# RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN OF THE CITY OF SOUTHAVEN, MISSISSIPPI TO AMEND 2019 BUDGET

he Mayor and Board of Aldermen of the City of Southaven, Mississippi (the "City"), considered be matter of amending the 2019 City Budget.

WHEREAS, pursuant to Miss. Code 21-35-25, the City desires to amend its 2019 budget;

WHEREAS, the City's actual collections and anticipated revenues will exceed the stimates; thus, the City desires to revise and increase the budget appropriation of such funds as et forth in Exhibit A; and

WHEREAS, the transfer from fund to fund, or from item to item, will not result in the expenditure of any money for a purpose different from that which was budgeted or collected; and

## NOW THEREFORE BE IT RESOLVED AS FOLLOWS:

nd

- 1. The City Board approves the budget amendment as set forth in Exhibit A and authorizes the Mayor or CAO or their designee to take any and all actions for such amendment.
- 2. If required, the City is authorized to publish within two (2) weeks of this action in the same manner as the final adopted budget. This publication shall contain a description of the amendment, the amount of money and funds affected, and a detailed statement explaining the need and purpose of the amendment. The vote of each member of the municipality's governing authority on each amendment shall be included in the publication or posted notice.
- 3. The Mayor or CAO or their designee are authorized to take all actions to further the effectuate the intent of this Resolution.

REMAINDER OF PAGE LEFT BLANK

Following the reading of the foregoing Resolution, Alderman Flores made the motion and Alderman Gallagher seconded the motion for its adoption. The Mayor put the question to a roll call vote, and the result was as follows:

Alderman William Brooks

voted: YES

Alderman Kristian Kelly

voted: YES

Alderman George Payne

voted: YES

Alderman Joel Gallagher

voted: YES

Alderman John David Wheeler

voted: YES

Alderman Charlie Hoots

voted: YES

Alderman Raymond Flores

voted: YES

RESOLVED AND DONE, this the5th day of February, 2019.

# RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN OF THE CITY OF SOUTHAVEN, MISSISSIPPI AUTHORIZING SINGLE SOURCE ITEM PURCHASE

WHEREAS, the City of Southaven Police Department ("City") is in need of Power DMS Software ("Software") so that the City Police can update its policies and procedures, track future updates, and ensure City officers have access at all times; and

WHEREAS, based on the need by the City Police of the Software as set forth in Exhibit A and the sole source letter and justification as set forth in Exhibit A, the City hereby approves the single source purchase of the Software from Power DMS pursuant to Mississippi Code 31-7-13(m)(viii); and

NOW, THEREFORE, BE IT ORDERED by the Board of Aldermen of the City, to wit:

- 1. Pursuant to Mississippi Code 31-7-13(m)(viii), the City Police Department is authorized to purchase the Software in the amount of \$7,477.74 as set forth in Exhibit A on a single-source basis.
- 2. The Mayor, City Police Chief or their designee(s) are authorized to spend funds, including grant funds and take all actions to effectuate the intent of this Resolution.

Following a reading of the foregoing resolution, Aldermen Payne made the motion and Alderman Kelly seconded the motion for its adoption. The Mayor put the question to a roll call vote and the result was as follows:

RE:

Sole Source approval for purchase

Honorable Mayor and Board,

I am requesting approval of the Sole Source letter for the purchase of Power DMS Software. Power DMS is the sole manufacturer and provider of this software, as evidence by the included documentation.

This software is an integral part of updating our Policies and Procedures, tracking future updates, and ensuring all officers have total access at all times. It is also necessary to perform and track our compliance for accreditation, in our effort to obtain State Accreditation.

Please see attached documentation.

Thank you for your consideration in this matter.

Respectfully,

Steven E. Pirtle Chief of Police

January 21, 2019

Re:

**Power DMS Software Summary** 

Chief Pirtle,

This software is very impressive and it has a lot to offer outside the scope of accreditation. Twenty-eight police departments in Mississippi currently use this software, including Desoto County, Olive Branch, Oxford and the University of Mississippi. Once we have access to the software, our accreditation project will move into high-speed since I will be able to start checking off specific tasks. The salesman emphasized that this software is extremely IT-friendly and it is operational within 24 hours of our purchase.

This software is a web-based document management storage system. This software maintains our policy manual, accreditation tracking, training materials, training certifications, equipment management and document storage such as memos, patrol forms, emergency plans, employee data and any other series of documents that we currently maintain hard copies. Each employee will have their own log-in and homepage, which allows them to participate in any area that we give them access to. The system appears to be very user-friendly. It is able to "read" all of the documents that we upload, which allows all content to be searchable with a Google-style search feature.

The quoted price for this software is \$7.47.44. This price includes 150 usernames, which should be enough for all sworn personnel, dispatch, records and Stephanie.

# Acreditation

### **MSLEAC Standards**

Despite all of the other excellent improvements that this software offers, this is the primary reason that we will be required to buy this software. This software connects to MSLEAC, which automatically links all of their required standards to our account. This allows us electronically highlight and link the portions of our policy that are connected to a particular standard in order to maintain our compliance (the links/highlights are visible on to admin accounts I believe). MSLEAC is able to view this information in order to ensure that we are up to date and in compliance. Furthermore, when MSLEAC changes a standard, the highlights will automatically show us which portions of our current policy are affected by the changes.

MSLEAC requires that we upload proof of our compliance for each standard, such as a sign-in sheet from in-service training, or otherwise. The document of proof is uploaded and linked to the relevant portion of our policy and the standards (this portion is visible only to those with administrator access).

**CALEA Compatible** 

This software is compatible with CALEA, which seems to be a natural progression after MSLEAC. Therefore, we would not have to start over with new software if we decide to pursue national accreditation in the future.

**Policy** 

Employee signatures and competency tests

Our policy manual would be stored on the PowerDMS website, visible only to our users. We have the option to require employees to electronically sign a particular policy, and even take a short quiz on the policy. The software maintains a record of these activities, which can be reproduced if SPD ever needs to defend its policy-training activities.

The PowerDMS salesman told me a short story about how this feature protected the Police Chief in Byram MS when an employee attempted to sue the department. It took the Chief only a few moments to access the software and prove the exact date and time that the employee read and signed the policy. The lawsuit was not pursued after this data was produced.

**Policy changes** 

As we edit our policy, the software highlights removed portions in red, edited/changed portions are highlighted in yellow and new content is highlighted in green. This feature also allows us to show which policy was in effect during a particular time period in the event that a dispute arises. We can display the highlights to all Officers for the purposes of clearly showing which portion of the policy has been changed. This will help them understand the change, and to help avoid a changed clause from being hidden or overlooked in the middle of a paragraph.

If we decide to change a policy, this software will alert us to any other areas of our policy which may be affected by the change. This feature prevents us from creating policies that conflict with each other.

**Group Access** 

We can create groups for SID, SWAT, patrol supervisors, administration and others so that they can have access to special orders or other documents (such as memos, plans, tasks, etc.) that are not intended for department-wide dissemination. As discussed in detail below, the training compliance feature can also be used to track employees' activities within these custom groups.

**Training** 

Compliance & Recertifications

This software tracks which individual employees are due for recertification and training on any topic we choose. This could be as simple as CEU hours, bi-annual firearm qualifications, remedial training, or attendance at the quarterly in-service sessions. The accreditation standards require us to re-train certain topics quarterly, bi-annually or annually, such as biased-based policing, etc. This software automatically flags an employee's name when they are past-

due for any training. The employee & supervisors receive alerts for the employee to complete the training.

**Fraining materials** 

The materials that we use during classroom training can be uploaded so that they are available for the employees to reference in the future should they want to study it or rely on it for guidance. Additionally, some of the less complex in-service topics and accreditation topics can be completed online at the employee's convenience instead of requiring them to attend classroom training for minor topics.

Training requests

Employees can use this software to send training requests to their supervisor. If it is approved, the request then moves forward to the training supervisor. Once the request is processed, the requesting Officer receives a notification with the details of the training (date/time/location, etc.). The pending request is flagged as "open" or "closed", which eliminates the need for the training supervisor to dig through old emails or shuffle through hard-copy memos to review the status of training requests.

Equipment

This software tracks any equipment that is issued to an Officer, down to their shoelaces if we choose. The status will show "checked out" or "returned" in order to help manage equipment distribution. If necessary, the software allows us to attach a photo of the equipment in its current condition at the time that it was issued.

# **Document Storage**

**Emergency plans** 

This software will allow us to upload all emergency plans into a file folder that is accessible on MDTs and the Officers' cell phones. During the software demo, the salesman showed me some examples of emergency plans that other agencies have created by using Google Map satellite images of schools, hotels, churches and other buildings. These images were used to show areas where Officers would stage, ideal locations to make entry, triage the wounded, additional exits to the building, etc. I assume some of these plans already exist under our SWAT Team, however the benefit of having these plans, and more, available to patrol is obvious.

Other data

We will be able to automatically create charts, tables and graphs for statistics that we will be required to track, such as applicant breakdown by race/gender/age, etc. vs. numbers of each hired, enforcement statistics against protected classes, pursuits, use of force, etc.

Please let me know if you have any specific areas of concern, or any questions that you would like me to follow-up on with the sales representative.

Respectfully,

Set. Matt Defore

# Re: Sole Source Letter

To Whom It May Concern:

PowerDMS serves over 3,000 customers in the fields of law enforcement, fire, corrections, health care and elsewhere. This letter confirms that PowerDMS is the only cloud-based software as a service ("SaaS") platform that combines document management, training management and accreditation management, and electronically links that content to alert users whenever a change may impact compliance. Other capabilities, including side-by-side comparison and Public Facing Document functionality are unique to PowerDMS and empower customer organizations to reduce risk, increase efficiency, and drive accountability by simplifying how they manage their most crucial content.

This letter also confirms that PowerDMS is the exclusive software option for demonstrating compliance with the accreditation standards for the following entities:

- Mississippi Law Enforcement Accreditation Commission
- Commission on Accreditation for Law Enforcement Agencies
- Accreditation Association for Ambulatory Health Care
- Commission for Florida Law Enforcement Accreditation
- South Carolina Law Enforcement Accreditation
- Maine Law Enforcement Accreditation Program
- Illinois Law Enforcement Accreditation Program
- Pennsylvania Law Enforcement Accreditation Program
- New Jersey Law Enforcement Accreditation Program
- Tennessee Law Enforcement Accreditation Program
- New Mexico Municipal League Accreditation Programs
- Texas Police Chiefs Association Accreditation Program

No software other than PowerDMS is authorized by all of these accrediting bodies as a means to achieve or prove compliance or attain accreditation.

PowerDMS, Inc. has not granted any third party or any PowerDMS affiliate any right to distribute, resell or provide PowerDMS or any similar or competing product. Additionally, PowerDMS remains the only source from which PowerDMS professional services may be purchased.

Sincerely,

Scott Shapiro

SVP, Sales

Power**DMS**

### **PowerDMS Overview**

PowerDMS DOCUMENT, TRAINING, CERTIFICATE, TEST, and SURVEY features provide a complete solution for the electronic maintenance and administration of written directives, personnel policies, interoffice memorandums and any other documents for which employees must be accountable. PowerDMS is often replacing a paper and physical policy and procedure book environment that are typically supported through a shared network drive within an organization.

Organization Administrators can manage all policies and other critical documents, track the revisions of the documents and control the version that is view by application users. PowerDMS enables customers to bridge all of their crucial content into a single application, and the supporting content can be delivered in its native format. The architecture of PowerDMS allows organizations to intelligently map content to both personnel and any regulatory body that may exist in the work environment.

PowerDMS Administrators can also utilize a report module to build reports on signature information based on a wide variety of search criteria. All reports can be exported into MS office products. Additionally, a master administrator may maintain sub-administrator accounts for those who work in set areas of policy, training, test and employee information maintenance to allow for additional functional autonomy.

PowerDMS' production and disaster recovery systems are maintained in secured SAS-70 type II and SOC 2 certified data centers in the United States with redundancy on all critical support elements (i.e. data, power, environmental controls, and fire suppression). These Tier I and Tier II data centers have 24/7 security. Customer data is backed up in secure systems both on-site and off-site. Data while at rest, as well as in transmission to and from our off-site storage facilities is encrypted with 256-bit encryption. In addition, the PowerDMS com application gives you the ability to back up your data yourself to you own on site servers—right from the application. PowerDMS has achieved the CJIS level of Security, (Criminal Justice Information System, managed by the FBI) which is recognized as the highest level of Data Security in the industry as it relates to data protection.

Upon purchase of PowerDMS, we deliver an implementation package that is specific to the needs of your organization. Our implementation team will work hand in hand with the customer to ensure a successful and timely launch of the application. PowerDMS will train your organization how to use PowerDMS start to finish in all verticals. Additional training can be purchased for future training in any vertical. Note: All system help features are electronic. Online help options includes, but are not limited to Show me how, Quick Sheets, Diagrams/flow graphs and Screen Shots, Video tutorials, Webinars, Basic and Advanced search function for key word/phrase searching.

All of the available self-paced resources work together with our Customer Support Call Center and after hours Emergency Support to ensure that the customer has every opportunity to achieve the best results and optimize the PowerDMS experience.

Our Customer Support Call Center is available to provide standard Helpdesk support (phone and email) between the hours of 8:00 am – 6:00 pm EST Monday through Friday, excluding public holidays. Services

include Level! how-to assistance with the application as well as Level II application break/fix assistance. Customer Care will respond to support any need or emergency that you may have. After hours and holiday emergency assistance is also available from our Customer Support Team. Support cases can be reported via phone or by email to our Customer Care Desk. Each call will be assigned a priority level and case number for tracking. All end users can call the help desk though some questions will be referred back to system administrator.

# PowerDMS creates Operational Excellence within the organization.

Document allows employees instant access to written directives from any web browser. When an employee reads a new or revised policy/procedure, they are prompted for their user name and password to create their electronic "signature" which is then stored in the database. Each user(s) has their own unique user ID or PW (or they use AD authentication) and anytime a user accesses a document the event log will record that event. When the users signs off on a document the system creates an electronic signature that gives a time and date stamp down to the second of when they signed the document. Electronic signatures are kept on all documents including archived versions of all documents. Employees will also have access to the organization's policies/procedures in a searchable database and will be able to do a full text search of any document maintained within the system.

PowerDMS uses SOLR search technology for its Intelligent searching/search box. Type a word, tag or part of a word/document/numerical code and the intelligent search box drops down with possible choices (documents, policies and procedures, memo's and more to choose from). Key word search will search the body of the document as well as the document type and subject for that keyword. You have the ability to search by document name; document type, subject type or tag. Document also allows your agency to distribute embedded images or video files to all employees at any time.

Employees' who are assigned documents for signature, can be notified via email notification (Alerts feature).

Document "marries" the following documents to a SQL database: HTML, Word, PowerPoint, Excel, Word Perfect, and PDF. In most cases, existing documents formats can be easily converted to work with PowerDMS Document feature. PowerDMS contains a hyperlinking and tagging system that allows customers to specifically tie content together by 'tagging' them with key terms they may use in the course of day to day business. Additionally, you can utilize the hyperlink to not only guide a user to a different document within the application but also to a different location outside of the application.

PowerDMS has an event log that tracks all activity within the PowerDMS site. Only your own Site Administrators have access to that information.

Accepted document file formats include Microsoft Word (.doc, .docx), Word Perfect (.wpd), Word Document Template (.dot), Portable Document Format (.pdf), Microsoft Excel (.xls, .xlsx), PowerPoint (.ppt, .pptx, .pps), and simple web pages (.html, .htm),(.flv) format for your video files. Windows Media Video (.wmv), Audio Video Interleave (.avi), Moving Picture Experts Group (.mpg,

.mpeg, .mp4), and QuickTime (.mov) files are also accepted, but may not play as well as an .flv file.(.png), Bitmap (.bmp), JPEG (.jpg, .jpeg), and Graphics Interchange Format (.gif).

TEST allows policy managers to create on-line tests and link/attach them to documents to demonstrate a higher level of proficiency or comprehension if you so choose. The test is displayed through the clients' web browser and can be viewed in a single question or page view format. If a test is linked to a document, users are given the opportunity to take the test before their "signature" can be applied to the document. The electronic signature is not written to the database until the user takes and passes the linked test. Each test is automatically graded and saved in the database for future review by administrators and participants if allowed. Tests can be given in several formats to include randomization of the questions and answers.

**SURVEY** allows you to quickly publish and distribute surveys to your employees and receive feedback in a statistical graph. Survey functions similar to Test, however Surveys can be assigned as anonymous responses, which often yield better participation.

CERTIFICATE and COURSE allows administrators to track certifications and professional credentials, track the on-going total amount of employee training hours and manage/automate the renewal cycles of your certifications and professional credentials. The PowerDMS application provides a great platform to deliver online training to employees with minimal disruptions to staffing and work place interruptions. This self-paced learning tool can help to ensure that all employees are well trained and proficient in their primary areas of responsibility.

The members of any professional organization, fulltime, part-time, and volunteer, cumulatively receive thousands of hours of training each year. This includes training about administrative policy, operational procedures, and state, federal and local laws. The employees of an organization must have good knowledge and understanding of policy, procedure and law, and they must be able to perform with a clear understanding of the proper application of these principles. Supervisors must be able to determine the status of training qualifications for each member of their work unit; they must also be able to plan strategically to secure and deliver the best training and certification(s) available for each member of their organizational component, while maintaining fiscal responsibility and the continuous delivery of services to the public.

PowerDMS offers a great platform in a comprehensive package to meet the needs or your organization. PowerDMS is large enough to meet the market demands, yet small enough to still be personal with our customers.

# RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN OF THE CITY OF SOUTHAVEN, MISSISSIPPI DECLARING SURPLUS PROPERTY

WHEREAS, the City of Southaven ("City") Police Department is presently in possession of a 2004 Chevrolet Suburban, VIN 3GNFK16Z84G343244, Asset #3481 ("Vehicle"), which is no longer viable for police use; and

WHEREAS, pursuant to Mississippi Code 17-25-25, it has been recommended by the City Police to the Mayor and Board of Aldermen that the Vehicle be declared as surplus and sold and/or disposed of as appropriate and in accordance with Mississippi Code 17-25-25, and removed from the fixed assets inventory; and

WHEREAS, the Mayor and Board of Aldermen are desirous of disposing of such Vehicle, as based on its condition, the Vehicle is no longer viable for City Police use, and amend its fixed assets inventory pursuant to State guidelines; and

NOW, THEREFORE, BE IT ORDERED by the Mayor and Board of Aldermen of the City of Southaven, Mississippi as follows, to wit:

- 1. The Vehicle be hereby declared as surplus property.
- 2. The City Police Chief and City Clerk's Office, or their designee, is hereby authorized and directed to follow Mississippi Code 17-25-25 for the disposition of the Vehicle.

Motion was made by Alderman Flores and seconded by Alderman Wheeler, for the adoption of the above and foregoing Resolution, and the question being put to a roll call vote, the result was as follows:

RE:

Sgt, Thomas Jones retaining weapon upon retirement

Honorable Mayor and Board,

Sgt. Thomas Jones is retiring from the Southaven Police Department on January 31, 2019 and entering into the PERS retirement system.

Sgt. Jones began his career with the Department on May 18, 1989. He has served the City and our citizens with dedication for the past 29 and 1/2 years as a Patrol Officer.

I request that he be allowed to maintain his assigned weapon, a Glock Gen 4 model 43, 9mm pistol bearing serial number ABSX792, as allowed by State Law section 45-9-131.

Thank you for your consideration in this matter.

Respectfully,

Steven E. Pirtle Chief of Police

### **PUBLIC NOTICE**

Pursuant to Miss. Code Ann. 67-1-72 notice is hereby given that application is being made for the following locations within the City of Southaven in DeSoto County, Mississippi to be recognized as a "Qualified resort area":

City of Southaven Snowden House – 6205 Snowden Lane, Southaven, Mississippi BankPlus Amphitheater – 6285 Snowden Lane, Southaven, Mississippi City of Southaven Tennis Center – 3750 Freeman Lane, Southaven, Mississippi

This application is being filed by the Mayor of Southaven, Mississippi.

The said application shall include a map marked to indicate the specific area under consideration as bereinabove described.

The reasons why the area should be declared a resort area are:

- 1. The above locations are located within the Memphis Metropolitan Area which has a population of 1.3 million people and attracts ten (10) million tourists annually.
- 2. The above locations host various events, such as concerts produced by Live Nation and tennis tournaments, throughout the year that attract visitors from all over the Southeastern United States.
- 3. Within a 30 mile radius of the area are historical, scenic and other tourist attractions such as Graceland, Beale Street, Mississippi River steamboats, National Civil Rights Museum, Memphis Zoo, Tunica Casino Resorts, Memphis International Airport, Peabody Hotel, Memphis trolley cars and horse carriages, Sun Studio and professional sports venues which regularly and customarily appeal to and attract tourists and vacationists in substantial numbers.

Approval of the described area as a resort area will permit the operation of open bars in the area. Expressions of Opinion are requested of residents in the area. Any person wishing to request a hearing before the Board of Tax Appeals on the resort status of the area described herein must request a hearing in writing and it must be received by the Department of Revenue within (15) fifteen days from the first date this notice was published. Requests shall be sent to Chief Counsel, Legal Division, Department of Revenue, P. O. Box 22828, Jackson, MS 39225. The title and address of the applicant is:

Darren Musselwhite, Mayor City of Southaven 8710 Northwest Drive Sputhaven, MS 38671

This, the  $5^{th}$  day of February, 2019.

This publication shall run on February 7, 2019 and February 14, 2019.

Late of first publication – February 7, 2019

# RESOLUTION FOR ASSESSING UNPAID SANITATION FEES

WHEREAS, the City of Southaven ("City") operates and maintains a garbage and rubbish collection system; and

WHEREAS, the City previously implemented a \$12.00 per month sanitation fee to defray the cost for the operating and maintaining of the garbage and rubbish collection system; and

WHEREAS, despite correspondence requesting that the City residents pay the sanitation fee and providing the residents the opportunity to address the City Board at previous City meetings, the residents listed at the properties on Exhibit A have failed to pay the sanitation fee; and

WHEREAS, the individuals were provided an opportunity for a hearing at the City Board Meetings regarding the delinquent assessments and chose not to attend the hearing; and

WHEREAS, the City desires to collect the sanitation fees from the individuals and in the amount as set forth in Exhibit A; and

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Board of Aldermen of the City of Southaven, Mississippi, as follows, to-wit:

- 1. Pursuant to Mississippi Code Section 21-19-2, the City Public Works Director and his staff are authorized to notify the Desoto County Tax Collector of the unpaid fees for those residents as set forth in Exhibit A. Upon receipt of the residents and addresses as set forth in Exhibit A from the City, the Desoto County Tax Collector shall not issue or renew a motor vehicle road and bridge privilege license for the motor vehicle owned by those individuals, unless such fees or charges, in addition to any other taxes or fees assessed against the motor vehicle, are paid.
- 2. In lieu of filing the assessments with the Desoto County Tax Collector, the City, pursuant to Mississippi Code 21-19-2, may file a lien on the property offered the sanitation service.
- 3. The Mayor, City Public Works Director and any of their designees are authorized to take any and all action to effectuate the intent of this Resolution.

After a full discussion of this matter, ALDERMAN Payne moved that the foregoing Resolution be adopted. The motion was seconded by ALDERMAN Kelly. Upon the question being put to a vote, Members of the Board of Aldermen voted as follows:

Alderman William Brooks	voted: YES
Alderman Kristian Kelly	voted: YES
Alderman George Payne	voted: YES
Alderman Joel Gallagher	voted: YES
Alderman John Wheeler	voted: YES
Alderman Raymond Flores	voted: YES
Alderman Charlie Hoots	voted: YES

RESOLVED AND DONE, this 5th day of February, 2019.

- The title to any and all products listed on the Sales Order remain with RJ Young Company (RJY) until full payment is received from your Invoices are payable upon receipt unless prior written approval is received from the RJY corporate offices.
- Without prior written approval of RJY you may not assign any of your rights or obligations under this Agreement or allow a lien or encumbrance of any kind to be placed upon any products for which you have not received title free and clear.
- 4. If payment is not paid when due, you will pay us a late charge of up to 15% of the amount of the payment or \$15.00 whichever is greater (or such lesser rate as is maximum rate allowed under applicable law). You also agree to pay \$35.00 for each returned check. Restrictive endorsements or additional terms on checks you send to us will not reduce your obligations to us.
- If payment is not paid when due, we will have the right to take ONE OR MORE of the following actions, in addition to any and all other remedies that may be available to us under the law: (a) cancel this agreement without prior notice or warning to you; (b) file a law suit against you to collect all past due amounts, plus all our reasonable legal costs, including but not limited to reasonable attorneys' fees, reasonable overhead for employee time spent on preparing for suit or attempting to collect payments and mitigate our damages; (c) repossess the Equipment or apply to a court for an order allowing repossession for any Equipment for which you have not received title free and clear.
- This Agreement, and other terms and conditions that you have acknowledged receipt of by signing this Sales Order, constitute the entre
   Agreement.
- 7. As a convenience to you and to further expedite this transaction for you, you agree that a photocopy, electronic image or facsimile of his Agreement which includes a photocopy, electronic image or facsimile of the signatures of both parties shall be as valid, authentic and legally binding as the original version for all purposes and shall be admissible in court as final and conclusive evidence of this transaction and of the execution of this document.

## **SMP AND/OR MAINTENANCE AGREEMENT**

The following terms and conditions are in addition to the General Terms and Conditions above.

- 8. Service includes both labor and material for adjustments, repairs and replacement of parts as necessitated by normal equipment usage. Also included are regularly scheduled preventive maintenance and emergency service subject to provisions. The charge is based on the original geographic installation location of the machine and RJY must be notified whenever the geographical location of the equipment is changed. If the equipment has been moved to a new RJY service zone, a new agreement must be reached. For efficient and electronic meter reading, RJY utilizes specialized software that reports current meter readings on all print devices connected to your Network. Customer agrees that meters may be accessed and reported in this manner. Should the number of scans exceed the total of all prints and copies, we reserve the right to invoice these excess scans at \$.0025 per scan. This agreement does not cover overhauls on the machine.
- Service calls will be made during normal business hours at the specified installation address. (Business hours are 8:00 a.m. to 5:00 pm. Monday to Friday). Travel and labor time on calls made other than during normal business hours will be charged to Customer at established overtime rates.
- 10. Meter cards or fax forms will be provided to the Customer for monthly or quarterly billings. If forms are not received by the required date, an estimated meter will be used for billing purposes.
- Customer agrees to make available a Meter Contact for training purposes in the use of the equipment and agrees to notify RJY of any change in the Meter Contact assignment.
- 12. Service will not be provided on equipment upon which there has been used unauthorized parts or supplies or that has been modified used by unauthorized personnel to repair or change said equipment. Master or drums will not be replaced under this agreement when damage is caused by operator abuse or error. An initial master or drum charge may be required on older equipment.
- 13. This agreement shall be effective on the date of delivery of equipment if new equipment, otherwise on the commencement date listed on the contract and shall continue for a period of 12 months from the date and will automatically renew for consecutive 12 month periods unless written cancellation notice is given by either party 30 days prior to the end of the then current term. In the event of cancellation of this agreement for any reason, unused supplies shall be the property of RJY, although Customer may purchase the supplies at the than prevailing retail rates. Customer agrees to pay the periodic charges and upon failure to do so RJY may (1) terminate the agreement, (2) refuse to service the equipment or furnish supplies, (3) recover damages as a result thereof.
- 14. At the end of each contract anniversary date, the rate charge can increase without written notice to allow for cost increases.
- 15. This agreement is not refundable or transferrable to a third party. If the equipment is traded in on new equipment, any unused portion of the contract period charge shall be prorated and credited to the Customer.
- 16. This agreement may not be assigned by Customer without the written consent of RJY. This instrument contains the entire agreement between the parties and cannot be altered or amended except by an instrument in writing signed by the parties hereto. Any agreement containing variations from the printed terms set forth herein must be accepted and counter-signed by an officer of RJY at its offices in Nashville, Tennessee.
- 17. Sales or use tax shall be added where applicable.

RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN
OF THE CITY OF SOUTHAVEN, MISSISSIPPI
ESTABLISHING THE WRECKER ROTATION
FOR THE CITY OF SOUTHAVEN FOR 2019
PURSUANT TO POLICE WRECKER ROTATION POLICY

WHEREAS, the City of Southaven ("City") previously adopted, via Resolution, on August 20, 2013, the City Police Wrecker Potation Policy ("Policy"); and

WHEREAS, the City Board adopted the Policy in order to establish certain and specific guidelines for those entities which tow vehicles at the request of the City Police Department, so that the City can ensure conformity and protection from liability, along with a specific and objective standard for being included on the wrecker rotation; and

WHEREAS, pursuant to the City Policy, the City desires to affirm the recommendation of the City Police Chief and City Deputy Police Chief as it relates to the 2019 wrecker rotation for the City; and

NOW, THEREFORE, BE IT ORDERED based on the vote by the Board of Aldermen of the City, to wit:

- The City Board hereby affirms and approves the recommendation of the City Police Chief and Deputy Chief for the City Police one year wrecker rotation for 2019 as set forth in Exhibit A.
- 2. The Mayor, Chief of Police or Deputy Chief of Police are hereby authorized and directed to take all actions, as set forth in the Policy, needed to effectuate the intent of this Resolution.

REMAINDER OF PAGE LEFT BLANK

Following the reading of the foregoing resolution, Alderman Flores made the motion to adopt the Resolution and Alderman Gallagher seconded the motion for its adoption. The Mayor put the question to a roll call vote and the result was as follows:

Alderman William Brooks voted: YES

Alderman Kristian Kelly voted: YES

Alderman George Payne voted: YES

Alderman Joel Gallagher voted: YES

Alderman John David Wheeler voted: YES

Alderman Charlie Hoots voted: YES

Alderman Raymond Flores voted: YES

Approval of 2019 SPD Rotation Wrecker list

Honorable Mayor and Alderman,

I request that the following Towing Companies be approved as the Towing Companies to be on the 2019 SPD Wrecker Rotation List. The companies did file applications, were inspected and found to be in full compliance with the Wrecker Rotation Policy;

- 1. Roberts Towing, LLC
- 2. Choice Towing, LLC
- 3. Auto Rescue
- 4. Glen's Garage
- 5. Gossett's Wrecker Service
- 6. Elite Towing and Transport DBA Griffith Towing

Thank you for your consideration in this matter.

Respectfully,

Steven E. Pirtle Chief of Police

### I. PURPOSE OF REGULATIONS

To establish policy, procedures and regulations for towing companies on the police wrecker rotation concerning towing service standards and to further ensure the safe and efficient removal, storage and safekeeping of any and all vehicles being towed and placed into custody of such towing companies at the request of the Southaven Police Department.

# II. DECLARATION OF POLICY

- A. It shall be the policy of the Southaven Police Department to establish a rotating wrecker call list, known as the Southaven Police Wrecker Rotation List, whose participants meet standards prescribed in this policy. The Office of Chief of Police shall have the authority and responsibility to ensure that facilities and that their drivers are qualified before authorizing inclusion on the Wrecker Rotation. Only towing companies meeting the following requirements may be placed on the Wrecker Rotation List.

  These requirements will ensure the following for the citizens who use the streets and highways in the City of Southaven:
  - 1. That the towing company is reputable, reliable and has qualified employees;
  - 2. That the towing company is properly licensed and insured; and
  - 3. That the towing company charges a fair, equitable and reasonable rate for services rendered.
- B. It shall further be policy to allow any qualified, as determined by this policy, towing company an opportunity to submit an application for inclusion on the Wrecker Rotation List.
- C. By submitting an application for inclusion on the Wrecker Rotation List, a towing company agrees and understands that the provisions contained in this policy shall strictly govern its initial inclusion and continuing inclusion on the Wrecker Rotation List.
- D. As inclusion on the Wrecker Rotation List is voluntary, a towing company or the City of Southaven may remove the towing company at any time.
- E. This policy shall be reviewed periodically by the City and the City shall reserve the right to amend, as deemed necessary, any part(s). If provisions are amended, notification will be made to all affected entities.

## III. APPLICATION PROCEDURES FOR INCLUSION AND RETENTION ON THE WRECKER ROTATION LIST

- A. All applications and forms necessary which need to be completed for inclusion on the Wrecker Rotation List shall be obtained from the Southaven Police Department.
  - 1. EACH form must be completed and forwarded to the Office of Chief of Police
  - 2. Inclusion on the Wrecker Rotation List is for a period of one year, and shall be reviewed annually to ensure regulations are met.
  - 3. Each year thereafter and no later than January 10<sup>th</sup>, towing companies desiring to remain on the Wrecker Rotation List shall resubmit ALL forms to the Office of Chief of Police. The forms shall be updated to reflect current information as it exists at the time of application.
  - 4. Upon change of ownership, the towing company will be removed from the Wrecker Rotation List. A towing company shall not assign its interest in the Wrecker Rotation List to a new owner.
- B. Towing Companies Shall:
  - 1. Be licensed in the City of Southaven to do business.
  - 2. Display a visible sign with the towing Companies name thereon at the site of the towing company.
  - 3. Must have a USDOT and MC number
  - 4. Maintain a minimum of two (2) years of towing and on site storage records for inspection by the Southaven Police Department upon request.
  - 5. Display the company name, address and phone number on invoices.
  - 6. Own / lease the towing equipment used in the performance of its towing services.
  - 7. Ensure that the towing company is independent of any other towing company, e.g., phone number(s), address, business license, storage facilities, etc., must not be the same as any other towing company.
  - 8. Ensure that the towing company's drivers possess a valid driver license with the proper class according to vehicle being operated. This applies to owners who drive towing vehicles as well as employees.

- 9. Provide a Driver/Insurance Qualification Form listing all employees who will be required to drive a towing vehicle. This shall contain the full name, driver license number, State of issuance and date of birth. This form shall be updated and submitted to the Office of Chief of police upon hiring a new driver.
  - a. During inspection of this form, a driver license check will be performed by the SPD, and if a driver is found to be revoked, suspended or cancelled, the towing company will be notified and the towing shall not allow the driver to operate any towing vehicle in response to a rotation call, until such time as the driver has satisfied all legal requirements for reinstatement and the license are reinstated, and the Office of Chief of Police has been notified in writing.
  - b. Notify the Office of Chief of Police in writing of any driver changes or actions committed by a driver which causes the driver's driver license to be suspended, revoked or cancelled.
  - c. If any driver is found to be operating a tow vehicle on a revoked, suspended or cancelled license with the owner's knowledge, this shall be cause for removal from the Wrecker Rotation List as well as additional charges that may be placed against the driver. If owner is notified by police of the driver license suspension, revocation or cancellation, the driver shall not be allowed to drive the tow equipment.
- 10. Notify the Office of Chief of Police , in writing, of convictions of any misdemeanors or felonies that involve crimes of violence, theft, fraud, sale/distribution of drugs, bodily injury and other crimes of dishonesty committed by its drivers.
- 11. At the request of the Board of Aldermen, the owner shall appear before the Board at a scheduled meeting.

#### C. FELONIES

1. Neither towing company owners, managers nor drivers shall be allowed to participate on the Wrecker Rotation List if they have been convicted of a felony.

#### IV. EQUIPMENT REQIREMENTS

A. Towing companies shall be responsible for the carrying of equipment for removal of glass and other debris from the road. The drivers are responsible for the removal of all debris from the road and right of way.

## B. | Emergency Equipment

- 1. At least one (1) functional, amber colored, and rotating or strobe type flashing type light shall be permanently mounted on the top of the towing vehicle. LED lights are permissible. All emergency flashers and directional lights showing to the front must be amber in color.
- 2. Alternating headlight flashers are not allowed to be used when responding to a scene nor in general transport of vehicles.
- 3. Sirens on towing vehicles are prohibited.

## C. Additional Required Equipment

- 1. At least one (1) heavy duty push broom
- 2. One (1) shovel
- 3. One (1) pry bar or crowbar
- 4. One (1) set of bolt cutters
- 5. Minimum of (1) 50 lb. bag of a fluid absorption compound
- 6. One (1) light bar. Any towed vehicle must be capable of displaying all lights on the rear of the vehicle when being towed on the sling or stinger. The light bar must consist of two (2) tail lamps, two (2) stop lamps and two (2) turn signals and all must be fully operational.
- 7. At least one hundred (100) feet of cable or ability with additional equipment such as chains to reach required distance
- 8. All towing vehicles shall display the towing company's name and address, as well as their USDOT number.

### D. Inspections

The tow company shall have their tow vehicle inspected by a DOT certified inspector annually.

#### V. INSURANCE

A. Each towing company assumes liability for personal injury or property damage resulting from a towing company's employee's intentional or negligent act(s) from the time contact is made with any vehicle to be towed. Each towing company shall indemnify and hold harmless the City of Southaven from any and all claims made as a result of the tow company's actions.

- B. Each towing company shall maintain the following insurance policies for the minimum amounts set forth in this section. Each policy shall be in the name of the towing company or the towing company's owner name, and shall include coverage for towing and storage. The policy shall be in effect for at least six (6) months.
  - 1. A certificate of insurance shall be filed with the Office of Chief of Police before a towing company is placed on the Wrecker Rotation List. Certificates of insurance must be itemized to indicate the amounts of liability, garage keepers and on-hook liability. The policy must also disclose all of the towing vehicles covered under the policy. Nothing shall preclude a towing company from obtaining coverage in excess of these amounts. The City of Southaven shall be listed as an additional insured on the certificate of insurance.
  - 2. For purposes of this policy, the following definitions shall apply;
    - a. <u>Vehicle Liability</u> Insurance that pays for damages due to bodily injury and property damage to others for which the towing company is responsible.
    - b. <u>Garage Keepers Liability</u> Insurance that protects a garage keeper against liability for damage to vehicles in his/her care, custody, control.
    - c. On Hook Coverage Insurance that will normally pay to repair or replace a vehicle that the towing company did not own if it is damaged by a collision, fire, theft, explosion or vandalism while it is being towed.
  - 3. Liability coverage must be equal to the minimum amounts below. Insurance may be provided in a single policy or separate split policies. Regardless of the type of policy or policies, the total amount of coverage must be equal to those amounts, per incident.
    - a. Minimum vehicle liability amounts \$ 300,000
    - b. Minimum garage keeper's liability \$ 75,000
    - c. Minimum on hook coverage \$ 75,000

### C. Insurance Renewal

- 1. Towing companies' certificate of insurance shall be submitted to the Office of Chief of Police no later than ten (10) days prior to expiration of the current certificates.
- 2. The owner of the towing company shall notify the Office of the Chief of Police in writing of any changes in any certificate throughout the annual cycle.

## VI. PLACE OF BUSINESS AND STORAGE FACILITY

- A. The towing company must have an established commercial business site within the City of Southaven, building and storage area located within the city limits of Southaven and must have an applicable and relevant business license issued by the City of Southaven. All aforementioned requirements in this paragraph A shall have been in effect a minimum of two (2) years prior to application
- B. The location must be in compliance with zoning regulations, pass all building codes and be in compliance with Use and Occupancy inspections.
- C. The towing company must be equipped to provide adequate an storage lot or building for proper, safe and secure storage of all vehicles towed at the request of the SPD.
- D. The towing company's place of business shall be staffed, between the hours of 8 a.m. and
  5 p.m., Monday through Friday, excluding legal holidays.
- E. No two (2) or more towing companies will be permitted to share the same office building or storage lot.
- F. It is prohibited for two (2) or more towing companies owned by the same individual(s), partnership or Parent Corporation to be on the Wrecker Rotation List. Only one (1) may be on the list at a time.

#### VII. CALLAND NOTIFICATION PROCEDURES

- A. The towing company must be available 24 hrs./day, 7 days/week.
  - Towing companies are restricted to a maximum of two (2) telephone numbers on the Rotation List. Pagers, answering services and beepers are not permitted. Cell phones are permitted.
  - 2. If the SPD receives a busy signal or voicemail, the next scheduled towing company will be called and the first called towing company will lose its turn.
  - 3. When the towing company is called, they should answer "Yes" or "No" when asked if they can respond.
  - 4. A towing company shall not refer a call to another towing company or substitute another company's vehicle to avoid losing its turn on the list.
- B. The towing company must make the scene within 20 minutes of the call during the day, and within 30 minutes of the call at night.
  - 1. If the towing company fails to respond in the allotted amount of time, the next scheduled towing company will be called and the first will lose its turn.

#### VIII. SERVICE PROCEDURES

- A. Towing companies shall not monitor the scanner and make the scene of calls, prior to being called by the dispatch center
- B. No towing company will tow a vehicle from an accident scene prior to police arrival.
- C. Towing companies who may have other lots in other cities shall not tow a vehicle to any of the other lots, they must be towed to their lot in Southaven. The only exception will be if the call is a motorist assist.
- D. A towing company shall not perform repair work on a towed vehicle without the owner's written consent.
- E. Personal property or cargo contained in towed vehicles must be released to the owner/designee upon their request, unless otherwise ordered by an SPD officer. Personal property is defined as anything that is not physically attached or mounted to the towed vehicle. Such items may include, but not limited to, clothing articles, tools, CD's, personal items in glove boxes or consoles. The towing company shall not charge for releasing personal property during normal business hours.
- F. Anytime personal property is released from a vehicle, the date and time of release and whom release made to should be noted on the original invoice.
- G. Towing company drivers/employees shall not wear exposed firearms at any scene while performing their duties. While those possessing a valid Firearms permit are allowed to legally carry a firearm, the concealed carry law must be followed.
  - H. When a "HOLD" has been placed by an SPD officer on a vehicle towed on the rotation, the towed vehicle shall be placed in an area of the storage facility that is not accessible to the general public, and no one is to be allowed access to the vehicle except the proper law enforcement officers, until such time as the hold has been released.

## IX. TOWING AND STORAGE RATE and LIABILTY for PAYMENT

- A. Tow rates are not to exceed the \$ 125.00 basic fee.
- B. There shall be no charge for normal cleanup. A normal clean up includes, but is not limited to, removal of glass, vehicle parts and vehicle body parts, vehicle fluids, etc.
- C. Storage rate is not to exceed \$ 30.00 per day. Storage fees are for a 24 hour period and shall be prorated for the first 24 hours after the vehicle is towed.

- D. When tow companies are called to tow motorist with mechanical problems (assist motorist), the company will be allowed to tow the vehicle to a different location other than the storage lot, at the vehicle owner's/driver's request. When this occurs, this becomes a contract between the tow company and the vehicle owner/driver, therefore the tow company may add additional charges above the basic rate.
- E. For times that the tow company responds to the scene and they are delayed from retrieving the vehicle due to functions to be performed by emergency personnel, they may charge an extra fee. The hourly charge of \$ 45.00 will start after the first ½ hour of waiting the towing.
- F. Administrative fees made be added for the cost of obtaining title information, posting legal ads, mailing certified letters, etc., on vehicles that have been on the tow company's property, unclaimed, for the amount of time required by MS State law concerning abandoned vehicles.
- G. | Liability for payment of fees;
  - By inclusion on the Wrecker Rotation List, towing companies agree that the Southaven Police Department and the City of Southaven will not be responsible for any fee/charge associated with the removal, recovery, towing or storage of a vehicle the company has towed as a result of a rotation call.

#### X. COMPLAINTS and INVESTIGATIONS

- A. A towing company that violates any part of this policy may be removed permanently or suspended from participation on the Wrecker Rotation List for a period of time. Policy violations will be investigated by the Police Department and the findings submitted to the Board of Aldermen. Suspension or removal from the rotation list will be determined by the Board of Aldermen
- B. The owner of a vehicle towed may file a written complaint and submit it to the Police Department for investigation. The complaint will be investigated and if any violations are found to have occurred, those findings will be submitted to the Board of Aldermen for a disposition or possible action taken against the towing company.

#### XI. Application

A. These policies do not apply to heavy, or class D wreckers or the handling of those type calls for service. A class D wrecker handles the towing of large trucks such as semi tractors and trailers.

#### SPD WRECKER ROTATION POLICY Amendment 02/05/2019

Page 2, Section III, Subsection A (4)

#### STRIKE:

Upon change of ownership, if the new owner desires to remain on the Wrecker Rotation List, they must complete and submit all application forms for consideration. Rotation calls will be suspended during the application process. A towing company shall not assign its interest in the Wrecker Rotation List to another company.

### **CHANGE TO:**

Upon change of ownership, the towing company will be removed from the Wrecker Rotation List. A towing company shall not assign its interest in the Wrecker Rotation List to a new owner.

Page 6, Section VI, Subsection F

#### STRIKE:

When an individual owns more than one (1) towing company, it may be permissible for each company to be included on the rotation list, if the entities have different locations, licenses and separate filings with the Mississippi Secretary of State.

#### **CHANGE TO:**

It is prohibited for two (2) or more towing companies owned by the same individuals, partnership or Parent Corporation to be on the Wrecker Rotation List. Only one (1) may be on the list at a time.

# City of Southaven Office of Planning and Development Subdivision Staff Report

Date of Hearing:	January 28, 2019
Public Hearing Body:	Planning Commission
Applicant:	Gardens of Belle Pointe, LLC
	Tim Paxton
	3650 Southwind Park Cove
	Suite 110
	Memphis, TN 38125
	901-870-6849
Total Acreage:	21.11
Existing Zone:	Planned Unit Development (Gardens of Belle
	Pointe)
Location of Subdivision Application	North of Church Road, east of Getwell Road
Comprehensive Plan Designation:	Low density residential

### **Staff Comments:**

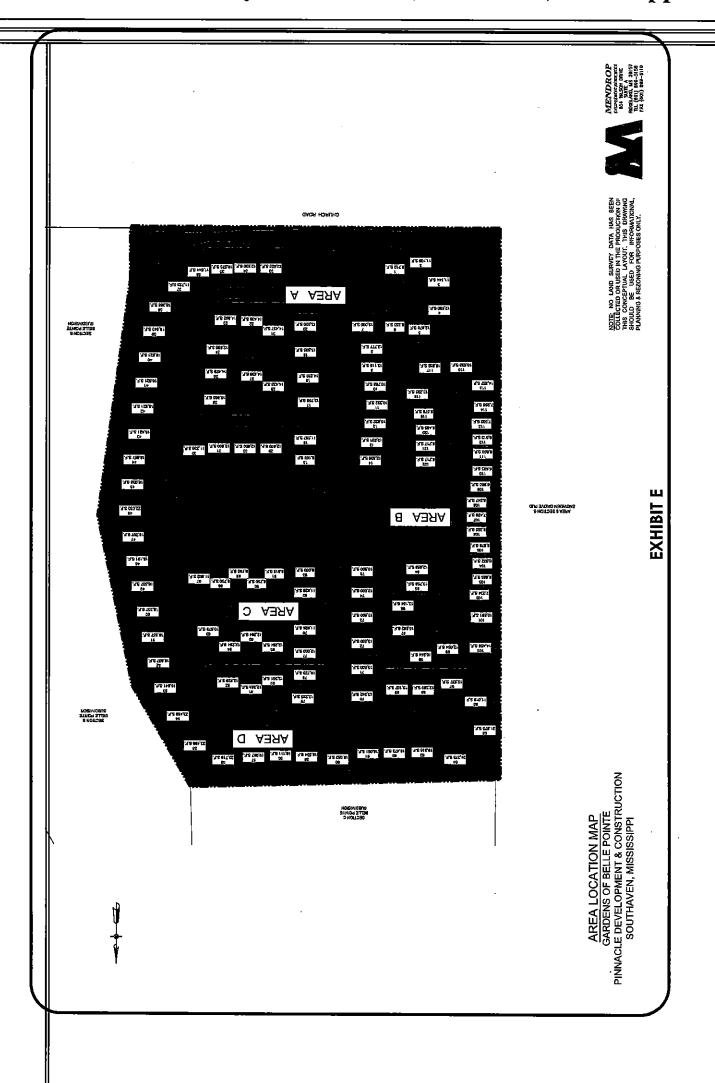

The applicant is requesting subdivision approval for Gardens of Belle Pointe on the north side of Church Road, east of Getwell Road. This phase consists of 21.11 acres with 43 lots ranging in size from 6,400+ sq. ft. to 19,000+ sq. ft. and a heated square footage minimum ranging from 1,800 to 2,450. This proposed phase includes lots from three different areas approved in the PUD.

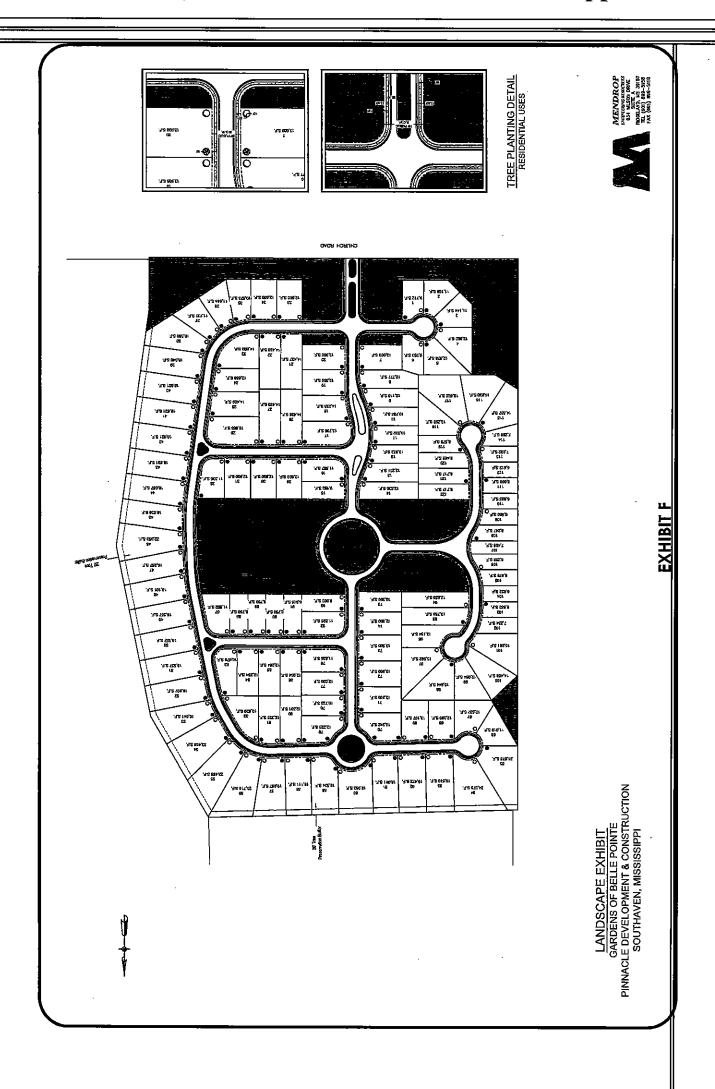

- Area A is an extension from the already approved phase 1 which are the lots shown on "street A" with lots ranging in size from 12, 600 sq. ft. 16,865 sq. ft. with a minimum of 2,000 heated sq. ft. There are 7 lots in this area.
- Area B is the 55+ section of the PUD that was approved on the west side of the development adjacent to Snowden Grove PUD. This area is shown with two coves that are accessed from the center roundabout and two common open spaces. These lots range in size from 6,400 sq. ft. to 19,453 sq. ft. and have a heated square foot minimum of 1,800.
- Area D is the portion of the development that is on the eastern side of the site directly adjacent to the Belle Pointe Subdivision. These lots range in size from 18,614 sq. ft. to 22,456 sq. ft. and have a heated square foot minimum of 2,450.

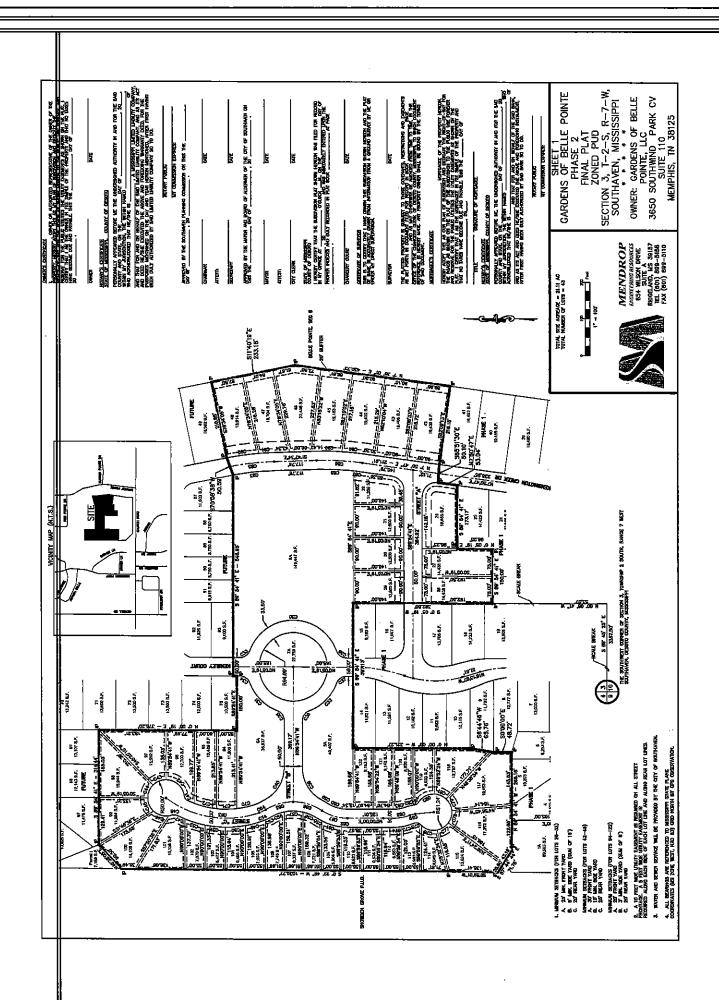

There are four common open spaces associated with this phase including the roundabout, the detention pond/park area and the two open space areas at the entry point of the 55+ area. The COS lots are shown with a lot number and an "A" to differentiate between them and buildable lots.

Since these are new roads, the applicant will need to supply staff with the road names so that we can get them approved by emergency services. The proposed layout and minimums have been met by the applicant per the PUD text. Staff has no further comments and recommends approval.

# City of Southaven Office of Planning and Development Subdivision Staff Report

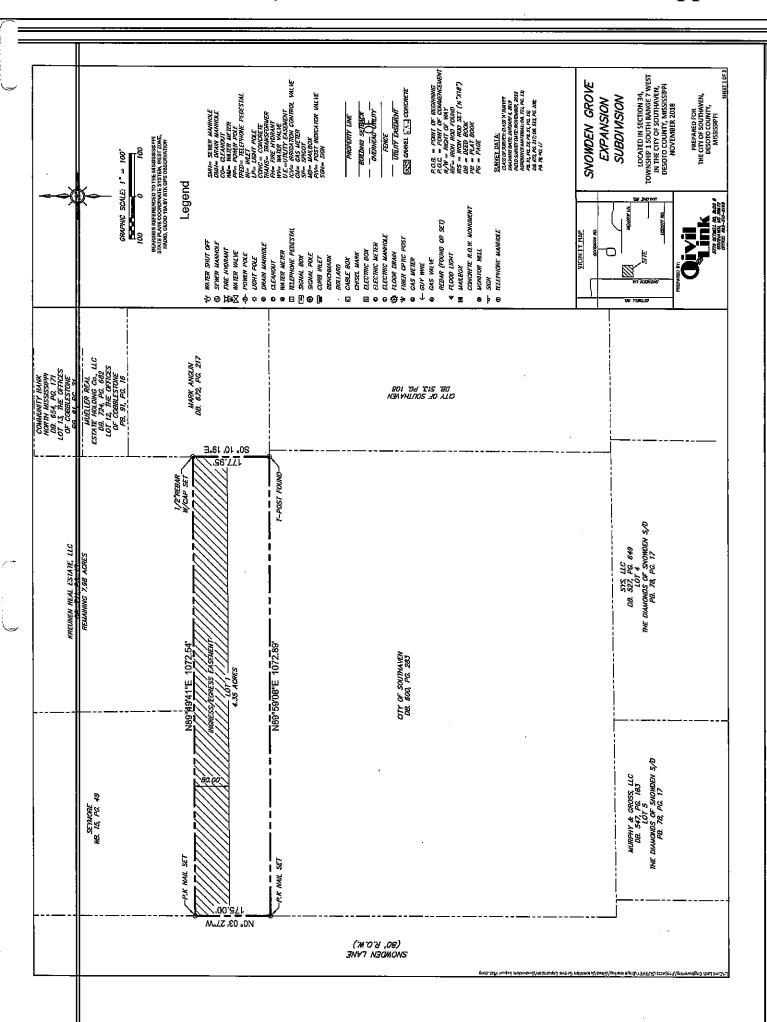

Date of Hearing:	January 28, 2019
Public Hearing Body:	Planning Commission
Applicant:	City of Southaven c/o Whitney Choat-Cook 8710 Northwest Drive Southaven, MS 38671
	662-393-0111
Total Acreage:	4.35 acres
Existing Zone:	Planned Unit Development (Gardens of Snowden)/commercial underlying use
Location of Subdivision Application	East side of Snowden Lane, south of Goodman Road
Comprehensive Plan Designation:	Planned Commercial (C-4)

### **Staff Comments:**

The applicant is requesting subdivision approval for a one lot subdivision encompassing 4.35 acres of property on the east side of Snowden Lane, south of Goodman Road. The property is adjacent to the City of Southaven park expansion area of Snowden Grove. There is an eighty (80) foot wide ingress/egress on the north end of the lot that extends from the western boundary line to the eastern boundary line to allow future access to the remaining area of the overall Kruenen parcel to the north.

#### **Staff Recommendations:**

The request has met the bulk regulations set forth in the ordinance; however, staff will not make a recommendation since it is the city of Southaven requesting this subdivision.

# City of Southaven Office of Planning and Development <u>Design Review Staff Report</u>

Date of Hearing:	January 25, 2019
Public Hearing Body:	Planning Commission
Applicant:	Henderson Funeral Home
	c/o Cedric Burnett PO box 469
	Tunica, MS 38676
Total Acreage:	2.63 acres
Existing Zone:	Planned Commercial (C-4)
<b>Location of Design Review Application</b>	Northwest corner of Getwell Road and Dove
	Meadow Lane
Comprehensive Plan Designation:	Planned Commercial
	·

#### **Staff Comments:**

The applicant is requesting design review approval for a funeral home to be located on the northwest corner of Getwell Road and Dove Meadows Lane. The following items were submitted:

#### **Building Elevations:**

The applicant is proposing to be the building to be designed as a residential style structure of solid brick shown as Macon which is a darker brown in color with a dark buff mortar. The corners of the building have added coins to give further depth to the brick line. The roof is a multi-dimensional hipped roofline with finial caps shown with architectural shingles in Weathered Wood. The trim and gutter lines areas are painted in Van Dyke Brown and the garage doors are shown in Musket Brown. The windows are paned with decorative arches and faux cedar shutters. The main entrance along Getwell Road is shown as a windowed entrance with a brick arch around the door way with decorative sconces on each side. Faux dormer windows have been added above the front elevation roofline to give the appearance of a second story. The drive through canopy has a covered breezeway from the main building which carries over to a separate structure also shown with a hipped roof and bricked columns. The dumpster is situated in the northwest corner of the site and per the drawing has a gated access but it is unclear to staff as to what the dumpster screen is constructed of.

The applicant has submitted the following landscape materials: Shade trees- Red Oaks and White Ash @ 3.5" caliper Ornamental trees- Leland Cypress B&B, Kwanza Cherry 10'-12' high, Natchez Crape Myrtle 10' high, Purple Leaf Plum 8'-10' high

Shrubs: Red Tip Photina and Dwarf Yaupon at 3 gallons in size

Grasses: Big Blue Liriope and Bermuda sod and seed

The applicant has place clusters of three Red Oaks along the Getwell Road frontage and along Dove Meadows Lane. On the back of the site where the property abuts the existing residential lots the applicant has placed a staggered line of Leland Cypress which is a thick evergreen tree producing a live fence. Around the perimeter of the building in the landscape medians the applicant has incorporated the shrubs and grasses. The parking lot to the south end of the site along Dove Meadows Lane has also incorporated a landscape design to include a double row of the Red Tip Photina place 10' OC. The dumpster which is located in the northwest corner is screened by the Red Tip Photina also.

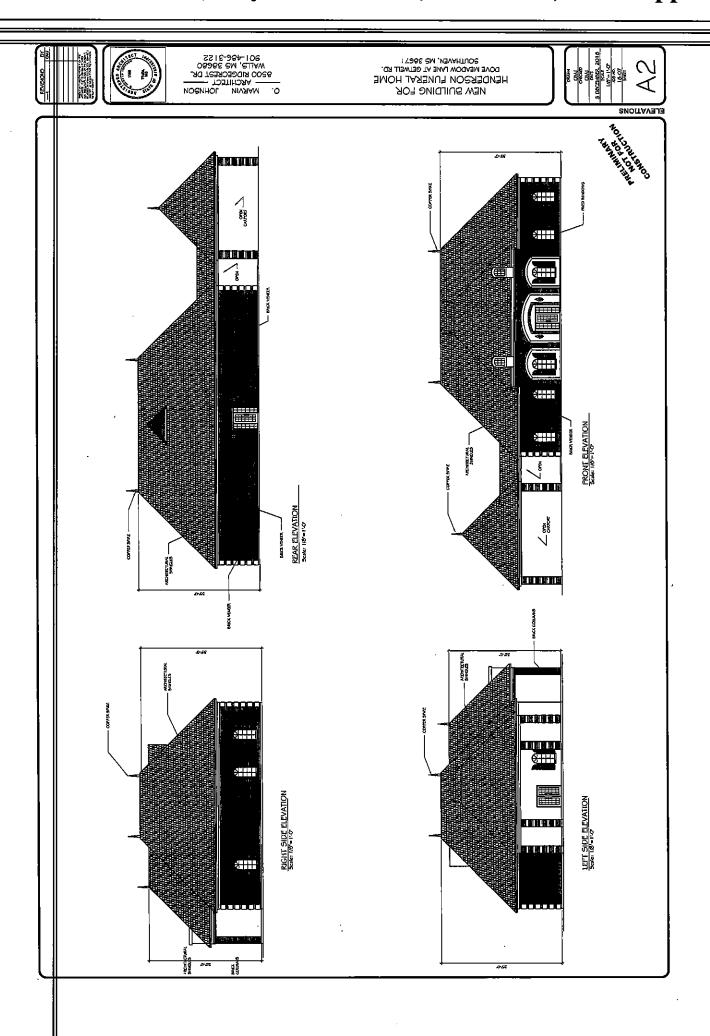

The applicant has submitted the photometric plan which shows two types of lighting for the site. The city standard decorative acorn light has been proposed along Getwell with a total of five (5) lights. Five (5) additional lights are being shown on the site plan which are standard shoebox fixtures for security in the parking lot.

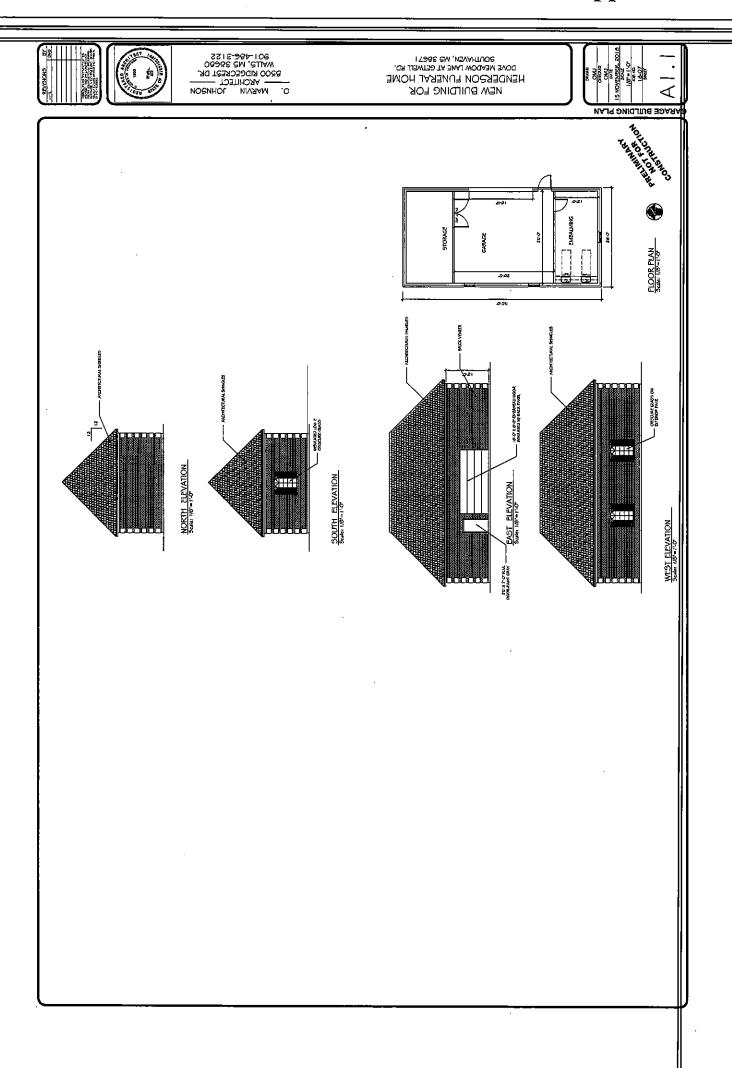

#### Staff Recommendations:

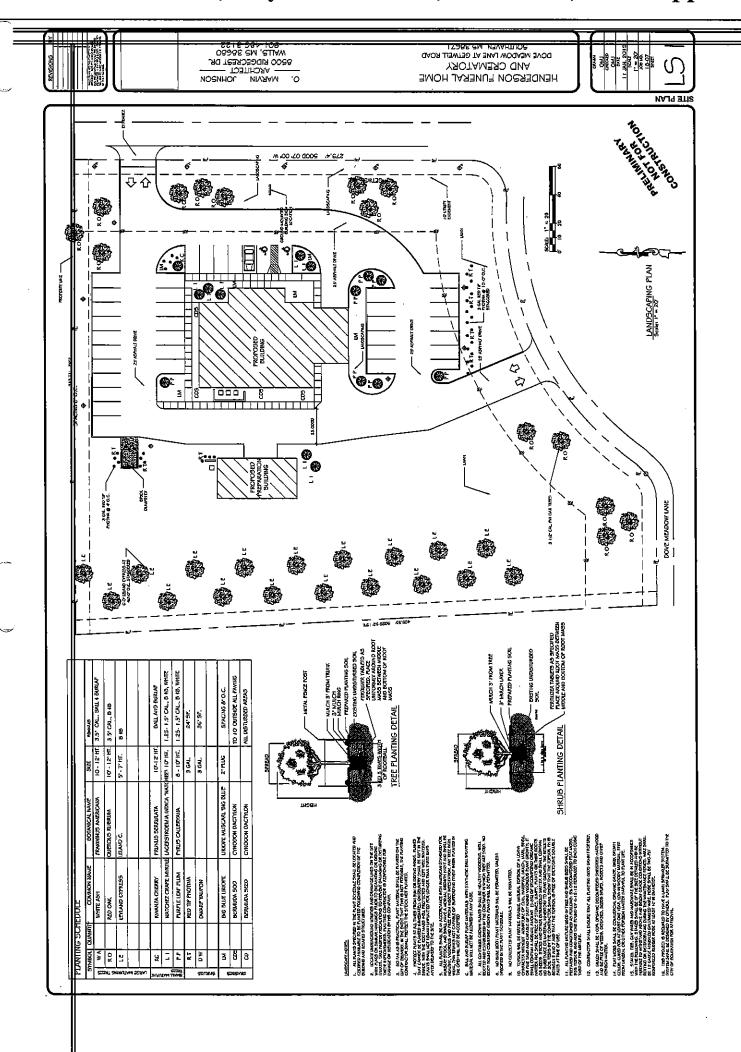

The applicant has done a great job in designing a building to work cohesively with the residential areas surrounding it. Staff believes that the proposed elevations will be a beautiful addition to the area. The only comments staff has are:

- 1. The dumpster enclosure needs to be constructed of the brick material proposed for the building and be designed and built at least one foot above the dumpster itself;
- Two additional decorative lights should be included on each side of the Dove Meadows entrance to stay consistent and increase the aesthetics for the residential area along that road;
- 3. Landscape has been reviewed by staff and a redline copy will be given to the applicant for review and revisions to be made.

Staff recommends approval with these comments and requests administrative approval pending the changes are made.

# City of Southaven Office of Planning and Development Design Review Staff Report

Date of Hearing:	January 25, 2019
Public Hearing Body:	Planning Commission
Applicant:	Guaranty Bank & Trust Company 217 Church Street Belzoni, MS 39038
	662-247-1454
Total Acreage:	1.429 acres
Existing Zone:	Planned Commercial (C-4)
Location of Design Review Application	Northeast corner of Getwell Road and Nail Road
Comprehensive Plan Designation:	Planned Commercial

#### **Staff Comments:**

The applicant is requesting design review approval for a bank facility to be located on the northeast corner of Getwell Road and Nail Road. The following items were submitted:

#### **Building Elevations:**

The applicant is proposing to use a mixture of materials for the building. The base wainscot area is shown as a TBD solid concrete band. Above the wainscot area the applicant is proposing a mixture of large block rough cut Eagle Creek limestone and Sandy Rose brick. The applicant uses the limestone for an accent band along the entire roof line and also for the faux entrance along Getwell Road and the entire south wing of the building. The brick is shown for the entrance elevation and also the accent walls on each side of the faux entrance along Getwell Road. The accent canopies for the standard windows on the south wing of the building are shown as a bronze metal. To keep with the main street/old town design, the applicant has used a large paned arch window line for the main elevations on the building which don't utilize the canopies. The roofline is a raised parapet which varies in height and is capped by a multi-dimensional EIFS accent band shown in Keystone Gray. Exterior wall lights are bronze sconces.

The dumpster enclosure is shown as a composite material painted a SW 7036 which staff does not have a sample of but per the color elevation is a light tan/gray color. The enclosure has decorative columns shown in composite material painted in the Keystone Gray.

The photometric plan shows parking lot lighting with no illumination in the front of the building.

The applicant has submitted the following landscape materials:

Shade trees- Scarlet Oak @ 3.5" caliper

Ornamental trees- Chinese Fringe Tree @ 3.5" caliper

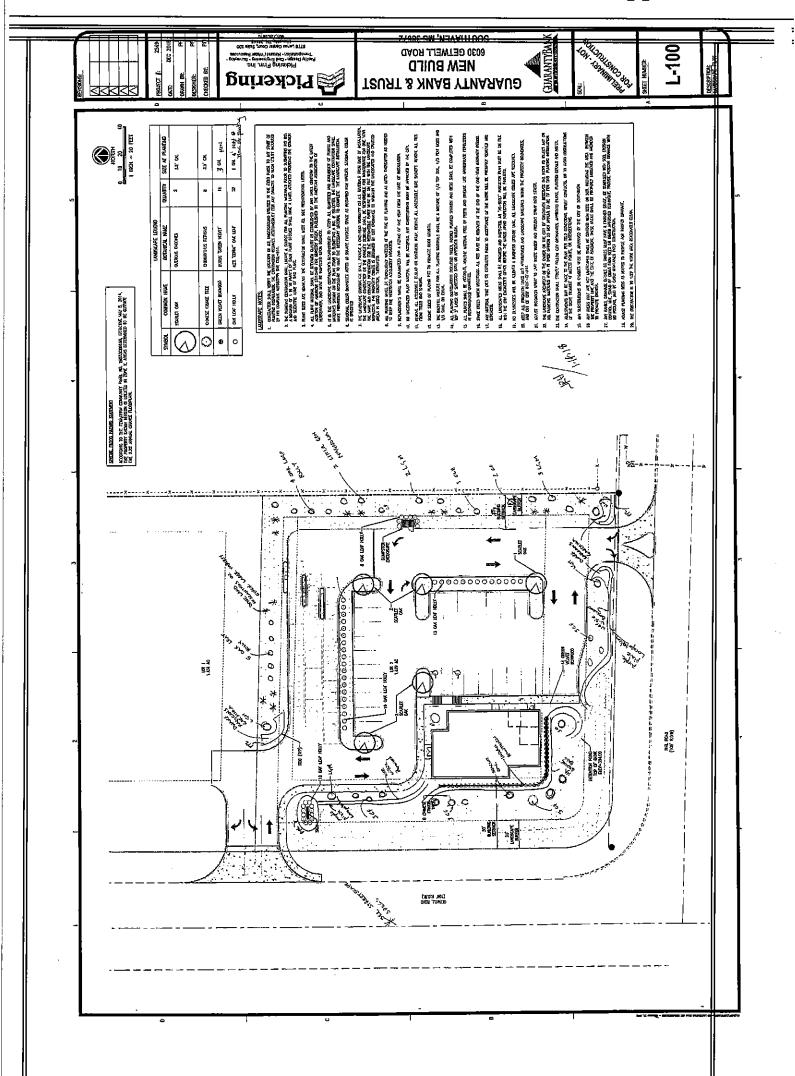

Shrubs: Oakleaf Holly and Green Velvet Boxwood both at 1 gallon

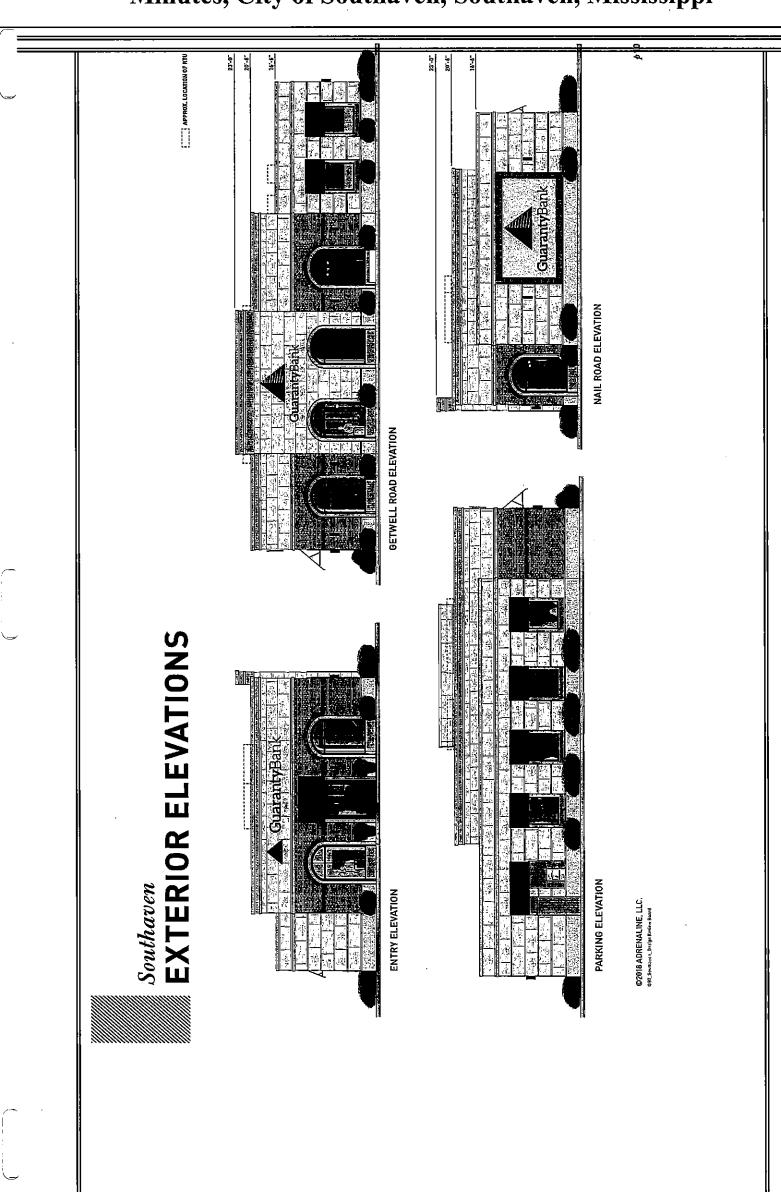

### Staff Recommendations:

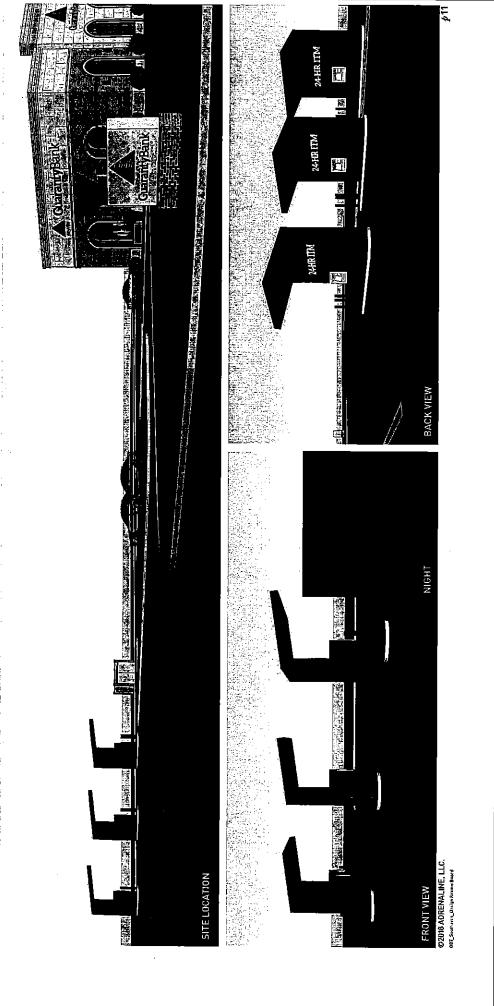

Staff has worked with the applicant for months on the elevations and materials and feels that the building elevations work with the surrounding area. The applicant needs to determine the color of the wainscot concrete which is shown as TBD on the submittal. It looks to be a hue of gray but staff would like a final clarification. The dumpster enclosure is identified generically as a composite material. Staff needs more detail and will note that the enclosure must be a masonry material and must be constructed a minimum of one (1) foot above the actual dumpster height. Staff will also need identification of the added SW color for this area.

Since the area is in the Snowden District and there is a certain design distinction that comes with this area staff recommends that the applicant revise the modern look of the wall mounted sconce lights to something more "main street". To further add into this suggestion, as with all new development the city requires decorative lighting to further enhance the curb appeal. Staff has no problem with the parking lot lights and photometric submitted for behind the building but the applicant should incorporate decorative acorn lighting on each side of both entrances and along the streetscape area in the landscaping buffer. Staff has a standard template that commercial properties as well as the city use for new developments and can supply that to the applicant for a reference point.

The applicant has submitted a very basic landscape plan for this site. This corner is a very visible and very important location in proximity to Snowden Grove park, the amphitheater, etc. and it needs to be enhanced. Staff is attaching a redline copy of the submitted landscape plan which revises the minimum sizes required by the city while also adding additional materials to aid in creating a diverse mixture of plants. Staff would like to see the applicant also create a plan for the hard corner while taking into consideration the detention on site and the incorporation of the decorative lights. Irrigation is required but staff did not see a detail plan for this. In the very near future there will be a multi use trail that will come directly through the ROW of this site so it is important to take the landscaping into consideration. Staff would like to see specs for the revised wall mount lights and a revised landscape/light plan to approve administratively and recommends approval with these conditions.

Southaven
REMOTE CANOPY STUDY 03

# City of Southaven Office of Planning and Development Design Review Staff Report

Date of Hearing:	January 25, 2019
Public Hearing Body:	Planning Commission
Applicant:	Southaven Lodging Group, LLC c/o Kishan Gopal 115 W. Jackson Street Suite 2D Ridgeland, MS 39157 601-488-4657
Total Acreage:	1.57 acres
Existing Zone:	Planned Business Park (PBP)
Location of Design Review Application	West side of Hospitality Lane, north of Marathon Way
Comprehensive Plan Designation:	Planned Business Park/Commercial

#### **Staff Comments:**

The applicant is requesting design review approval for a three story hotel to be located on the west side of Hospitality Lane north of Marathon Way. The following items were submitted:

## **Building Elevations:**

The applicant is proposing to use EIFS and brick for the building. The bottom 1.5 stories are shown as a tan brick with a neutral color mortar. Above this area the applicant is showing the remainder of the building as different shades of EIFS. The majority of the building is shown in SW7016- Mindful Gray which includes the main window lines on all four elevations. A darker shade of gray called Gauntlet Gray is used to cap off the roofline and at the ends of the north and south elevations. The applicant has a signature red called Cherry Tomato which is being proposed for the accent towers only. There is a small portion of the building at the main entrance which the applicant is proposing to use the signature Aqua blue. The roof line is a raised parapet which varies in height. The site plan identifies some ground mounted equipment on the north side which is screened via landscaping. The remainder of the equipment is assumed to be roof mounted and screened via a raised parapet.

The photometric plan shows parking lot lighting on all four sides of the site which are standard shoebox LED pole mounted lights.

The applicant has submitted the following landscape materials: Shade trees: River Birch @ 30 gallon and Shumard Oak @ 3.5" caliper

Ornamental trees: Kwanzan Cherry and Mary Nell Holly @ 15 gallons and Tuscarora Crapemyrtle @ 30 gallon

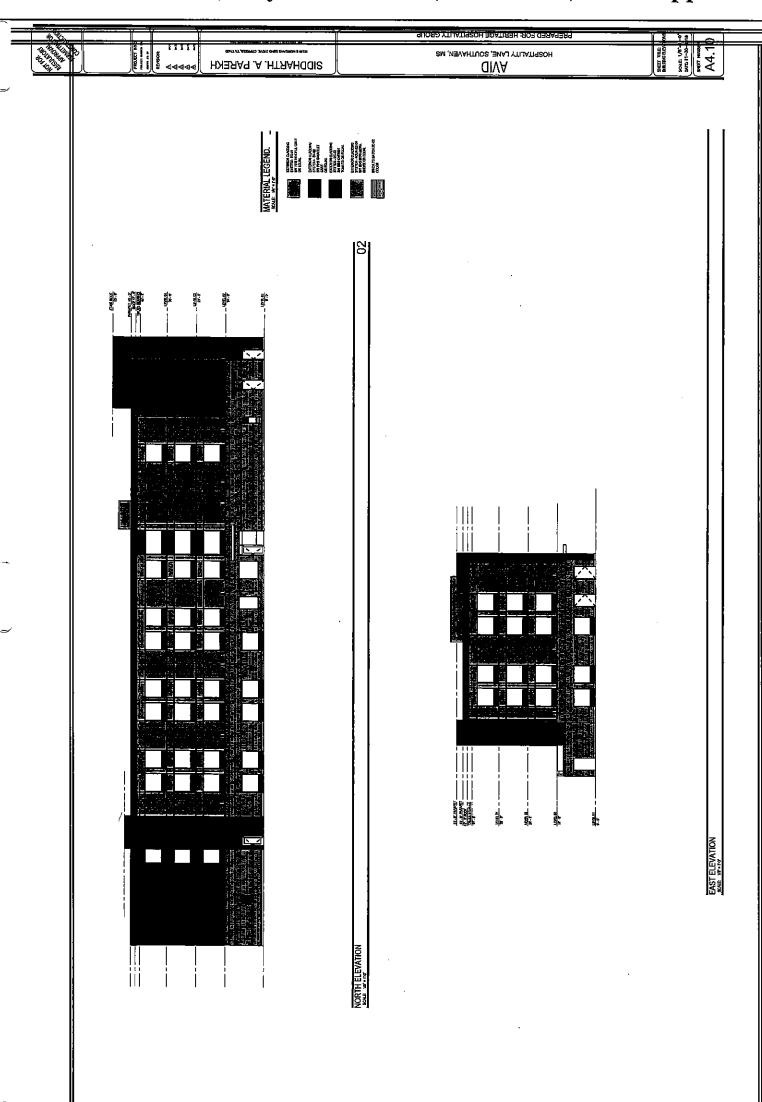

Shrubs: Crimson Fire Loropetalum, Encore Azalea (Autumn Debutante), Needlepoint Holly, Shi Sasanqua @ 3 gallon and Dwarf Yaupon Holly and Japanese Yew @ 7 gallon. Seasonal color.

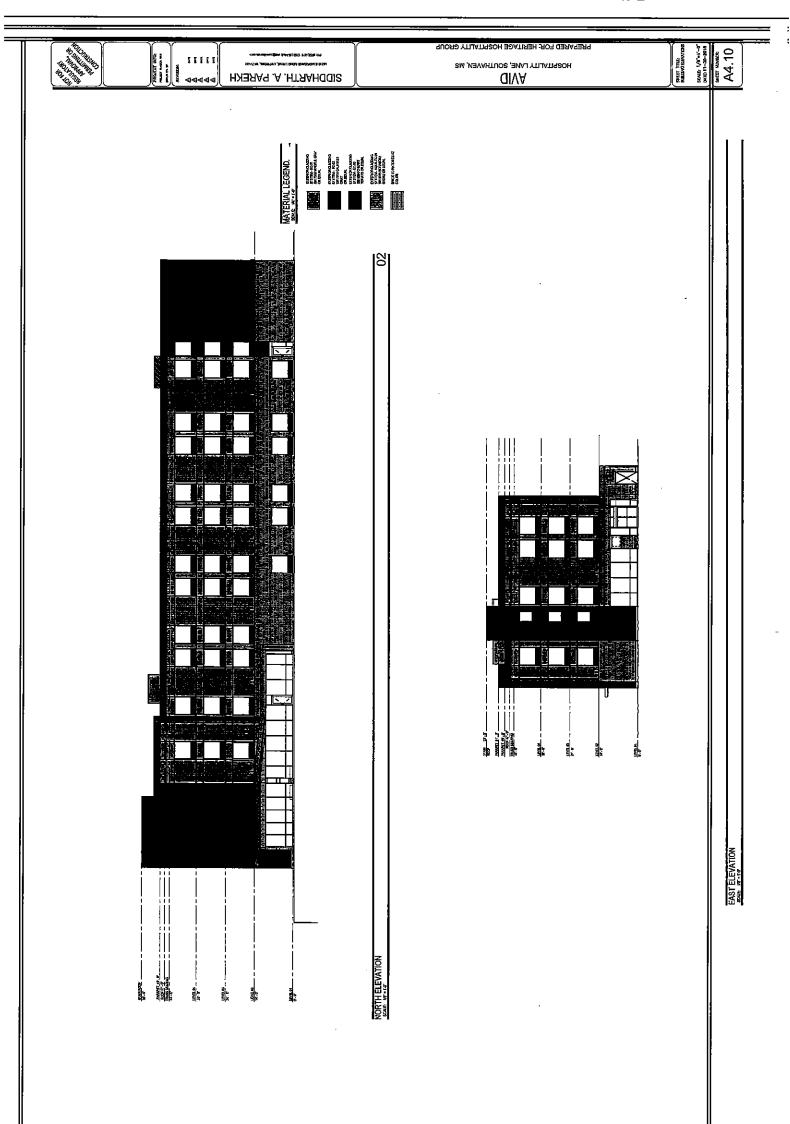

The applicant is showing a double row of Needlepoint Holly along the street frontage on Hospitality Drive with a group of three (3) Kwanzan Cherry trees incorporated in. Each median within the outside parking medians has a Shumard Oak and sod proposed. The interior medians around the building show a single River Birch and sod. The immediate perimeter of the building has a mixture of shrubs in a single tight line including Mary Nell Holly, Dwarf Yaupon Holly, Crimson Fire Loropetalum, Japanese Yew and seasonal color. The dumpster is showing a tight line of Mary Nell Holly around three sides.

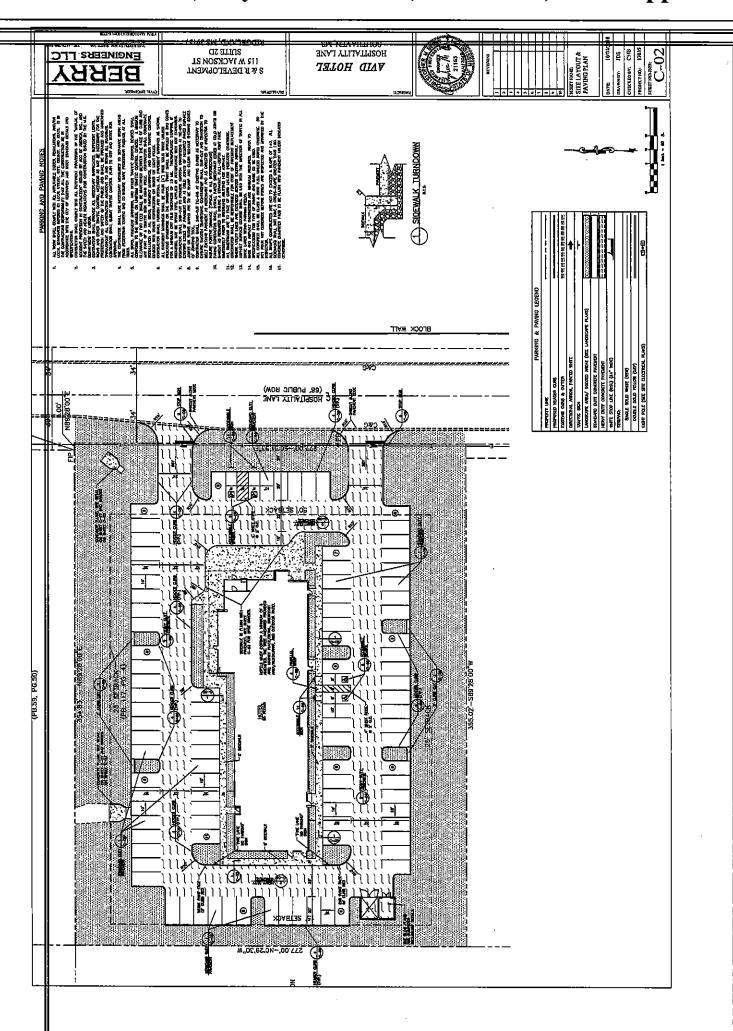

#### **Staff Recommendations:**

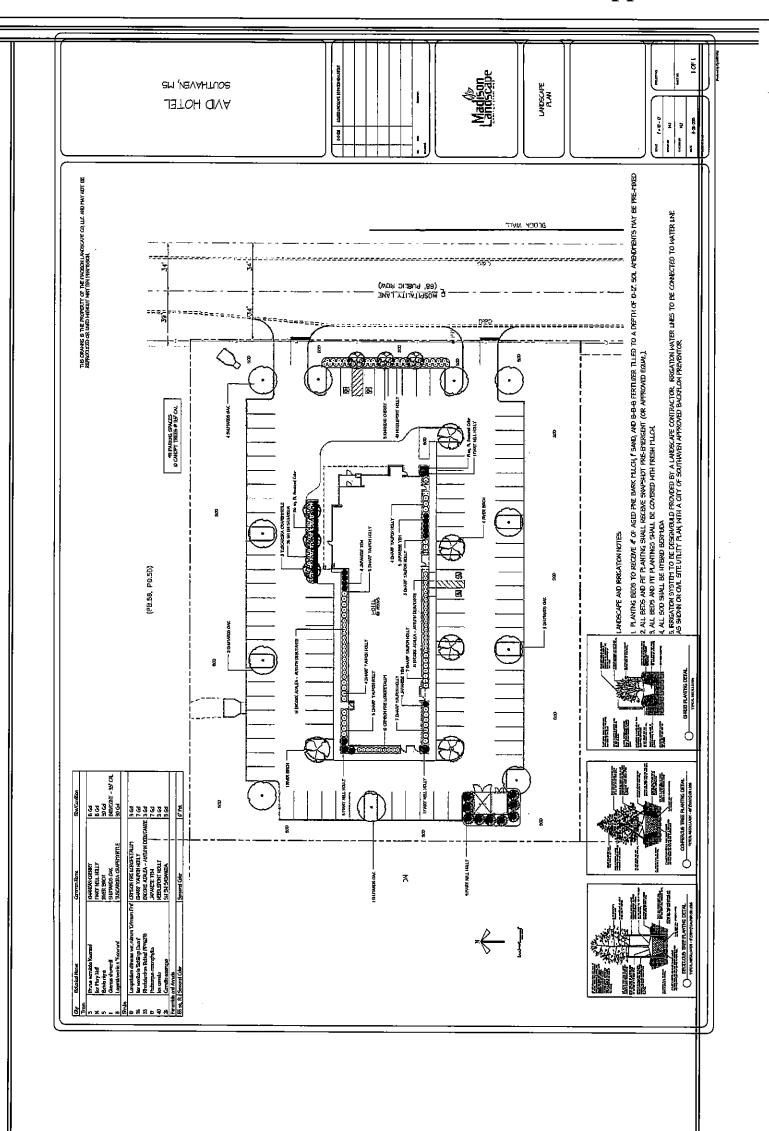

Staff has been in discussions with the applicant over the color palette for months and is pleased to see the final submittal elevation. Initially there was a lot of the Aqua and Cherry Tomato on the entire building but the applicant conceded to using them as accent colors instead of primary colors. The applicant also revised the bottom floor to a masonry material to comply with the ordinance requirements. Staff would like to see the material changed because the tan brick seems a little bland. Staff would like to see a more contrasting color or material for the bottom floor. Additionally, any ground mounted equipment must be screened with a masonry wall and then landscaping so the applicant will need address that change. As with all new developments, the applicant will need to incorporate decorative lighting on the site. The city specs show a black fluted pole with acorn lighting which staff can supply to the applicant. These poles should be incorporated onto each side of the entry points on Hospitality Lane. The landscape has been reviewed by staff and a redline copy of the requested changes to the design and the required changed in the sizes are outline in the attached PDF and will be sent to the applicant.

Staff recommends approval with the changes stated.

# City of Southaven Office of Planning and Development Design Review Staff Report

Date of Hearing:	January 25, 2019
Public Hearing Body:	Planning Commission
Applicant:	Evan Hart
' '	1817 Patterson Street
	Suite 201
•	Nashville, TN
·	615-870-2197
Total Acreage:	8.72 acres
Existing Zone:	Planned Business Park (PBP)
Location of Design Review Application	West side of Airways Blvd., south of Stateline
"	Road
Comprehensive Plan Designation:	Planned Business Park
II	

### **Staff Comments:**

The applicant is requesting design review approval for a warehouse to be located on the west side of Airways Blvd., south of Stateline Road. The following items were submitted:

#### **Building Elevations:**

The applicant is proposing the building to be constructed completely of tilt up concrete panels which is standard with these types of structures. The roofline on the east, west and south have a varied height parapet and a break up in the design and colors to give depth to the appearance. Large portions of the wall have wide vertical lines in the façade and are proposed to be painted in a light gray called SW Marilyns Dress. The smaller sections between which are painted SW Sweet Innocence have narrower vertical lines and also have faux windows at the top. At the entry points of the building the applicant has proposed a solid insulated glass façade with a canopy overhead and additional faux window lines above and along the side to increase the visibility of these focal points. The entire wainscot area of the building has been painted another hue of gray SW Smoke Gray.

The applicant has submitted the following landscape materials:

Shade trees- Pin Oaks @ 6" caliper

Ornamental trees- Country Red Crape Myrtle @ 8'-10' high

Shrubs: Sky Pencil @ 2'-4' high.

Golden Guinea, Perwinkle, Knock Out Roses and Nellie Stevens Holly @ 1 gallon

The applicant has placed a single row of landscape along Airways Blvd to include the Pin Oaks and Nellie Stevens Holly. At the entry points, the applicant has incorporated the knock out roses in a radius on the interior side of the median. Along the southern boundary of the site the applicant has placed a line of the Country Red crape myrtles. The perimeter of the building has corner medians which the applicant has designed to incorporate the Pin Oaks with Periwinkle except for the northwest corner median where the applicant has changed out to Golden Guinea. The south elevation includes a closely planted single line of Sky Pencil adjacent to the building. The remainder of the site is planted with Bermuda grass.

The applicant has submitted the photometric plan which shows standard LED flat head parking lot luminaire lights around the entire perimeter.

### **Staff Recommendations:**

Staff believes the building to be an attractive addition to the existing distribution buildings already located in the area and has no comments regarding the elevations or material.

- -The landscape has been reviewed by staff and a redline copy will be sent to the applicant for revisions and additions to be made to the site.
- As with all new developments decorative lighting is required. The applicant will need to incorporate the standard acorn lighting on each side of the entry points of the site.

Staff has no further comments and recommends approval.

pear Mayor Musselwhite,

divil-Link has reviewed and tabulated, on a line item basis, the bids received on January 23, 2019 for the above referenced project. A copy of the Certified Tabulation of Bids is attached hereto. The apparent low bidder for the project was JM Duncan with a bid of \$2,433,653.35. The Engineers estimate for this project was \$1,836,959.60. Based on the tabulation of the bids, we recommend the bids be rejected and the City ebid the project. Upon the City's approval to reject these bids, Civil-Link will notify each bidder.

you have any questions or concerns, please give me a call,

incerely,

IVIL – EINK, LLC

Nicholas Kreunen, PE
