to levy a direct, continuing special tax upon all of the taxable property within the geographical limits of the City, adequate and sufficient, after allowance shall have been made for the expenses of collection and delinquencies in the payment of taxes, to produce sums required for the payment of the principal of premium, if any, and the interest on the City Bond and any additional obligations of the City under the City Bond Resolution; provided, however, that such tax levy for any year shall be abated *pro tanto* to the extent the City on or prior to September 1 of that year has transferred money to the 2024 Bond Fund, or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the City Bond due during the ensuing fiscal year of the City, in accordance with the provisions of the City Bond Resolution. Said tax shall be extended upon the tax rolls and collected in the same manner and at the same time as other taxes of the City are collected, and the rate of tax which shall be so extended shall be sufficient in each year fully to produce the sums required as aforesaid, without limitation as to time, rate or amount. The avails of said tax are irrevocably pledged in the City Bond Resolution for the payment of the principal of, premium, if any, and interest on the City Bond and any additional obligations of the City as aforesaid as the same shall respectively mature and accrue.

The City Bond will never, within the meaning of any constitutional or statutory limitation, be a debt, liability, or obligation of the State or any political subdivision of the State other than the City, and neither the full faith and credit nor taxing power or moral obligation of the State or any political subdivision thereof is pledged to the payment of the principal, premium, if any, and interest on the City Bond; provided, however, that the City Bond is a general obligation of the City. The City Bond initially issued under the City Bond Resolution shall be issued for the purposes of providing funds to finance costs of the (i) Project; and (ii) payment of costs of issuance of the Series 2024 Bonds and the City Bond.

The issuance of the City Bond shall be authorized by resolution of the Mayor and Board of Aldermen of the City (the "**Governing Body**") adopted pursuant to the Act. See "APPENDIX C" for further description of the City Bond.

RISKS TO THE OWNERS OF THE SERIES 2024 BONDS

General

The Series 2024 Bonds will be payable solely from the payments to be made by the Issuer under the Indenture. Pursuant to the Indenture, such payments are limited to City Bond Payments payable by the City on the City Bond pursuant to the City Bond Resolution. No reserve fund has been established for the payment of debt service on the Series 2024 Bonds or the City Bond. Purchasers of the Series 2024 Bonds are advised of certain risk factors with respect to the City Bond.

In addition, purchasers of the Series 2024 Bonds are advised of certain additional information in connection with the City as set forth in "APPENDIX A" and "APPENDIX B."

City Bond

The ability of the Issuer to pay principal of, redemption premium, if any, and interest on the Series 2024 Bonds depends primarily upon the receipt by the Issuer of City Bond Payments from the City which is obligated under the City Bond Resolution to make such payments to the Issuer, together with earnings on the amounts in the Funds and Accounts created under the Indenture sufficient to make such payments. There is no Indenture Fund or Account which is required to contain amounts to make up for any deficiencies in the event of one or more defaults by the City in making such City Bond Payments, and there is no source from which the General Fund will be replenished except the City Bond Payments and investment income on moneys in the Funds and Accounts; and further, no reserve fund is created in the Indenture or the City Bond Resolution to pay debt service on the Series 2024 Bonds or the City Bond.

Tax Covenants

The Issuer has covenanted under the Indenture that it will comply with certain requirements under the Internal Revenue Code of 1986, as amended (the "**Code**") to ensure the continuing excludability from gross income for federal income tax purposes of interest on the Series 2024 Bonds. Failure by the Issuer to comply with such covenants could cause the interest on the Series 2024 Bonds to be taxable retroactive to the date of issuance of the Series 2024 Bonds. Further, the City has covenanted in the City Bond Resolution that it will comply with certain requirements under the Code to ensure the continuing excludability from gross income for federal income tax purposes of interest on the Series 2024 Bonds. Failure by the City to comply with such requirements could cause the interest on the Series 2024 Bonds to be taxable retroactive to the date of issuance of the Series 2024 Bonds. See also "TAX MATTERS" herein.

Remedies

The remedies available to the Trustee, to the Issuer or to the owners of the Series 2024 Bonds upon an "event of default" under the Indenture or under the terms of the City Bond purchased by the Issuer are in many respects dependent upon judicial actions which are often subject to discretion and delay.

The pledge of the full faith and credit and taxing power of the City for payment of the City Bond granted by the Governing Body in the City Bond Resolution may be limited by a number of factors, including the ability to collect levied taxes. Under current law, such a pledge and assignment as attempted to be effected by the City Bond Resolution may be further limited by the following: (a) statutory liens; (b) rights arising in favor of the United States of America or any agency thereof; (c) prohibitions against assignment set forth in federal statutes; (d) constructive trusts, equitable liens or other

rights which might be impressed or conferred by any state or federal court in the exercise of equitable jurisdiction; (e) the Bankruptcy Code (as hereinafter defined) affecting taxes and other revenues of the City received within 90 days preceding and after any effectual institution of bankruptcy, liquidation or reorganization proceedings by or against the City; (f) rights of third parties in revenues converted to cash and not in the possession of the Trustee; and (g) sales, liens and/or pledges made by the City. If an "event of default" does occur, it is uncertain that the Trustee could successfully obtain an adequate remedy at law or in equity.

The City is a "Municipality" as that term is defined in Title 11 of the United States Code (the "**Bankruptcy Code**"). Section 109(c) of the Bankruptcy Code prescribes the conditions and circumstances under which a Municipality may file a petition for relief under the Bankruptcy Code. As a debtor, a Municipality may only file for relief pursuant to Chapter 9 of the Bankruptcy Code ("**Chapter 9**"). Pursuant to Section 303(a) of the Bankruptcy Code, no creditor or judgment holder of a Municipality may file a Chapter 9 petition on behalf of a Municipality.

Pursuant to Section 109(c)(2) of the Bankruptcy Code, before a Municipality may file a petition under Chapter 9 of the Bankruptcy Code, a Municipality must be specifically authorized by (a) state law or (b) a governmental officer or organization empowered to authorize such a filing. Accordingly, before a Municipality in the State may file for Chapter 9 protection, it must have specific authority granted to it. Currently, there is no State statute that prescribes, authorizes or otherwise contains authorization for any Municipality to file for Chapter 9 protection, or delegates such authority to a governmental officer or organization. As such, in order for a Municipality of the State, including the City, to file for Chapter 9 relief, the Municipality must obtain specific authority from the State Legislature.

The State Legislature is comprised of the Senate and the House of Representatives. The Senate is composed of 52 members, and the House of Representatives consists of 122 members. Each member of each chamber is elected to a four-year term. In the State, the Legislature convenes annually on the first Tuesday after the first Monday each January. Regular sessions of the State Legislature last 90 days in all years of an administration except for the first session after a new governor has been elected, when a 125-day session is held.

In order to obtain specific authority from the State Legislature to file for relief pursuant to Chapter 9, a Municipality would have to request both houses of the State Legislature during the annual session of the State Legislature or a special session of the State Legislature called for such purpose to approve a bill authorizing the Municipality to file for relief pursuant to Chapter 9 and such bill would have to be signed into law by the Governor of the State. There is no appeal process or any other proceeding under current State law that the Municipality may pursue if such requested specific authority is not granted by the State Legislature.

In the event the City were to become a debtor under the United States Bankruptcy Code, payments under the City Bond may be stayed or under certain circumstances may be subject to avoidance or disgorgement and the interest of the Trustee in such payments may not extend to payments required after the commencement of such bankruptcy case or within 90 days prior thereto. Under existing constitutional and statutory law and judicial decisions, including the United States Bankruptcy Code, the remedies provided in the Indenture and the City Bond Resolution may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally (regardless of whether such enforceability is considered in a proceeding in equity or in law), by general principles of equity (regardless of whether such proceeding is considered in a proceeding in equity or at law) and by the valid exercise of the constitutional powers of the State and the United States of America.

Furthermore, if a bankruptcy court concludes that the Trustee has "adequate protection," it may enter orders affecting the security of the Trustee, including orders providing for the substitution, subordination and sale of the security of the Trustee. In addition, a reorganization plan may be adopted even though it has not been accepted by the Trustee if the Trustee is provided with the benefit of its original lien or the "indubitable equivalent." Thus, in the event of the bankruptcy of the City, the amount realized by the Trustee may depend on the bankruptcy court's interpretation of "indubitable equivalent" and "adequate protection" under the then existing circumstances. The bankruptcy court may also have the power to invalidate certain provisions of the City Bond Resolution, the City Bond or related documents that make bankruptcy and related proceedings by the City an "event of default" thereunder. All of these events would adversely affect the payment of debt service on the Series 2024 Bonds.

Failure to Compel the Levy of Taxes on the City Bond

The City Bond will be a general obligation of the City payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to rate or amount upon the taxable property within the geographical limits of the City; provided, however, that such tax levy for any year shall be abated *pro tanto* to the extent the City on or prior to September 1 of that year has transferred money to the 2024 Bond Fund (as defined in the Bond Resolution), or has made other provisions for funds, to be applied toward the payment of the principal of and interest on the City Bond due during the ensuing fiscal year of the City, in accordance with the provisions of the City Bond Resolution. The City, when necessary, will levy annually a special tax upon all taxable property within the geographical limits of the City adequate and sufficient to provide for the payment of the principal of and the interest of the City Bond as the same falls due.

The qualified electors of the State of Mississippi voted in a general election held on November 7, 1995, to amend the Mississippi Constitution of 1890 (the "**Constitution**") to add the following new Section 172A (the "**Amendment**"):

SECTION 172A. Neither the Supreme Court nor any inferior court of this state shall have the power to instruct or order the state or any political subdivision thereof, or an official of the state or any political subdivision, to levy or increase taxes.

The Amendment does not affect the underlying obligation to pay the principal of and interest on the City Bond as it matures and becomes due, nor does it affect the obligation to levy a tax sufficient to accomplish that purpose. However, even though it appears that the Amendment was not intended to affect remedies of a holder of the City Bond in the event of a payment default, it potentially prevents such holder from obtaining a writ of mandamus to compel the levying of taxes to pay the principal of and interest on the City Bond in a Court of the State of Mississippi. It is not certain whether the Amendment would affect the right of a Federal Court to direct the levy of a tax to satisfy a contractual obligation. Other effective remedies are available to the holder of the City Bond in the event of a payment default with respect to the City Bond. For example, such holder can seek a writ of mandamus to compel the City to use any legally available moneys to pay the debt service on the City Bond, and if such writ of mandamus is issued and public officials fail to comply with such writ, then such public officials may be held in contempt of court. In addition, pursuant to Mississippi Constitution §175, all public officials who are guilty of willful neglect of duty may be removed from office.

Certain information relating to the City is set forth in "**APPENDIX A - INFORMATION ON THE CITY**" and certain financial information on the City is included in "**APPENDIX B - FINANCIAL INFORMATION OF THE CITY.**"

Cyber Security Management

The City, like many other public and private entities, relies on a large and complex technology environment to conduct its operations and faces multiple cyber security threats including, but not limited to, hacking, phishing, viruses, malware and other attacks on its computing and other digital networks and systems (collectively, "**Systems Technology**"). As a recipient and provider of sensitive information, the City may be the target of cyber security incidents that could result in adverse consequences to the City and its Systems Technology, requiring a response action to mitigate the consequences. The City has in place daily backup processes to help mitigate the eventuality of these risks. The City has structured their "technology" environment based upon best practice Zero Trust standards to mitigate these risks.

Cyber security incidents could result from unintentional events or from deliberate attacks by unauthorized entities or individuals attempting to gain access to the City's Systems Technology for the purposes of misappropriating assets or information or causing operational disruption and damage. The City has implemented certain controls, including data and network security measures, malware protection, security configuration, website filtering and protection, and user training, to mitigate the risk of cyber security breaches from internal sources or activities. The City has personnel policies in place for the City's computer systems and networks detailing the security of the systems by only designated personnel and password securities in place by user.

Purchases of beneficial interests from DTC in the Series 2024 Bonds will be made in book-entry-only form (without certificates) in the denomination of \$5,000 or any integral multiple thereof (see the heading, "**Book-Entry-Only System**" under this caption).

The Series 2024 Bonds will mature in the amounts and on the dates, and bear interest at the rates per annum, set forth on the inside front cover page of this Official Statement. Interest on the Series 2024 Bonds will be payable semiannually on _____ 1 and _____ 1 of each year, commencing _____ 1, 20____. Interest will be calculated on the basis of a 360-day year consisting of twelve thirty-day months.

Each Series 2024 Bond will be dated the day of delivery. If any Series 2024 Bond is authenticated on or prior to the day of delivery, it will bear interest from such date. Each Series 2024 Bond authenticated after the day of delivery, will bear interest from the most recent date on which interest was payable (the "**Interest Payment Date**") and has been paid on or prior to the date of authentication of such Series 2024 Bond, unless such Series 2024 Bond is authenticated after the fifteenth day of the calendar month preceding an Interest Payment Date (the "**Record Date**") and on or prior to the next following Interest Payment Date, in which case such Series 2024 Bond will bear interest from such following Interest Payment Date.

So long as DTC or its nominee is the Registered Owner of the Series 2024 Bonds, payments of the principal of, redemption premium, if any, and interest on the Series 2024 Bonds will be made directly by the Trustee by wire transfer of funds to Cede & Co., as nominee for DTC. Disbursement of such payments to the participants of DTC (the "**DTC Participants**") will be the sole responsibility of DTC, and the ultimate disbursement of such payments to the Beneficial Owners, as defined herein, of the Series 2024 Bonds will be the responsibility of the DTC Participants and the Indirect Participants, as defined herein. See the heading, "**Book-Entry-Only System**" under this caption.

If the Series 2024 Bonds are no longer in a book-entry-only system, the principal of the Series 2024 Bonds will be payable upon maturity or redemption at the principal corporate trust office of the Trustee in Biloxi, Mississippi, and interest on the Series 2024 Bonds will be paid by check of the Trustee dated the due date and mailed or delivered on or before the Business Day prior to each Interest Payment Date to the Registered Owners of record as of the close of business on the most recent Record Date or, at the written election of the Registered Owner of \$1,000,000 or more in aggregate principal amount of Series 2024 Bonds delivered to the Trustee at least one Business Day prior to the Record Date for which such election will be effective, by wire transfer to the Registered Owner or by deposit into the account of the Registered Owner if such account is maintained by the Trustee.

Book-Entry-Only System

Unless and until the book-entry-only system has been discontinued, the Series 2024 Bonds will be available only in book-entry form in principal amounts of \$5,000 or any integral multiple thereof. DTC will initially act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be initially issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Series 2024 Bond will be issued for each maturity of the Series 2024 Bonds and will be deposited with DTC or pursuant to DTC's FAST registration procedures.

The information provided under this caption has been provided by DTC. No representation has been made by the Issuer, the City or the Original Purchasers as to the accuracy or adequacy of such information, or as to the absence of material adverse changes in such information subsequent to the date hereof.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("**Direct Participants**") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("**DTCC**"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("**Beneficial Owner**") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or

Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults and proposed amendments to the Bond Documents. For example, Beneficial Owners of the Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Bond Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2024 Bonds to be redeemed.

Neither DTC nor Cede & Co., (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an "Omnibus Proxy" to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates in definitive form will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer, the City and the Original Purchaser believe to be reliable, but neither the Issuer, the City nor the Original Purchaser take any responsibility for the accuracy thereof.

So long as Cede & Co. is the registered holder of the Series 2024 Bonds as nominee of DTC, references herein to the Holders, holders, owners or Registered Owners of the Series 2024 Bonds mean Cede & Co. and not the Beneficial Owners of the Series 2024 Bonds.

THE ISSUER, THE TRUSTEE, THE CITY AND THE UNDERWRITER CANNOT AND DO NOT GIVE ANY ASSURANCES THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE SERIES 2024 BONDS (A) PAYMENTS OF PRINCIPAL OF, REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2024 BONDS; (B) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN SERIES 2024 BONDS; OR (C) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNERS OF THE SERIES 2024 BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC OR DIRECT OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

NEITHER THE ISSUER, THE CITY, THE TRUSTEE NOR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (A) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (B) THE PAYMENT BY ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF, REDEMPTION PRICE OF, OR INTEREST ON THE SERIES 2024 BONDS; (C) THE DELIVERY BY ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; (D) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2024 BONDS; OR (E) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.

Under the Indenture, selection of Series 2024 Bonds to be

redeemed within a maturity will be made by lot by the Trustee. In accordance with DTC's standard practices and its agreement with the Issuer, DTC and the DTC Participants will make this selection so long as the Series 2024 Bonds are in book-entry form.

Mandatory Sinking Fund Redemption. The Series 2024 Bonds are subject to mandatory sinking fund redemption as follows:

In the event less than all of the Series 2024 Bonds are to be redeemed, the principal amount and maturity to be redeemed shall be selected by the Bank, and the Trustee, in its sole discretion, shall select the Series 2024 Bonds to be redeemed by lot within a selected maturity, provided that Series 2024 Bonds shall be redeemed only in whole multiples of \$5,000.

Notice of Redemption. Notice of the call for any redemption, identifying the Series 2024 Bonds (or any portions thereof in integral multiples of \$5,000 each) to be redeemed (which may be a conditional notice of redemption), will be given by the Trustee at least 30 days but not more than 45 days prior to the

date fixed for redemption by mailing a copy of the redemption notice by first class mail, postage prepaid, to the Registered Owner of each Series 2024 Bond to be redeemed at the address shown on the registration records. Failure to mail such notice to any particular owner of Series 2024 Bonds, or any defect in the notice mailed to any such owner of Series 2024 Bonds, will not affect the validity of the call for the redemption of any other Series 2024 Bonds. No call notices will be delivered in connection with any scheduled mandatory sinking fund redemption. So long as DTC or its nominee is the Registered Owner of the Series 2024 Bonds, notice of the call for any redemption will be given to DTC, and not directly to Beneficial Owners. See the caption, "DESCRIPTION OF THE SERIES 2024 BOND -- Book-Entry-Only System."

Redemption Payments. The Trustee will apply funds deposited with the Trustee by the Issuer in an amount sufficient to pay the Redemption Price of the Series 2024 Bonds, or portions thereof called, together with accrued interest thereon to the redemption date. After the redemption date, if proper notice of redemption by mailing has been given and sufficient funds have been deposited with the Trustee, interest will cease to accrue on the Series 2024 Bonds that have been called.

REVENUES, FUNDS AND ACCOUNTS

Creation of Funds and Accounts

The Indenture establishes the following special Funds and Accounts to be held by the Trustee:

1. General Fund - comprised of the following:
 - (a) General Account
 - (b) Purchase Account
 - (c) Redemption Account
 - (d) Bond Issuance Expense Account
2. Rebate Fund

Deposit of Net Proceeds of the Series 2024 Bonds, Revenues and Other Receipts

The Trustee will deposit the net proceeds from the sale of the Series 2024 Bonds as follows:

- (a) To the Bond Issuance Expense Account of the General Fund, the amount of \$_____ to pay a portion of the costs of issuance of the Series 2024 Bonds and the City Bond;
- (b) To the Purchase Account of the General Fund, the sum of \$____,000 to be used to purchase the City Bond, and

The Trustee will deposit Revenues and other receipts (except the proceeds of the Series 2024 Bonds, interest earnings on any amounts in the Rebate Fund and moneys received by the Issuer from the sale or redemption prior to maturity of the City Bond) into the General Account of the General Fund based on the amount due under the City Bond Resolution for the City Bond, and will deposit any moneys received from the sale or redemption prior to maturity of City Bond in to the Redemption Account of the General Fund.

OPERATION OF FUNDS AND ACCOUNTS

General Fund

The Trustee will disburse the amounts held in the General Account for the following purposes, and, in the event of insufficient funds to make all of such required disbursements, in the following order of priority:

- (a) On or before four (4) Business Days prior to any Interest Payment Date, to the Registered Owners such amounts as may be necessary to pay the principal and interest coming due on the Series 2024 Bonds on such Interest Payment Date.
- (b) As necessary and in accordance with the Indenture, such amounts as may be necessary to pay any Program Expenses of the Issuer for the Series 2024 Bonds.
- (c) The amounts to be transferred to the Rebate Fund as provided in the Arbitrage Rebate Agreement and Section 6.09 of the Indenture.
- (d) After making all required payments under subparagraphs (a) through (c) above, the Trustee shall make a determination of the amounts reasonably expected to be received in the

form of City Bond Payments in the succeeding twelve (12) months and shall transfer all monies in the General Account, which, together with such expected receipts for the succeeding 12 months are in excess of the amounts needed to pay principal and interest on the Series 2024 Bonds within the immediately succeeding twelve month period, to the City at the request of the City with the prior written approval of the Issuer.

Bond Issuance Expense Account. Upon receipt of invoices or requisitions acceptable to the Trustee, the Trustee will disburse the amounts held in the Bond Issuance Expense Account for the payment or reimbursement of the costs related to the authorization, sale, validation and issuance of the Series 2024 Bonds and the purchase and validation of the City Bond, which items of expense shall include, but not be limited to, printing costs, costs of reproducing documents, filing and recording fees, initial fees and charges of the Trustee, legal fees and charges, professional consultants' fees, municipal advisory fees and expenses, costs of credit ratings, fees and charges for execution, transportation and safekeeping of the Series 2024 Bonds, credit enhancements or liquidity facility fees, and other costs, charges and fees in connection with the foregoing. On the date which is thirty (30) days after the date of issuance of the Series 2024 Bonds, any amounts remaining in the Bond Issuance Expense Account will be transferred to the General Account.

Purchase Account. Upon submission of duly authorized written requisitions of an authorized officer of the Issuer stating that all requirements for purchases under the Act and the Indenture have been or will be met, the Trustee will disburse the amounts held in the Purchase Account for the purchase of the City Bond with said moneys to be applied to the issuance of the Series 2024 Bonds as more fully described under the heading "Deposit of Net Proceeds of the Series 2024 Bonds, Revenues and Other Receipts".

Redemption Account. The Trustee will deposit in the Redemption Account all moneys received upon the sale or redemption prior to maturity of the City Bond and will disburse the funds in the Redemption Account to redeem Series 2024 Bonds of such maturity or maturities as directed by an Authorized Officer if such Series 2024 Bonds are then subject to redemption.

Rebate Fund

Upon the direction of the Issuer and in accordance with the arbitrage rebate agreement or similar document regarding the expenditures and investments of the proceeds of the Series 2024 Bonds provided by the Issuer under the Indenture (the "Arbitrage Rebate Agreement"), the Trustee will deposit amounts for the benefit of the Issuer from the General Account in the General Fund into the Rebate Fund and will deposit into the Rebate Fund all income from investments in the Rebate Fund. In the event and to the extent that amounts in the Rebate Fund exceed the amounts required to be rebated to the United States of America, the Trustee will transfer such excess amounts to the General Account in the General Fund upon the direction of the Issuer in accordance with the Arbitrage Rebate Agreement.

Not later than 60 days after five years following the date of delivery of the Series 2024 Bonds, and at intervals of every five years thereafter, the Trustee shall, upon the written request of the Issuer in accordance with the Arbitrage Rebate Agreement, pay to the United States of America one hundred percent (100%) of the amount required to be paid to the United States of America as of such payment date. Not later than 60 days following the retirement of all of the Series 2024 Bonds, upon the written request of the Issuer the Trustee will pay to the United States of America one hundred percent (100%) the amount to be paid to the United States of America. Each payment to the United States of America will be accompanied by a statement of the Issuer summarizing the determination of the amount of such payment, together with copies of any reports originally filed with the Internal Revenue Service with respect to the Series 2024 Bonds.

With respect to the Rebate Fund, the Issuer may direct the Trustee to proceed other than as set forth in the Indenture and described above by delivering to the Trustee a new Arbitrage Rebate Agreement accompanied by an Opinion of Bond Counsel to the effect that compliance with such memorandum will not adversely affect the excludability from gross income for federal income tax purposes of the interest on the Series 2024 Bonds.

Amounts Remaining in Funds

Any amounts remaining in any Fund or Account after full payment of all of the Series 2024 Bonds outstanding under the Indenture, all required rebates to the United States of America and the fees, charges and expenses of the Trustee will be distributed to the City, except as required by the Indenture regarding payment to holders of non-presented Series 2024 Bonds.

Investment of Funds

Any moneys held as part of any Fund or Account created under or pursuant to the Indenture and the Rebate Fund shall be invested or reinvested by the Trustee as continuously as reasonably possible in such Investment Securities as may be directed in writing by the Issuer. All such investments shall at all times be a part of the Fund or Account in which the moneys used to acquire such investments had been deposited and, except as provided in the Indenture, all income and profits on such investments, other than from moneys on deposit in the Rebate Fund or any Account created thereunder, shall be deposited as received in the General Account. The Trustee may make any and all such investments through its bond department or through the bond department of any financial institution which is an affiliate of the Trustee and may trade with itself or any of its affiliates in doing so. Moneys in separate Funds and Accounts may not be commingled for the purpose of investment or deposit. The Trustee and the Issuer agree that all investments, and all instructions of the Issuer to the Trustee with respect thereto shall be made in accordance with prudent investment standards reasonably expected to produce the greatest investment yields while seeking to preserve principal without causing any of the Series 2024 Bonds to be arbitrage bonds as defined in Section 148 of the Code. Any investment losses shall be charged to the Fund or Account in which moneys used to purchase such investment had been deposited. For so long as the Trustee is in compliance with the provisions of Section 8.01 of the Indenture, the Trustee shall not be liable for any investment losses. Moneys in any Fund or Account shall be invested in Investment Securities with a maturity date, or a redemption date which shall coincide as nearly as practicable with times at which moneys in such Funds or Accounts will be required for the purposes thereof. The Trustee shall sell and reduce to cash a sufficient amount of such investments in the respective Fund or Account whenever the cash balance therein is insufficient to pay the amounts contemplated to be paid therefrom at the time those amounts are to be paid. All investment income from the assets held in any Fund or Account, except for the Rebate Fund and any Accounts created thereunder, will be added to the General Account.

The Issuer has certified in the Indenture to the owners of the Series 2024 Bonds from time to time Outstanding that moneys on deposit in any Fund or Account in connection with the Series 2024 Bonds, whether or not such moneys were derived from the proceeds of the sale of the Series 2024 Bonds or from any other sources, are not intended to be used in a manner which will cause the interest on the Series 2024 Bonds to lose the exclusion from gross income for federal income tax purposes.

THE SERIES 2024 BONDS AS LEGAL INVESTMENTS

The Series 2024 Bonds shall be legal investments in which all public officers and public bodies of this State, its political subdivisions, all municipalities and municipal subdivisions, all insurance companies and associations, trust companies, savings banks and savings associations, investment

companies and other persons carrying on a banking business, all administrators, guardians, executors, trustees and other fiduciaries, and all other persons whatsoever who are now or may hereafter be authorized to invest funds, including capital, in their control or belonging to them. The Series 2024 Bonds are also hereby made securities which may properly and legally be deposited with and received by all public officers and bodies of the State or any agency or political subdivisions of the state and all municipalities and public corporations for any purpose for which the deposit of bonds or other obligations of the State is now or may hereafter be authorized by law.

LITIGATION

There is not now pending or, to the Issuer's knowledge, threatened any litigation restraining or enjoining the issuance, sale, execution or delivery of the Series 2024 Bonds or prohibiting the Issuer from purchasing the City Bond with the proceeds of such Series 2024 Bonds or in any way contesting or affecting the validity of the Series 2024 Bonds, any proceedings of the Issuer taken with respect to the sale or issuance thereof or the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds. Neither the creation, organization nor existence of the Issuer nor the title of any of the present Directors nor other officers of the Issuer to their respective offices is being contested.

There is not now pending or, to the knowledge of the City, threatened any litigation restraining or enjoining the sale, issuance, execution or delivery of the City Bond or prohibiting the City from selling the City Bond to the Issuer or in any way contesting or affecting the validity of the City Bond, any proceedings of the City taken with respect to the sale or issuance thereof or the pledge or application of any moneys or security provided for the payment of the City Bond.

TAX MATTERS

General

In the opinion of Butler Snow LLP, Ridgeland, Mississippi, interest on the Series 2024 Bonds is excludable from gross income for federal income tax purposes, pursuant to Section 103 of the Code and is not a specific preference item for purposes of the federal alternative minimum tax; however such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations (as defined in Section 59(k) of the Code) for purposes of computing the alternate minimum tax imposed on such corporations. The opinion of Bond Counsel is based on certain certifications, covenants and representations of the Issuer and the City and is conditioned on continuing compliance therewith.

In the opinion of Bond Counsel, interest on the Series 2024 Bonds is exempt from all income taxation in the State of Mississippi under existing laws, regulations, rulings and judicial decisions. The opinion addresses only the exemption of interest on the Series 2024 Bonds under the income tax laws of the State of Mississippi and does not address the tax treatment of the Series 2024 Bonds in any other state or jurisdiction.

The Code imposes certain requirements which must be met subsequent to the issuance of the Series 2024 Bonds as a condition to the excludability from gross income of interest on the Series 2024 Bonds for federal tax purposes. Non-compliance with such requirements by the Issuer or the City may cause interest on the Series 2024 Bonds to be includable in gross income for federal income tax purposes retroactive to their date of issue irrespective of the date on which such noncompliance occurs. Should the Series 2024 Bonds bear interest that is not excludable from gross income for federal income tax purposes, the market value of the Series 2024 Bonds would be materially and adversely affected.

The Indenture and the City Bond Resolution include covenants that (a) the Issuer and the City will not take or fail to take any action with respect to the Series 2024 Bonds if such action or omission would result in the loss of the excludability from gross income for federal income tax purposes of interest on the Series 2024 Bonds, under Section 103 of the Code, and neither the Issuer nor the City will act in any manner which would adversely affect such excludability; (b) the Issuer and the City will not make any investment or do any other act or thing during the period that the Series 2024 Bonds are Outstanding which would cause the Series 2024 Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code; and (c) if required by the Code, the Issuer and the City will rebate any necessary amounts to the United States of America. It is not an "event of default" under the Indenture if interest on the Series 2024 Bonds is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code.

Although Bond Counsel has rendered an opinion that interest on the Series 2024 Bonds is excludable from federal gross income and that the Series 2024 Bonds are exempt from all State of Mississippi income tax, the accrual or receipt of interest on the Series 2024 Bonds may otherwise affect a bondholder's federal income tax, Mississippi or other state tax liability. The nature and extent of these other tax consequences will depend upon the bondholder's particular tax status and a bondholder's other items of income or deduction. Taxpayers who may be affected by such other tax consequences include, without limitation, financial institutions, certain insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or railroad retirement benefits and taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry the Series 2024 Bonds. Bond Counsel expresses no opinion regarding any other such federal or state tax consequences. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors with regard to the other tax consequences of owning the Series 2024 Bonds.

Original Issue Premium Bonds

The Series 2024 Bonds that have an original yield below their respective interest rates, as shown on the inside cover of this Official Statement (collectively, the "**Premium Bonds**"), are being sold at a premium. An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. A purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, generally by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to any call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period, and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

Original Issue Discount Bonds

The Series 2024 Bonds that have an original yield above their respective interest rates, as shown on the inside cover of this Official Statement (collectively, the "**Discount Bonds**"), are being sold at an original issue discount. The difference between the initial public offering prices of such Discount Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated in the same manner for federal income tax purposes as interest, as described above.

The amount of original issue discount that is treated as having accrued with respect to a Discount Bond or is otherwise required to be recognized in gross income is added to the cost basis of the owner of the bond in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Bond (including its sale, redemption or payment at maturity). Amounts received on disposition of such Discount Bond that are attributable to accrued or otherwise recognized original issue discount will be treated as federally tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Bond, on days that are determined by reference to the maturity date of such Discount Bond. The amount treated as original issue discount on such Discount Bond for a particular semiannual accrual period is equal to (a) the product of (i) the yield to maturity for such Discount Bond (determined by compounding at the close of each accrual period) and (ii) the amount that would have been the tax basis of such Discount Bond at the beginning of the particular accrual period if held by the original purchaser, less (b) the amount of any interest payable for such Discount Bond during the accrual period. The tax basis for purposes of the preceding sentence is determined by adding to the initial public offering price on such Discount Bond the sum of the amounts that have been treated as original issue discount for such purposes during all prior periods. If such Discount Bond is sold between semiannual compounding dates, original issue discount that would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of Discount Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date, with respect to when such original issue discount must be recognized as an item of gross income and with respect to the state and local tax consequences of owning a Discount Bond. Subsequent purchasers of Discount Bonds that purchase such Discount Bonds for a price that is higher or lower than the "adjusted issue price" of the Discount Bonds at the time of purchase should consult their tax advisors as to the effect on the accrual of original issue discount.

Backup Withholding

As a result of the enactment of the Tax Increase Prevention and Reconciliation Act of 2005, interest on federally tax-exempt obligations such as the Series 2024 Bonds is subject to information reporting in a manner similar to interest paid on taxable obligations. Backup withholding may be imposed on payments to any owner of the Series 2024 Bonds that fail to provide certain required information including an accurate taxpayer identification number to any person required to collect such information pursuant to Section 6049 of the Code. The reporting requirement does not in and of itself affect or alter the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes or any other federal tax consequence of purchasing, holding or selling federally tax-exempt obligations.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to under this heading "TAX MATTERS" or adversely affect the market value of the Series 2024 Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Series 2024 Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether

the Series 2024 Bonds or the market value thereof would be impacted thereby. Purchasers of the Series 2024 Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based on existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series 2024 Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE SERIES 2024 BONDS AS TO THE IMPACT OF THE CODE UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE SERIES 2024 BONDS.

LEGAL MATTERS

Certain legal matters incident to the authorization and issuance of the Series 2024 Bonds by the Issuer are subject to the approval of Bond Counsel whose approving opinion will be delivered concurrently with the delivery of Series 2024 Bonds. Certain legal matters will be passed upon for the Issuer by its counsel, Balch & Bingham LLP, Jackson, Mississippi and for the City by its counsel, Butler Snow LLP, Southaven, Mississippi.

Butler Snow LLP, Ridgeland, Mississippi, is also serving as bond counsel for the City in connection with the issuance and sale of the City Bond.

The remedies available to the Trustee, to the Issuer or to the owners of the Series 2024 Bonds upon an Event of Default under the Indenture or under the terms of the City Bond purchased by the Issuer are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically the Bankruptcy Code, the remedies provided in the Indenture and under the City Bond may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally (regardless of whether such enforceability is considered in a proceeding in equity or in law), by general principles of equity (regardless of whether such proceeding is considered in a proceeding in equity or at law) and by the valid exercise of the constitutional powers of the State and the United States of America.

RATING

Standard & Poor's ("**S&P**") has assigned an underlying rating of "____" to the Series 2024 Bonds. Information on the rating may be obtained from the Executive Director of the Issuer or the City Clerk of the City. Such rating reflects only the view of such organization, and an explanation of the significance of the rating may be obtained only from said rating agency. The rating may be changed, suspended or withdrawn as a result of changes in, or unavailability of, information. Any downward revision, suspension or withdrawal of such rating may have an adverse effect on the market price of the Series 2024 Bonds.

PENSION PLAN

The City has no pension plan or retirement plan for employees. City employees are members of and contribute to the Mississippi Public Employees' Retirement System (PERS), a cost-sharing, multiple employer retirement system administered by the State for the benefit of its local governments and State

personnel. Benefit provisions are established by State statute and may be amended from time to time only by the State Legislature.

In June 2012, the Government Accounting Standards Board issued Statement No. 68, *Accounting and Financial Reporting for Pensions* ("**GASB-68**"). The objective of GASB-68 is to improve accounting and financial reporting of government pensions. Also, GASB-68 improves information provided by government employers about financial support for pensions that is provided by other entities. Requirements of GASB-68 are effective for financial statements whose fiscal year begins after June 15, 2014 (Fiscal Year 2015 for the City).

PERS members are required to contribute 9.00% of their annual covered salary, and the City is required to contribute at an actuarially determined rate. The rate at September 30, 2018 was 15.75% of annual covered payroll. On June 26, 2018, the PERS Board of Trustees voted to increase the employer contribution rate from 15.75 to 17.40 percent, effective July 1, 2019. However, the employer contribution rate is scheduled to increase to 22.40% of annual compensation by phasing in over the next three fiscal years (19.40% of annual compensation beginning July 1, 2024, 21.40% of annual compensation beginning July 1, 2025, and 22.40% of annual compensation beginning July 1, 2026). The City contributions (employer share only) to PERS for the years ending September 30, 2022, 2021 and 2020 were \$4,839,433, \$4,332,239 and \$4,189,259, respectively, which equaled the required contributions for each year.

As of September 30, 2022, the City reported a liability of \$77,660,622 for its proportionate share of the net pension liability. See Page 55 in the City's 2022 Audited Financial Statements included in "APPENDIX B - Financial Information Concerning the City.

POSTEMPLOYMENT BENEFITS OTHER THAN PENSIONS

Effective with the fiscal year ended September 30, 2018 audit, the City will be required to apply GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other than Pension* ("**GASB 75**"), to its audited financial statements. GASB 75 changes accounting and financial reporting for OPEB. Fund level statements, including the General Fund statements, will not be impacted by the GASB 75 reporting.

INDEPENDENT AUDITORS

The audited financial statements of the City for the year ended September 30, 2022 included in this Official Statement as APPENDIX B, have been audited by Watkins, Ward and Stafford, PLLC, Louisville, Mississippi ("**WWS**"), as stated in the report appearing therein (the "**audit report**").

The City has not requested and will not obtain a consent letter from its auditor for the inclusion of the audit report in this Official Statement. WWS, the City's independent auditor, has not been engaged to perform, and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. WWS, also has not performed any procedures relating to this Official Statement.

CONTINUING DISCLOSURE

The City will execute a continuing disclosure agreement (the "**Disclosure Certificate**") at the time of the closing for the Bonds. The Disclosure Certificate will be executed for the benefit of the beneficial owners of the Bonds and the City has covenanted in the Bond Resolution to comply with its terms. The Disclosure Certificate will provide that so long as the Bonds remain outstanding, the City will

provide the following information to the Municipal Securities Rulemaking Board, acting through its Electronic Municipal Market Access ("EMMA") system: (i) annually, certain financial information and operating data, as described in the Disclosure Certificate; and (ii) timely notice of the occurrence of certain listed events; all as specified in the Disclosure Certificate. The form of the Disclosure Certificate is attached hereto as APPENDIX F.

The City has previously entered into continuing disclosure undertakings with respect to bonds it has issued or for which it is the "obligated person" within the meaning of Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Rule"). The City's audited financial statements and unaudited financial statements for fiscal years September 30, 2019 through September 30, 2023 were not timely filed as they were unavailable at the time of filing, however, Notices of Failure to File audited financial statements and unaudited financial statements for fiscal years September 30, 2019 through September 30, 2023 were timely filed.

Without a determination of materiality, there have been instances in which some tables included in its prior continuing disclosure undertakings were not included in every filing on EMMA and some of the past filings required of the City were not filed under all outstanding CUSIPs. In addition, without a determination of materiality, the City has not filed notices of any rating changes. The City adopted policies and procedures on November 4, 2014 (the "Policy") to assist in the timely filing of its annual financial information. Pursuant to the Policy, a staff designee of the City will appoint or engage a dissemination agent to assist in carrying out its obligations under the Policy and/or the staff designee will be responsible for submitting the information required under the Policy. The City has hired a dissemination agent to file the City's required annual report.

For a summary of the City's undertaking, see **APPENDIX F - FORM OF CONTINUING DISCLOSURE CERTIFICATE** attached hereto.

APPENDIX A
INFORMATION ON THE CITY

APPENDIX A - ECONOMIC AND DEMOGRAPHIC INFORMATION

CITY OF SOUTHAVEN, MISSISSIPPI

General Description

The City of Southaven, Mississippi (the "**City**") is located in the north central part of DeSoto County (the "**County**"), which lies just south of the Tennessee border and east of the Mississippi River and Tunica County, Mississippi. The City is approximately five miles south of Memphis, Tennessee, and 200 miles northeast of Jackson, Mississippi, the state capital.

Southaven began as a part of Whitehaven, Tennessee, which was then an unincorporated suburb of Memphis. Whitehaven was annexed by Memphis, and the Mississippi portion of the suburb was incorporated in 1980. Since then, the City has doubled its land area, and its population has nearly tripled. It is one of the fastest growing cities in the southeast United States. Industries have been attracted to the area by the healthy economic environment and by the availability of a qualified labor force. These factors have helped make the City the business hub of DeSoto County; one of the highest grossing Wal-Mart stores in the entire chain is located in the City, as is the nation's largest Sam's Wholesale Club. Snowden Grove Park, home to the Snowden Grove Baseball Complex was completed in 2000 and attracts over 200,000 players and over 500,000 spectators to the area each year. It is an award winning, state-of-the-art, 17 baseball field facility that possesses features previously only found at professional stadiums.

Population

The population of the City has been recorded or estimated as follows:

1990	2000	2010	2020	2022 Estimate
21,434	28,977	48,982	54,648	56,260

Government

The Governing Body of the City is comprised of the Mayor and a seven-member Board of Aldermen, in whom the City's legislative powers are vested. The Mayor has the superintending control of all offices and affairs of the City and has the duty to see that the laws and ordinances of the City are executed. The Mayor and one of the Aldermen are elected at large; the other Aldermen are each elected from one of the City's six wards. All are elected for concurrent four-year terms and are not limited in the number of terms they may serve.

The members of the Governing Body are:

U.S. Highway 51 also runs north/south through the City. U.S. Highways 61 and 78 traverse other parts of the County. State Highways 301 and 302 and a number of county roads provide access to outlying areas.

Railroad: BNSF Railway and Canadian National-Illinois Central Railroad serve as the County's rail lines. All six Class I rail systems serve Memphis, Tennessee and all have intermodal yards in the metro area.

Air Service: The nearest commercial airport is Memphis International Airport, served by nine major airlines and three commuter airlines, with more than 300 daily passenger flights. Memphis is also the number one cargo hub in the world – home to the FedEx Super Hub, a major UPS hub and an RPS sort facility.

Waterways: The nearest port is the Port of Memphis, which has a channel depth of nine feet and is located 12 miles away on the Mississippi River, in Shelby County, Tennessee. It is the fourth-largest inland port in the U.S. and ranks first in the nation in foreign import tonnage. More than 30 international freight forwarders operate in Memphis.

Educational Facilities

The City schools are part of the DeSoto County School District, which is the largest and fastest growing school district in the State. Its Gifted Instructional Program also has the largest enrollment of any such program in the State. The School District operates 24 elementary and intermediate schools, 8 middle schools, and 8 high schools, in addition to a vocational complex and an alternative center. The County is credited with having one of the best technical preparatory programs in the State. Also, thanks to the State's Computers in the Classroom initiative, every classroom in the School District is equipped with computers and internet accessibility, as well as opportunities for distance learning. The high schools are all on block scheduling, which allows more advanced students to complete higher level courses and to earn college credits through dual enrollment and offers remediation to students who are experiencing difficulties. All schools are accredited by the Southern Association of Colleges and Schools and by the State, and about 87% of the County's high school graduates attend college. Total enrollment for the School District for the current scholastic year and the 4 preceding years is as follows:

Procedure for Property Assessments

The Tax Assessor of DeSoto County assesses all real and personal property subject to taxation in the County, including property in the City, except motor vehicles and property owned by public service corporations, both of which are required by law to be assessed by the MS Department of Revenue, formerly the State Tax Commission.

Section 21-33-9, Mississippi Code of 1972, as amended, provides that the governing authorities of a municipality which is located within a county having completed a countywide reappraisal approved by the MS Department of Revenue and which has been furnished a true copy of that part of the County assessment roll containing the property located within a municipality as provided in Section 27-35-167, Mississippi Code of 1972, as amended, shall adopt such assessment rolls for its assessment purposes. The City is utilizing the assessment rolls of the County.

The City may not correct or revise such assessment rolls except for the purpose of conforming the municipal assessment roll to corrections or revisions made to the County assessment roll. All objections to the municipal assessment roll may be heard by the Board of Supervisors of the County at the time and in the manner that objections to the County assessment roll are heard. The Board of Supervisors shall notify, in writing, the Governing Body and the Tax Assessor of the City of any corrections or revisions made by it to the part of the County assessment roll adopted as the municipal assessment roll.

Procedure for Tax Collections

Ad valorem taxes on real, personal, and utility property are due on February 1 of each year. A penalty in the amount of one percent (1%) per month is levied against all delinquent ad valorem taxes. In the event the taxes are not paid by August 5, the property is sold for taxes on the last Monday in August and upon the sale of any property for failure to pay ad valorem taxes, the owner has two years from the date of sale in which to redeem the property. Ad valorem taxes for motor vehicles (license plates) are due one year from the first day of the month in which the tag is acquired. A onetime late penalty in the amount of 25% of the amount of the taxes due is levied in the event the license plate is not acquired in the month in which it expires. Ad valorem receipts for motor vehicles are collected on a monthly basis.

¹⁷ Personal Property includes automobiles, other motor vehicles and mobile homes.

The Mayor and Board of Aldermen, acting for and on behalf of the City, are required under the Act and the Bond Resolution to annually levy a special tax upon all taxable property within the City sufficient to provide for the payment of the principal of and the interest on the Bonds. If any taxpayer neglects or refuses to pay his taxes on the due date thereof, the unpaid taxes will bear interest at the rate of 1% per month or fractional part thereof from the delinquent date to the date of payment of such taxes. When enforcement officers take action to collect delinquent taxes, other fees, penalties, and costs may accrue. Both real property and personal property are subject to public tax sale.

Section 27-41-55, Mississippi Code of 1972, as amended, and related statutes provide that after the fifteenth day of February or the fifth day of August in each year, the tax collector for each County shall advertise all lands in a City on which all taxes due and in arrears have not been paid, as well as all land liable for other matured taxes, for sales on the first Monday in April or the last Monday of August following, as the case may be. DeSoto County conducts its tax sales during the month of August.

History of Assessed Valuation

The State has undertaken substantial revision of its property taxation since 1980. In that year the Mississippi Supreme Court rendered its decision in State Tax Commission v. Fondren, 387 So. 2d 712, in which the State Tax Commission (now known as the MS Department of Revenue) was enjoined from approving assessment rolls from any county in the state for the tax year 1983 unless the Tax Commission equalized the assessment rolls of all counties. While the appeal of that case was pending in the Mississippi Supreme Court, the Legislature passed Senate Bill No. 2672, Regular Session 1980, which is codified in part as Sections 27-35-49 and 27-35-50, Mississippi Code of 1972, as amended, which ordered a state-wide reappraisal of property and required appraisal at true value and assessment in proportion to true value. DeSoto County has completed reappraisal.

On June 3, 1986, the voters of the State of Mississippi approved an amendment to Section 112 of the Mississippi Constitution which established certain classes of property and related assessment ratios for property taxation purposes. Formerly there were four classes of property and no assessment ratio of one class could be more than double the assessment ratio of each of the other classes of property. The amendment sets forth five classes of property and provides that the assessment ratio of one class of property must not be more than three times the assessment ratio of each of the other classes of property.

- CLASS I Single-family, owner-occupied, residential real property – ten percent (10%) of true value;
- CLASS II All real property except that of public utilities and single-family, owner-occupied property - fifteen percent (15%) of true value;

- CLASS III All personal property except motor vehicles and personal property of public utilities - fifteen percent (15%) of true value;
- CLASS IV All public utility property - thirty percent (30%) of true value; and
- CLASS V Motor vehicles - thirty percent (30%) of true value.

The entire State has completed its reappraisal, and all property in the City is now appraised at true value. Assessments for the years 1986 and thereafter, for taxes payable in the years 1987 and thereafter, have been and will continue to be based on the assessment ratios set forth in the constitutional amendment and legislation related thereto.

Sections 27-35-15, *et seq.*, Mississippi Code of 1972, as amended, require county tax assessors to annually appraise all personal property subject to taxation and describe how the assessors are to obtain and maintain property lists and how to value the property. Section 27-35-50 of the Mississippi Code also requires determination of true value of all real property annually, and the MS Department of Revenue (the "Department") is given power to establish rules to facilitate implementation of appraisal and assessment.

Rule 6 of the Department's Property Tax Bureau set the tax roll year 1997 as a year of developing and adopting standards and minimum requirements for maintenance of property appraisal. Each county was to prepare a base property sales file and establish an update cycle of no more than four years, during which 100% of the tax parcels would be physically observed and notated on the county's property records. The Department has statutory authority to monitor each county's progress and to assure that each county's assessment records comply with acceptable standards.

DeSoto County has opted for the four-year cycle, established its base real and personal property sales files, and is in the midst of its second cycle of physically observing and notating all tax parcels.

Homestead Exemption

The Homestead Exemption Law of 1946, as amended, reduces the local tax burden on certain homes and provides partial replacement of the tax loss by revenues from other sources of taxation on the state level. Provisions of the homestead exemption law determine qualification, define ownership, and limit the amount of property that may come within the exemption. The exemption is not applicable to taxes levied to pay the Bonds, except as hereinafter noted.

Those homeowners who qualify for homestead exemption and who have reached the age of sixty-five (65) years on or before January 1 of the year for which the exemption is claimed, service-connected, totally disabled American veterans who were honorably discharged from military services, and those classified as disabled under the federal Social Security Act are exempt from any and all ad valorem taxes on qualifying homesteads not in excess of \$7,500 of assessed value. The tax loss resulting to the City from homestead exemptions is reimbursed by the MS Department of Revenue. However, in any year the City will not be reimbursed an amount in excess of one hundred six percent (106%) of the total net reimbursement made to the City in the previous year nor may any exemption exceed \$200.00 per qualified applicant.

General Statutory Debt Limits Provisions

The City is subject to a general statutory debt limitation under which no municipality in the State may incur general obligation bonded indebtedness in an amount which will exceed 15 percent of the assessed value of the taxable property within such municipality according to the last completed assessment for taxation. In computing general obligation bonded indebtedness for purposes of such 15 percent limitation, there may be deducted all bonds or other evidence of indebtedness issued for school, water and sewerage systems, gas, and light and power purposes and for the construction of special improvements primarily chargeable to the property benefitted, or for the purpose of paying a municipality's proportion of any betterment program, a portion of which is primarily chargeable to the property benefitted.

However, in no case may a municipality contract any indebtedness payable in whole or in part from proceeds of ad valorem taxes which, when added to all of its outstanding general obligation indebtedness, both bonded and floating, exceeds 20 percent of the assessed value of the taxable property within such municipality.

In arriving at the limitations set forth above, bonds issued for school purposes, bonds payable exclusively from the revenues of any municipally-owned utility, general obligation industrial bonds issued under the provisions of Sections 57-1-1 to 57-1-51, Mississippi Code of 1972, as amended, and special assessment improvement bonds issued under the provisions of Sections 21-41-1 to 21-41-53, Mississippi Code of 1972, as amended, are not included. Also excluded from both limitations are contract obligations subject to annual appropriations.

**UPON THE DELIVERY OF THE SERIES 2024 BONDS, BUTLER SNOW LLP PROPOSES TO DELIVER
AN OPINION IN SUBSTANTIALLY THE FOLLOWING FORM:**

Mississippi Development Bank
Jackson, Mississippi

Re: \$____,000* Mississippi Development Bank Special Obligation Bonds, Series 2024 (City of Southaven, Mississippi Public Improvement General Obligation Bond Project), dated the date of delivery thereof (the "Series 2024 Bonds")

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance by the Mississippi Development Bank (the "Issuer") of the above described Series 2024 Bonds, pursuant to an Indenture of Trust (the "Indenture"), dated _____, 2024, by and between the Issuer and The Peoples Bank, as trustee (the "Trustee"). We have examined the law and a certified transcript of proceedings of the Issuer relative to the authorization, issuance and sale of the Series 2024 Bonds and such other papers as we have deemed necessary to render the opinions in this letter, including the Issuer's tax covenants and representations made in the Indenture and tax certificates and the tax covenants and representations made by City of Southaven, Mississippi (the "City") in tax certificates and in a resolution (the "City Bond Resolution") adopted by the Mayor and the Board of Aldermen of the City on May 21, 2024 (collectively, the "Tax Representations and Covenants").

The Series 2024 Bonds are being issued under the authority of Sections 31-25-1 *et seq.*, Mississippi Code of 1972, as amended and supplemented from time to time (the "Issuer Act"), and Sections 21-33-301 *et seq.*, Mississippi Code of 1972, as amended and supplemented from time to time (the "City's Bond Act" and together with the Issuer Act, the "Act"), a resolution of the Board of Directors of the Issuer adopted on May 8, 2024, and the City Bond Resolution (together, the "Resolution").

The Resolution provides that the Series 2024 Bonds are being issued for the purpose of providing funds to finance the costs of purchasing the \$____,000* City of Southaven, Mississippi Public Improvement General Obligation Bond, Series 2024 (the "City Bond"), and paying the costs incident to the sale, issuance, and delivery of the Series 2024 Bonds and the City Bond. The City will use the proceeds of the City Bond to finance various capital improvements within the City, as more particularly described in the City Bond Resolution.

As to questions of fact material to our opinions, we have relied upon representations of the City and the Issuer, certified proceedings and other certifications of the City and the Issuer and other public officials furnished to us, including the Tax Representations and Covenants, without undertaking to verify the same by independent investigation. In all such examinations, we have assumed the genuineness of all signatures, the authenticity of all documents presented to us as originals, and the conformity to original documents of all copies submitted to us as certified, conformed, or photographic copies. As to certificates, we have assumed the same to be properly given and to be accurate.

Based on the foregoing and subject to the qualifications, statements of reliance and assumptions herein, we are of the opinion on the date hereof that:

1. Assuming the due authentication thereof by the Trustee, the Series 2024 Bonds are legal, valid and binding limited obligations of the Issuer enforceable against the Issuer. The Series 2024 Bonds are payable from and secured only by the certain payments and funds to be received by the Issuer and the Trustee and pledged to the Series 2024 Bonds under the Indenture.

* Preliminary, subject to change.

2. The Indenture is a valid and binding agreement of the Issuer enforceable against the Issuer. The Indenture creates a valid pledge in the Funds and Accounts and the City Bond, including the investments thereof (excepting therefrom the Rebate Fund), subject to the application thereof to the purposes and on the conditions permitted by the Indenture.

3. Under existing statutes, regulations, rulings and court decisions, subject to the assumptions stated below, interest on the Series 2024 Bonds is excludable from gross income for federal income tax purposes and is not a specific item of tax preference in the calculation of federal alternative minimum taxable income as defined in Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code"); however, such interest is taken into account in determining the annual adjusted financial statement income of applicable corporations (as defined in Section 59(k) of the Code) for the purpose of computing the alternative minimum tax imposed on such corporations. We express no opinion regarding other federal tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of the Series 2024 Bonds. In rendering the opinion contained in this paragraph numbered 3, we have assumed continuing compliance with the requirements of Code that must be met by the Issuer and the City after the issuance of the Series 2024 Bonds, including the Tax Representations and Covenants, in order that interest on the Series 2024 Bonds not be included in gross income for federal income tax purposes. The failure to meet such requirements may cause interest on the Series 2024 Bonds to be includable in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2024 Bonds. The City and the Issuer have covenanted in the Tax Representations and Covenants to comply with or to require compliance with the requirements of the Code in order to maintain the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes.

4. Under and pursuant to the Act, the Series 2024 Bonds and interest thereon are exempt from all income taxes imposed by the State of Mississippi (the "State").

It is to be understood that the rights of the holders of the Series 2024 Bonds and the enforceability of the Series 2024 Bonds and the Indenture may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights heretofore or hereinafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity.

Owners of the Series 2024 Bonds should consult their own tax advisors as to the applicability and effect on their federal income taxes of any other collateral federal income tax consequences.

In this opinion letter, issued in our capacity as Bond Counsel, we are opining only upon those matters specifically set forth herein, and we are not passing upon the accuracy, adequacy or completeness of the Issuer's Official Statement or other representations, warranties or statements made in connection with any offer or sale of the Series 2024 Bonds or upon any federal or state tax consequences arising from the receipt or accrual of interest on or the ownership or disposition of the Series 2024 Bonds, except those specifically addressed herein, or upon any federal or state securities law with respect to the sale or distribution of the Series 2024 Bonds.

This opinion letter is an expression of professional judgment regarding the matters expressly addressed herein. It is neither a guarantee of result nor an insurance policy with respect to the transaction or the future actions or performance of any party or entity. Our services have not included any financial or other non-legal advice. We express no opinion other than as herein expressly stated in this letter, and no expansion of our opinion may be made by implication or otherwise. The opinions herein are given as of the date hereof and are based upon statutes, regulations, rulings and court decisions in effect on the date hereof and not as of any future date. It should be noted that material changes regarding matters of fact and applicable law may hereafter occur. We expressly disclaim any undertaking or responsibility to review, revise, update or supplement this opinion letter subsequent to its date for any reason or to advise you of any change in the law, whether by reason of legislative or regulatory action, by judicial decision or otherwise, or of any change of facts or circumstances or of any facts or circumstances that may hereafter come to our attention or for any other reason.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certificates, resolutions, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We also have assumed the genuineness of the signatures appearing upon such public records, certifications, resolutions, documents and proceedings. In rendering this opinion, we have relied upon the opinion

of Balch & Bingham, LLP, Jackson, Mississippi, counsel for the Issuer, dated the date hereof, as to the due authorization and execution by and enforceability against the Issuer as to the Series 2024 Bonds and the Indenture.

Very truly yours,

BUTLER SNOW LLP
