#### PLANNING AGENDA

Planning Agenda presented by Mrs. Whitney Choat-Cook, Planning Director

ITEM #1: Application by BRW LLC for a conditional use permit to allow a consignment store to be located at 192 Main Street. It is on the north side of Stateline Road just west of Airways. It will be compliant with the half mile radius and was approved unanimously by the planning commission. Alderman Cady made the motion to approve item #1 as presented to this Board. Motion was seconded by Alderman Hale. Motion was put to vote and passed unanimously.

ITEM #2: Request by Gary Browning at SOS Accessory Buildings to sell golf carts and storm shelters on the existing site on the south side of Goodman Road, east of Swinnea Road. As per the Board of Aldermen's request, the planning commission reviewed the request by Mr. Browning to sell golf carts and storm shelters, and it is the recommendation of the Planning Commission to allow the storms shelters but not allow the golf carts. Alderman Huling made the motion to allow SOS to carry and sell the storm shelters but not golf carts. Motion was seconded was seconded by Alderman Jobes. Mr. Browning came before the Board asking to please reconsider allowing him to sell golf carts. After a short discussion, the motion was put to vote and passed with a 6-1 vote with Alderman Guy abstaining. Mayor Davis stated that Mr. Browning had until Monday, February 4, 2013 to have them removed from the property.

Next, Mrs. Choat-Cook reported that she has gone out for proposals on the condemnation property mowing. She reported that we would start that process next week.

Next, Mrs. Choat-Cook reported that she has had some concerns about liquor stores being too close to churches, schools and parks. Right now our ordinance is 250 feet from churches and schools, and it doesn't address parks at all. Ordinance Committee met and decided to do a 1,500 feet radius and also added in parks. She reported along with some other minor changes, there will be four liquor stores that will be grandfathered in. This will be brought before this Board from the ordinance committee at the next board meeting for your approval.

#### MAYOR'S REPORT

With the passage of Item #6, Mayor Davis stated that he will withdraw his veto.

Next, Alderman Jobes made the motion to send Alderman Cady to the Congressional Briefing trip in Washington, DC this year as the city's only representative. Motion was seconded by Alderman Hale. Motion was put to vote and passed unanimously.

Next, Mayor Davis reported that this Board was given a proposal to allow Civil Link to do a study on flooding/drainage in the Carriage Hills Estates Subdivision. This agreement is not to exceed \$20,000.00. Once this study is complete, the city will be able to go to Bobby Story and perhaps we will be able to get a MEMA grant to make the necessary repairs. The City has run cameras through the pipe to look for broken pipe, and now it's time to do the study to see what is going on. Alderman Cady made the motion to sign the agreement with Civil Link, not to exceed \$20,000.00, to allow them to do a flooding analysis study of Carriage Hills, Millbranch, Brandywine and Carriage Hills Estates. Motion was seconded by Alderman Payne. After a discussion, Mayor Davis asked the residents of Carriage Hills Estates to meet Mr. Ray Tarrance, Mr. Bradley Wallace and Mr. Ollie Haley in the lobby and give this information to them, and they can come check out the issues. Motion was put to vote and passed unanimously.

Next, Mayor Davis reported that he sent the Board the Mud Bug Bash sponsorship request for the Palmer Home. He reported that the City sponsored \$2,500.00 last year, and he recommends that we do the same this year. Alderman Guy made the motion, due to the favorable publicity for the City of Southaven and the benefit to the City, to sponsor the Palmer Home for kid Mud Bug Bash in the amount of \$2,500.00. Motion was seconded by Alderman Brooks. Motion was put to vote and passed unanimously.

Next, Mayor Davis reported that we are now taking water bills online. It started today. He reported that there is a fee attached because state law does not allow the city to absorb that fee.

Next, Mayor Davis stated that he sent this Board the bid recommendations today from Neel-Shaffer, Inc. for the Hurricane Creek Sewer Project Gravity Sewer Main-Phase 1 Pleasant Hill Road to Hurricane Creek. Mayor Davis stated that the bids ranged from \$1,158,119.00 to \$2,354,929.00. Neel-Shaffer, Inc. recommends Enscor, LLC in the amount of \$1,158,119.00. Mayor Davis reported that this is paid for out of SRF money, and they too will go over the bid. Alderman Guy made the motion to accept Mr. Ray Humphrey's recommendation to accept Enscor, LLC as the lowest and best bid at \$1,158,119.00. Motion was seconded by Alderman Cady. Motion was put to vote and passed unanimously.

Next, Mayor Davis reported on an emergency repair needed on a section of Stateline Road West, close to the soccer fields. In one section, the ditch has washed out within inches of the road, and a sewer line is also exposed. Mayor Davis reported that he feels like it is an emergency to shore up the road line and secure the sewer line to ensure the public's health. Alderman Hale made the motion to approve the emergency purchase to repair shore line and the sewer line. Motion was seconded by Alderman Guy. Alderman Hale stated that he appreciates this being brought up because he has been asking about this for some time. He asked if it could go a step further and possibly put a drainage pipe in the whole ditch. Alderman Hale made the motion to amend the original motion to include relocation of the sewer line and rebuilding the shoulder of the road. There being no objection to the amendment, the motion to amend the original motion was put to vote and passed unanimously. Mayor stated that the motion in front of them now is to declare an emergency to relocate the sewer line and reconstruct the shoulder, then come back with prices and advertise if necessary. Motion was put to vote and passed unanimously.

#### **CITIZEN'S AGENDA:**

Mrs. Linda Temple 9076 Moss Point Drive: Mrs. Temple came before this Board to ask them to look into a wrecker parked at 1384 Stanton. She feels like it is out of ordinance. Chief Long also stated that the owner of the truck provided the paperwork to the Judge to prove that the vehicle was within the proper tonnage. Mrs. Temple thanked the Board for their time.

Mr. Fred Paschall 3220 Oakleaf: Mr. Paschall asked to get new street signs put up at Shady Oaks and Oak Leaf. The sign is missing, and it is difficult to find the address. Also, he thanked Ms. Candice Duncan for helping him in an issue he had last week. He stated that the City Clerk was out of town on a business trip, and Ms. Duncan was very professional and helped him. He also made some comments on the contractor, CB Developers who are installing the pipes in his subdivision.

## Banking Services Required By City of Southaven

## A. Bank Drafting for Utility Billing Purposes/ACH:

BancorpSouth's real-time InView online service supports all types of ACH transactions, including bank drafting and Direct Deposit Payroll. The bank's ACH system operates on a daily 4 pm CT deadline for ACH files originated through InView.

## B. Electronic Transferring of Funds

The bank's InView system also supports all types of electronic funds transfers. Transfers among BancorpSouth accounts are instantaneous when initiated same day up until 7 pm. Transfers that involve an outside bank account at another financial institution are next day transfers up

## C. Interest Bearing Checking Accounts:

BancorpSouth offers an Automated Investment Account service that allows the city to earn interest overnight on collected balances above a designated target balance, by transferring funds into a savings sub-account. As funds are needed to cover obligations (checks, etc.) in the regular account, money is moved automatically from the savings sub-account to cover these items. Interest is accrued daily, and paid monthly on the last business day of the month.

BancorpSouth offers the City of Southaven a *fixed rate of 10 basis points* or variable interest rate based on the *Fed Funds Target Rate less 25 Basis Points with a flooring rate of 0.05%.* The current interest rate is set at 0.05%. There will be no prescribed target balances to earn interest.

## D. No Banking Service Fees

There will be no depository service fees assessed to the City of Southaven under this bid as long as the City maintains an interest-free collected balance of \$8,000,000. If the City prefers, all balances may be invested to earn interest, and a monthly service fee of \$1,500 will be charged. If the City chooses to maintain a lower target balance than \$8 million, then an appropriate equivalent monthly fee will be charged. For example, a \$4 million target balance would result in a monthly fee of \$7,500.

BancorpSouth understands the importance of providing high quality services and offering these services to the City with no fees. It should be noted that through the current contract period (2011-2012), BancorpSouth has provided depository, treasury management and credit card processing services to the City at no charge. These services equate to an annual service fee waiver of between \$75,000-\$80,000.

## E. Bank Statements on CD-Rom disk

BancorpSouth will provide the City with image bank statements on CD-Rom via the Desktop Banker service. This CD-Rom will also include ability to retrieve monthly archived images (front & back) of paper transactions on each City account (posted checks; deposit tickets; deposited items).

## F. On-line banking solutions, including, but not limited to wire payments, stop payments, etc.

BancorpSouth will provide any module of the InView system that the City of Southaven might require. Another option of InView is called InView Positive Pay which is a daily reconciliation service that gives the City the ability to either approve the payment of a particular check upon presentment, or reject the payment (return the check). Positive Pay is designed to eliminate loses from counterfeit, photocopied or stolen checks, and checks on which the amount has been altered. InView Positive Pay increases business control and security over check disbursement, reduces fraud, and provides earlier notification of check encoding errors.

## G. Payroll drafting / ACH

The InView ACH Module supports the City's requirements for handling ACH Direct Deposit Payroll. This module also supports virtually any type of ACH origination requirement for payments the City might contemplate using.

## H. E-Check Capabilities

BancorpSouth is able to support the City's needs for offering E-Check capabilities via the Internet using the ACH WEB standard entry class (SEC) code. BancorpSouth currently has several clients initiating this type of transaction using InView ACH.
