

House

CITY OF SOUTHAVEN

Sanitation Guidelines

1. Household garbage should be bagged & contained inside the cart. Household garbage outside of the cart will NOT be collected.
2. Do not overload cart. The lid should be closed. If you have more than will fit in your cart, we do offer a second cart for an additional \$8/month.
3. Please have cart on the curb by 6:00 am on your pickup day & at least 5 feet from any obstruction.
4. Arrange cart so that the lid opens toward the street, handle toward your home.
5. No oil, gas, paint, warm ashes, or other hazardous materials should be placed in the cart. To dispose of these items properly, please contact the Desoto County Environmental Services office at 662-469-8023 for more information.
6. If your garbage cart is damaged or if garbage or debris are missed on your pickup day, please contact our office at 662-796-2489, opt. 1 to report this.
7. An additional truck runs every route to pick up boxes, limbs, bagged grass clippings, appliances, and misc. debris. This should be at least 5 feet from cart or any other obstruction.
8. Limbs or tree cuttings should be no longer than 4-5 feet in length or 12 inches in diameter.
9. If you have a large amount of tree cuttings at the curb, please be aware that this may take several trips over multiple days to get completely cleaned up. We appreciate your patience on this matter.
10. Used car tires can be taken to the County Maintenance Shop at 2339 Gwynn Road. Electronics can be taken to the County Rubbish Pit at 5255 W. Sandidge Road, Olive Branch.
11. Minor renovation debris may be placed on curb for pickup. For larger scale renovations, a construction dumpster or self removal is required.
12. For any questions or to report any issues with your sanitation, please contact our office at 662-796-2489, opt. 1.
