Answers to Frequently Asked Questions and General Information for Baseball and Softball Registration

2023

1. Be respectful to umpires. Nationally, we are experiencing an umpire shortage. If you think you can do it, we are taking applications.
2. Be respectful to your coach. These are unpaid, volunteer coaches. If you think you can do it, please sign up to be a coach. We always need them.
3. Games are subject to be played on Mondays, Tuesdays, and Thursdays with game times starting at 6 pm or 7:30 pm or anytime between.
4. Practices are scheduled by the coach at his or her availability. The Parks Department will schedule the practices on the actual game fields and provide that schedule to the coach.
5. Season starts in April and ends in June.
6. Coaches draft their teams. We do not place players on any specific team. Siblings in the same age group are allowed on the same team. Players cannot play up in age.
7. Uniforms are not included in the cost of registration. Registration covers umpire costs and insurance costs. We ask coaches to be reasonable and consider costs when selecting uniforms.
8. After the strict registration deadline, we begin a waiting list. We must take a timeout and count the number of players and recruit the appropriate amount of coaches. Once we have done this, we will fill out teams from the waiting list.
9. In 3 and 4-year-old tee ball, we only use a tee. Absolutely no coach or parent pitch to them.
