Also, due to the newness of the reverse auction process, there some confusion on the part of some bidders who would have submitted if they had been clearer on the process. MAYOR'S REPORT

Hurricane Assistance

Mayor Musselwhite stated that Alderman Wheeler could not be at this meeting because he is helping with hurricane relief for those in need on the east coast. Mayor Musselwhite thanked Alderman Wheeler for his efforts.

Additional Street Improvement Funding

Mayor Musselwhite explained that with the recently adopted budget, they planned for \$2 million in the street improvement line item. Mayor Musselwhite stated that the state legislature recently passed the BP bill that allows for the City of Southaven to receive a \$500,000 reimbursement to be spent on streets in Greenbrook and Carriage Hills. Mayor Musselwhite explained that \$717,000 was allocated toward streets in Greenbrook and Carriage Hills so this additional funding will allow for other streets to be moved up on the list. Mayor Musselwhite stated that the budget went from \$2 million to \$2.5 million because of those extra funds and that he will be sending a list with pricing to the Board of Alderman in the near future.

Rasco Road Update

Mayor Musselwhite explained that the City is doing a seal coat on Rasco Road. The seal coat process has an initial layer to seal cracks in the road, and then a form of gravel is placed on the road to prevent sliding until the sealant cures which takes 3-5 days. Mayor Musselwhite stated that the gravel was put on too thick by the contractor, which caused an unusual amount of smoke and inconvenience. Mayor Musselwhite then clarified that the smoke is not putting anyone's health at risk. After the gravel is down, they come back over the top of it with another epoxy to eliminate the smoke and then put the final layer on it which is scheduled to be done this Friday. Mayor Musselwhite explained that there was a section of road under the I55 Bridge, on the east side of the high school that was out of the sun and did not cure and dry properly. Mayor Musselwhite stated that there were a few cars that drove over that area and got tar on their wheels. Mayor Musselwhite stated that he has received several emails that tires have been damaged and need replaced, but that is not the case as the tires can be cleaned. The contractor has given contact information and has agreed to take responsibility for cleaning the tires or any other claims resulting from that. Mayor Musselwhite asked that everyone direct those claims to the City Clerk's Office so they can forward the contractor.

Sales Tax

Mayor Musselwhite stated that he was happy to report that the sales tax and tourism tax are continuing to increase. The projected total for sales for FY18 is \$14,789,000 and that number continues to increase each year showing economic success in the City of Southaven. The tourism tax also continues to rise in September to \$165,000 which consist of hotel/motel tax and restaurant tax and is projected to annualize at almost \$2 million. Mayor Musselwhite stated that it was \$1.6 million three (3) years ago to \$2 million now and is continuing to increase with the increase in restaurants and the general improvement in the tourism draw.

Serve Southaven Update – Adopt a Spot

Mayor Musselwhite stated that it has been a struggle trying to find someone to help with subdivision entrances that do not have an HOA. The City cannot

Minutes, City of Southaven, Southaven, Mississippi

legally touch the property and it becomes very frustrating when trying to clean up the look of the City. Mayor Musselwhite stated that he has been looking for ways to get volunteers to help us maintain those entrances. The adopt a spot program can be as simple or elaborate with basic trimming of the hedges and pulling weeds out of flower beds to planting flowers and spreading mulch to improve the look of our city as a part of our beautification program. Mayor Musselwhite stated that the Bartolotta Family has signed up as the first volunteer to adopt the entrance at Brentwood Farms Subdivision and a sign will be made to recognize them for their efforts. Other subdivision entrances that are not being maintained and do not have an HOA are:

Central Park Subdivision – two entrances on Tchulahoma

Sheldon Estates – Getwell, south of Stateline Road

The Highlands at Northcreek

Northcreek Subdivision – near the golf course, 2 entrances

Mayor Musselwhite asked for volunteers stated that they would appreciate any effort with maintaining those entrances.

Greenbrook Indoor Training Facility Update

Mayor Musselwhite gave an overview on the proposed design and stated that this will be an indoor training facility that will have batting and pitching cages indoor for girls' softball. There is an entry way with desk for check in for teams when they come in for tournaments, offices, bathrooms, stairs that go up to a balcony for spectators, batting cages with temporary netting so that it can be adjusted with mobile pitching machines, and netting that can be taken to the ceiling where it opens to a wide open turf area. There was some discussion among the Mayor and Board in regards to the building placement, entrances, and color scheme of the building. Mayor Musselwhite stated that both Swinnea and Greenbrook Parkway are entrances, but Greenbrook Parkway would be considered the main entrance. Mayor Musselwhite stated that the building would be east and west which would make the entrance to the north toward the main gate. In regards to the color scheme, Mayor Musselwhite stated that this is a very simple constructed building with colors that are neutral to fit with what is there now. Alderman Payne expressed concerns about the building being an eyesore to all of the homes near the park. Mayor Musselwhite stated that the building would be in the center of the park. This project has been talked about since 2013 to give the girls their own space as they need their own training facility and in the very near future will go out to bid.

Highway 51 Intersection

Mayor Musselwhite stated that he bid on the project has been awarded and the process will begin in two weeks.

CITIZEN'S AGENDA

A citizen in the audience expressed concerns about the look of the home located at 2152 Colonial Hills. This citizen stated that the home owner is working on cars. Mayor Musselwhite explained that this address is in violation and is in the court process at this time.

WALGREENS COMMUNITY OFF-SITE CLINIC AGREEMENT TERMS AND CONDITIONS

I. WALGREENS' RESPONSIBILITIES

1.1 Covered Services. Subject to the limitations or restrictions imposed by federal and state contracts, laws, and regulations, and the availability of the appropriate immunization, Walgreens will provide the Covered Services to Participants. With respect to such Covered Services, the Parties will comply with the procedures set forth herein. When required by state law, Walgreens will require Participants to provide a valid prescription from their physician or allow the health care professional to contact their physician to obtain a valid prescription; however, for influenza immunizations, Walgreens will be responsible for obtaining standing orders from physicians. Participants will be required to complete a Walgreens' vaccine administration record and consent form before receiving an immunization.

1.2 Professional Indemnity. Walgreens may withhold Covered Services to a Participant for good cause, including but not necessarily limited to, Clients or Participants' (where applicable) failure to pay for Covered Services rendered; requests by Participant for services inconsistent with the legal and regulatory requirements; or where, in the professional judgment of the health care professional, the services should not be rendered.

1.3 Provision of Healthcare Professional. If the Parties agree in writing that Walgreens will provide Covered Services at off-site locations, Walgreens will provide Client with the appropriate number of qualified health care professionals and technicians to provide Covered Services at such off-site locations. Any requests for additional personnel will be subject to mutual agreement by the Parties and may require additional agreed upon fees to be paid by Client to Walgreens in accordance with this Agreement.

II. CLIENT'S RESPONSIBILITIES

2.1 Vouchers. If the Parties agree in writing that Walgreens will provide Covered Services upon receipt of a voucher, Client will provide Participants with a voucher (in a format agreeable to both Parties), which Participants may redeem at a participating Walgreens store location. Once the voucher is approved by both Parties it may not be modified. Client may not rescind, retract, reduce or deny payment owed to Walgreens for claims where Covered Services have been provided to its Participants, even if Client no longer considers the individual redeeming the voucher to be a Participant.

2.2 Off-Site Locations. **IMPORTANT** If the Parties agree in writing, that Walgreens will provide Covered Services at off-site locations, Client will provide Participants with notice of the dates, times and locations for such off-site locations and provide a private, clean room location, tables and chairs for Walgreens' personnel and Participants. Additionally, Client guarantees that an average minimum of 25 immunizations will be administered to Participants at each of Client's off-site locations per influenza season (August - April) ("Site Minimum"). If Walgreens determines that the Site Minimum is not achieved for the influenza season (determined by taking the total number of immunizations administered at all off-site locations divided by the number of off-site locations in such influenza season ("Site Average")), at Walgreens' discretion, it will invoice Client for the difference between the Site Minimum and Site Average multiplied by the number of off-site events. The sum of which will be multiplied by the lowest reimbursement rate set forth in Table in Attachment A and Client shall pay such amount within 30 days of being invoiced by Walgreens.

III. PAYMENT AND BILLING

3.1 Payment Method. For Covered Services where: (i) Participant provides evidence of coverage under third-party insurance or a government funded program (e.g., Medicaid) prior to the provision of Covered Services; (ii) and Walgreens is contracted such third-party insurance or government funded program, Walgreens will submit the claim for that Participant and any copayment, coinsurance, deductible owed by the Participant will be collected at the time of service or billed at a later date. If such evidence is not provided at the time of service, Walgreens will either, as agreed to by the Parties, collect from the Participant or invoice Client monthly at the lesser of the prices stated herein or the Usual and Customary Charge. If a claim for reimbursement is later denied, the Parties agree that Walgreens can seek reimbursement from the Participant. As used in this Agreement, "Usual and Customary Charge" shall refer to the amount charged to a cash customer for an immunization by the administering pharmacy at the time of administration, exclusive of: (i) sales tax; (ii) discounts claimed; and (iii) discounts provided for prescription drug savings card or other similar discounts. Client will reimburse Walgreens within 30 days from receipt of the monthly invoice and must be sent to the remittance address stated on the invoice. The invoice will contain the following data elements, and no further information will be provided: Group ID, store number, prescription number, patient name, recipient number, physician name, cost, service fee, copayment amount, sales tax, total charge, date of service, and drug name/NDC. At the time of payment, Client will provide Walgreens with a written explanation of the specific claims for which payment is made.

3.2 Late Payment. All sums owed by Client to Walgreens will bear interest of 1.5% per month from the date payment is due until paid; however, in no event will such interest rate be greater than the rate permitted by law. Client shall be solely responsible for any and all costs incurred by Walgreens in seeking collection of any delinquent amounts owed by Client. Walgreens may invoice Client for interest and costs due under this Section on a monthly basis and payment will be due within 30 days from receipt.

IV. TERM AND TERMINATION

4.1 Term and Termination. This Agreement will become effective on the Effective Date and shall continue in full force and effect for an initial term of one year. Upon expiration of the initial term, this Agreement will automatically renew for successive one-year terms. Either Party may terminate this Agreement at any time without cause by giving at least thirty (30) days' prior written notice to the other Party.

4.2 Effect of Termination. Termination will have no effect upon the rights or obligations of the Parties arising out of any transactions occurring prior to the effective date of such termination.

4.3 Waiver. No waiver by either Party with respect to any breach or default of any right or remedy and no course of dealing may be deemed to constitute a continuous waiver of any other breach or default or of any other right or remedy unless such waiver is expressed in writing by the Party to be bound.

V. INSURANCE AND INDEMNIFICATION

5.1 Insurance. Each Party will self-insure or maintain at its sole expense, and in amounts consistent with industry standards, such insurance as may be necessary to insure each respective Party, its employees, and agents against any claim or claims for damages arising out of or in connection with its duties and obligations under this Agreement. Walgreens will automatically name Client as Additional Insured under its applicable insurance policy(ies). Evidence of such insurance can be downloaded from Walgreens' website. Client will provide a memorandum or certificate of insurance coverage to Walgreens upon request.

5.2 Indemnification. To the extent permitted by law, each Party will indemnify, defend, and hold harmless the other Party, including its employees and agents, from and against any and all third-party claims or liabilities arising from the negligence or wrongful act of the indemnifying Party, its employees, or agents in carrying out its duties and obligations under the terms of this Agreement. This Section will survive the termination of this Agreement.

VI. GENERAL TERMS

6.1 Confidentiality of PHI. Both Parties warrant that they will maintain and protect the confidentiality of all individually identifiable health information specifically relating to Participants ("Protected Health Information") or "PHI" in accordance with the Health Insurance Portability and Accountability Act of 1996 and all applicable federal and state laws and regulations. However, nothing herein will limit either Party's use of any aggregated Participant information that does not contain PHI. This Section will survive the termination of this Agreement.

6.2 Advertising. Neither Party may advertise or use any trademarks, service marks, or symbols of the other Party without first receiving the written consent of the Party owning the mark and/or symbol with the following exceptions: Client may use the name and the addresses of Walgreens' locations in materials to inform Participants that Walgreens provides Covered Services. Any other reference to Walgreens in any Client materials must be pre-approved, in writing, by Walgreens.

6.3 Force Majeure. The performance by either Party hereunder will be excused to the extent of circumstances beyond such Party's reasonable control, such as flood, tornado, earthquake, or other natural disaster, epidemic, war, material destruction of facilities, fire, acts of terrorism, acts of God, etc. In such event, the Parties will use their best efforts to resume performance as soon as reasonably possible under the circumstances.

Re: Proposal for Actuarial Services
GASB 75 Valuation for FYE 9/30/2018 and 9/30/2019

Dear Mr. Chris Wilson:

We are pleased to present an engagement letter and cost proposal to the City of Southaven ("City") for actuarial analysis of the postemployment health plan in accordance with GASB 75.

The Governmental Accounting Standards Board ("GASB") released new accounting standards for retiree healthcare and other postemployment benefits ("OPEBs") under GASB Statement No. 75. GASB 75 replaces GASB 45, and makes significant changes to reporting requirements in the financial statements of public employers. Many of the new provisions parallel the requirements for pension plans under GASB 68.

The basic purpose of GASB 75 is to require that public entities measure and report the long-term costs of OPEBs. Since these benefits are a form of employee compensation, the GASB believes that they should be recognized as an expense as the employee earns them, rather than waiting until the employee retirees and the benefits are received.

The new standard, which will need to be implemented for the fiscal year ending September 30, 2018, requires public employers to recognize net OPEB liabilities directly in their financial statements, as a means of more effectively disclosing exactly what these benefits are meant to provide. Among other details, there are also additional disclosure requirements.

Proposed Services

GASB 75 requires a full actuarial valuation every two years, as long as there have not been significant changes. However, in the year where a full valuation is not required, there are still updates that need to be done. Therefore, we are providing a two-year proposal that will cover both the full actuarial valuation for the fiscal year ending September 30, 2018 and the interim year valuation for the fiscal year ending September 30, 2019.

Minutes, City of Southaven, Southaven, Mississippi

Mr. Chris Wilson
September 18, 2018
Page Two

Our services for September 30, 2018 will include a written report for the City with the following:

- Full actuarial valuation with development of the GASB 75 liabilities, including
 - Total OPEB Liability,
 - Reconciliation of Total OPEB Liability,
 - Annual OPEB Expense,
 - Deferred Outflows of Resources, and
 - Deferred Inflows of Resources;
- Actuarial information required for the Notes to the Financial Statement; and
- The Required Supplementary Information.

Our services for September 30, 2019 assume that there are no significant changes in the benefits and assumptions that will require a new actuarial valuation. Our written report will include the following:

- Roll-forward of the GASB OPEB liabilities with updated discount rate, including
 - Total OPEB Liability,
 - Reconciliation of Total OPEB Liability,
 - Annual OPEB Expense,
 - Deferred Outflows of Resources, and
 - Deferred Inflows of Resources;
- Actuarial information required for the Notes to the Financial Statement; and
- The Required Supplementary Information.

Proposed Cost

We are proposing a fixed fee of \$9,000 for the two-year period of September 30, 2018 and September 30, 2019. We will offer two options for payment – (1) one lump-sum payment for both years, due after the September 30, 2018 report is completed, or (2) a payment of \$4,500 after the September 30, 2018 report is completed, and \$4,500 after the September 30, 2019 report is completed.

For this engagement and any future engagements with the City, the attached terms of engagement will apply. If the terms of the engagement are acceptable, we request that you acknowledge your acceptance by signing and returning one copy of this engagement letter via email to bstentz@lewisellis.com or fax to (972) 850-0851.

If you have any further questions or need clarification on anything else, please feel free to contact me.

Sincerely,

Brian Stentz, ASA, MAAA
Assistant Vice President

OCR Letter to All Recipients

October 1, 2018

The Honorable Darren Musselwhite
City of Southaven
8710 Northwest Drive
Southaven, MS 38671-2410

Dear Mayor Musselwhite:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of federal funding to compliance with federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) is responsible for ensuring that recipients of financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) comply with the applicable federal civil rights laws. We at the OCR are available to help you and your organization meet the civil rights requirements that come with DOJ funding.

Ensuring Access to Federally Assisted Programs

Federal laws that apply to recipients of financial assistance from the DOJ prohibit discrimination on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in employment but also in the delivery of services or benefits. A federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

In March of 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013. The statute amends the Violence Against Women Act of 1994 (VAWA) by including a nondiscrimination grant condition that prohibits discrimination based on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity. The new nondiscrimination grant condition applies to certain programs funded after October 1, 2013. The OCR and the OVW have developed answers to some frequently asked questions about this provision to assist recipients of VAWA funds to understand their obligations. The Frequently Asked Questions are available at <https://ojp.gov/about/ocr/vawafaqs.htm>.

Enforcing Civil Rights Laws

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

Providing Services to Limited English Proficiency (LEP) Individuals

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <https://www.lep.gov>.

Ensuring Equal Treatment of Faith-Based Organizations and Safeguarding Constitutional Protections Related to Religion

The DOJ regulation, Partnerships with Faith-Based and Other Neighborhood Organizations, 28 C.F.R. pt. 38, updated in April 2016, prohibits all recipient organizations, whether they are law enforcement agencies, governmental agencies, educational institutions, houses of worship, or faith-based organizations, from using financial assistance from the DOJ to fund explicitly religious activities. Explicitly religious activities include worship, religious instruction, or proselytization. While funded organizations may engage in non-funded explicitly religious activities (e.g., prayer), they must hold them separately from the activities funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion, religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice. Funded faith-based organizations must also provide written notice to beneficiaries, advising them that if they should object to the religious character of the funded faith based organization, the funded faith-based organization will take reasonable steps to refer the beneficiary to an alternative service provider. For more information on the regulation, please see the OCR's website at <https://ojp.gov/about/ocr/partnerships.htm>.

SAAs and faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 34 U.S.C. § 10228(c); the Victims of Crime Act of 1984, as amended, 34 U.S.C. § 20110(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 34 U.S.C. § 11182(b); and VAWA, as amended, 34 U.S.C. § 12291(b)(13), contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

Using Arrest and Conviction Records in Making Employment Decisions

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: *Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013)*, available at https://ojp.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf. Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOPs) (see below).

Complying with the Safe Streets Act

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEOP (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), .205(c)(5)).

Meeting the EEOP Requirement

An EEOP is a comprehensive document that analyzes a recipient's relevant labor market data, as well as the recipient's employment practices, to identify possible barriers to the participation of women and minorities in all levels of a recipient's workforce. As a recipient of DOJ funding, you may be required to submit an EEOP Certification Report or an EEOP Utilization Report to the OCR. For more information on whether your organization is subject to the EEOP requirements, see <https://ojp.gov/about/ocr/eeop.htm>. Additionally, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 616-1771 or by e-mail at EEOPforms@usdoj.gov.

Meeting the Requirement to Submit Findings of Discrimination

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the OCR.

Ensuring the Compliance of Subrecipients

SAAAs must have standard assurances to notify subrecipients of their civil rights obligations, written procedures to address discrimination complaints filed against subrecipients, methods to monitor subrecipients' compliance with civil rights requirements, and a program to train subrecipients on applicable civil rights laws. In addition, SAAAs must submit to the OCR every three years written Methods of Administration (MOA) that summarize the policies and procedures that they have implemented to ensure the civil rights compliance of subrecipients. For more information on the MOA requirement, see <https://ojp.gov/funding/Explore/StateMethodsAdmin-FY2017update.htm>.

If the OCR can assist you in any way in fulfilling your organization's civil rights responsibilities as a recipient of federal financial assistance, please contact us.

Sincerely,

Michael L. Alston
Director

AWARD DATE 10/01/2018

SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2018 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2018 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2018 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2016, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after-- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2016, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

SPECIAL CONDITIONS

7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

8. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

9. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or 2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

10. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

11. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$150,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

12. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

13. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

14. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

15. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>.

SPECIAL CONDITIONS

21. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

22. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2018)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2018, are set out at <https://ojp.gov/funding/Explore/FY18AppropriationsRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

23. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 1425 New York Avenue, N.W. Suite 7100, Washington, DC 20530; and/or (2) the DOJ OIG hotline: (contact information in English and Spanish) at (800) 869-4499 (phone) or (202) 616-9881 (fax).

24. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

25. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

26. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

27. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

28. Cooperating with OJP Monitoring

The recipient agrees to cooperate with OJP monitoring of this award pursuant to OJP's guidelines, protocols, and procedures, and to cooperate with OJP (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) requests related to such monitoring, including requests related to desk reviews and/or site visits. The recipient agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP's monitoring activities may result in actions that affect the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to award funds; referral to the DOJ OIG for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

With respect to any information technology system funded or supported by funds under this award, the recipient (and any subrecipient at any tier) must comply with 28 C.F.R. 40. Submission of eligible records relevant to the National Instant Background Check System

Consonant with federal statutes that pertain to firearms and background checks -- including 18 U.S.C. 922 and 34 U.S.C. ch. 409 -- if the recipient (or any subrecipient at any tier) uses this award to fund (in whole or in part) a specific project or program (such as a law enforcement, prosecution, or court program) that results in any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the National Instant Background Check System (NICS), or that has as one of its purposes the establishment or improvement of records systems that contain any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS, the recipient (or subrecipient, if applicable) must ensure that all such court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS are promptly made available to the NICS or to the "State" repository/database that is electronically available to (and accessed by) the NICS, and -- when appropriate -- promptly must update, correct, modify, or remove such NICS-relevant "eligible records".

In the event of minor and transitory non-compliance, the recipient may submit evidence to demonstrate diligent monitoring of compliance with this condition (including subrecipient compliance). DOJ will give great weight to any such evidence in any express written determination regarding this condition.

41. Certification of Compliance with 8 U.S.C. 1373 and 1644 (within the funded "program or activity") required for valid award acceptance by a local government

In order validly to accept this award, the applicant local government must submit the required "State or Local Government: FY 2018 Certification of Compliance with 8 U.S.C. 1373 and 1644" (executed by the chief legal officer of the local government). Unless that executed certification either-- (1) is submitted to OJP together with the fully-executed award document, or (2) is uploaded in OJP's GMS no later than the day the signed award document is submitted to OJP, any submission by a local government that purports to accept the award is invalid.

If an initial award-acceptance submission by the recipient is invalid, once the local government does submit the necessary certification regarding 8 U.S.C. 1373 and 1644, it may submit a fully-executed award document executed by the local government on or after the date of that certification.

For purposes of this condition, "local government" does not include any Indian tribe.

SPECIAL CONDITIONS

42. Noninterference (within the funded "program or activity") with federal law enforcement: 8 U.S.C. 1373 and 1644; ongoing compliance

1. With respect to the "program or activity" funded in whole or part under this award (including any such program or activity of any subrecipient at any tier), throughout the period of performance, no State or local government entity, - agency, or -official may prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status as described in 8 U.S.C. 1373(a); or (2) a government entity or -agency from sending, requesting or receiving, maintaining, or exchanging information regarding immigration status as described in either 8 U.S.C. 1373(b) or 1644. Any prohibition (or restriction) that violates this condition is an "information-communication restriction" under this award.

2. Certifications from subrecipients. The recipient may not make a subaward to a State, a local government, or a "public" institution of higher education, unless it first obtains a certification of compliance with 8 U.S.C. 1373 and 1644, properly executed by the chief legal officer of the government or educational institution that would receive the subaward, using the appropriate form available at <https://ojp.gov/funding/Explore/SampleCertifications-8USC1373.htm>. Also, the recipient must require that no subrecipient (at any tier) may make a further subaward to a State, a local government, or a public institution of higher education, unless it first obtains a certification of compliance with 8 U.S.C. 1373 and 1644, properly executed by the chief legal officer of the government or institution that would receive the further subaward, using the appropriate OJP form.

3. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with the requirements of this condition.

4. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the recipient, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

5. Rules of Construction

A. For purposes of this condition:

(1) "State" and "local government" include any agency or other entity thereof, but not any institution of higher education or any Indian tribe.

(2) A "public" institution of higher education is defined as one that is owned, controlled, or directly funded (in whole or in substantial part) by a State or local government. (Such a public institution is considered to be a "government entity," and its officials to be "government officials.")

(3) "Program or activity" means what it means under title VI of the Civil Rights Act of 1964 (see 42 U.S.C. 2000d-4a).

(4) "Immigration status" means what it means under 8 U.S.C. 1373 and 8 U.S.C. 1644; and terms that are defined in 8 U.S.C. 1101 mean what they mean under that section 1101, except that "State" also includes American Samoa.

(5) Pursuant to the provisions set out at (or referenced in) 8 U.S.C. 1551 note ("Abolition ... and Transfer of Functions"), references to the "Immigration and Naturalization Service" in 8 U.S.C. 1373 and 1644 are to be read as references to particular components of the Department of Homeland Security (DHS).

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to OJP, before

43. Authority to obligate award funds contingent on noninterference (within the funded "program or activity") with federal law enforcement (8 U.S.C. 1373 and 1644); unallowable costs; notification
1. If the recipient is a "State," a local government, or a "public" institution of higher education:
- A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded in whole or in part with award funds is subject to any "information-communication restriction."
- B. In addition, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that would be reimbursed in whole or in part with award funds was subject to any information-communication restriction.
- C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) that is a State, local government, or public institution of higher education, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: 8 U.S.C. 1373 and 1644 and ongoing compliance."
- D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient at any tier that is either a State or a local government or a public institution of higher education, may be subject to any information-communication restriction. In addition, any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.
2. Any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.
3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... 8 U.S.C. 1373 and 1644 and ongoing compliance" award condition.
4. Rules of Construction
- A. For purposes of this condition "information-communication restriction" has the meaning set out in the "Noninterference ... 8 U.S.C. 1373 and 1644 and ongoing compliance" condition.
- B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference ... 8 U.S.C. 1373 and 1644 and ongoing compliance" condition are incorporated by reference as though set forth here in full.

Its provisions must be among those included in any subaward (at any tier).

1. Noninterference: No public disclosure of federal law enforcement information in order to conceal, harbor, or shield

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

4. Rules of construction

A. For purposes of this condition--

(1) the term "alien" means what it means under section 101 of the Immigration and Nationality Act (see 8 U.S.C. 1101(a)(3));

(2) the term "federal law enforcement information" means law enforcement sensitive information communicated or made available, by the federal government, to a State or local government entity, -agency, or -official, through any means, including, without limitation-- (1) through any database, (2) in connection with any law enforcement partnership or -task-force, (3) in connection with any request for law enforcement assistance or -cooperation, or (4) through any deconfliction (or courtesy) notice of planned, imminent, commencing, continuing, or impending federal law enforcement activity;

AWARD DATE 10/01/2018

SPECIAL CONDITIONS

45. Noninterference (within the funded "program or activity") with federal law enforcement: Interrogation of certain aliens

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by this award, as of the date the recipient accepts this award, and throughout the remainder of the period of performance for the award. Its provisions must be among those included in any subaward (at any tier).

1. Noninterference with statutory law enforcement access to correctional facilities

Consonant with federal law enforcement statutes and regulations -- including 8 U.S.C. 1357(a), under which certain federal officers and employees "have power without warrant ... to interrogate any alien or person believed to be an alien as to his right to be or to remain in the United States," and 8 C.F.R. 287.5(a), under which that power may be exercised "anywhere in or outside the United States" -- within the funded program or activity, no State or local government entity, -agency, or -official may interfere with the exercise of that power to interrogate "without warrant" (by agents of the United States acting under color of federal law) by impeding access to any State or local government (or government-contracted) correctional facility by such agents for the purpose "interrogat[ing] any alien or person believed to be an alien as to his [or her] right to be or to remain in the United States."

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction

A. For purposes of this condition:

(1) The term "alien" means what it means under section 101 of the Immigration and Nationality Act (INA) (see 8 U.S.C. 1101(a)(3)).

(2) The term "correctional facility" means what it means under the title I of the Omnibus Crime Control and Safe Streets Act of 1968 (see 34 U.S.C. 10251(a)(7)).

(3) The term "impede" includes taking or continuing any action, or implementing or maintaining any law, policy, rule, or practice, that--

(a) is designed to prevent or to significantly delay or complicate, or

(b) has the effect of preventing or of significantly delaying or complicating.

B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference (within the funded 'program or activity') with federal law enforcement: 8 U.S.C. 1373 and 1644 and ongoing compliance" award condition are incorporated by reference as though set forth here in full.

46. Noninterference (within the funded "program or activity") with federal law enforcement: Notice of scheduled release

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by the award, as of the date the recipient accepts the award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward at any tier.

1. Noninterference with "removal" process: Notice of scheduled release date and time

Consonant with federal law enforcement statutes -- including 8 U.S.C. 1231 (for an alien incarcerated by a State or local government, a 90-day "removal period" during which the federal government "shall" detain and then "shall" remove an alien from the U.S. "begins" no later than "the date the alien is released from ... confinement"; also, the federal government is expressly authorized to make payments to a "State or a political subdivision of the State ... with respect to the incarceration of [an] undocumented criminal alien"); 8 U.S.C. 1226 (the federal government "shall take into custody" certain criminal aliens "when the alien is released"); and 8 U.S.C. 1366 (requiring an annual DOJ report to Congress on "the number of illegal alien[felons] in Federal and State prisons" and programs underway "to ensure the prompt removal" from the U.S. of removable "criminal aliens") -- within the funded program or activity, no State or local government entity, -agency, or -official (including a government-contracted correctional facility) may interfere with the "removal" process by failing to provide -- as early as practicable (see para. 4.C. below) -- advance notice to DHS of the scheduled release date and time for a particular alien, if a State or local government (or government-contracted) correctional facility receives from DHS a formal written request pursuant to the INA that seeks such advance notice.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction

A. For purposes of this condition:

(1) The term "alien" means what it means under section 101 of the INA (see 8 U.S.C. 1101(a)(3)).

(2) The term "correctional facility" means what it means under the title I of the Omnibus Crime Control and Safe Streets Act of 1968 (see 34 U.S.C. 10251(a)(7)).

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, or any other entity or individual to maintain (or detain) any individual in custody beyond the date and time the individual otherwise would have been released.

C. Applicability

(1) Current DHS practice is ordinarily to request advance notice of scheduled release "as early as practicable (at least 48 hours, if possible)." (See DHS Form I-247A (3/17)). If (e.g., in light of the date DHS made such request) the scheduled release date and time for an alien are such as not to allow for the advance notice that DHS has requested, it shall NOT be a violation of this condition to provide only as much advance notice as practicable.

(2) Current DHS practice is to use the same form for a second, distinct purpose -- to request that an individual be

detained for up to 48 hours AFTER the scheduled release. This condition does NOT encompass such DHS requests for detention.

D. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference (within the funded 'program or activity') with federal law enforcement: 8 U.S.C. 1373 and 1644 and ongoing compliance" award condition are incorporated by reference as though set forth here in full.

47. Requirement to collect certain information from subrecipients

The recipient may not make a subaward to a State, a local government, or a "public" institution of higher education, unless it first obtains from the proposed subrecipient responses to the questions identified in the program solicitation as "Information regarding Communication with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE)." All subrecipient responses must be collected and maintained by the recipient, consistent with regular document retention requirements, and must be made available to DOJ upon request. Responses to these questions are not required from subrecipients that are either a tribal government/organization, a nonprofit organization, or a private institution of higher education.

SPECIAL CONDITIONS

48. Compliance with National Environmental Policy Act and related statutes

Upon request, the recipient (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA.

The recipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. The activities covered by this condition are:

a. New construction;

b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and

e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The recipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The recipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://bja.gov/Funding/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Condition to Recipient's Existing Programs or Activities: For any of the recipient's or its subrecipients' existing programs or activities that will be funded by these award funds, the recipient, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

49. Establishment of trust fund

If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish a trust fund account. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The trust fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the award funds in the trust fund (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.

SPECIAL CONDITIONS

50. Prohibition on use of award funds for match under BVP program

JAG funds may not be used as the 50% match for purposes of the DOJ Bulletproof Vest Partnership (BVP) program.

51. Certification of body armor "mandatory wear" policies

The recipient agrees to submit a signed certification that all law enforcement agencies receiving body armor purchased with funds from this award have a written "mandatory wear" policy in effect. The recipient must keep signed certifications on file for any subrecipients planning to utilize funds from this award for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any funds from this award may be used by an agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

52. Body armor - compliance with NIJ standards and other requirements

Ballistic-resistant and stab-resistant body armor purchased with JAG award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and is listed on the NIJ Compliant Body Armor Model List (<https://nij.gov/topics/technology/body-armor/Pages/compliant-ballistic-armor.aspx>). In addition, ballistic-resistant and stab-resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(c)(1)(A). The latest NIJ standard information can be found here: <https://nij.gov/topics/technology/body-armor/pages/safety-initiative.aspx>.

53. Body armor - impact on eligibility for other program funds

The recipient understands that the use of funds under this award for purchase of body armor may impact eligibility for funding under the Bulletproof Vest Partnership (BVP) program, a separate program operated by BJA, pursuant to the BVP statute at 34 USC 10531(c)(5).

54. Reporting requirements

The recipient must submit quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through OJP's GMS (<https://grants.ojp.usdoj.gov>). Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, the recipient must provide data that measure the results of its work. The recipient must submit quarterly performance metrics reports through BJA's Performance Measurement Tool (PMT) website (www.bjaperformancetools.org). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.

55. Required data on law enforcement agency training

Any law enforcement agency receiving direct or sub-awarded funding from this JAG award must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

56. Expenditures prohibited without waiver

No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.

SPECIAL CONDITIONS

57. Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after October 1, 2017

The recipient may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (October 1, 2017), however, the recipient may choose to incur project costs using non-federal funds, but any such project costs are incurred at the recipient's risk until, at a minimum-- (1) the recipient makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by OJP (via a Grant Adjustment Notice). (A withholding condition is a condition in the award document that precludes the recipient from obligating, expending, or drawing down all or a portion of the award funds until the condition is removed.)

Except to the extent (if any) that an award condition expressly precludes reimbursement of project costs incurred "at-risk," if and when the recipient makes a valid acceptance of this award and OJP removes each applicable withholding condition through a Grant Adjustment Notice, the recipient is authorized to obligate (federal) award funds to reimburse itself for project costs incurred "at-risk" earlier during the period of performance (such as project costs incurred prior to award acceptance or prior to removal of an applicable withholding condition), provided that those project costs otherwise are allowable costs under the award.

Nothing in this condition shall be understood to authorize the recipient (or any subrecipient at any tier) to use award funds to "supplant" State or local funds in violation of the recipient's certification (executed by the chief executive of the State or local government) that federal funds will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for law enforcement activities.

58. Use of funds for DNA testing; upload of DNA profiles

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS.

No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA.

Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS.

59. Three percent set-aside for NIBRS compliance

The recipient must ensure that at least 3 percent of the total amount of this award is dedicated to achieving full compliance with the FBI's National Incident-Based Reporting System (NIBRS), unless the FBI or appropriate State official has certified that the recipient locality is already NIBRS compliant, and evidence of this has been submitted to and approved by BJA. The recipient will be required by BJA to make revisions to budgets that do not clearly indicate what projects will be supported by this 3 percent set-aside, unless evidence of NIBRS compliance has been submitted to and approved by BJA. Recipients serving as fiscal agents for "disparate jurisdictions," (as defined at 34 USC 10156(d)(4)) have to pass this requirement through to in subawards to other localities in the disparate jurisdiction, so that each locality in a disparate jurisdiction group dedicates at least 3 percent of award funds to NIBRS compliance, unless, with respect to each locality in the disparate jurisdiction group, evidence of NIBRS compliance has been submitted to and approved by BJA.

62. Withholding of funds: Memorandum of Understanding

65. Withholding of funds: Program narrative

The recipient may not obligate, expend, or draw down any award funds until the recipient submits, and OJP reviews and accepts, the program narrative for this award, and a Grant Adjustment Notice (GAN) has been issued to remove this condition.

Memorandum To: Official Grant File

From: Orbin Terry, NEPA Coordinator

Subject: Incorporates NEPA Compliance in Further Developmental Stages for City of Southaven

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

- a. New construction;
- b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see <https://www.bja.gov/Funding/nepa.html>.

Please be sure to carefully review the grant conditions on your award document, as it may contain more specific information about environmental compliance.

COST PER COPY AGREEMENT TERMS AND CONDITIONS

This is a non-cancelable agreement

Page 2 of 2

Order # GOBN00

2. RENTAL AGREEMENT. You agree to rent the equipment described in this Cost per Copy agreement (collectively "Equipment"). This Agreement will begin on the commencement date listed in the Cost Per Copy Agreement (CPC). You agree to pay us any required Security Deposit when you sign this Agreement. Your CPC Payment consists of the Periodic Equipment Payment and the Periodic Supply Maintenance Payment. The Excess Charge Per Copy is the variable charge for maintenance services and supplies (as set forth in this Agreement) for copies in excess of Minimum Copy Requirement for the applicable period. Unless otherwise set forth in this Agreement, each CPC payment is due and payable monthly. The Minimum Monthly Payment is due whether or not you receive an invoice from us. Excess Charge Per Copy amounts are payable as invoiced by us following the end of each Billing Period. If in any period you make fewer copies than the Periodic Copy Requirement, you cannot carry over that amount to any other period.

You will provide us with accurate meter readings for each item of Equipment when and by such means as we request. YOU AGREE THAT WE MAY ESTIMATE THE NUMBER OF COPIES PRODUCED IF A METER READING IS NOT RECEIVED BY US WITHIN 5 DAYS OF THE DATE WE SPECIFY. IF AN ACTUAL METER READING IS RECEIVED WITHIN 90 DAYS OF THE BILLING DATE FOR THE EXCESS COPIES, AN ADJUSTMENT WILL BE MADE. NOTWITHSTANDING ANY ADJUSTMENT, YOU WILL NEVER PAY LESS THAN THE PERIODIC CPC PAYMENT. Single copy charges apply up to 8.5" x 14". For efficient and electronic meter reading, RJY utilizes specialized software that reports current meter readings on all print devices connected to your Network. Customer agrees that meters may be accessed and reported in this manner. Should the number of scans exceed the total of all prints and copies, we reserve the right to invoice these excess scans at \$.0025 per scan. You will make all payments required under this Agreement to us at the address we may specify in writing. Unless a proper exemption certificate is provided applicable sales and use taxes will be added to the Payment.

You also agree to pay \$35.00 for each returned check. Restrictive endorsements or additional terms on checks you send to us will not reduce your obligations to us.

3. CONNECTION TO COMPUTERS/NETWORKS. RJY offers complimentary installation of manufacturer print drivers and software for any connectable equipment listed in this agreement. Installation is performed by support personnel. Customer agrees to provide access and information required to complete the requested installation. Customer will provide all necessary network cabling required for installation. If RJY performs the installation/Connection, the customer agrees that RJY is responsible for only completing the installation and setup of the equipment listed in this agreement. The initial installation and any additional basic configurations are covered at no charge for the first 90 days under the condition that the customer has made no changes to their network during that period. Installations requiring extensive configuration will be quoted separately and performed upon request. After the initial 90 day period, any network connectivity support requested by the customer will be billed at RJY's then current charge rate for connectivity support.

4. TITLE; RECORDING. We are the owner of and will hold title to the Equipment. You will keep the Equipment free of all liens and encumbrances.

5. USE. You shall use the Equipment in a careful and proper manner in conformance with manufacturer's specifications and all laws, ordinances and regulations in any way relating to the possession or use of the Equipment. Customer represents that these products are NOT acquired for personal, family, or household purposes.

7. ASSIGNMENT. You agree not to sell, assign, transfer or sublease the equipment or your interest in this Agreement. We may, without notifying you, sell, assign, or transfer this Agreement and our rights to the Equipment. The rights of the assignee will not be subject to any claim, defense or set-off that you may have against us.

8. LOSS OR DAMAGE. You are responsible for any loss, theft, destruction of, or damage to the Equipment (collectively "Loss") from any cause at all, whether or not insured, until it is delivered to us at the end of this Agreement. You are required to make all CPC payments even if there is a Loss. You must notify us in writing immediately of any Loss. Then, at our option, you will either (a) repair the Equipment so that it is in good condition and working order, eligible for any manufacturer's certification, or

9. TAXES AND FEES. You agree to show the Equipment as "Leased Property" on all personal property tax returns. You will pay when due, either directly or to us upon our demand, all taxes, fines and penalties relating to this Agreement or the Equipment that are now or in the future assessed or levied by any state, local or government authority.

10. EQUIPMENT LOCATION; RETURN. You will keep and use the Equipment only at the Equipment Location shown in this Agreement. You may not move the Equipment without our prior written consent. You will provide adequate space and electrical services for the operation of the Equipment. You will not make any alterations, additions or replacements to the Equipment without our prior written consent. All alterations, additions or replacements will become part of the Equipment and our property at no cost or expense to us. Upon the expiration or earlier termination of this Agreement, you will deliver the Equipment to us, in good condition, full working order and in complete repair, except ordinary wear and tear. We will pick up the Equipment provided that the Equipment is in our servicing territory. If the Equipment is outside our servicing territory, you will crate, insure, and ship the Equipment, in good working condition, to us by means we designate, with all expenses to be prepaid by you. You will be responsible for any damage to the Equipment during shipping.

11. RENEWAL. Unless you give us at least 30 days written notice before the end of the initial term or any renewal term of this Agreement, this Agreement will automatically renew for an additional one year renewal term. During such renewal term(s) the CPC Payment will remain the same (subject to the annual adjustment provided in Section 2 above). We may cancel an automatic renewal term by sending you written notice 10 days prior to such renewal term.

13. YOUR PROMISES. In addition to the other provisions of this Agreement, you agree that during the term of this Agreement (a) you will promptly notify us in writing if you move your principal place of business, if you change the name of your business, or if there is a change in your ownership; (b) you will provide to us such financial information as we may reasonably request from time to time; and (c) you will take any action we reasonably request to protect our rights in the Equipment and to meet your obligation under this Agreement.

14. DEFAULT. You will be in default under this Agreement if any of the following events occur: (a) you fail to make any CPC payment or other sum when due; (b) you fail to comply with any other term or condition of this Agreement or any other agreement between us, or fail to perform any obligation imposed upon you relating to this Agreement or any such other agreement; (c) you become insolvent, you dissolve or are dissolved, you assign your assets for the benefit of your creditors, you sell, transfer or otherwise dispose of all or substantially all of your assets, or you enter (voluntarily or involuntarily) into any bankruptcy or reorganization proceeding; (d) without our prior written consent, you merge or consolidate with any other entity and you are not the survivor of such merger or consolidation; (e) any guarantor of this Agreement dies, does not perform its obligations under the guaranty, or becomes subject to one of the events listed in clause (c) above.

15. REMEDIES. In the event you default under this Agreement, as defined above, we will have the right to take ONE OR MORE of the following actions, in addition to any and all other remedies that may be available to us under law: (a) cancel this Agreement without prior notice or warning to you; (b) file a law suit against you to collect all past due amounts AND ALL AMOUNTS THAT WILL BECOME DUE IN THE FUTURE DURING THE UNEXPIRED TERM, plus the "residual value" of the Equipment as determined by us in our sole but reasonable judgment, plus all other fees, charges or amount that are then due, plus all of our reasonable legal costs, including but not limited to reasonable attorneys' fees, reasonable overhead for employee time spent on preparing for suit or attempting to collect payments and mitigate our damages; (c) repossess the Equipment or apply to a court for an order allowing repossession. In this event, you agree that, after the Equipment is repossessed, you will have no further rights in the Equipment, and you agree we may resell, re-lease or otherwise remarket the Equipment without notice to you. You agree (and you waive any rights that may provide to the contrary) that we will NOT be required to repossess, resell, re-lease or otherwise remarket the Equipment at any time, and that our failure to do so will not affect our other rights of collection and other rights under this Agreement or under law.
